SECTION 1.03. [Reserved].

SECTION 1.04. Rules of Construction. Unless the context otherwise requires:

(i) a term has the meaning assigned to it;

(ii) an accounting term not otherwise defined has the meaning assigned to it in accordance with GAAP;

(iii) “or” is not exclusive;

(iv) words in the singular include the plural, and in the plural include the singular;

(v) the male, female and neuter genders include one another;

(vi) the word "including" wherever used will be deemed to be followed by the word "without limitation";

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Issuer and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

ARTICLE II

THE NOTES

SECTION 2.01. Form and Dating.

(a) Form and Dating.

(i) The Notes shall be issued in the form of one or more definitive, fully registered form of securities without interest coupons, with their English and Spanish text side-by-side, *provided*, *however*, that in case of any inconsistency or question as to the proper interpretation or construction of the Notes between the text in English and the text in Spanish, the English text shall control in all cases. The Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A hereto. The terms and provisions of the Notes shall constitute, and are hereby expressly made, a part of this Indenture, and, to the extent applicable, the Issuer and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby.

(ii) Except as otherwise expressly permitted in this Indenture, all Notes shall be identical in all respects. Notwithstanding any differences among them, all Notes issued under this Indenture shall vote and consent together on all matters as one class.

(iii) Notes originally offered and sold to qualified institutional buyers in reliance on Rule 144A under the Securities Act will be issued in the form of one or more permanent Global Securities. Each such Global Security shall be issued with the Restricted Securities Legend and the Global Securities Legend.

(iv) Any Global Security shall be deposited on behalf of the purchasers of the Notes represented thereby with the Trustee, as custodian for the Depositary, and registered in the name of the Depositary or a nominee of the Depositary for the accounts

of participants in the Depositary, duly executed by the Issuer and the Mexican Trustee and authenticated by the Trustee as hereinafter provided. The aggregate principal amount of any Global Security may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depositary or its nominee as hereinafter provided. Any Global Security may be represented by more than one certificate.

(v) The Notes may have notations, legends or endorsements as specified in this Indenture or as otherwise required by law, stock exchange rule or Depositary rule or usage. The Issuer shall approve the form of the Notes and any notation, legend or endorsement on them.

(b) Book-Entry Provisions. This Section 2.01(b) shall apply only to a Global Security deposited with or on behalf of the Depositary.

The Issuer and the Mexican Trustee shall execute and the Trustee shall, in accordance with this Section 2.01(b) and upon Issuer Order, authenticate and deliver initially one or more Global Securities that (i) shall be registered in the name of the Depositary or a nominee of the Depositary (which, in the case of DTC, shall initially be Cede & Co.), (ii) shall be delivered by the Trustee to such Depositary or pursuant to such Depositary's instructions or held by the Trustee as custodian for the Depositary pursuant to (in the case of DTC) a FAST Balance Certificate Agreement between the Depositary and the Trustee, and (iii) shall bear appropriate legends as set forth herein.

Except as provided in Section 2.11(b)(iv), Agent Members shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depositary or by the Trustee as the custodian of the Depositary or under such Global Security, and the Depositary may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Agent Members, the operation of customary practices of such Depositary governing the exercise of the rights of a holder of a beneficial interest in any Global Security.

(c) Definitive Securities. Except as provided in Section 2.07 and Section 2.11, owners of beneficial interests in Global Securities will not be entitled to receive physical delivery of certificated Notes in definitive form.

SECTION 2.02. Execution and Authentication. Two Officers (who shall be members of the Board of Directors) shall sign the Notes for the Issuer by manual or facsimile signature.

(a) If an Officer whose signature is on a Note no longer holds that office at the time the Note is authenticated, the Note shall nevertheless be valid.

(b) A Note shall not be valid until authenticated by the manual signature of the Trustee. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

(c) The Trustee shall authenticate and make available for delivery Notes for original issue in the aggregate principal amount of up to U.S.$715,000,000 upon receipt of an Issuer Order, which shall specify the amount of Notes to be authenticated and the date on which the Notes are to be authenticated.

(d) The Notes shall be issuable only in registered form without coupons and only in denominations of U.S.$100,000 and multiples of U.S.$1,000 in excess thereof.

(e) The Trustee may appoint an authenticating agent acceptable to the Issuer to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same right as an Agent to deal with the Issuer or an Affiliate of the Issuer.

(f) If any successor that has replaced the Issuer in accordance with Article V has executed an indenture supplemental hereto with the Trustee pursuant to Article V, any of the Notes authenticated or delivered prior to such transaction may, from time to time, at the request of such successor, be exchanged for other Notes executed in the name of such successor with such changes in phraseology and form as may be appropriate, but otherwise identical to the Notes surrendered for such exchange and of like principal amount; and the Trustee, upon Issuer Order of such successor, shall authenticate and deliver Notes as specified in such order for the purpose of such exchange. If Notes shall at any time be authenticated and delivered in any new name of such successor pursuant to this Section 2.02(f) in exchange or substitution for or upon registration of transfer of any Notes, such successor, at the option of the Holders but without expense to them, shall provide for the exchange of all Notes then outstanding for Notes authenticated and delivered in such new name.

(g) The Notes shall also be signed by a duly authorized attorney-in-fact of the Mexican Trustee by manual or facsimile signature.

SECTION 2.03. The Trustee Registrar, Paying Agent and Conversion Agent . The Issuer shall maintain or cause to be maintained in such locations as it shall determine, which may be the Corporate Trust Office, an office or agency: (i) where securities may be presented for registration of transfer or for exchange ("Registrar"); (ii) where Notes may be presented for payment (" Paying Agent"); (iii) an office or agency where Notes may be presented for conversion (the "Conversion Agent"); and (iv) where notices and demands to or upon the Issuer in respect of Notes and this Indenture may be served by the Holders. The Registrar shall keep a Register ("Register") of the Notes and of their transfer and exchange. The Issuer may appoint one or more co-registrars, one or more additional paying agents and one or more additional conversion agents. The term "Paying Agent" includes any additional paying agent and the term "Conversion Agent" includes any additional conversion agent. The Issuer may change any Paying Agent, Registrar, Conversion Agent or co-registrar without prior notice. The Issuer shall notify the Trustee of the name and address of any Agent not a party to this Indenture and shall enter into an appropriate agency agreement with any Registrar, Paying Agent, Conversion Agent or co-registrar not a party to this Indenture. Such agency agreement shall implement the provisions of this Indenture that relate to such Agent. The Issuer or any of its Subsidiaries may act as Paying Agent, Registrar, Conversion Agent or co-registrar, except that for purposes of

Article VIII and Section 3.03, neither the Issuer nor any of its Subsidiaries shall act as Paying Agent. If the Issuer fails to appoint or maintain another entity as Registrar, Paying Agent or Conversion Agent, the Trustee shall act as such, and the Trustee shall initially act as such. The Issuer designates the Borough of Manhattan, New York City, office or agency of the Trustee as one such office or agency of the Issuer required by this Section 2.03, until such time as another office or agency located in the Borough of Manhattan is designated as such, and appoints the Trustee as Registrar, Paying Agent, Conversion Agent and agent for service of demands and notices in connection with the Notes and this Indenture until such time as another Person is appointed as such.

SECTION 2.04. Paying Agent to Hold Money in Trust. The Issuer shall require each Paying Agent (other than the Trustee, who hereby so agrees) to agree in writing that the Paying Agent will hold in trust for the benefit of the Holders or the Trustee all money held by the Paying Agent for the payment of principal or Interest on the Notes, and will notify the Trustee of any default by the Issuer in respect of making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Issuer or a Subsidiary of the Issuer) shall have no further liability for the money. If the Issuer or a Subsidiary of the Issuer acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders of all money held by it as Paying Agent. Upon any proceeding under any Bankruptcy Law with respect to the Issuer or any of its Affiliates, if the Issuer or such Affiliate is then acting as Paying Agent, the Trustee shall replace the Issuer or such Affiliate as Paying Agent.

SECTION 2.05. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least seven Business Days before each Interest Payment Date, and as the Trustee may request in writing within fifteen (15) days after receipt by the Issuer of any such request (or such lesser time as the Trustee may reasonably request in order to enable it to timely provide any notice to be provided by it hereunder), a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

SECTION 2.06. Legends; Transfer Restrictions. (a) Each Global Security shall bear the Global Securities Legend.

(b) Each Restricted Note shall bear the Restricted Securities Legend. Each Note that bears or is required to bear the Restricted Securities Legend shall be subject to the restrictions on transfer set forth therein, and each Holder of such Note, by such Holder's acceptance thereof, agrees to be bound by all such restrictions on transfer.

(c) As used in this Section 2.06 and in Section 2.07, the term "transfer" includes any sale, pledge, transfer or other disposition whatsoever of any Restricted Note. The Registrar shall not register any transfer of a Restricted Note not made in accordance with the restrictions on transfer set forth in this Section 2.06 and in Section 2.07.

(d) Every ADR certificate representing an ADS issued in the circumstances described in Section 12.11 hereof shall bear the applicable Restricted ADS Legend unless removed in accordance with the provisions of Section 12.11.

SECTION 2.07. Transfer and Exchange. (a) When Notes are presented to the Registrar or a co-registrar with a request to register a transfer or to exchange them for an equal principal amount of Notes for other denominations, the Registrar shall register the transfer or make the exchange if its requirements for such transactions specified herein and the related certificate are met. To permit registrations of transfers and exchanges, the Issuer shall issue and the Trustee shall authenticate Notes at the Registrar's request, bearing certificate numbers not contemporaneously outstanding. No service charge shall be imposed on a Holder for any registration of transfer or exchange of Notes (except as otherwise expressly permitted herein), but the Issuer and the Registrar may require payment of a sum sufficient to cover any transfer Tax or other governmental charge payable upon exchanges pursuant to Section 2.11, Section 9.05 or Section 12.02.

The Issuer or the Registrar shall not be required to register the transfer of any Notes surrendered for repurchase pursuant to Section 3.03.

All Notes issued upon any transfer or exchange of Notes in accordance with this Indenture shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

(b) Notwithstanding any provision to the contrary herein, so long as a Global Security remains outstanding and is held by or on behalf of the Depositary, transfers of a Global Security, in whole or in part, or of any beneficial interest therein, shall only be made in accordance with this Section 2.07(b), Section 2.11 and the Applicable Procedures; *provided*, *however*, that beneficial interests in a Global Security that is a Restricted Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in such Global Security in accordance with the transfer restrictions set forth in the Restricted Securities Legend.

Except for transfers or exchanges made in accordance with paragraphs (i) through (iii) of this Section 2.07(b) and Section 2.11, transfers of a Global Security shall be limited to transfers of such Global Security in whole, but not in part, to nominees of the Depositary or to a successor of the Depositary or such successor's nominee.

(i) *Global Security to Definitive Security.* If an owner of a beneficial interest in a Global Security deposited with the Depositary or with the Trustee as custodian for the Depositary wishes at any time to transfer its interest in such Global Security to a Person who is required to take delivery thereof in the form of a definitive registered note (such Note, a "Definitive Security"), such owner may, subject to the restrictions on transfer set forth herein and such Global Security and the Applicable Procedures, cause the exchange of such interest for one or more Definitive Securities of any authorized denomination or denominations and of the same aggregate principal amount. Upon receipt by the Registrar of (1) instructions from the Depositary and/or its participants directing the Trustee to authenticate and deliver one or more Definitive Securities of the

same aggregate principal amount as the beneficial interest in the Global Security to be exchanged (such instructions to contain the name or names of the designated transferee or transferees, the authorized denomination or denominations of the Definitive Securities to be so issued and appropriate delivery instructions), and (2) in the case of a Restricted Note, such certifications or other information and, except in the case of transfers pursuant to Rule 144 under the Securities Act, legal opinions as the Issuer may reasonably require to confirm that such transfer is being made pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act, then the Registrar will instruct the Depositary to reduce or cause to be reduced such Global Security by the aggregate principal amount of the beneficial interest therein to be exchanged and to debit or cause to be debited from the account of the Person making such transfer the beneficial interest in the Global Security that is being transferred, and concurrently with such reduction and debit the Issuer shall execute, and the Trustee shall authenticate and deliver, one or more Definitive Securities of the same aggregate principal amount in accordance with the instructions referred to above.

(ii) *Definitive Security to Definitive Security.* If a Holder of a Definitive Security wishes at any time to transfer such Definitive Security (or portion thereof) to a Person who is required to take delivery thereof in the form of a Definitive Security, such Holder may, subject to the restrictions on transfer set forth herein and in such Definitive Security, cause the transfer of such Definitive Security (or any portion thereof in a principal amount equal to an authorized denomination) to such transferee. Upon receipt by the Registrar of (1) such Definitive Security, duly endorsed as provided herein, (2) instructions from such Holder directing the Trustee to authenticate and deliver one or more Definitive Securities of the same aggregate principal amount as the Definitive Security, or portion thereof, to be transferred (such instructions to contain the name or names of the designated transferee or transferees, the authorized denomination or denominations of the Definitive Securities to be so issued and appropriate delivery instructions), and (3) in the case of a Restricted Note, such certifications or other information and, except in the case of transfers to Persons pursuant to Rule 144 under the Securities Act, legal opinions as the Issuer may reasonably require to confirm that such transfer is being made pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act, then the Registrar, shall cancel or cause to be canceled such Definitive Security and concurrently therewith, the Issuer shall execute, and the Trustee shall authenticate and deliver, one or more Definitive Securities in the appropriate aggregate principal amount, in accordance with the instructions referred to above and, if only a portion of a Definitive Security is transferred as aforesaid, concurrently therewith the Issuer shall execute and the Trustee shall authenticate and deliver to the transferor a Definitive Security in a principal amount equal to the principal amount which has not been transferred. A Holder of a Definitive Security may at any time exchange such Definitive Security for one or more Definitive Securities of other authorized denominations and in the same aggregate principal amount and registered in the same name by delivering such Definitive Security, duly endorsed as provided herein, to the Trustee together with instructions directing the Trustee to authenticate and deliver one or more Definitive Securities in the same aggregate principal amount and registered in the same name as the Definitive Security to be exchanged, and the Registrar thereupon shall cancel or caused to be canceled such Definitive Security and concurrently therewith the Issuer shall execute and Trustee shall authenticate and deliver, one or more Definitive Securities in the same aggregate principal amount and registered in the same name as the Definitive Security being exchanged.

(iii) *Definitive Security to Global Security*. If a Holder of a Definitive Security wishes at any time to transfer such Definitive Security (or portion thereof) to a Person who is not required to take delivery thereof in the form of a Definitive Security, such Holder shall, subject to the restrictions on transfer set forth herein and in such Definitive Security and the rules of the Depositary cause the exchange of such Definitive Security for a beneficial interest in the Global Security. Upon receipt by the Registrar of (1) such Definitive Security, duly endorsed as provided herein, (2) instructions from such Holder directing the Trustee to increase the aggregate principal amount of the Global Security deposited with the Depositary or with the Trustee as custodian for the Depositary by the same aggregate principal amount as the Definitive Security to be exchanged, such instructions to contain the name or names of a member of, or participant in, the Depositary that is designated as the transferee, the account of such member or participant and other appropriate delivery instructions, (3) the assignment form on the back of the Definitive Security completed in full, and (4) in the case of a Restricted Note, such certifications or other information and legal opinions as the Issuer may reasonably require to confirm that such transfer is being made pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act, then the Trustee shall cancel or cause to be canceled such Definitive Security and concurrently therewith shall increase the aggregate principal amount of the Global Security by the same aggregate principal amount as the Definitive Security canceled.

All Definitive Securities shall be issued in minimum principal amounts of U.S.$100,000 and integral multiples of U.S.$1,000 in excess thereof.

(c) So long as and to the extent that the Notes are represented by one or more Global Securities held by or on behalf of the Depositary only, the Issuer may accomplish any delegending of such Notes represented by such Global Securities at any time on or after the Resale Restriction Delegending Date, to the extent such Notes are freely tradable without restrictions under applicable securities laws, by:

(i) providing written notice to the Trustee that the Resale Restriction Delegending Date has occurred and instructing the Trustee to remove the Restricted Securities Legend from the Notes;

(ii) providing written notice to Holders of the Notes that the Restricted Securities Legend has been removed or deemed removed;

(iii) providing written notice to the Trustee and the Depositary to change the CUSIP number for the Notes to the applicable unrestricted CUSIP number; and

(iv) complying with any Applicable Procedures for delegending;

whereupon the Restricted Securities Legend shall be deemed removed from any Global Securities without further action on the part of Holders.

(d) Transfers of Notes and Restricted Notes.

(i) Upon the transfer, exchange or replacement of Notes (or beneficial interests in a Global Security) not bearing (or not required to bear upon such transfer, exchange or replacement) a Restricted Securities Legend, the Registrar shall exchange such Notes (or beneficial interests) for Notes (or beneficial interests in a Global Security) not bearing a Restricted Securities Legend.

(ii) Upon the transfer, exchange or replacement of Notes (or beneficial interests in a Global Security) bearing a Restricted Securities Legend at any time prior to the time the Issuer has provided notice of the occurrence of the Resale Restriction Delegending Date, the Registrar shall deliver only Notes (or beneficial interests in a Global Security) bearing a Restricted Securities Legend unless (i) such Notes (or beneficial interests) are transferred pursuant to an effective shelf registration statement; (ii) such Notes (or beneficial interests) are transferred pursuant to Rule 144 upon delivery to the Registrar of a certificate of the transferor in the form contained in Exhibit A hereto and an Opinion of Counsel reasonably satisfactory to the Registrar; (iii) such Notes (or beneficial interests) are transferred, replaced or exchanged after the Resale Restriction Delegending Date and are freely tradable without restriction under applicable securities laws; or (iv) in connection with such transfer, exchange or replacement the Registrar shall have received an Opinion of Counsel, certificates and such other evidence reasonably required by and satisfactory to it to the effect that neither such Restricted Securities Legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act. The Issuer shall deliver to the Trustee an Officer's Certificate promptly upon effectiveness, withdrawal or suspension of any shelf registration statement that is or has previously been declared effective with respect to the Notes.

(e) Any transfer of Restricted Notes not described above (other than a transfer of a beneficial interest in a Global Security that does not involve an exchange of such interest for a Definitive Security or a beneficial interest in another Global Security, which must be effected in accordance with applicable law and the Applicable Procedures, but is not subject to any procedure required by this Indenture) shall be made only upon receipt by the Registrar of such Opinions of Counsel, certificates and such other evidence reasonably required by and satisfactory to it in order to ensure compliance with the Securities Act, or as otherwise set forth in this Indenture.

(f) Any Note or ADS issued upon the conversion or exchange of a Note that, prior to the date upon which the Issuer instructs the Trustee to remove the Restricted Securities Legend pursuant to Section 2.07(c) above, is purchased or owned by the Issuer or any Affiliate thereof, may not be resold by the Issuer, and the Issuer may not permit any such Affiliate to resell it, unless registered under the Securities Act or resold pursuant to an exemption from the registration requirements of the Securities Act in a transaction that results in such Note or ADS, as the case may be, no longer being "restricted securities" (as defined under Rule 144).

(g) Neither the Trustee nor any Agent shall have any responsibility for any actions taken or not taken by the Depositary. All notices and communications to be given to the Holders

and all payments to be made to Holders in respect of the Notes shall be given or made only to or upon the order of the registered Holders (which shall be the Depositary or its nominee in the case of a Global Security). The rights of beneficial owners in any Global Security shall be exercised only through the Depositary subject to the Applicable Procedures. The Trustee may conclusively rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its Agent Members and any beneficial owners.

(h) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Notes (including any transfers between or among Agent Members or beneficial owners of interests in any Global Security) other than to require delivery of such certificates and other documentation as is expressly required by, and to do so if and when expressly required by, the terms of this Indenture and to examine the same to determine substantial compliance as to form with the express requirements hereof. The Trustee shall have no obligations or duties to the holders of any ADSs issued pursuant to Article XII hereof.

(i) The Trustee shall have no responsibility or obligation to any beneficial owner of an interest in a Global Security, Agent Members or any other Persons with respect to the accuracy of the records of DTC or its nominee or of Agent Members, with respect to any ownership interest in the Notes or with respect to the delivery to any Agent Member, beneficial owner or other Person (other than DTC) of any notice (including any notice of redemption) or the payment of any amount or delivery of any Notes (or other security or property) under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Notes shall be given or made only to or upon the order of the registered Holders (which shall be DTC or its nominee in the case of a Global Security). The rights of beneficial owners in any Global Security shall be exercised only through DTC subject to the applicable rules and procedures of DTC. The Trustee may and shall be fully protected in relying upon information furnished by DTC with respect to its Agent Members and any beneficial owners.

SECTION 2.08. Replacement Notes. If the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue (after the execution by two Officers, who shall also be members of the Board of Directors), the Mexican Trustee shall sign and the Trustee shall authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee, the Mexican Trustee or the Issuer as a condition of receiving a replacement Note, such Holder shall provide a certificate of loss and an indemnity and/or an indemnity bond sufficient, in the judgment of the Issuer, the Mexican Trustee and the Trustee, to fully protect the Issuer, the Mexican Trustee, the Trustee, any Agent and any authenticating agent from any loss, liability, cost or expense which any of them may suffer or incur if the Note is replaced. The Issuer, the Mexican Trustee and the Trustee may charge the relevant Holder for their expenses in replacing any Note.

The Trustee or any authenticating agent may authenticate any such substituted Note, and deliver the same upon the receipt of such security or indemnity as the Trustee, the Mexican Trustee, the Issuer and, if applicable, such authenticating agent may require. Upon the issuance of any substituted Note, the Issuer and the Trustee may require the payment of a sum sufficient

to cover any Tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith. In case any Note which has matured or is about to mature, or has been submitted for repurchase pursuant to Section 3.03 or is about to be converted into ADSs pursuant to Article XII, shall become mutilated or be destroyed, lost or stolen, the Issuer may, instead of issuing a substitute Note, pay or authorize the payment of or convert or authorize the conversion of the same (without surrender thereof except in the case of a mutilated Note), as the case may be, if the applicant for such payment or conversion shall furnish to the Issuer, to the Mexican Trustee, to the Trustee and, if applicable, to the authenticating agent such security or indemnity as may be required by them to save each of them harmless for any loss, liability, cost or expense caused by or connected with such action, and, in case of destruction, loss or theft, evidence satisfactory to the Issuer, the Mexican Trustee, the Trustee and, if applicable, any Paying Agent or Conversion Agent of the destruction, loss or theft of such Note and of the ownership thereof.

Every replacement Note is an additional obligation of the Issuer and shall be entitled to all the benefits provided under this Indenture equally and proportionately with all other Notes duly issued, authenticated and delivered hereunder.

SECTION 2.09. Outstanding Notes. The Notes outstanding at any time are all the Notes properly authenticated by the Trustee except for those canceled by the Trustee, those delivered to it for cancellation, and those described in this Section as not outstanding.

If a Note is replaced pursuant to Section 2.08, it shall cease to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If Notes are considered paid under Section 4.01, converted under Article XII or redeemed or repurchased pursuant to Section 3.01 or Section 3.03, they shall cease to be outstanding and Interest on them shall cease to accrue, except as may be otherwise set forth herein.

Subject to Section 2.10 hereof, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note.

SECTION 2.10. When Treasury Notes Disregarded. In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer or an Affiliate of the Issuer shall be considered as though they are not outstanding except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes which a Trust Officer of the Trustee actually knows are so owned shall be so disregarded. Prior to any such determination, the Issuer shall be obliged to advise the Trustee of any Notes owned by the Issuer or an Affiliate of the Issuer.

SECTION 2.11. Temporary Notes; Definitive Securities. (a) Until Definitive Securities are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Notes, which shall also be signed by the Mexican Trustee. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes and shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer shall prepare, the Mexican Trustee shall sign and the Trustee shall authenticate Definitive Securities in exchange for temporary Notes.

(b) Definitive Securities.

(i) Except for transfers made in accordance with Section 2.07(b), a Global Security deposited with the Depositary or with the Trustee as custodian for the Depositary pursuant to Section 2.01 shall be transferred to the beneficial owners thereof in the form of Definitive Securities only if such transfer complies with Section 2.07 and (x) the Depositary notifies the Issuer that it is unwilling or unable to continue as Depositary for such Global Security or if at any time such Depositary ceases to be a "clearing agency" registered under the Exchange Act and a successor Depositary is not appointed by the Issuer within 90 days of such notice, (y) an Event of Default has occurred and is continuing, or (z) the Issuer, in its sole discretion, determines that the Global Security will be exchangeable for Definitive Securities in registered form and notifies the Trustee of its decision.

(ii) In connection with the exchange of an entire Global Security for Definitive Securities pursuant to clause (x) of Section 2.11(b)(i), such Global Security shall be deemed to be surrendered to the Trustee for cancellation, and the Issuer (by means of the execution by two Officers, who shall also be members of the Board of Directors) and the Mexican Trustee shall execute, and upon Issuer Order the Trustee shall authenticate and deliver to each Person identified by DTC and/or its participants in exchange for its interest in such Global Security, an equal aggregate principal amount of Definitive Securities of authorized denominations, and the Registrar shall register such exchanges in the Register.

(iii) In connection with the exchange of an entire Global Security for Definitive Securities pursuant to clause (y) of Section 2.11(b)(i), if an Event of Default has occurred and is continuing, upon receipt by the Registrar of instructions from Agent Members on behalf of the owner of a beneficial interest in a Global Security directing the Registrar to exchange such beneficial owner's beneficial interest in such Global Security for Definitive Securities, subject to and in accordance with the Applicable Procedures, the Issuer (by means of the execution by two Officers, who shall also be members of the Board of Directors) and the Mexican Trustee shall promptly execute, and upon Issuer Order the Trustee shall authenticate and make available for delivery to such beneficial owner, Definitive Securities in a principal amount equal to such beneficial interest in such Global Security.

(iv) If (A) an event described in clause (x) of Section 2.11(b)(i) occurs and Definitive Securities are not issued promptly to all beneficial owners or (B) the Registrar receives from a beneficial owner instructions to obtain Definitive Securities due to an event described in clause (y) of Section 2.11(b)(i) and Definitive Securities are not issued promptly to any such beneficial owner, the Issuer expressly acknowledges, with respect to the right of any Holder to pursue a remedy pursuant to Section 6.06 hereof, the right of any beneficial owner of Notes to pursue such remedy with respect to the portion of the Global Security that represents such beneficial owner's Notes as if such Definitive Securities had been issued.

(c) Any Global Security or interest therein that is transferable to the beneficial owners thereof in the form of Definitive Securities shall, if held by the Depositary, be surrendered by the Depositary to the Trustee, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Security, an equal aggregate principal amount of Notes of authorized denominations in the form of certificated Notes in definitive form. Any portion of a Global Security transferred pursuant to this Section shall be executed, authenticated and delivered only in denominations of U.S.$100,000 and multiples of U.S.$1,000 in excess thereof and registered in such names as the Depositary and/or its participants shall direct.

(d) Prior to any transfer pursuant to Section 2.11(b), the registered Holder of a Global Security may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(e) The Issuer will make available to the Trustee a reasonable supply of certificated Notes in definitive form without interest coupons.

SECTION 2.12. Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else may cancel Notes surrendered for registration of transfer, exchange, payment, replacement, conversion, redemption, repurchase or cancellation. All Notes so surrendered to the Trustee shall be cancelled promptly by the Trustee. Upon written instructions of the Issuer, the Trustee shall dispose of canceled Notes in accordance with its customary procedures for the disposition of canceled securities and, after such disposition, shall upon written request deliver a certificate of disposition to the Issuer. The Issuer may not issue new Notes to replace Notes that it has paid or repurchased or that have been delivered to the Trustee for cancellation or that any Holder has (i) converted pursuant to Article XII hereof, or (ii) submitted for repurchase pursuant to Section 3.03 hereof (unless validly revoked pursuant to Section 3.04).

SECTION 2.13. [Reserved].

SECTION 2.14. CUSIP Number. (a) The Issuer, in issuing the Restricted Notes, will use a restricted CUSIP number for such Notes until such time as the Restricted Securities Legend is removed pursuant to Section 2.07(c) or Section 2.07(d). At such time as the applicable restrictive legend is removed from such Notes pursuant to Section 2.07(c) or Section 2.07(d), the Issuer will use an unrestricted CUSIP number for such Note, but only with respect to the Notes where so removed.

(b) The Issuer, upon issuing ADSs upon conversion of Restricted Notes, will use a restricted CUSIP number for such ADSs. With respect to each ADR representing such ADS, until such time as the applicable Restricted ADS Legend is removed pursuant to Section 2.07(c) or Section 2.07(d) from such ADR, such restricted CUSIP will be the CUSIP numbers for such

ADR. At such time as the applicable restrictive legend is removed from such ADR pursuant to Section 2.07(c) or Section 2.07(d), an unrestricted CUSIP number for such ADR will be deemed to be the CUSIP number therefor, but only with respect to the ADRs where so removed.

(c) The Trustee shall use the applicable CUSIP number in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such number either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such number. The Issuer will promptly notify the Trustee in writing of any change in the CUSIP number.

ARTICLE III

REDEMPTION AND REPURCHASE OF NOTES

SECTION 3.01. Redemption of Notes at the Option of the Issuer. (a) If, as a result of any amendment to, or change in, the laws (or any rules or regulations thereunder) of any government or jurisdiction (a "Taxing Jurisdiction") affecting taxation, or any amendment to or change in an official interpretation or application of such laws, rules or regulations that has a general effect, which amendment to or change of such laws, rules or regulations becomes effective on or after the Issue Date (which, in the case of a merger, consolidation or other transaction permitted and described under Article V, shall be treated for this purpose as the date of such transaction) the Issuer would be obligated, after taking all reasonable measures to avoid such requirement, to pay Additional Amounts in excess of those attributable to a withholding Tax rate of 10% with respect to the Notes, then, at the Issuer's option, the Issuer may give a Tax Redemption Notice whereupon the Notes shall be redeemed (a "Tax Redemption") in whole, but not in part, at a redemption price (the "Tax Redemption Price") equal to 100% of the outstanding principal amount, plus Interest, if any, up to but not including the Tax Redemption Date; *provided*, *however*, that (1) no Tax Redemption Notice may be given earlier than 90 days prior to the earliest date on which the Issuer would be obligated to pay the Additional Amounts described in the preceding sentence if a payment on the Notes were then due, (2) at the time such Tax Redemption Notice is given such obligation to pay such Additional Amounts remains in effect, and (3) the Issuer shall have satisfied the additional requirements set forth in paragraph (b) of this Section 3.01. A Tax Redemption Notice, once delivered by the Issuer or caused to be delivered by the Issuer, shall be irrevocable.

(b) Prior to the publication of any Tax Redemption Notice, the Issuer will deliver to the Trustee:

(i) an Officer's Certificate stating that the Issuer is entitled to effect the redemption and setting forth a statement of facts showing that the conditions precedent to the Issuer's right to redeem have occurred, and

(ii) an Opinion of Counsel of recognized standing in the affected Taxing Jurisdiction to the effect that the Issuer has or will become obligated to pay such Additional Amounts as a result of such change or amendment.

(c) The Issuer shall not have the right to exercise any such optional redemption at any time when it is prohibited from having such an option under the Financing Agreement. Upon delivery of a Tax Redemption Notice, each Holder will have the option to convert its Notes as if a Fundamental Change had occurred by delivering a notice of conversion of the Notes to the Trustee no later than the close of business on the fourth Business Day immediately preceding the Tax Redemption Date set forth in the Tax Redemption Notice. Such conversion shall be made at the Make Whole Fundamental Change Premium, determined as set forth in Section 12.12; *provided* that the "ADS price" used by the Issuer in the calculation of the make whole amount shall be the Last Reported Sale Price of the ADSs on the Trading Day immediately preceding the date the Tax Redemption Notice is delivered by the Issuer or caused to be delivered by the Issuer and "Effective Date" used in such calculation shall be the Trading Day immediately preceding such date of delivery. The settlement of such conversion shall be made in accordance with the settlement provisions set forth in Section 12.12.

(d) If the Issuer sets a Tax Redemption Date between a Record Date and the corresponding Interest Payment Date, the Issuer will not pay accrued Interest to any redeeming Holder, and will instead pay the full amount of the relevant Interest payment on such Interest Payment Date to the Holder of record on such Record Date.

(e) If the Issuer elects to exercise the redemption right described in Section 3.01(a), it shall give, or cause to be given by the Trustee, irrevocable written notice of redemption (the "Tax Redemption Notice") not less than 30 days nor more than 60 days before the Tax Redemption Date to the Trustee, the Paying Agent and each Holder at the addresses as shown on the Register. The Tax Redemption Notice shall include such notices as are required by law and shall state: (i) the aggregate principal amount of Notes to be redeemed; (ii) the CUSIP number or numbers of the Notes being redeemed; (iii) the Business Day on which the redemption will be effected (the "Tax Redemption Date"); (iv) the Tax Redemption Price; (v) the place or places of payment and that payment will be made upon presentation and surrender of such Notes; (vi) that Interest to, but excluding, the Tax Redemption Date will be paid as specified in said notice, and that on and after said date Interest thereon or on the portion thereof to be redeemed will cease to accrue; (vii) that the Holder has a right to convert the Notes called for redemption at a Make Whole Fundamental Change Premium; (viii) the Conversion Rate on the date of Tax Redemption Notice; (ix) the method of calculating the number of ADSs to be delivered to the Holder upon conversion with respect to any conversions made prior to the Tax Redemption Date; (x) the applicable information required to be contained in a Fundamental Change Notice as set forth in Section 12.12(b); and (xi) if required, whether the Issuer has an effective resale shelf registration statement with respect to any ADSs it may issue as payment for the Make Whole Fundamental Change Premium and, if so, include a selling ADS holder questionnaire to enable each Holder or beneficial owner of Notes to be named as a seller in such resale shelf registration statement. Simultaneously with providing the Tax Redemption Notice, the Issuer shall also issue a press release announcing the occurrence of such Tax Redemption.

(f) On the third Business Day following the Tax Redemption Date, the Issuer shall issue and shall deliver to each Holder of record on the Tax Redemption Date at the office or agency maintained by the Issuer for such purpose pursuant to Section 4.04, a certificate or certificates for, or effect a book-entry transfer through the Depositary with respect to, the number of full ADSs issuable in accordance with the provisions of Section 3.01(b) and Section 3.01(c).

SECTION 3.02. [Reserved].

SECTION 3.03. Repurchase Upon a Change of Control at the Option of the Holders . (a) Upon the occurrence of a Change of Control (the effective date of each such occurrence, the "Change of Control Date"), the Issuer shall notify the Holders, the Mexican Trustee and the Trustee in writing of such occurrence and shall be required to make an offer (the "Change of Control Offer") to repurchase all Notes then outstanding at a repurchase price in cash (the " Change of Control Payment") equal to 100% of the principal amount thereof, plus Interest, to, but excluding, the Change of Control Purchase Date (as defined in Section 12.12(b)) (unless the Change of Control Purchase Date is between a Record Date and the Interest Payment Date to which it relates, in which case the Issuer will pay Interest on such Interest Payment Date to the Holder of record on such Record Date and the Change of Control Payment will be equal to 100% of the principal amount of the Notes subject to repurchase and will not include Interest).

(b) Notice of a Change of Control shall be made in accordance with the provisions set forth under Section 12.12(b).

(c) The Issuer will not be required to make a Change of Control Offer if a third party makes a Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth herein applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

SECTION 3.04. General Provisions Applicable to Repurchases. The following additional provisions shall apply to repurchases pursuant to Section 3.03.

(a) To exercise its rights under Section 3.03, a Holder must deliver the Notes to be purchased to the Paying Agent, together with a written purchase notice, after receipt of the Fundamental Change Notice and on or before the Business Day immediately preceding the Change of Control Purchase Date. The purchase notice must contain: (x) if the Notes are not certificated, the Holder's notice must comply with appropriate DTC procedures or, if the Notes are certificated, the notice shall include the certificate numbers of the Holder's Notes to be delivered for purchase; (y) the portion of the principal amount of the Holder's Notes to be purchased, which must be U.S.$1,000 or a multiple of U.S.$1,000; *provided* that the portion not to be purchased is in a minimum principal amount of U.S.$100,000; and (z) that the Holder's Notes are to be purchased by the Issuer pursuant to the applicable provisions of the Notes and this Indenture. In addition, if the Notes are certificated, the Notes delivered for repurchase shall be duly endorsed for transfer and the written purchase notice in the appropriate form on the reverse side of the Notes shall be duly completed. No Notes of a principal amount of less than U.S.$100,000 shall be purchased by the Issuer in part.

(b) On the Business Day prior to the Change of Control Purchase Date, the Issuer will deposit with the Trustee or with the Paying Agent an amount of money in immediately available funds sufficient to repurchase on such date all the Notes (or portions thereof) tendered for repurchase (other than those theretofore surrendered for conversion into ADSs) and not withdrawn, *provided* that if such payment is made on the Change of Control Purchase Date, it must be received by the Trustee or Paying Agent, as the case may be, by 10:00 a.m. New York City time on such date.

(c) A Holder that has exercised a repurchase right will receive the Change of Control Payment, promptly following the later of (i) the Change of Control Purchase Date or (ii) the time of book-entry transfer or the delivery of the Notes. If the Paying Agent holds money or securities sufficient to pay the cash portion of the purchase price of the Notes to be repurchased on the second Business Day following the Change of Control Purchase Date, then the following shall occur:

(A) the Notes tendered for purchase and not withdrawn will cease to be outstanding and Interest, if any, will cease to accrue on such Notes on the Change of Control Purchase Date (whether or not book-entry transfer of the Notes is made or whether or not the Notes are delivered to the Paying Agent); and

(B) all other rights of the Holders with respect to the Notes tendered for purchase and not withdrawn will terminate on the Change of Control Purchase Date (other than the right to receive the Change of Control Payment upon delivery or transfer of the Notes).

(d) Any Change of Control Offers shall be made by the Issuer in compliance with all applicable provisions of the Exchange Act, all applicable tender offer rules promulgated thereunder and all other federal and state securities laws, to the extent such laws and regulations are then applicable and shall include all instructions and materials (such as the filing of a Schedule TO or any other required schedule) that the Issuer shall reasonably deem necessary to enable each such Holder to tender its Notes. The Issuer will not purchase Notes if the principal amount of the Notes has been accelerated, and such acceleration has not been rescinded, on or prior to the Change of Control Purchase Date.

(e) Notwithstanding anything herein to the contrary, any Holder delivering to a Paying Agent an election to have its Notes purchased pursuant to Section 3.03 shall have the right to withdraw such election in whole or in a portion thereof that is a principal amount of U.S.$1,000 or in an integral multiple thereof (*provided* that the portion not to be so purchased is in a minimum principal amount of U.S.$100,000), if the Paying Agent receives, not later than close of business on the Business Day immediately preceding the Change of Control Purchase Date, a facsimile transmission or written letter, which may be sent via, mail setting forth (i) the name of the Holder; (ii) the principal amount of withdrawn Notes, which must be U.S.$1,000 or a multiple of U.S.$1,000, *and provided* that the portion remaining to be repurchased is in a minimum principal amount of U.S.$100,000; (iii) if certificated Notes have been issued, the certificate numbers of the withdrawn Notes, or if not certificated, the notice must comply with appropriate DTC procedures; and (iv) the principal amount, if any, which remains subject to the notice of election.

(f) If a Holder has already delivered a purchase notice as described in Section 3.03 with respect to a Note, the Holder may not surrender that Note for conversion until the Holder has withdrawn the purchase notice in accordance with Section 3.04(e).

ARTICLE IV

COVENANTS

SECTION 4.01. Payment of Notes. The Issuer shall pay the principal of and Interest on the Notes on the dates and in the manner provided in the Notes. Principal, Interest or cash payments to be made pursuant to Article III shall be considered paid on the date due if the Trustee or Paying Agent (other than the Issuer or a Subsidiary of the Issuer or any Affiliate of the Issuer) holds as of 10:00 a.m. New York City time on that date immediately available funds designated for and sufficient to pay all principal, Interest and cash payments to be made pursuant to Article III then due; *provided*, *however*, that money held by the Agent for the benefit of holders of Senior Indebtedness pursuant to the provisions of Article XI hereof or the payment of which to the Holders is prohibited by Article XI shall not be considered to be designated for the payment of any principal of or Interest on the Notes within the meaning of this Section 4.01.

To the extent lawful, the Issuer shall pay Interest (including post-petition Interest in any proceeding under any Bankruptcy Law) on (i) overdue principal, at the rate borne by the Notes per annum; and (ii) overdue installments of Interest (without regard to any applicable grace period) at the same rate per annum, in each case during the period in which such Default is continuing.

SECTION 4.02. Reports. (a) The Issuer shall furnish to the Trustee within 15 days after the same are required to be filed with the Commission any documents or reports that the Issuer is required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act (giving effect to any grace period provided by Rule 12b-25 under the Exchange Act).

(b) In the event that the Issuer is no longer subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, so long as any Notes remain outstanding, the Issuer shall:

(i) provide the Trustee and the Holders with:

(A) annual reports on Form 20-F (or any successor form) containing the information required to be contained therein (or such successor form) within the time period required under the rules of the Commission for the filing of Form 20-F (or any successor form) by "foreign private issuers" (as defined in Rule 3b-4 of the Exchange Act (or any successor rule));

(B) reports on Form 6-K (or any successor form) including, whether or not required, unaudited quarterly financial statements (which shall include at least a balance sheet, income statement and cash flow statement) including a discussion of financial condition and results of operations of the Issuer in accordance with past practice, within 45 days after the end of each of the first three fiscal quarters of each fiscal year; and

(C) such other reports on Form 6-K (or any successor form) promptly from time to time after the occurrence of an event that would be required to be reported on a Form 6-K (or any successor form); and

(ii) file with the Commission, to the extent permitted, the information, documents and reports referred to in clause (i) above within the periods specified for such filings under the Exchange Act (whether or not applicable to the Issuer).

(c) In addition, at any time when the Issuer is not subject to or is not current in its reporting obligations under clause (ii) of Section 4.02, the Issuer shall make available, upon request, to any Holder and any prospective purchaser of Notes the information required pursuant to Rule 144A(d)(4) under the Securities Act.

(d) Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such reports shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on an Officer's Certificates).

(e) As provided in Articles 210 Bis and 212 of the LGTOC, so long as any Notes remain outstanding:

(i) within four months after the end of each fiscal year, the Issuer's Board of Directors shall notify the shareholders of the number of Notes that have been converted into ADSs in accordance with this Indenture as of the date thereof. Such notification shall include the number of underlying Ordinary Shares of the Issuer and CPOs that were subscribed as a result of such conversion and shall be notarized before a Mexican notary public and filed with the Public Registry of Commerce; and

(ii) the Issuer shall publish, on an annual basis, its balance sheet corresponding to the previous fiscal year in the Mexican Official Gazette of the Federation (*Diario Oficial de la Federación*), duly certified by a public accountant.

SECTION 4.03. Compliance Certificate. The Issuer shall deliver to the Trustee within 120 days after the end of each fiscal year of the Issuer (which fiscal year ends on December 31 of each year, subject to any change in fiscal year following the Issue Date) an Officer's Certificate stating that in the course of the performance by the signer of his or her duties as an Officer of the Issuer he or she would normally have knowledge of any Default or Event of Default and whether or not the signer knows of any Default or Event of Default that occurred during the previous fiscal year. If he or she does, the certificate shall describe the Default or Event of Default, its status and what action the Issuer is taking or proposes to take with respect thereto.

SECTION 4.04. Maintenance of Office or Agency. The Issuer shall maintain or cause to be maintained the office or agency required under Section 2.03. The Issuer shall give prompt written notice to the Trustee and the Mexican Trustee of the location, and any change in the location, of such office or agency not maintained by the Trustee. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee and the Mexican Trustee with the address thereof, presentations, surrenders, notices and demands with respect to the Notes may be made or served at the Corporate Trust Office of the Trustee.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designation.

SECTION 4.05. [Reserved].

SECTION 4.06. Appointments to Fill Vacancies in Trustee's Office. The Issuer, whenever necessary to avoid or fill a vacancy in the office of Trustee, will appoint, in the manner provided in Section 7.08, a Trustee, so that there shall at all times be a Trustee hereunder. If for any reason the Mexican Trustee resigns or is removed, the Issuer shall take all actions to appoint a new Mexican trustee so that there shall at all times be a Mexican banking institution acting as Mexican Trustee hereunder and for the purposes of the duties of the Mexican Trustee set forth herein.

SECTION 4.07. Stay, Extension and Usury Laws. The Issuer covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter enforced, that may affect the Issuer's obligation to pay the Notes; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law insofar as such law applies to the Notes, and covenants that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 4.08. [Reserved].

SECTION 4.09. Additional Interest. (a) If, at any time during the six months to one year period following the Issue Date, (i) the Issuer fails to timely file any document or report that it is required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act (other than any current report on Form 6-K), or (ii) the Notes are not otherwise freely tradable by Holders (other than Holders who are Affiliates of the Issuer or any Person that has been an Affiliate of the Issuer at any time during the three months preceding the applicable date) as a result of restrictions pursuant to the U.S. securities laws or the terms of this Indenture or the Notes, the Notes will accrue Additional Interest at the rate of 0.50% per annum on the outstanding principal amount of Notes, such additional accrual to begin at such time as either of the conditions described in clauses (i) and (ii) of this sentence exist and to end at the earlier of (x) the end of such one year period and (y) the time with such conditions no longer exist. The Issuer shall pay such Additional Interest in cash on each Interest Payment Date to the Person who is the Holder of record of the Notes on the immediately preceding Record Date and if and when the conditions described in clauses (i) and (ii) of the preceding sentence no longer exist, accrued and unpaid Additional Interest through the date such conditions last existed will be paid in cash on the subsequent Interest Payment Date to the record Holder on the Record Date. Unless:

(i) the Restricted Securities Legend on the Notes has been removed, and

(ii) the Notes are freely tradable pursuant to Rule 144 under the Securities Act without restrictions by Holders other than Affiliates of the Issuer or any Person that has been an Affiliate of the Issuer at any time during the three months preceding the applicable date (as a result of restrictions pursuant to U.S. securities law or the terms of this Indenture or the Notes),

as of the 365th day after the Issue Date, the Issuer will, at its election, either (A) pay Additional Interest on the Notes at an annual rate equal to 0.50% of the aggregate principal amount of the Notes or (B) designate an effective shelf registration statement useable for the resale of the Notes or any ADSs issuable upon conversion of the Notes, in which case Additional Interest shall not accrue for each day on which such registration statement remains effective and useable by Holders for the resale of the Notes and any ADSs. To the extent the Issuer elects to pay such Additional Interest, and for so long as a condition described in either clause (i) or (ii) of the preceding sentence continues to fail to be satisfied, the Issuer shall pay such Additional Interest in cash on each Interest Payment Date to the Person who is the Holder of record of the Notes on the immediately preceding Record Date. When such default is cured, accrued and unpaid Additional Interest through the date of cure will be paid in cash on the subsequent Interest Payment Date to the record Holder on the Record Date. In no event shall Additional Interest accrue under the terms of this Indenture (taking any Additional Interest under the provision described in this Section 4.09 together with any Interest under Section 6.02(b)) at an annual rate in excess of 0.50%, in the aggregate, for any violation or default caused by the Issuer's failure to be current in respect of its Exchange Act reporting obligations.

(b) During the period of one year after the Issue Date, the Issuer will not, and will not permit any of its "affiliates" (as defined in Rule 144 under the Securities Act) to, resell any Notes that have been reacquired by the Issuer or acquired by any of them, unless the Notes so resold bear a CUSIP that is different from the CUSIP for the Notes issued on the Issue Date and not acquired by the Issuer or any of its Affiliates during such one year period.

SECTION 4.10. Additional Interest Notice. In the event that the Issuer is required to pay Additional Interest to Holders pursuant to Section 4.09 or Section 6.02(b) hereof, the Issuer shall provide a direction or order in the form of a written notice to the Trustee (and if the Trustee is not the Paying Agent, the Paying Agent) of the Issuer's obligation to pay such Additional Interest no later than three Business Days prior to the date on which any such Additional Interest is scheduled to be paid. Such notice shall set forth the amount of Additional Interest to be paid by the Issuer on such payment date and direct the Trustee (or, if the Trustee is not the Paying Agent, the Paying Agent) to make payment to the extent it receives funds from the Issuer to do so. The Trustee shall not at any time be under any duty or responsibility to any Holder to determine whether Additional Interest is payable, or with respect to the nature, extent, or calculation of the amount of Additional Interest owed, or with respect to the method employed in such calculation of Additional Interest.

SECTION 4.11. Further Instruments and Acts. Upon request of the Trustee or the Mexican Trustee, the Issuer will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purposes of this Indenture.

SECTION 4.12. Payment of Additional Amounts. (a) All payments made by the Issuer under, or with respect to, the Notes shall be made free and clear of, and without withholding or deduction for or on account of any present or future tax, duty, levy, impost, assessment or other governmental charge (including penalties, interest and other liabilities related thereto) (collectively, "Taxes") imposed or levied by or on behalf of any Taxing Jurisdiction unless the Issuer is required to withhold or deduct Taxes by law or by the official interpretation or administration thereof.

(b) If the Issuer is so required to withhold or deduct any amount for, or on account of, such Taxes from any payment made under or with respect to the Notes, the Issuer shall pay such additional amounts ("Additional Amounts") as may be necessary so that the net amount received by each Holder (including Additional Amounts) after such withholding or deduction shall not be less than the amount such Holder would have received if such Taxes had not been required to be withheld or deducted; *provided*, *however*, that the foregoing obligation to pay Additional Amounts does not apply to:

(i) any Taxes imposed solely because at any time there is or was a connection between the Holder and a Taxing Jurisdiction (other than the mere purchase of the Notes, or receipt of a payment or the ownership or holding of a Note),

(ii) any estate, inheritance, gift, sales, transfer, personal property or similar Tax imposed with respect to the Notes,

(iii) any Taxes imposed solely because the Holder or any other Person fails to comply with any certification, identification or other reporting requirement concerning the nationality, residence, identity or connection with a Taxing Jurisdiction of the Holder or any beneficial owner of the Note if compliance is required by the applicable law of the Taxing Jurisdiction as a precondition to exemption from, or reduction in the rate of, the Tax, assessment or other governmental charge and the Issuer has given the Holders at least 30 days' notice that Holders shall be required to provide such information and identification,

(iv) any Taxes payable otherwise than by deduction or withholding from payments on the Notes,

(v) any Taxes with respect to such Note presented for payment more than 30 days after the date on which the payment became due and payable or the date on which payment thereof is duly provided for and notice thereof given to Holders, whichever occurs later, except to the extent that the Holders of such Note would have been entitled to such Additional Amounts on presenting such Note for payment on any date during such 30 day period, and

(vi) any payment on the Note to a Holder that is a fiduciary or partnership or a person other than the sole beneficial owner of any such payment, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such a partnership or the beneficial owner of the payment would not have been entitled to the Additional Amounts had the beneficiary, settlor, member or beneficial owner been the Holder of the Note.

(c) The obligations in Section 4.12(a) and Section 4.12(b) shall survive any termination or discharge of this Indenture and shall apply *mutatis mutandis* to any Taxing Jurisdiction with respect to any successor to the Issuer. The Issuer shall (i) make such withholding or deduction and (ii) remit the full amount deducted or withheld to the relevant Taxing Jurisdiction in accordance with applicable law. The Issuer shall use all reasonable efforts to obtain certified copies of Tax receipts evidencing the payment of any Taxes so deducted or withheld from each Taxing Jurisdiction imposing such Taxes and shall furnish such certified copies to the Trustee within 30 days after the date the payment of any Taxes so deducted or so withheld is due pursuant to applicable law or, if such Tax receipts are not reasonably available to the Issuer, furnish such other documentation that provides reasonable evidence of such payment.

(d) The limitations on the obligations to pay additional amounts stated in clause (iii) of Section 4.12(b) shall not apply if the provision of information, documentation or other evidence described in clause (iii) of Section 4.12(b) would be materially more onerous, in form, in procedure or in the substance of information disclosed, to a Holder or beneficial owner of a Note than comparable information or other reporting requirements imposed under U.S. Tax law, regulation (including proposed regulations) and administrative practice. The limitations on the obligations to pay additional amounts in clause (iii) of Section 4.12(b) shall not apply with respect to Taxes imposed by Mexico or any political subdivision or taxing authority thereof if the Issuer can otherwise obtain the application of the lower withholding tax rate in effect unless (A) the provision of the information, documentation or other evidence described in clause (iii) of Section 4.12(b) is expressly required by statute, regulation, or published administrative practice of general applicability, (B) the Issuer cannot obtain the information, documentation or other evidence necessary to comply with the applicable laws and regulations on its own through reasonable diligence and without requiring it from Holders, and (C) the Issuer otherwise would meet the requirements set forth under applicable law and regulations. In addition, clause (iii) of Section 4.12(b) does not and shall not be construed to require that any Person, including any non-Mexican pension fund, retirement fund, financial institution or any other Holder or beneficial owner of a Note, register with the Mexican Ministry of Finance and Public Credit to obtain eligibility for an exemption from, or a reduction of, Mexican withholding Tax.

(e) Any reference in this Indenture, any supplemental indenture or the Notes to principal, Interest or any other amount payable in respect of the Notes by the Issuer shall be deemed also to refer to any Additional Amount that may be payable with respect to that amount under the obligations referred to in this subsection.

(f) In the event that Additional Amounts actually paid with respect to the Notes pursuant to this Section 4.12 are based on rates of deduction or withholding of withholding Taxes in excess of the appropriate rate applicable to the Holder of such Notes, and as a result thereof such Holder is entitled to make a claim for a refund or credit of such excess from the authority imposing such withholding Tax, then such Holder shall, by accepting such Notes, and without any further action, be deemed to have assigned and transferred all right, title and interest to any such claim for a refund or credit of such excess to the Issuer. However, by making such assignment, the Holder makes no representation or warranty that the Issuer will be entitled to receive such claim for a refund or credit and incurs no other obligation with respect thereto including making any filing to request a refund.

(g) For purposes of this Section 4.12, references to "payments" made by the Issuer under, or with respect to, the Notes shall include the conversion of Notes by the Issuer.

SECTION 4.13. Spanish Translation, Notarization and Registration. This Indenture shall be executed in both English and Spanish. Concurrently with the execution of this Indenture, the Issuer, the Trustee and the Mexican Trustee shall execute a Spanish version of this Indenture before a Mexican notary public, *provided*, *however*, that in case of any inconsistency or question as to the proper interpretation or construction of this Indenture between the text in English and the text in Spanish, the English text shall control in all cases.

SECTION 4.14. Registration with the Pubic Registry of Commerce. Within forty-five (45) days after the date hereof, the Issuer shall provide the Trustee and the Mexican Trustee with a copy of the public instrument containing the notarized Spanish version of this Indenture, duly filed with, and stamped by, the Public Registry of Commerce.

SECTION 4.15. Compliance with Mexican Law provisions. (a) The Issuer shall, at all times during the term of this Indenture, comply with all applicable provisions set forth in Mexican applicable Laws, including without limitation, Chapter V (*Capítulo V*) of the LGTOC.

(b) In accordance with paragraph III of Article 210 Bis, the issue price of the Notes shall not be below the Notes' nominal amount.

ARTICLE V

SUCCESSORS

SECTION 5.01. Merger, Consolidation and Sale of Assets. The Issuer will not, in a single transaction or series of related transactions, consolidate or merge with or into any Person (whether or not the Issuer is the surviving or continuing Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the Issuer's properties and assets (determined on a consolidated basis for the Issuer and its Subsidiaries), to any Person unless:

(a) either:

(i) the Issuer shall be the surviving or continuing corporation, or

(ii) the Person (if other than the Issuer) formed by such consolidation or into which the Issuer is merged or the Person which acquires by sale, assignment, transfer, lease, conveyance or other disposition the properties and assets of the Issuer and its Subsidiaries substantially as an entirety (the "Successor Issuer"):

(A) shall be a corporation organized and validly existing under the laws of Mexico, the United States of America, any State thereof or the District of Columbia, Canada, France, Belgium, Germany, Italy, Luxembourg, the Netherlands, Portugal, Spain, Switzerland or the United Kingdom, or any political subdivision thereof (the " Permitted Merger Jurisdictions"); and

(B) shall expressly assume, by supplemental indenture (in form and substance satisfactory to the Trustee), executed and delivered to the Trustee, the due and punctual payment of the principal and Interest on all of the Notes and the performance and observance of every covenant of the Notes and this Indenture on the part of the Issuer to be performed or observed and provide the Trustee with an Officer's Certificate and Opinion of Counsel, and such transaction is otherwise in compliance with this Indenture;

(b) immediately before and immediately after giving effect to such transaction and the assumption contemplated by clause (a)(ii)(B) of this Section 5.01, no Default or Event of Default shall have occurred or be continuing.

(c) if the Issuer merges with a corporation, or the Successor Issuer is organized under the laws of any of the Permitted Merger Jurisdictions, the Issuer or the Successor Issuer will have delivered to the Trustee an Opinion of Counsel that, as applicable:

(i) the Holders will not recognize income, gain or loss for the purposes of the income Tax laws of United States or the applicable Permitted Merger Jurisdiction as a result of the transaction and will be taxed in the Holder's home jurisdiction in the same manner and on the same amounts (assuming solely for this purpose that no additional amounts are regarded to be paid on the Notes) and at the same times as would have been the case if the transaction had not occurred;

(ii) any payment of principal or Interest on the Notes will be paid in compliance with any requirements under Section 4.12; and

(iii) no other Taxes on income, including capital gains, will be payable by Holders under the laws of United States or the applicable Permitted Merger Jurisdiction relating to the acquisition, ownership or disposition of the Notes, including the receipt of Interest or principal thereon; provided that the Holder does not use or hold, and is not deemed to use or hold, the Notes in carrying on a business in the United States or the applicable Permitted Merger Jurisdiction.

(d) The provision of clause (b) of this Section 5.01 shall not apply to:

(1) any transfer of the properties or assets of a Subsidiary of the Issuer to the Issuer;

(2) any merger of a Subsidiary of the Issuer into the Issuer; or

(3) any merger of the Issuer into a Subsidiary of the Issuer.

(e) For purposes of the covenant in this Section 5.01, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the properties or assets of one or more Subsidiaries of the Issuer, the Capital

Stock of which constitutes all or substantially all of the properties and assets of the Issuer (determined on a consolidated basis for the Issuer and its Subsidiaries), will be deemed to be the transfer of all or substantially all of the properties and assets of the Issuer.

(f) Upon any such consolidation, merger, sale, assignment, conveyance, lease, transfer or other disposition in accordance with Section 5.01, the Successor Issuer formed by such consolidation or into which the Issuer is merged or to which such sale, assignment, conveyance, lease, transfer or other disposition is made will succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture and the Notes with the same effect as if such successor had been named as the Issuer therein, and thereafter the predecessor corporation will be relieved of all further obligations and covenants under this Indenture and the Notes.

(g) the Issuer or such Person shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel each stating that such consolidation, merger, combination, sale, assignment, disposition, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, comply with the provisions of this Indenture and that all conditions precedent in this Indenture relating to such transaction have been satisfied.

SECTION 5.02. Purchase Option on Fundamental Change. This Article V does not affect the obligations of the Issuer (including without limitation any successor to the Issuer) under Section 3.03.

ARTICLE VI

DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default. An "Event of Default" with respect to any Notes occurs if:

(a) the Issuer defaults in the payment in respect of the principal of any Note when due at maturity, upon redemption or repurchase pursuant to Article III, upon declaration of acceleration or otherwise, whether or not such payment is prohibited by the subordination provisions set forth in Article XI;

(b) the Issuer defaults in the payment of any Interest on any Note when due and payable, whether or not such payment is prohibited by the subordination provisions set forth in Article XI, including any Interest payable in connection with a redemption or repurchase pursuant to Article III, and continuance of such default for a period of 30 days or more;

(c) the Issuer defaults in the delivery when due of ADSs deliverable upon conversion with respect to the Notes in accordance with Article XII, which default continues for a period of five Business Days or more;

(d) the Issuer fails to provide a timely Fundamental Change Notice in accordance with Section 12.12(b);

(e) the Issuer fails to comply with the covenant described in clause (b) of Section 12.08;

(f) failure by the Issuer to comply with the covenant described in clause (a) of Section 12.08 that continues for a period of 30 days after the Issuer receives written notice of such failure from the Trustee or the Holders of at least 25% in principal amount of the Notes then outstanding;

(g) the Issuer defaults (other than a default set forth in clauses (a) through (f) above) in the performance of, or breaches, any other covenant or agreement of the Issuer set forth in this Indenture or the Notes and fails to remedy such default or breach within a period of 45 days after its receipt of written notice thereof from the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes;

(h) the Issuer or any of the Issuer's "Significant Subsidiaries" (as defined in Article 1, Rule 1-02 of Regulation S-X) defaults with respect to any mortgage, agreement or other instrument under which there is outstanding, or by which there is secured or evidenced, any Indebtedness for money borrowed having a principal amount in excess of U.S.$50 million in the aggregate, whether such Indebtedness now exists or shall hereafter be created, (i) resulting in such Indebtedness becoming or being declared due and payable prior to its express maturity date or (ii) constituting a failure to pay at least U.S.$50 million of such Indebtedness when due and payable (after the expiration of any applicable grace period) at its stated maturity, upon required repurchase, upon declaration or otherwise; provided, that any such Event of Default shall be deemed cured and not continuing upon payment of such Indebtedness or rescission of such declaration;

(i) a final judgment for the payment of U.S.$50 million or more (excluding any amounts covered by insurance or bond) is rendered against the Issuer or any Significant Subsidiary by a court of competent jurisdiction, which judgment is not discharged, stayed, vacated, paid or otherwise satisfied within 60 days after (i) the date on which the right to appeal thereof has expired if no such appeal has commenced, or (ii) the date on which all rights to appeal have been extinguished; or

(j) a Bankruptcy Event of Default occurs.

SECTION 6.02. Acceleration. (a) If an Event of Default (other than an Event of Default with respect to the Issuer specified in Section 6.01(j)) occurs and is continuing, then and in every such case (i) the Trustee, by written notice to the Issuer, or (ii) the Holders of at least 25% in aggregate principal amount of the then outstanding Notes, by written notice to the Issuer and the Trustee, may, and the Trustee at the request of such Holders shall, declare all of the unpaid principal of, and Interest, on all the Notes to be due and payable. Upon such declaration such principal amount, and Interest, shall become immediately due and payable, notwithstanding anything contained in this Indenture or the Notes to the contrary, but subject to the provisions of Article XI hereof. If the Event of Default with respect to the Issuer specified in Section 6.01(j) occurs, all unpaid principal of, and Interest on, the Notes then outstanding shall become automatically due and payable, subject to the provisions of Article XI hereof, without any declaration or other act on the part of the Trustee or any Holder.

(b) Notwithstanding any other provision in this Article VI, if an Event of Default occurs arising out of the Issuer's breach of its obligation to file or furnish reports or other financial information as required under Section 4.02 of this Indenture, the Issuer may elect to pay Additional Interest on the Notes as the sole remedy for such Event of Default, and the Trustee and the Holders will not have any right under this Indenture to accelerate the maturity of the Notes as a result of any such Event of Default, except as provided below. If elected, the Issuer shall pay Additional Interest to all Holders at a rate equal to 0.50% per annum through the 180th day after the occurrence of such Event of Default (which shall be the 135 th day after the end of the 45-day grace period set forth in Section 6.01(g)), or such earlier date on which the Event of Default relating to the reporting obligations referred to in this Section 6.02(b) shall have been cured or waived. On the 181st day, such Additional Interest will cease to accrue (or earlier, if the Event of Default relating to the reporting obligations referred to in this Section 6.02(b) shall have been cured or waived prior to such 181st day) and, if the Event of Default is continuing on such 181st day, the Notes will be subject to acceleration as provided in Section 6.02(a). The provisions of this Section 6.02(b) will not affect the rights of the Holders in the event of the occurrence of any other Event of Default, and are separate and distinct from, and in addition to, the obligation of the Issuer to increase the interest rate of, and the amount of Interest payable on, the Notes pursuant to Section 4.08, except as otherwise provided therein. Any Additional Interest paid pursuant to this Section 6.02(b) will be payable at the times and in the manner provided for the payment of regular Interest on the Notes. In order to elect to pay Additional Interest on the Notes as the sole remedy during the first 180 days after the occurrence of an Event of Default relating to the failure to comply with reporting obligations in accordance with this Section 6.02(b), the Issuer must notify all Holders and the Trustee and Paying Agent of such election on or before the close of business on the fifth Business Day after the date on which such Event of Default first occurs. If the Issuer fails to timely give such notice, does not pay such Additional Interest or elects not to pay such Additional Interest, the Notes will be immediately subject to acceleration as provided in Section 6.02(a).

SECTION 6.03. Other Remedies. If an Event of Default occurs and is continuing, subject to Article XI, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of or Interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture. The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy occurring upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04. Waiver of Past Defaults; Rescission of Acceleration. The Holders of a majority in aggregate principal amount of the then outstanding Notes may, on behalf of the Holders of all the Notes, waive an existing or past Default or Event of Default and its consequences (except a Default or Event of Default in the payment of principal or Interest, in the repurchase of any Notes when required, in the delivery, upon conversion, of ADSs, or in respect of a covenant or provision of this Indenture which cannot be modified or amended without the consent of all Holders of Notes) and rescind any such acceleration with respect to the Notes and its consequences if (a) rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (b) all existing Defaults or Events of Default, other than the nonpayment

of the principal and Interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived and (c) there had been paid or deposited with the Trustee a sum sufficient to pay all amounts due to the Trustee and reimburse the Trustee for any and all expenses, disbursements, fees advanced by the Trustee, its agent and its counsel incurred in connection with such Default or Event of Default. No such rescission shall affect any subsequent Default or Event of Default or impair any right consequent thereto.

SECTION 6.05. Control by Majority. The Holders of a majority in aggregate principal amount of the then-outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines may be unduly prejudicial to the rights of any other Holder or that may involve the Trustee in personal liability; *provided* that the Trustee shall have no duty or obligation (subject to Section 7.01) to ascertain whether or not such actions of forbearances are unduly prejudicial to such Holders; *provided*, *further*, that the Trustee may take any other action the Trustee deems proper that is not inconsistent with such directions. Any Notes held by the Issuer or one of the Issuer's Subsidiaries shall be disregarded for voting purposes in connection with any notice, waiver, consent or direction requiring the vote or concurrence of Holders of the Notes.

SECTION 6.06. Limitation on Suits. Except to enforce the right to receive payment of principal and Interest when due, a Holder may not pursue any remedy with respect to this Indenture or the Notes unless:

(i) the Holder gives to the Trustee written notice that an Event of Default that has occurred and is continuing;

(ii) the Holders of at least 25% in principal amount of the then-outstanding Notes make a request to the Trustee to pursue the remedy;

(iii) such Holder or Holders offer and, if requested, provide to the Trustee security or indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;

(iv) the Trustee does not comply with the request within 60 days after receipt of the request and the offer and, if requested, the provision of such security or indemnity; and

(v) the Holders of a majority in principal amount of the then-outstanding Notes do not give the Trustee a direction that is inconsistent with the request during such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

SECTION 6.07. Rights of Holders to Receive Payment. Subject to the provisions of Article XI hereof, notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal, and Interest, if any, on the Note, on or after the

respective due dates expressed in the Note, or to bring suit for the enforcement of any such payment on or after such respective dates, or to bring suit for the enforcement of the right to convert the Note in accordance with the terms of this Indenture shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or Section 6.01(b) occurs and is continuing, subject to Article XI, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount of principal and Interest, if any, remaining unpaid on the Notes and Interest, on overdue principal and Interest, if any, and such further amount as shall be sufficient to cover the costs and, to the extent lawful, expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Issuer, its creditors or its property. Any receiver, trustee, liquidator or sequestrator (or other similar official) in any such proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, Taxes, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due to the Trustee pursuant to Section 7.07. Nothing contained herein shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.10. Priorities. Subject to Article XI, if the Trustee collects any money pursuant to this Article VI, it shall pay out the money in the following order:

FIRST: to the Trustee for amounts due under Section 7.07, including payment of all reasonable compensation, expenses and liabilities incurred, and all advances made, by the Trustee, and the costs and expenses of collection;

SECOND: if the Holders proceed against the Issuer directly without the Trustee in accordance with this Indenture, to Holders for their collection costs;

THIRD: to Holders for amounts due and unpaid on the Notes for principal and Interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and Interest, if any, respectively; and

FOURTH: to the Issuer or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a special record date and payment date for any payment to Holders made pursuant to this Section 6.10. At least 15 days before any such special record date, the Trustee shall mail to Holders of the Notes a notice that states the special record date, payment date and amount of such Interest to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit, other than the Trustee, of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the then outstanding Notes.

ARTICLE VII

THE TRUSTEE

The Trustee hereby accepts the trust imposed upon it by this Indenture and covenants and agrees to perform the same, as herein expressed. Whether or not herein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article VII.

SECTION 7.01. Duties of the Trustee. (a) If an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) The Mexican Trustee shall (i) confirm that the proceeds from the offering and sale of the Notes are used to fund the purchase of the capped called transactions described in the Offering Memorandum and for general corporate purposes, (ii) cause the registration of a certified copy of the public instrument containing the notarization of a Spanish version of this Indenture with the Public Registry of Commerce and obtain the registration thereof in the event that the Issuer fails to comply with its obligation to register such public instrument as set forth in Section 4.02(e)(i), and (iii) exercise all rights and comply with all obligations set forth in the LGTOC, including those set forth in Article 217 (Section I, V, VII and VIII) of the LGTOC.

(c) Except during the continuance of an Event of Default known to the Trustee:

(i) The duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) In the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any statements, certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the form required by this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts purported to be stated therein).

(d) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) This paragraph does not limit the effect of paragraph (c) of this Section;

(ii) The Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer of the Trustee, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) The Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(e) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any financial liability in the performance of any of its duties or the exercise of any of its rights and powers hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(f) Whether or not therein expressly so provided, every provision of this Indenture that is in any way related to the Trustee is subject to paragraphs (c), (d), and (e) of this Section 7.01.

(g) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree with the Issuer. Money held in trust by the Trustee need not be segregated from other funds or assets except to the extent required by law.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or direction.

SECTION 7.02. Rights of the Trustee. Subject to Section 7.01:

(a) The Trustee may conclusively rely on and shall be protected in acting or refraining from acting upon any resolution, Officer's Certificate, or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, security or other document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter contained therein.

(b) Any request, direction, order or demand of the Issuer mentioned herein shall be sufficiently evidenced by an Officer's Certificate (unless other evidence in respect thereof is herein specifically prescribed). In addition, before the Trustee acts or refrains from acting, it may require an Officer's Certificate, an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through its attorneys and agents and other Persons not regularly in its employ and shall not be responsible for the misconduct or negligence of any attorney or agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith without negligence or willful misconduct which it believes to be authorized or within its discretion, rights or powers.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer shall be sufficient if signed by Officers of the Issuer.

(f) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(g) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or discretion of any of the Holders pursuant to the provisions of this Indenture, unless such Holders have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities which might be incurred therein or thereby.

(h) Except for the confirmation of the Net Total Assets by the Mexican Trustee or as otherwise required pursuant to Section 7.01(b), neither the Trustee nor the Mexican Trustee shall be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, security or other document unless requested in writing to do so by the Holders of not less than a majority in aggregate principal amount of the Notes then outstanding; *provided* that if the Trustee or the Mexican Trustee determine in its discretion to make any such investigation, then they shall be entitled, upon reasonable prior notice and during normal business hours, to examine the books and records and the premises of the Issuer, personally or by agent or attorney, and the reasonable expenses of every such examination shall be paid by the Issuer or, if paid by the Trustee, the Mexican Trustee or any predecessor Trustee or Mexican Trustee, shall be reimbursed by the Issuer upon demand.

(i) The permissive rights of the Trustee or the Mexican Trustee to do things enumerated in this Indenture shall not be construed as a duty. The Trustee and the Mexican Trustee shall not be answerable for other than their respective negligence or willful misconduct.

(j) The Trustee shall not be responsible for the computation of any adjustment to the Conversion Rate or for any determination as to whether an adjustment is required and shall not be deemed to have knowledge of any adjustment unless and until it shall have received the notice from the Issuer contemplated by Section 12.05(e).

(k) The Trustee shall not be deemed to have knowledge of any Default or Event of Default except (i) any Event of Default occurring pursuant to Section 6.01(a) or Section 6.01(b), or (ii) any Event of Default of which a Trust Officer of the Trustee shall have received written notification or otherwise obtained actual knowledge.

(l) Whenever by the terms of this Indenture, the Trustee shall be required to transmit notices or reports to any or all Holders, the Trustee shall be entitled to conclusively rely on the information provided by the Registrar as to the names and addresses of the Holders as being correct. If the Registrar is other than the Trustee, the Trustee shall not be responsible for the accuracy of such information.

(m) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by (i) the Trustee in each of its capacities hereunder (including as Registrar and Conversion Agent); (ii) to each agent, custodian, and any other such Persons employed to act hereunder; and (iii) to the Mexican Trustee.

(n) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts or war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services (it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to avoid and mitigate the effects of such occurrences and to resume performance as soon as practicable under the circumstances).

(o) The Trustee or the Mexican Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(p) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

SECTION 7.03. Individual Rights of the Trustee. Subject to Section 7.10, the Trustee in its individual or any other capacity may become the owner or pledgee of Notes with the same rights it would have if it were not the Trustee and may otherwise deal with the Issuer or an Affiliate of the Issuer and receive, collect, hold and retain collections from the Issuer with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights.

SECTION 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes. It shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture. It shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

SECTION 7.05. Notice of Defaults. If a Default or Event of Default occurs and is continuing and if it is known to a Trust Officer of the Trustee, the Trustee shall mail to each Holder a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, or Interest on, any Note, the Trustee may withhold the notice if and so long as a committee of the Trustee's Trust Officers in good faith determines that withholding the notice is in the interest of the Holders.

SECTION 7.06. Representation of the Mexican Trustee. Pursuant to Section I of Article 217 and Section V of Article 213 of the LGTOC, the Mexican Trustee hereby represents that it has confirmed the date set forth in the balance sheet dated December 31, 2009 of the Issuer and Net Total Assets.

SECTION 7.07. Compensation and Indemnity. The Issuer shall pay to the Trustee and the Mexican Trustee from time to time and the Trustee and the Mexican Trustee shall be entitled to such compensation for its acceptance of this Indenture and its services hereunder as the Issuer, the Trustee and the Mexican Trustee shall from time to time agree in writing. The Trustee's and the Mexican Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee and the Mexican Trustee, as applicable, promptly upon request for all reasonable disbursements, advances and expenses incurred or made by or on behalf of it in addition to the compensation for its services. Such expenses may include the reasonable compensation, disbursements and expenses of the Trustee's or the Mexican Trustee's agents, counsel and other persons not regularly in its employ; *provided* that Trustee and the Mexican Trustee shall provide the Issuer reasonable advance notice of any expenditure not in the ordinary course of business; *provided, further*, that the Issuer shall have no obligation to reimburse the Trustee and the Mexican Trustee with respect to any such expense, disbursement or advance as may be attributable to the Trustee's or the Mexican Trustee's negligence, willful misconduct or bad faith.

The Issuer shall indemnify the Trustee and the Mexican Trustee, or any predecessor Trustee or Mexican Trustee, for, and to hold it harmless against, any and all loss, liability, damage, claim or expense, including Taxes (other than Taxes based upon, measured by or determined by the income of the Trustee and the Mexican Trustee), incurred without negligence, willful misconduct or bad faith on its part, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the reasonable costs and expenses of defending itself against any claim (whether asserted by the Issuer, or any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder or in connection with enforcing the provisions of this Section. The Trustee and the Mexican Trustee, as applicable, shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee or the Mexican Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim with counsel designated by the Issuer, who may be outside counsel to the Issuer but shall in all events be reasonably satisfactory to the Trustee or the Mexican Trustee, as applicable, and the Trustee and the Mexican Trustee, as applicable, shall cooperate in the defense. In addition, the Trustee and the Mexican Trustee, as applicable, may retain one separate counsel and, if deemed advisable by such counsel, local counsel, and the Issuer shall pay the reasonable fees and expenses of such separate counsel and local counsel. The indemnification herein extends to any settlement; *provided* that the Issuer will not be liable for any settlement made without its consent; *provided*, *further*, that such consent will not be unreasonably withheld.

The Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee to secure the Issuer's payment obligations to the Trustee and the Mexican Trustee in this Section 7.07, except that held in trust to pay principal and Interest, if any, on Notes. Such Liens and the Issuer's obligations under this Section 7.07 shall survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee.

When the Trustee or the Mexican Trustee incurs expenses or renders services after a Bankruptcy Event of Default occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

SECTION 7.08. Replacement of the Trustee. A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

The Trustee may resign at any time and be discharged from the trust hereby created by so notifying the Issuer. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer in writing and may appoint a successor Trustee. The Issuer may remove the Trustee if:

(i) the Trustee fails to comply with Section 7.10;

(ii) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(iii) a Custodian or public officer takes charge of the Trustee or its property; or

(iv) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, at the Issuer's expense, the Issuer or the Holders of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee after written request by any Holder who has been a Holder for at least six months fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* that all sums owing to the retiring Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07. Notwithstanding the replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee with respect to expenses and liabilities incurred by it prior to such replacement.

Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in the preceding paragraph.

SECTION 7.09. Successor Trustee by Merger, etc. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business (including the trust created by this Indenture) to, another corporation or national banking association, the resulting, surviving or transferee corporation or national banking association without any further act shall be the successor Trustee with the same effect as if the successor Trustee had been named as the Trustee herein. If the Mexican Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business (including the trust created by this Indenture) to, another corporation or national banking association, the resulting, surviving or transferee corporation or national banking association without any further act shall be the successor Mexican Trustee with the same effect as if the successor Mexican Trustee had been named as the Mexican Trustee herein.

SECTION 7.10. Eligibility, Disqualification. The Trustee shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has, together with parent, a combined capital and surplus of at least U.S.$50,000,000 as set forth in its most recent published annual report of condition.

ARTICLE VIII

SATISFACTION AND DISCHARGE OF INDENTURE

SECTION 8.01. Discharge of Indenture. When (a) the Issuer delivers to the Trustee for cancellation all Notes theretofore authenticated (other than any other Notes which have been destroyed, lost or stolen and in lieu of or in substitution for which other Notes have been authenticated and delivered) and not theretofore canceled, or (b) all the Notes not theretofore canceled or delivered to the Trustee for cancellation have become due and payable, and the Issuer deposits with the Trustee in trust or delivers to the Holders amounts in U.S. Legal Tender or U.S. Government Obligations, or, where required, ADSs or any combination thereof sufficient (calculated as set forth under the terms of this Indenture with respect to such payment) to pay at maturity, on any Tax Redemption Date, Change of Control Purchase Date, upon conversion or

otherwise all of the Notes (other than any Notes which have been mutilated, destroyed, lost or stolen and in lieu of or in substitution for which other Notes have been authenticated and delivered) not theretofore canceled or delivered to the Trustee for cancellation, including principal and Interest, if any, due or to become due to such date and to satisfy any related obligation to deliver ADS, and if the Issuer also pays, or causes to be paid, all other sums payable hereunder by the Issuer, then this Indenture shall cease to be of further effect (except as to (i) rights of registration of transfer, substitution, replacement and exchange and conversion of Notes, (ii) rights hereunder of Holders to receive payments of principal of and Interest, if any, on the Notes, (iii) the obligations under Section 2.03 and Section 8.05 hereof and (iv) the rights, obligations and immunities of the Trustee hereunder), and the Trustee, on demand of the Issuer accompanied by an Officer's Certificate and an Opinion of Counsel as required by Section 10.03 and at the Issuer's cost and expense, shall execute proper instruments acknowledging satisfaction of and discharging this Indenture; *provided*, *however*, the Issuer hereby agrees to reimburse the Trustee for any costs or expenses thereafter reasonably and properly incurred by the Trustee and to compensate the Trustee for any services thereafter reasonably and properly rendered by the Trustee in connection with this Indenture or the Notes.

SECTION 8.02. Deposited Monies to be Held in Trust by Trustee. Subject to Section 8.04, all monies and securities deposited with the Trustee pursuant to Section 8.01 shall be held in trust and applied by it to the payment, notwithstanding the provisions of Article XI, either directly or through the Paying Agent, to the Holders of the particular Notes for the payment or conversion of which such monies or securities have been deposited with the Trustee, of all sums due and to become due thereon for principal and Interest, if any. The Issuer shall pay and indemnify the Trustee against any Tax, fee or other charge imposed on or assessed against the U.S. Government Obligations deposited pursuant to Section 8.01 or the principal and Interest received in respect thereof other than any such Tax, fee or other charge which by law is for the account of the Holders of the Notes.

SECTION 8.03. Paying Agent to Repay Monies Held. Upon the satisfaction and discharge of this Indenture, all monies then held by any Paying Agent (other than the Trustee) shall, upon the Issuer's demand, be repaid to it or paid to the Trustee, and thereupon such Paying Agent shall be released from all further liability with respect to such monies.

SECTION 8.04. Return of Unclaimed Monies. Subject to the requirements of applicable law, any monies deposited with or paid to the Trustee for payment of the principal of, or Interest, if any, on Notes and not applied but remaining unclaimed by the Holders thereof for two years after the date upon which the principal of, or Interest on such Notes, as the case may be, have become due and payable, shall be repaid to the Issuer by the Trustee on demand; *provided*, *however*, that the Issuer, or the Trustee at the request of the Issuer, shall have first caused notice of such payment to the Issuer to be mailed to each Holder of a Note entitled thereto no less than 30 days prior to such payment and all liability of the Trustee shall thereupon cease with respect to such monies; and the Holder of any of such Notes shall thereafter look only to the Issuer for any payment which such Holder may be entitled to collect unless an applicable abandoned property law designates another Person.

SECTION 8.05. Reinstatement. If the Trustee or the Paying Agent is unable to apply any money in accordance with Section 8.02 by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.01 until such time as the Trustee or the Paying Agent is permitted to apply all such money in accordance with Section 8.02; *provided*, *however*, that if the Issuer makes any payment of Interest on or principal of any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders thereof to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE IX

AMENDMENTS

SECTION 9.01. Without the Consent of Holders. The Issuer, the Mexican Trustee and the Trustee may amend this Indenture or the Notes without notice to or the consent of any Holder to:

(a) cure any ambiguity, omission, defect or inconsistency in this Indenture or the Notes;

(b) provide for the assumption by a surviving or successor corporation of the obligations of the Issuer under the Indenture or evidence and provide for the acceptance of appointment of a successor Trustee pursuant to this Indenture;

(c) provide for uncertificated Notes in addition to or in place of certificated Notes (provided that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Internal Revenue Code or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Internal Revenue Code);

(d) add guarantees with respect to the Notes;

(e) secure the Notes;

(f) add to the Issuer's covenants for the benefit of the Holders or surrender any right or power conferred upon the Issuer;

(g) make any change that does not materially adversely affect the rights of any Holder;

(h) comply with the provisions of any clearing agency, clearing corporation or clearing system, including DTC, the Trustee or the Registrar with respect to the provisions of this Indenture or the Notes relating to transfers and exchanges of Notes; and

(i) conform the terms of this Indenture or the Notes to the description thereof in the Offering Memorandum.

SECTION 9.02. With the Consent of Holders. Subject to Section 6.07, the Issuer, the Mexican Trustee and the Trustee may amend this Indenture or the Notes with the written consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including without limitation consents obtained in connection with a purchase of, or a tender offer or exchange offer for, Notes).

Subject to Section 6.04 and Section 6.07, the Holders of a majority in principal amount of the then-outstanding Notes (including without limitation by consents obtained in connection with a purchase of, or a tender offer or exchange offer for, Notes) may waive compliance in a particular instance by the Issuer with any provision of this Indenture or the Notes.

However, without the consent of each Holder of an outstanding Note affected, an amendment or waiver under this Section 9.02 may not, with respect to any Notes held by a non-consenting Holder:

(a) reduce the amount of Notes whose Holders must consent to an amendment or waiver;

(b) reduce the rate of or change or have the effect of changing the time for payment of Interest on any Notes;

(c) reduce the principal of or change or have the effect of changing the fixed maturity of any Notes, or change the date on which any Notes may be subject to redemption, or reduce the redemption price therefor;

(d) make any Notes payable in money other than that stated in the Notes;

(e) make any change in provisions of this Indenture entitling each Holder to receive payment of principal and Interest on such Holder's Notes on or after the due date thereof or to bring suit to enforce such payment, or permitting Holders of a majority in principal amount of Notes to waive Defaults or Events of Default;

(f) reduce the Change of Control Payment of any Note or amend or modify in any manner adverse to the Holders, the Issuer's obligation to make payment of such Change of Control Payment, whether through an amendment or waiver of provisions in the covenants, definitions or otherwise;

(g) make any change in the provisions of the Indenture described under Section 4.12 that adversely affects the rights of any Holder or amend the terms of the Notes in a way that would result in a loss of exemption from Taxes;

(h) make any change to the provisions of this Indenture or the Notes that adversely affect the ranking of the Notes; and

(i) make any change that impairs or adversely affects the conversion rights of any Notes.

To secure a consent or waiver of the Holders under this Section, it shall not be necessary for such Holders to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment or waiver under this Article IX becomes effective, the Issuer shall mail to the Holders a notice briefly describing the amendment or waiver. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment or waiver under this Article IX.

SECTION 9.03. [Reserved].

SECTION 9.04. Revocation and Effect of Consents. Until an amendment or waiver becomes effective, a consent to it by a Holder is a continuing consent by such Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to his or her Note or portion of a Note if the Trustee receives the notice of revocation before the date on which the Trustee receives an Officer's Certificate certifying that the Holders of the requisite principal amount of Notes have consented to the amendment or waiver.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment or waiver. If a record date is fixed, then notwithstanding the provisions of the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to consent to such amendment or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No consent shall be valid or effective for more than 90 days after such record date unless consents from Holders of the principal amount of Notes required hereunder for such amendment or waiver to be effective shall have also been given and not revoked within such 90-day period.

After an amendment or waiver becomes effective it shall bind every Holder, unless it is of the type described in clauses (a) through (i) of Section 9.02. In such cases, the amendment or waiver shall bind each Holder who has consented to it and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note.

SECTION 9.05. Notation on or Exchange of Notes. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article IX may, and shall if required by the Trustee, bear a notation in the form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuer shall so determine, new Notes so modified as to conform, in the opinion of the Issuer and the Trustee, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for outstanding Notes without charge to the Holders of the Notes, except as specified in Section 2.07.

SECTION 9.06. Trustee Protected. The Trustee and the Mexican Trustee shall sign any amendment or supplemental indenture authorized pursuant to this Article IX if such amendment or supplemental indenture does not adversely affect the rights, duties, liabilities or immunities of the Trustee or the Mexican Trustee. If it does, the Trustee or the Mexican Trustee, as applicable, may, but need not, sign it. In signing such amendment or supplemental indenture, the Trustee and the Mexican Trustee shall be entitled to receive, and shall be fully protected in relying upon, (in addition to the documents required by Section 10.04) an Officer's Certificate and an Opinion

of Counsel as conclusive evidence, and each stating that such amendment or supplemental indenture is authorized or permitted by this Indenture, that it is not inconsistent herewith, and that it will be valid and binding upon the Issuer in accordance with its terms.

ARTICLE X

SECTION 10.01. Issuer's Representations. Pursuant to Articles 210, 210 Bis, 213 and other applicable articles of the LGTOC, the Issuer hereby represents that:

(a) the offering and sale of the Notes, as well as the execution of this Indenture and any other documents relating to the offering and sale of the Notes, were approved by the shareholders of the Issuer at a general extraordinary shareholders meeting of the Issuer held on September 4, 2009;

(b) as provided in paragraph I(b) of Article 213 of the LGTOC, the documentation and information included in the Offering Memorandum, and used as a basis for the issuance of the Notes, have been prepared based on the audited consolidated financial statements of the Issuer corresponding to the period ended as of December 31, 2009, certified by Mr. Celin Zorilla Rizo, certified public accountant (the " Financial Statements"). A copy of the Financial Statements is attached as Exhibit D hereto;

(c) for purposes of paragraph II (only in connection with paragraph III of Article 210 of the LGTOC) and paragraph V(a) of Article 213 of the LGTOC, based on the Financial Statements, as of December 31, 2009, the (i) total stockholders' equity (*capital contable*) of the Issuer was Ps.257,570 million, (ii) the Issuer's paid-in capital stock was Ps.102,761 million, (iii) the amount of the total assets of the Issuer was Ps.582,286 million, (iv) the amount of the total liabilities of the Issuer was Ps.324,716 million and (v) the amount of the net total assets of the Issuer (the " Net Total Assets") was Ps.257,570 million.

(d) at the meeting of the Board of Directors of the Issuer held on March 1, 2010, the Issuer's Board of Directors authorized any two members of the Board of Directors to execute the Notes;

(e) the Notes will not be secured by any collateral;

(f) Exhibit E attached hereto includes a summary of the terms of the offering and sale of the Notes, including the information set forth in Article 213 of the LGTOC; and

(g) the proceeds of the offering of the Notes shall be used to pay the cost of the capped call transaction described in the Offering Memorandum and the remainder for general corporate purposes and to repay indebtedness.

SECTION 10.02. Notices. Any notice or communication among the Issuer, the Mexican Trustee and the Trustee to any of the others is duly given if in writing and delivered in person or mailed by first-class mail, with postage prepaid (registered or certified, return receipt requested), or sent by facsimile or overnight air couriers guaranteeing next day delivery, to the other's

address as stated in Section 10.09. The Issuer, the Mexican Trustee or the Trustee by notice to each of the others may designate additional or different addresses for subsequent notices or communications. The Trustee and the Mexican Trustee may rely upon and comply with instructions or directions sent via unsecured facsimile or email transmission and the Trustee and the Mexican Trustee shall not be liable for any loss, liability or expense of any kind incurred by the Issuer or the Holders due to the Trustee's or the Mexican Trustee's reliance upon and compliance with instructions or directions given by unsecured facsimile or email transmission, provided, however, that such losses have not arisen from the negligence or willful misconduct of the Trustee or the Mexican Trustee, it being understood that the failure of the Trustee or the Mexican Trustee to verify or confirm that the person providing the instructions or directions, is, in fact, an authorized person does not constitute negligence or willful misconduct.

All notices and communications (other than those sent to Holders) shall be deemed to have been duly given at the time delivered by hand, if personally delivered; five Business Days after being deposited in the mail, postage prepaid, if mailed; when transmission is confirmed, if transmitted by facsimile; and the next Business Day after timely delivery to the courier, if sent by overnight air courier guaranteeing next day delivery. Notwithstanding the foregoing, (i) all notices to the Trustee shall be effective only upon receipt by a Trust Officer of the Trustee and (ii) all notices to the Mexican Trustee shall be effective only upon receipt by a trust officer of the Mexican Trustee.

Any notice or communication to a Holder shall be mailed by first-class mail, with postage prepaid, to his or her address shown on the Register kept by the Registrar and shall be deemed to have been given on the date of such mailing. Failure to mail a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders. If a notice or communication is sent in the manner provided above within the time prescribed, it is duly given, whether or not the addressee receives it.

If the Issuer sends a notice or communication to Holders, it shall send a copy to the Trustee and each Agent at the same time. Any notice required to be given by the Issuer may be given by the Trustee on the Issuer's behalf and at the expense of Issuer.

All notices or communications shall be in writing.

The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods, provided, however, that, the Trustee shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If the Issuer elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The Issuer agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

SECTION 10.03. Certificate and Opinion as to Conditions Precedent. Upon any request or application by the Issuer to the Trustee to take any action under this Indenture, the Issuer shall furnish to the Trustee:

(A) an Officer's Certificate in form and substance reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 10.04) stating that, in the opinion of such person, all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been complied with; and

(B) an Opinion of Counsel in form and substance reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 10.04) stating that, in the opinion of such counsel, all such conditions precedent and covenants have been complied with.

SECTION 10.04. Statements Required in Certificate or Opinion. Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture shall include:

(i) a statement that the person making such certificate or opinion has read such covenant or condition;

(ii) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(iii) a statement that, in the opinion of such person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(iv) a statement as to whether or not, in the opinion of such person, such condition or covenant has been complied with.

Any Officer's Certificate may be based, insofar as it relates to legal matters, upon an Opinion of Counsel, unless such Officer knows that the opinion with respect to the matters upon which his or her certificate may be based as aforesaid is erroneous. Any Opinion of Counsel may be based, insofar as it relates to factual matters, upon certificates, statements or opinions of, or representations by, an Officer or Officers of the Issuer, or other Persons or firms deemed appropriate by such counsel, unless such counsel knows that the certificates, statements or opinions or representations with respect to the matters upon which his or her opinion may be based as aforesaid are erroneous.

Any Officer's Certificate, statement or Opinion of Counsel may be based, insofar as it relates to accounting matters, upon a certificate or opinion of or representation by an accountant (who may be an employee of the Issuer), or firm of accountants, unless such Officer or counsel, as the case may be, knows that the certificate or opinion or representation with respect to the accounting matters upon which his or her certificate, statement or opinion may be based as aforesaid is erroneous.

SECTION 10.05. Rules by Trustee and Agents. The Trustee may make reasonable rules for action by, or a meeting of, Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

THE PARTIES HERETO EACH HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR ANY TRANSACTION RELATED HERETO OR THERETO TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW.

(b) Each of the parties hereto hereby:

(i) agrees that any suit, action or proceeding against it arising out of or relating to this Indenture or the Notes, as the case may be, may be instituted in any U.S. Federal or State court located in the State of New York, County of New York and in the courts of its own corporate domicile, in respect of actions brought against it as a defendant,

(ii) waives to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of venue of any such suit, action or proceeding, any claim that any suit, action or proceeding in such a court has been brought in an inconvenient forum, and any right to which it may be entitled, on account of place of residence or domicile,

(iii) irrevocably submits to the jurisdiction of such courts in any suit, action or proceeding and waives the right to challenge such submission in any other jurisdiction that it may be entitled by reason of its present or future domicile or other reason,

(iv) agrees that final judgment in any such suit, action or proceeding brought in such a court shall be conclusive and binding may be enforced in the courts of the jurisdiction of which it is subject by a suit upon judgment, and

(v) agrees that service of process by mail to the addresses specified herein shall constitute personal service of such process on it in any such suit, action or proceeding.

(c) The Issuer has appointed Corporate Creations Network Inc., 1040 Avenue of the Americas # 2400, New York, NY 10018 (U.S.A.) as its authorized agent (the "Authorized Agent") upon whom all writs, process and summonses may be served in any suit, action or proceeding arising out of or based upon this Indenture or the Notes which may be instituted in any U.S. Federal or State court located in the State of New York, County of New York. The Issuer hereby represents and warrants that the Authorized Agent has accepted such appointment and has agreed to act as said agent for service of process, and the Issuer agrees to take any and all action, including the filing of any and all documents, that may be necessary to continue each such appointment in full force and effect as aforesaid so long as the Notes remain outstanding. The Issuer agrees that the appointment of the Authorized Agent shall be irrevocable so long as any of the Notes remain outstanding or until the irrevocable appointment by the Issuer of a successor agent in The City of New York, New York as authorized agent for such purpose and the acceptance of such appointment by such successor. Service of process upon the Authorized Agent shall be deemed, in every respect, effective service of process upon the Issuer.

(d) To the extent that the Issuer has or hereafter may acquire any immunity (sovereign or otherwise) from any legal action, suit or proceeding, from jurisdiction of any court or from set-off or any legal process (whether service or notice, attachment in aid or otherwise) with respect to itself or any of its property, the Issuer hereby irrevocably waives and agrees not to plead or claim such immunity in respect of its obligations under this Indenture or the Notes.

(e) Nothing in this Section 10.10 shall affect the right of the Trustee or any Holder of the Notes to serve process in any other manner permitted by law.

SECTION 10.11. No Adverse Interpretation of Other Agreements . This Indenture may not be used to interpret another indenture, loan or debt agreement of the Issuer or a Subsidiary of the Issuer. Any such other indenture, loan or debt agreement may not be used to interpret this Indenture.

SECTION 10.12. Successors. All agreements of the Issuer in this Indenture and the Notes shall bind its successors. All agreements of the Trustee in this Indenture shall bind its successors.

SECTION 10.13. Severability. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 10.14. Table of Contents, Headings, etc. The Table of Contents, and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part hereof and shall in no way modify or restrict any of the terms or provisions hereof.

SECTION 10.15. Currency Indemnity. (a) U.S. Legal Tender is the sole currency of account and payment for all sums payable by the Issuer under or in connection with the Notes or this Indenture, including damages. To the greatest extent permitted under applicable law, any amount received or recovered in currency other than U.S. Legal Tender in respect of the Notes (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer or any Subsidiary of the Issuer or otherwise) by any Holder in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge of them under the Notes and this Indenture only to the extent of the U.S. Legal Tender amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that U.S. Legal Tender amount is less than the U.S. Legal Tender amount expressed to be due to the recipient under the Notes or this Indenture, the Issuer shall indemnify and hold harmless the recipient against any loss or cost sustained by it in making any such purchase to the greatest extent permitted under applicable law. For the purposes of this Section 10.15, it will be sufficient for the Holder to certify that it would have suffered a loss had an actual purchase of U.S. Legal Tender been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of U.S. Legal Tender on such date had not been practicable, on the first date on which it would have been practicable).

(b) The indemnities of the Issuer contained in this Section 10.15, to the extent permitted by law: (i) constitute a separate and independent obligation from the other obligations of the Issuer under this Indenture and the Notes; (ii) shall give rise to a separate and independent cause of action against the Issuer; (iii) shall apply irrespective of any waiver granted by any Holder or the Trustee from time to time; and (iv) shall continue in full force and effect notwithstanding any other judgment, order, claim or proof of claim for a liquidated amount in respect of any sum due under the Notes or this Indenture or any other judgment or order.

SECTION 10.16. Adjustments for Currency Exchange Rates. In the event that any amount used in any calculation in this Indenture is expressed in Pesos, such amount shall, for purposes of such calculation, be deemed to be converted into U.S. Legal Tender at the spot rate of exchange in The City of New York at which the Trustee on the date of determination is able to purchase U.S. Legal Tender with such amount. The "spot rate of exchange" shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, U.S. Legal Tender.

SECTION 10.17. Change in ADSs or CPOs. (a) If the Issuer's ADSs issued under a depositary receipt program sponsored by the Issuer cease to represent the Issuer's CPOs, all references in this Indenture to the Issuer's ADSs will be deemed to have been replaced by a reference to:

(i) the number of CPOs of the Issuer corresponding to the Issuer's ADSs on the last day on which the Issuer's CPOs were represented by ADSs issued under a depositary receipt program sponsored by the Issuer; and

(ii) as adjusted pursuant to the adjustment provisions below, any other property the Issuer's ADSs represented as if such other property had been distributed to holders of the Issuer's ADSs on that day.

(b) If the Issuer's Ordinary Shares cease to be represented by CPOs issued under a depositary receipt program sponsored by the Issuer, all references in this Indenture to the Issuer's CPOs will be deemed to have been replaced by a reference to:

(i) the number of Ordinary Shares of the Issuer corresponding to the Issuer's CPOs on the last day on which the Issuer's Ordinary Shares were represented by CPOs issued under a depositary receipt program sponsored by the Issuer; and

(ii) as adjusted pursuant to the adjustment provisions below, any other property the Issuer's CPOs represented as if such other property had been distributed to holders of the Issuer's CPOs on that day.

SECTION 10.18. USA PATRIOT ACT. The parties hereto acknowledge that, in accordance with Section 326 of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (as amended, modified or supplemented from time to time, the " USA Patriot Act"), the Trustee, like all financial institutions, is required to obtain, verify, and record information that identifies each person or legal entity that opens an account. The parties to this Indenture agree that they will provide the Trustee with such information as the Trustee may request in order for the Trustee to satisfy the requirements of the USA Patriot Act.

ARTICLE XI

SUBORDINATION

SECTION 11.01. Notes Subordinated to Senior Indebtedness. The Issuer covenants and agrees, and each Holder by his acceptance thereof likewise covenants and agrees, that all Notes are subject to the provisions of this Article XI; and each Person holding any Note, whether upon original issue or upon transfer or assignment thereof, accepts and agrees to be bound by such provisions and acknowledges that such provisions are for the benefit of, and shall be enforceable directly by, the holders of Senior Indebtedness.

Each Holder authorizes and directs the Trustee on such Holder's behalf to take such action as may be necessary or appropriate, in the sole discretion of the Trustee, to acknowledge or effectuate the subordination between the Holders and the holders of Senior Indebtedness as provided in this Article XI and appoints the Trustee as such Holder's attorney-in-fact for any and all such purposes.

The payment of the principal of, premium, if any, and Interest on and any other payment due pursuant to this Indenture or any Notes issued hereunder (including, without limitation, the payment or deposit of the Change of Control Payment pursuant to Article III) shall, to the extent and in the manner hereinafter set forth, be subordinated and subject in right of payment to the prior payment in full of all Senior Indebtedness, whether outstanding at the Issue Date or thereafter created, incurred, assumed or guaranteed.

Each Holder by accepting a Note acknowledges and agrees that the subordination provision set forth in this Article XI are, and are intended to be, an inducement and consideration to each holder of any Senior Indebtedness of the Issuer, whether such Senior Indebtedness was created before or after the issuance of the Notes, to acquire and continue to hold, or to continue to hold, such Senior Indebtedness, and such holder of Senior Indebtedness shall be deemed conclusively to have relied upon such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Indebtedness, and such holder is made an obligee hereunder and may enforce directly such subordination provisions.

SECTION 11.02. Notes Subordinated to Prior Payment of All Senior Indebtedness On Dissolution, Liquidation, Reorganization, etc., of the Issuer. Upon any payment or distribution of the assets of the Issuer of any kind or character, whether in cash, property or securities (including any collateral at any time securing the Notes, other than money or U.S. Government Obligations deposited in trust as described in Section 11.07), to creditors upon any dissolution, winding-up, total or partial liquidation, *concurso mercantil*, *quiebra* or reorganization of the Issuer (whether voluntary or involuntary, or in bankruptcy, insolvency, reorganization, liquidation, or receivership proceedings, or upon an assignment for the benefit of creditors, or any marshalling of the assets of the Issuer, or upon any similar proceedings), then in such event:

(a) all Senior Indebtedness (including principal thereof and interest thereon) shall first be paid in full before any Payment of the Notes (as defined in Section 11.05) is made;

(b) any payment or distribution of assets of the Issuer of any kind or character, whether in cash, property or securities (including any collateral at any time securing the Notes, other than money or U.S. Government Obligations deposited in trust as described in Section 11.07), to which the Holders or the Trustee on behalf of the Holders would be entitled except for the provisions of this Article XI, including any such payment or distribution which may be payable or deliverable by reason of the payment of another debt of the Issuer being subordinated to the payment of the Notes, shall be paid or delivered by any debtor, custodian or other person making such payment or distribution, directly to the holders of the Senior Indebtedness or their Representative or Representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing any of such Senior Indebtedness may have been issued, ratably according to the aggregate amounts remaining unpaid on account of the principal of and interest on the Senior Indebtedness held or represented by each, for application to payment of all Senior Indebtedness remaining unpaid, to the extent necessary to pay all Senior Indebtedness in full after giving effect to any concurrent payment or distribution, or provision therefor, to the holders of such Senior Indebtedness; and

(c) in the event that, notwithstanding the foregoing provisions of this Section 11.02, any payment or distribution of assets of the Issuer of any kind or character, whether in cash, property or securities, shall be received by the Trustee or the Holders before all Senior Indebtedness is paid in full, such payment or distribution (subject to the provisions of Section 11.06 and Section 11.07) shall be held in trust for the benefit of, and shall be immediately paid or delivered by the Trustee or such Holders, as the case may be, to the holders of Senior Indebtedness remaining unpaid, or their Representative or Representatives, ratably according to the aggregate amounts remaining unpaid on account of the principal of and interest on the Senior Indebtedness held or represented by each, for application to the payment of all Senior

Indebtedness remaining unpaid, to the extent necessary to pay all Senior Indebtedness in full after giving effect to any concurrent payment or distribution, or provision therefor, to or for the holders of such Senior Indebtedness.

The Issuer shall give prompt notice to the Trustee of any dissolution, winding-up, liquidation, *concurso mercantil*, *quiebra* or reorganization of the Issuer.

Upon any prepayment, payment or distribution of assets of the Issuer referred to in this Article XI, the Trustee, subject to the provisions of Section 7.01 and Section 7.02, and the Holders shall be entitled to conclusively rely upon any order or decree by any court of competent jurisdiction in which such dissolution, winding-up, liquidation or reorganization proceeding is pending, or a certificate of the liquidating trustee or agent or other person making any distribution to the Trustee or to the Holders, for the purpose of ascertaining the persons entitled to participate in such distribution, the holders of the Senior Indebtedness and other Indebtedness of the Issuer, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article XI; *provided* that the foregoing shall apply only if such court, trustee, liquidating trustee or other person has been fully apprised of the provisions of this Article XI.

SECTION 11.03. Holders to be Subrogated to Right of Holders of Senior Indebtedness. Subject to the prior payment in full of all Senior Indebtedness, the Holders shall be subrogated (equally and ratably with the holders of any Indebtedness of the Issuer which by its express terms is subordinated to Indebtedness of the Issuer to substantially the same extent as the Notes are subordinated and is entitled to like rights of subrogation) to the rights of the holders of Senior Indebtedness to receive payments or distributions of assets of the Issuer applicable to the Senior Indebtedness until the principal of and Interest on the Notes shall be paid in full, and for purposes of such subrogation, no payments or distributions to the holders of Senior Indebtedness of assets, whether in cash, property or securities, distributable to the holders of Senior Indebtedness under the provisions hereof to which the Holders would be entitled except for the provisions of this Article XI, and no payment pursuant to the provisions of this Article XI to the holders of Senior Indebtedness by the Holders shall, as among the Issuer, its creditors other than the holders of Senior Indebtedness, and the Holders, be deemed to be a payment by the Issuer to or on account of Senior Indebtedness, it being understood that the provisions of this Article XI are, and are intended, solely for the purpose of defining the relative rights of the Holders, on the one hand, and the holders of Senior Indebtedness, on the other hand.

SECTION 11.04. Obligations of the Issuer Unconditional. Nothing contained in this Article XI or elsewhere in this Indenture or in any Note is intended to or shall impair the obligation of the Issuer, which is absolute and unconditional, to pay to the Holders the principal of and Interest on the Notes, as and when the same shall become due and payable in accordance with the terms of the Notes, or to affect the relative rights of the Holders and other creditors of the Issuer other than the holders of Senior Indebtedness, nor shall anything herein or therein prevent the Trustee or any Holder from exercising all remedies otherwise permitted by applicable law upon the happening of an Event of Default under this Indenture, subject to the provisions of Article VI, and the rights, if any, under this Article XI of the holders of Senior Indebtedness in respect of assets, whether in cash, property or securities, of the Issuer received upon the exercise of any such remedy.

SECTION 11.05. Issuer Not to Make Payment with Respect to Notes in Certain Circumstances . (a) Subject to Section 11.14, upon the occurrence of any default in the payment of principal of (or premium, if any) or interest on Senior Indebtedness (a " Payment Default"), unless and until the amount of Senior Indebtedness affected by such Payment Default then due shall have been paid in full, or such Payment Default shall have been cured or waived or shall have ceased to exist, the Issuer shall not pay principal of, premium, if any, or Interest on the Notes or any other amount due pursuant to this Indenture or any Notes or make any deposit pursuant to Article III or Section 8.01 and shall not repurchase, redeem or otherwise retire any Notes (collectively, " Payment of the Notes").

(b) Unless Section 11.02 shall be applicable, upon (1) the occurrence of a default on Designated Senior Indebtedness (other than a Payment Default) that occurs and is continuing that permits the holders of such Designated Senior Indebtedness (or their Representative or Representatives) to accelerate its maturity and (2) receipt by the Issuer and the Trustee from the holders of such Designated Senior Indebtedness or their respective agents or Representatives of written notice (a "Payment Blockage Notice") of such occurrence and the imposition of a Payment Blockage Period hereunder, then the Issuer shall not make any Payment of the Notes for a period (the "Payment Blockage Period") commencing on the earlier of the date of receipt by the Issuer or the Trustee of such notice and ending on the earlier of (subject to any blockage of payments that may then be in effect under this Section 11.05) (x) the date 179 days after such date, (y) the date such default shall have been cured or waived in writing or shall have ceased to exist or such Senior Indebtedness shall have been discharged, or (z) the date such Payment Blockage Period shall have been terminated by written notice to the Issuer or the Trustee from such holders of such Designated Senior Indebtedness, or their respective agents or Representatives, after which, in case of clause (x), (y) or (z), as the case may be, the Issuer shall resume making any and all required payments (unless such Designated Senior Indebtedness has been accelerated). Notwithstanding any other provision of this Indenture, only one Payment Blockage Period may be commenced within any consecutive 365-day period, and no event of default with respect to any Designated Senior Indebtedness that existed or was continuing on the date of the commencement of any Payment Blockage Period with respect to such Designated Senior Indebtedness shall be, or can be made, the basis for the commencement of a second Payment Blockage Period whether or not within a period of 365 consecutive days unless such event of default shall have been cured or waived for a period of not less than 90 consecutive days. In no event will a Payment Blockage Period extend beyond 179 days.

(c) In the event that, notwithstanding the provisions of this Section 11.05, any Payment of the Notes shall be made by or on behalf of the Issuer and received by the Trustee, any Holder or any Paying Agent (or, if the Issuer is acting as its own Paying Agent, money for any such payment shall be segregated and held in trust), which payment was prohibited by this Section 11.05, then, unless and until the amount of Senior Indebtedness then due, as to which a default shall have occurred, shall have been paid in full, or such default shall have been cured or waived, such payment (subject, in each case, to the provisions of Section 11.06 and Section 11.07) shall be held in trust for the benefit of, and shall be immediately paid over to, the holders of Senior Indebtedness or their Representative or Representatives, ratably according to the aggregate amounts remaining unpaid on account of the principal of and interest on the Senior Indebtedness held or represented by each, for application to the payment of all Senior Indebtedness remaining unpaid to the extent necessary to pay all Senior Indebtedness in

accordance with its terms, after giving effect to any concurrent payment or distribution to or for the benefit of the holders of Senior Indebtedness. The Issuer shall give prompt written notice to the Trustee of any default under any Senior Indebtedness or under any agreement pursuant to which Senior Indebtedness may have been issued.

SECTION 11.06. Notice to Trustee. (a) The Issuer shall give prompt written notice to the Trustee of any fact known to the Issuer which would prohibit the making of any payment to or by the Trustee in respect of the Notes, but failure to give such notice shall not affect the subordination provided in this Article XI of the Notes to Senior Indebtedness. Within 30 calendar days after the occurrence of any event which would constitute a Default or an Event of Default, the Issuer shall deliver notice to the Trustee of such events, their status and what action the Issuer is taking or proposes to take in respect thereof. Notwithstanding the provisions of this Article XI or any other provision of this Indenture, the Trustee shall not at any time be charged with knowledge of the existence of any facts which would prohibit the making of any payment to or by the Trustee, unless and until a Trust Officer of the Trustee shall have received written notice thereof from the Issuer or from the holder or holders of Senior Indebtedness or from their Representative or Representatives; and, prior to the receipt of any such notice, the Trustee, subject to the provisions of Section 7.01 and Section 7.02, shall be entitled to assume conclusively that no such facts exist.

(b) The Trustee shall be entitled to conclusively rely on the delivery to it of a written notice by a Person representing himself to be a holder of Senior Indebtedness (or a Representative of such holder) to establish that such notice has been given by a holder of Senior Indebtedness or a Representative of any such holder. In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a holder of Senior Indebtedness to participate in any payment or distribution pursuant to this Article XI, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of each Person under this Article XI, and if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment.

SECTION 11.07. Application by Trustee of Monies Deposited with It. Money or U.S. Government Obligations deposited in trust with the Trustee pursuant to Section 8.01 and not in violation of this Article XI shall be for the sole benefit of Holders and shall thereafter not be subject to the subordination provisions of this Article XI. Otherwise, any deposit of monies by the Issuer with the Trustee or any Paying Agent (whether or not in trust) for the payment of the principal of or Interest on any Notes shall be subject to the provisions of Sections 11.01, 11.02, 11.03 and 11.05; except that, if at least three Business Days prior to the date on which by the terms of this Indenture any such monies may become payable for any purpose (including, without limitation, the payment of either the principal of or Interest on any Note), a Trust Officer of the Trustee shall not have received with respect to such monies the notice provided for in Section 11.06, then the Trustee or any Paying Agent shall have full power and authority to receive such monies and to apply such monies to the purpose for which they were received, and shall not be affected by any notice to the contrary which may be received by it within three Business Days prior to or after such date. This Section 11.07 shall be construed solely for the

benefit of the Trustee and the Paying Agent and shall not otherwise affect the rights that holders of Senior Indebtedness may have to recover any such payments from the Holders in accordance with the provisions of this Article XI.

SECTION 11.08. Subordination Rights Not Impaired by Acts or Omissions of the Issuer or Holders of Senior Indebtedness . No right of any present or future holders of any Senior Indebtedness to enforce subordination, as herein provided, shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Issuer or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Issuer with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof which any such holder may have or be otherwise charged with. The holders of any Senior Indebtedness may extend, renew, modify or amend the terms of such Senior Indebtedness or any security therefor and release, sell or exchange such security and otherwise deal freely with the Issuer, all without affecting the liabilities and obligations of the parties to this Indenture or the Holders. No amendment of this Article XI or any defined terms used herein or any other Sections referred to in this Article XI which adversely affects the rights hereunder of holders of Senior Indebtedness, shall be effective unless the holders of such Senior Indebtedness (required pursuant to the terms of such Senior Indebtedness to give such consent) have consented thereto.

SECTION 11.09. Trustee to Effectuate Subordination. Each Holder by his acceptance thereof authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to acknowledge and effectuate the subordination provided in this Article XI and appoints the Trustee his attorney-in-fact for any and all such purposes.

SECTION 11.10. Right of Trustee to Hold Senior Indebtedness. The Trustee, in its individual capacity, shall be entitled to all of the rights set forth in this Article XI in respect of any Senior Indebtedness at any time held by it to the same extent as any other holder of Senior Indebtedness, and nothing in this Indenture shall be construed to deprive the Trustee of any of its rights as such holder. Nothing in this Article XI shall apply to claims of, or payments to, the Trustee under or pursuant to Section 7.07.

SECTION 11.11. Article XI Not to Prevent Events of Default. The failure to make a Payment of the Notes by reason of any provision in this Article XI shall not be construed as preventing the occurrence of an Event of Default under Section 6.01.

SECTION 11.12. No Fiduciary Duty Created to Holders of Senior Indebtedness . Notwithstanding any other provision in this Article XI, the Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness by virtue of the provisions of this Article XI or otherwise. With respect to the holders of Senior Indebtedness, the Trustee undertakes to perform or to observe only such of its covenants or obligations as are specifically set forth in this Article XI and no implied covenants or obligations with respect to holders of Senior Indebtedness shall be read into this Indenture against the Trustee.

SECTION 11.13. Article Applicable to Paying Agents . In case at any time any Paying Agent other than the Trustee shall have been appointed by the Issuer and be then acting hereunder, the term "Trustee" as used in this Article XI shall in such case (unless the context shall otherwise require) be construed as extending to and including such Paying Agent within its

meaning as fully for all intents and purposes as if such Paying Agent were named in this Article XI in addition to or in place of the Trustee; *provided, however*, that Section 11.06, Section 11.10 and Section 11.12 shall not apply to the Issuer if it acts as Paying Agent.

SECTION 11.14. Certain Conversion Deemed Payment. For the purposes of this Article XI only, (1) the issuance and delivery of Junior Securities upon conversion of Notes in accordance with Article XII shall not be deemed to constitute a payment or distribution on account of the principal of or premium or Interest on Notes or on account of the purchase, redemption, retirement or other acquisition of Notes and shall not be prohibited by Section 11.02, and (2) the payment, issuance or delivery of cash, property or securities (other than Junior Securities) upon conversion of a Note shall be deemed to constitute payment on account of principal of such Note. The term "Junior Securities" means (a) shares of any stock of any class, ordinary participation certificates (*certificados de participación ordinario*) or other securities having stock of the Issuer as underlying securities or ADRs, of the Issuer and (b) securities of the Issuer which are subordinated in right of payment to all Senior Indebtedness which may be outstanding at the time of issuance or delivery of such securities to substantially the same extent as, or to a greater extent than, the Notes are so subordinated as provided in this Article XI. Nothing contained in this Article XI or elsewhere in this Indenture or in the Notes is intended to or shall impair, as among the Issuer, its creditors other than holders of Senior Indebtedness and the Holders of the Notes, the right, which is absolute and unconditional, of the Holder of any Note to convert such Note in accordance with Article XII.

SECTION 11.15. Contractual Subordination. This Article XI represents a bona fide agreement of contractual subordination pursuant to Section 510(b) of the Title 11, U.S. Code.

SECTION 11.16. Acceleration of Notes. If payment of the Notes is accelerated because of an Event of Default, the Issuer shall promptly notify holders of Senior Indebtedness (or their Representative or Representatives) of the acceleration.

ARTICLE XII

CONVERSION

SECTION 12.01. Right to Convert. Subject to and upon compliance with the provisions of this Indenture, each Holder shall have the right, at such Holder's option, at any time before the close of business on the fourth Business Day immediately preceding the Maturity Date, *provided, however,* that a Holder may convert a Note or portion thereof subject to an election for repurchase only if such Holder withdraws such election in accordance with Section 3.04(e) to convert the principal amount of any Note held by such Holder, or any portion of such principal amount which is U.S.$1,000 or an integral multiple thereof, *provided further* that the portion not so converted is in a minimum principal amount of U.S.$100,000, into fully paid and non-assessable Ordinary Shares; *provided* that the Issuer's obligation to deliver Ordinary Shares shall, except as otherwise provided in this Article XII, be satisfied by delivering that number of ADSs based on the Conversion Rate in effect at such time, by surrender of the Note to be so converted in whole or in part in the manner provided in Section 12.02. A Holder is not entitled to any rights of a holder of ADSs until such Holder has converted his or her Notes to ADSs, and only to the extent such Notes are deemed to have been converted to ADSs under this Article XII.

in part, the conversion privilege with respect to any Note, the Holder of such Note shall surrender such Note, duly endorsed, at an office or agency maintained by the Issuer pursuant to Section 4.04, and shall give a duly signed written notice of conversion, in the form provided on the Notes or available from the Conversion Agent (or such other notice which is acceptable to the Issuer) to the Conversion Agent, that the Holder elects to convert such Note or such portion thereof specified in said notice and the Conversion Agent shall give notice to the Issuer (at the address provided in Section 10.09 with a copy to Francisco J. Contreras Navarro (Fax: +1 52 81 8888 4519)) and Banco Nacional de Mexico, S.A., Integrante del Grupo Financiero Banamex (" Banamex") (at the address provided in Section 10.09) of receipt of such notice. Such notice shall also state the name or names (with address or addresses) in which the certificate or certificates for ADSs which are issuable on such conversion shall be issued, and shall be accompanied by transfer Taxes, if required pursuant to Section 12.07. Each such Note surrendered for conversion shall, unless the ADSs issuable on conversion are to be issued in the same name as the registration of such Note, be duly endorsed by, or be accompanied by instruments of transfer in form satisfactory to the Issuer duly executed by, the Holder or his or her duly authorized attorney. The date on which the requirements set forth in this paragraph have been satisfied with respect to a Note (or portion thereof) will be the "Conversion Date" and a converting Holder will become the record holder of any ADSs upon such conversion as of such Conversion Date. To exercise, in whole or in part, the conversion privilege with respect to a beneficial interest in a Global Security, a holder of such a beneficial interest must comply with the Depositary's procedures for converting a beneficial interest in a Global Security and pay any funds required by the sixth paragraph of this Section 12.02 or by Section 12.07. Subject to the foregoing procedures, any Holder of a Definitive Security who wishes to exercise the conversion privilege with respect to such Definitive Security must (i) complete and manually sign the Conversion Notice on the back of the Note, or a facsimile of the Conversion Notice; (ii) deliver the Conversion Notice, which is irrevocable, and the Note to the Conversion Agent; (iii) if required by the Issuer or the Conversion Agent, furnish appropriate endorsements and transfer documents; (iv) pay all transfer or similar Taxes if required pursuant to Section 12.07; and (v) if required under the terms of this Indenture, pay funds equal to the amount of Interest payable on the next Interest Payment Date.

On the third Business Day following the relevant Conversion Date, the Issuer shall issue and shall deliver or shall cause issuance and delivery (such delivery referred to herein as the "Settlement") to such Holder at the office or agency maintained by the Issuer for such purpose pursuant to Section 4.04, a certificate or certificates for, or effect a book-entry transfer through the Depositary with respect to, the number of ADSs issuable upon the conversion of such Note or portion thereof in accordance with the provisions of this Article XII.

Notwithstanding the preceding sentence, (a) if the Settlement of any conversion other than a conversion in connection with a Fundamental Change as provided in Section 12.12 is required to be made (without regard to the application of this clause (a)) prior to June 30, 2010 and the number of ADSs deliverable in such Settlement exceeds the number of Available Treasury Shares at such time, then the Issuer shall deliver all of the ADSs available for delivery on such Settlement date pro rata to the converting Holders whose conversions are required to be settled on such date and the Settlement of the remainder shall be deferred until June 30, 2010 or such earlier date on which the ADSs to satisfy such Settlement in full become available for

delivery to Holders; or (b) if a settlement of a conversion in connection with a Fundamental Change is required to be made (without regard to the application of this clause (b)) prior to June 30, 2010 and the number of ADSs deliverable to satisfy the Settlement at the then applicable Conversion Rate without regard to the Make Whole Fundamental Change Premium in the Conversion Rate exceeds the number of Available Treasury Shares at such time, then the Issuer shall deliver all of the ADSs available for delivery on such Settlement date pro rata to the converting Holders whose conversions are required to be settled on such date and the Settlement of the remainder (including the Additional ADSs (as defined in Section 12.12(a)) shall be deferred until June 30, 2010 or such earlier date on which the ADSs to satisfy such settlement in full become available for delivery to Holders. No Interest shall accrue on Notes between the Conversion Date and the Settlement date, regardless of whether such Settlement date is deferred as described in clause (a) or clause (b) above.

If any calculation required in order to determine the number of ADSs the Issuer must deliver in respect of a given conversion of Notes is based on data or other information that will not be available to the Issuer on the date the requirements set forth in the first paragraph of this Section 12.02 have been satisfied, the Issuer will delay Settlement of that conversion until no later than the third Business Day after the relevant data or information becomes available. In case any Note of a denomination of an integral multiple greater than U.S.$1,000 is surrendered for partial conversion, and subject to Section 2.02, the Issuer shall execute, and the Trustee shall authenticate and deliver to the Holder of the Note so surrendered, without charge to him or her, a new Note or Notes in authorized denominations in an aggregate principal amount equal to the unconverted portion of the surrendered Note *provided* that the minimum principal amount of such new note is U.S.$100,000.

Each conversion shall be deemed to have been effected with respect to a Note (or portion thereof) on the Conversion Date, and the Person in whose name any certificate or certificates for ADSs are issuable upon such conversion shall be deemed to have become on said date the holder of record of the ADSs represented thereby. Any such surrender on any date when the Issuer's stock transfer books are closed shall constitute the Person in whose name the certificates are to be issued as the record holder thereof for all purposes on the next succeeding day on which such stock transfer books are open, but such conversion shall be at the Conversion Rate in effect on the date upon which such Note is surrendered.

If any Note or a portion thereof is surrendered for conversion after 5:00 p.m. New York City time on a Record Date but prior to 9:00 a.m. New York City time on the immediately following Interest Payment Date, Holders of such Notes at 5:00 p.m. New York City time on the regular Record Date will receive payment of the Interest payable on such Notes on the corresponding Interest Payment Date notwithstanding the conversion of such Notes at any time after the close of business on the Record Date. Any Note or portion thereof surrendered for conversion by a Holder during the period from 5:00 p.m. New York City time on the Record Date through 9:00 a.m. New York City time on the immediately following Interest Payment Date shall be accompanied by payment, in funds acceptable to the Issuer, of an amount equal to the Interest otherwise payable on such Interest Payment Date on the principal amount being converted; *provided, however*, that no such payment need be made (1) if the Notes are surrendered for conversion after 5:00 p.m. New York City Time on the Record Date immediately preceding the Maturity Date, (2) if the Issuer has specified a Tax Redemption Date that is after a

Record Date and on or prior to the corresponding Interest Payment Date, (3) if the Issuer has specified a Change of Control Change Purchase Date that is after a Record Date and on or prior to the corresponding Interest Payment Date or (4) to the extent of any overdue Interest, if any overdue Interest exists at the time of conversion with respect to such Note. An amount equal to such payment shall be paid by the Issuer on such Interest Payment Date to the Holder at the close of business on such Record Date; *provided*, *however*, that if the Issuer defaults in the payment of Interest, if applicable, on such Interest Payment Date, such amount shall be paid to the Person who made such required payment. Except as provided in this Section 12.02, no payment of Interest shall be made and no adjustment shall be made for Interest accrued, if any, on any Note converted or for dividends on any shares issued upon the conversion of such Note as provided in this Article XII.

With respect to any Notes bearing a Restricted Securities Legend on the date of conversion, the ADSs distributed upon conversion will be issued in physical certificated form, will not be held in book-entry form through the facilities of the Depositary and shall be treated as "restricted securities," and the Issuer will affix the applicable Restricted ADS Legend that is set forth in Exhibit B hereto upon such ADSs; *provided* that if any such ADSs are being immediately resold pursuant to Rule 144, such ADSs need not be issued with such legend in connection with such sale.

Upon conversion, a Holder will not receive any additional cash payment for Interest unless such conversion occurs between a Record Date and the corresponding Interest Payment Date. Except in such case, by delivering the amount of cash and/or the number of ADSs issuable on conversion to the Trustee, the Issuer will be deemed to have satisfied its obligation to pay the principal amount of the Notes so converted and its obligation to pay Interest, attributable to the period from the most recent Interest Payment Date to, but not including the Conversion Date (which amount will be deemed paid in full rather than cancelled, extinguished or forfeited).

SECTION 12.03. No Issuance of Fractional Shares. No fractional portions of ADSs shall be issued upon conversion of Notes. If more than one Note shall be surrendered for conversion at one time by the same Holder, the number of full ADSs which shall be issuable upon conversion shall be computed on the basis of the aggregate principal amount of the Notes (or specified portions thereof to the extent permitted hereby) so surrendered for conversion. If any fractional portions of ADSs otherwise would be issuable upon the conversion of any Note or Notes, the Issuer will deliver a number of ADSs rounded up to the nearest whole number of ADSs.

SECTION 12.04. Conversion Rate. The Conversion Rate shall be as specified in the form of Note attached as Exhibit A hereto, subject to adjustment as provided in this Article XII.

SECTION 12.05. Conversion Rate Adjustments. (a) The applicable Conversion Rate shall be adjusted from time to time by the Issuer as follows, except that the Issuer will not make any adjustments to the Conversion Rate if Holders participate (as a result of holding Notes and at the same time as ADS holders participate) in any of the transactions described below as if such Holders held a number of ADSs equal to the applicable Conversion Rate, multiplied by the principal amount (expressed in thousands) of Notes held by such Holders without having to convert their Notes. A Holder will be deemed to have so participated if the transaction results in a distribution of assets that are held by the ADS depositary at the time of conversion of such Notes into ADSs.

(i) If the Issuer issues solely Ordinary Shares as a dividend or any other distribution (including by recapitalization of retained earnings) on all or substantially all Ordinary Shares, or if the Issuer effects a share split or share combination of its Ordinary Shares, the applicable Conversion Rate will be adjusted based on the following formula:

$$CR = CR_0 \times \frac{OS}{OS_0}$$

where,

CR_0 = the applicable Conversion Rate in effect immediately prior to the open of business on the Business Day immediately following (x) the date fixed for the determination of holders of Ordinary Shares entitled to receive such dividend or distribution or (y) the date on which such split or combination becomes effective, as applicable (such date specified in clause (x) or (y), the " Dividend Record Date");

CR = the applicable Conversion Rate in effect immediately after the open of business on the Business Day immediately following the Dividend Record Date;

OS_0 = the number of Ordinary Shares outstanding immediately prior to the open of business on the Dividend Record Date; and

OS = the number of Ordinary Shares that would have been outstanding immediately prior to the open of business on the Dividend Record Date as adjusted to take into account such dividend, distribution, split or combination.

If any dividend or distribution of the type described in this clause (i) is declared that results in an adjustment pursuant to this clause (i) but is not so paid or made, or the outstanding Ordinary Shares are not split or combined, as the case may be, the Conversion Rate shall be immediately readjusted, effective (in the case of a dividend or distribution) as of the earliest of the date (A) the Issuer's shareholders' meeting or Board of Directors determines not to pay such dividend or distribution, (B) the non-payment of such dividend is publicly announced or (C) the dividend was to have been paid, or (in the case of a stock split or combination) the date on which such split or combination was to have been effective, to the Conversion Rate that would then be in effect if such dividend, distribution, share split or share combination had not been declared or announced.

(ii) If the Issuer distributes to all or substantially all holders of Ordinary Shares any rights, options, warrants or other securities entitling them for a period of not more than 45 calendar days from the record date for such distribution to subscribe for or purchase Ordinary Shares (or securities convertible into Ordinary Shares), at a price per Ordinary Share (or conversion price per Ordinary Share) less than the average of the Last Reported Sale Prices of the Ordinary Shares for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the declaration date for such distribution, the applicable Conversion Rate will be adjusted based on the following formula:

$$CR = CR_0 \times \frac{(OS_0 + X)}{(OS_0 + Y)}$$

where,

CR_0 = the applicable Conversion Rate in effect immediately prior to the open of business on the Business Day immediately following the date fixed for the determination of shareholders entitled to receive such rights, options, warrants or other securities (such date, the " Rights Distribution Record Date");

CR = the applicable Conversion Rate in effect immediately after the open of business on the Business Day immediately following the Rights Distribution Record Date;

OS_0 = the number of Ordinary Shares outstanding immediately prior to the open of business on the Rights Distribution Record Date;

X = the total number of Ordinary Shares issuable pursuant to such rights, options, warrants or other securities;

and

Y = the number of Ordinary Shares equal to the aggregate price payable to exercise such rights, options, warrants or other securities divided by the average of the Last Reported Sale Prices of the Ordinary Shares over the 10 consecutive Trading Day period ending on the Trading Day immediately preceding the date of announcement of the distribution of such rights, options, warrants or other securities.

If such rights, options, warrants or other securities are not so issued, the Conversion Rate will remain the Conversion Rate that would then be in effect if a Rights Distribution Record Date for such distribution had not been fixed. In addition, to the extent that Ordinary Shares are not delivered after the expiration of such rights, options, warrants or other securities, the Conversion Rate shall be readjusted to the Conversion Rate that would then be in effect had the adjustments made upon the issuance of such rights, options, warrants or other securities been made on the basis of delivery of only the number of Ordinary Shares actually delivered.

For purposes of this clause (ii), in determining whether any rights, options, warrants or other securities entitle the holders to subscribe for or purchase Ordinary Shares at less than the average of the Last Reported Sale Prices of Ordinary Shares for each Trading Day in the applicable 10 consecutive Trading Day Period, there shall be taken into account any consideration the Issuer receives for such rights, options, warrants or other securities and any amount payable on exercise thereof, with the value of such consideration if other than cash to be determined by the Issuer's Board of Directors.

(iii) If the Issuer distributes shares of its Capital Stock, evidences of its Indebtedness, other assets or property or rights or warrants to acquire its Capital Stock or other securities, to all or substantially all holders of Ordinary Shares, excluding

(A) dividends or distributions and rights, options, warrants and other securities described in clause (i) or (ii) above or clause (v) below;

(B) dividends or distributions paid exclusively in cash, including as described in clause (iv) below;

(C) dividends or distributions effected pursuant to a reclassification, merger, sale, conveyance or other transaction described in Section 12.06, where such dividend or distribution becomes Reference Property as described in Section 12.06; and

(D) Spin-Offs to which the provisions set forth below in this clause (iii) shall apply;

then the applicable Conversion Rate will be adjusted based on the following formula:

$$CR = CR_0 \times \frac{SP_0}{(SP_0 - FMV)}$$

where,

CR_0 = the applicable Conversion Rate in effect immediately prior to the open of business on the Business Day immediately following the record date for such distribution;

CR = the applicable Conversion Rate in effect immediately after the open of business on the Business Day immediately following such record date;

SP_0 = the average of the Last Reported Sale Prices of Ordinary Shares over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Dividend Date for such distribution; and

FMV = the fair market value (as determined by the Issuer's Board of Directors or a committee thereof) of the shares of Capital Stock, evidences of Indebtedness, assets, property, rights or warrants distributed with respect to each outstanding Ordinary Share as of the open of Business on the Ex-Dividend Date for such distribution;

provided that if "FMV" as set forth above is equal to or greater than "SP_0" as set forth above, in lieu of the foregoing adjustment, adequate provision will be made so that each Holder shall receive on the date on which the distributed property is distributed to holders of Ordinary Shares, for each U.S.$1,000 principal amount of Notes, the amount of distributed property such Holder would have received had such Holder owned a number of Ordinary Shares that it would have been entitled to receive based on the Conversion Rate on the record date for such distribution; *provided further* that if the Issuer's Board of

Directors determines "FMV" for purposes of the foregoing adjustment by reference to the trading market for any securities, it must in doing so consider the prices in such market over the same period used in computing the average of the Last Reported Sale Prices of the Ordinary Shares over the 10 consecutive Trading Day period ending on the Trading Day immediately preceding the Ex-Dividend Date for such distribution.

With respect to an adjustment pursuant to this clause (iii) where there has been a payment of a dividend or other distribution on the Ordinary Shares or shares of Capital Stock of any class or series, or similar equity interest, of or relating to a Subsidiary or other business unit (a " Spin-Off"), the Conversion Rate will be adjusted based on the following formula:

$$CR = CR_0 \times \frac{(FMV + MP_0)}{MP_0}$$

where,

CR_0 = the applicable Conversion Rate in effect immediately prior to the opening of business on the Business Day immediately following the record date for the Spin-Off;

CR = the applicable Conversion Rate in effect immediately after the opening of business on the Business Day immediately following such record date;

FMV = the average of the Last Reported Sale Prices of the Capital Stock or similar equity interest distributed to holders of Ordinary Shares applicable to one Ordinary Share over the first 10 consecutive Trading Day period immediately following, and including, the Ex-Dividend Date of the Spin-Off (the " Valuation Period"); and

MP_0 = the average of the Last Reported Sale Prices of the Ordinary Shares over the Valuation Period.

The adjustment to the applicable Conversion Rate under the preceding paragraph of this clause (iii) will be made immediately after the open of business on the day after the last day of the Valuation Period, but will be given effect as of the open of business on the Business Day immediately following the record date for the Spin-Off. For purposes of determining the applicable Conversion Rate in respect of any conversion during the Valuation Period, references within the portion of this clause (iii) related to Spin-Offs to 10 Trading Days shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the Ex-Dividend Date of such Spin-Off to, but excluding, the Conversion Date.

If any distribution or spin-off described in this clause (iii) results in an adjustment to the Conversion Rate but such distribution or Spin-Off is not so made, the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such distribution or Spin-Off had not been declared.

(iv) If the Issuer makes or pays any cash dividend or any other cash distribution to all, or substantially all, holders of the outstanding Ordinary Shares, the applicable Conversion Rate will be adjusted based on the following formula:

$$CR = CR_0 \times \frac{SP_0}{(SP_0 - C)}$$

where,

CR_0 = the applicable Conversion Rate in effect immediately prior to the open of business on the Business Day immediately following the record date for such dividend or distribution;

CR = the applicable Conversion Rate in effect immediately after the open of business on the Business Day immediately following such record date;

SP_0 = the average of the Last Reported Sale Prices of the Ordinary Shares over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Dividend Date for such dividend or distribution; and

C = the amount in cash per share the Issuer distributes to holders of the Ordinary Shares.

If such dividend or distribution results in an adjustment to the Conversion Rate under the preceding paragraph and such dividend or distribution is not so paid or made, the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

(v) If (A) the Issuer or any of its Subsidiaries makes a payment in respect of a tender offer or exchange offer for the Ordinary Shares, and (B) the cash and value of any other consideration included in the payment per Ordinary Share exceeds the average of the Last Reported Sale Prices of the Ordinary Shares over the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer (the " Expiration Date"), the applicable Conversion Rate will be adjusted based on the following formula:

$$CR = CR_0 \times \frac{AC + (SP \times OS)}{(SP \times OS_0)}$$

where,

CR_0 = the applicable Conversion Rate in effect immediately prior to the open of business on the Business Day next succeeding the Expiration Date;

CR = the applicable Conversion Rate in effect immediately after the open of business on the Business Day next succeeding the Expiration Date;

AC = the aggregate value of all cash and any other consideration (as determined by the Issuer's Board of Directors or a committee thereof) paid or payable for Ordinary Shares purchased in such tender or exchange offer;

OS_0 = the number of Ordinary Shares outstanding immediately prior to the time (the " Expiration Time") such tender or exchange offer expires (prior to giving effect to such tender or exchange offer);

OS = the number of Ordinary Shares outstanding immediately after the Expiration Time (after giving effect to such tender or exchange offer); and

SP = the average of the Last Reported Sale Prices of the Ordinary Shares over the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the Expiration Date.

The adjustment to the Conversion Rate under this clause (v) will be made at the close of business on the tenth Trading Day immediately following, and including, the Trading Day next succeeding the Expiration Date, but will be given effect as of the open of business on the Business Day following the Expiration Date. For purposes of determining the applicable Conversion Rate in respect of any conversion during the 10 Trading Days commencing on, and including, the Trading Day next succeeding the Expiration Date of any tender or exchange offer, references to 10 Trading Days shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the Trading Day next succeeding the Expiration Date to, but excluding the Conversion Date. If the Issuer or one of its Subsidiaries is obligated to purchase the Ordinary Shares pursuant to any such tender or exchange offer but the Issuer or the relevant Subsidiary is permanently prevented by applicable law from effecting any such purchase or all or any portion of such purchases are rescinded, the new Conversion Rate shall be readjusted to be the Conversion Rate that would be in effect if such tender or exchange offer had not been made or had only been made in respect of the purchases that had been effected.

(vi) Notwithstanding the foregoing, if any calculation required to be made in determining the adjustment to the Conversion Rate under this Section 12.05(a) cannot be made at such time because the facts required for such determination cannot be ascertained, the Issuer will make such determination as soon as practicable upon such information becoming determinate, and such adjustment will be made with retroactive effect to the first such date where the adjustment is required to be made.

(vii) To the extent that any event would give rise to an adjustment to be made under more than one of the clauses set forth above, or holders of the Issuer's Ordinary Shares have the right to elect between distributions that would be covered by more than one of such clauses, the Issuer shall, in good faith, determine the adjustment to be made, including, if applicable, the order of the adjustments.

(b) The Issuer may at its option and in addition to the adjustments required by Section 12.05(a), increase the applicable Conversion Rate to avoid or diminish income Tax to holders of ADSs or rights to purchase ADSs in connection with a dividend or distribution of Ordinary Shares (or rights to acquire Ordinary Shares) or similar event. When a Holder is deemed to have received a distribution or dividend subject to Tax withholding and such deemed distribution or dividend does not give rise to any cash from which any applicable withholding Tax or backup withholding can be satisfied, if the Issuer pays withholding Taxes or applies backup withholding on behalf of a Holder, the Issuer may, at its option, set off such payments against subsequent deliveries of ADSs in respect of the Notes (or against payment on the ADSs).

(c) The Conversion Rate in effect on the Issue Date reflects that, as of the Issue Date, each ADS represents ten (10) CPOs of the Issuer and each CPO represents two (2) series A shares and one (1) series B share of the Issuer's Ordinary Shares. If in conjunction with one of the foregoing adjustment events or otherwise (i) the number of the Issuer's CPOs represented by each ADS should change, (ii) the number of the Ordinary Shares represented by each CPO should change, (iii) one series of Ordinary Shares were to be disproportionately affected by such event as compared to the other series of Ordinary Shares, or (iv) any other change occurs in the composition of the assets underlying the CPOs or ADSs not contemplated or adequately addressed by the foregoing adjustments, and the applicable Conversion Rate (as so adjusted) does not produce a fair and equitable result, the Issuer will (and the Issuer will instruct the relevant ADS depositary or CPO trustee to) adopt such method as it may deem equitable and practicable vis-à-vis the holders for the purpose of effecting such adjustment to the Conversion Rate.

(d) No adjustment in the applicable Conversion Rate shall be required unless such adjustment would require an increase or decrease of at least 1% in the Conversion Rate; *provided*, *however*, that (i) any adjustments which by reason of this Section 12.05(d) are not required to be made shall be carried forward and taken into account in any subsequent adjustment and (ii) the Issuer shall adjust the Conversion Rate at least annually to account for any such carried forward adjustments. All calculations under this Article XII shall be made by the Issuer and shall be made to the nearest ten thousandth of an ADS. Notwithstanding the foregoing, all adjustments not previously made shall have effect and be made upon conversion of any of the Notes.

Without limiting the foregoing, the Conversion Rate shall not be adjusted: (i) upon the issuance of any Ordinary Shares pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Issuer's securities and the investment of additional optional amounts in Ordinary Shares under any plan; (ii) upon the issuance of any Ordinary Shares, or options or rights to purchase Ordinary Shares, pursuant to any present or future employee, director or consultant benefit plan or program of, or assumed by, the Issuer or any of its Subsidiaries; (iii) upon the issuance of any Ordinary Shares pursuant to any option, warrant, right or exercisable, exchangeable or convertible security not described in the preceding clause and outstanding as of the Issue Date; (iv) for a change in the par value of the Ordinary Shares; or (iv) for Interest.

(e) Whenever the Conversion Rate is adjusted as provided in this Section 12.05, the Issuer shall promptly file with the Trustee and any Conversion Agent other than the Trustee an Officer's Certificate setting forth the Conversion Rate after such adjustment, detailing the calculation of the Conversion Rate and setting forth a brief statement of the facts requiring such

adjustment. Promptly after delivery of such certificate, the Issuer shall prepare and issue a press release containing the relevant information and notify the Trustee and the Trustee shall furnish a copy of such notice to the Holders. Failure to deliver such notice shall not affect the legality or validity of any such adjustment.

(f) If any distribution or transaction described in Section 12.05(a) above has not yet resulted in an adjustment to the applicable Conversion Rate on the applicable Conversion Date, and the ADSs the Holder will receive on Settlement are not entitled to participate in the relevant distribution or transaction (because they were not held on a related record date), then promptly after such distribution or transaction has occurred, the Issuer will adjust the number of ADSs to be delivered to the Holder as the Issuer determines is appropriate to reflect the relevant distribution or transaction.

(g) For purposes of this Section 12.05, the number of Ordinary Shares at any time outstanding shall not include Ordinary Shares held in the treasury of the Issuer. The Issuer shall not pay any dividend or make any distribution on Ordinary Shares held in the treasury of the Issuer.

(h) Except as stated in this Section 12.05 and Section 12.12, the Issuer shall not be required to adjust the Conversion Rate. If, however, the application of the provisions of this Section 12.05 would result in a decrease in the Conversion Rate, no adjustment to the Conversion Rate shall be made (other than as a result of a reverse share split or share combination).

(i) The Issuer shall not take any action pursuant to this Section 12.05 without complying, if applicable, with any applicable rules of any stock exchange on which the ADSs are listed at the relevant time.

SECTION 12.06. Effect of Reclassification, Consolidation, Merger, Combination, Sale, Lease or Transfer. In the event of any (i) reclassification or change of the outstanding Ordinary Shares (other than changes resulting from a subdivision or combination), (ii) consolidation, merger or combination involving the Issuer (other than a merger in which the Issuer is the surviving corporation and which does not result in any reclassification of, or change (other than changes resulting from a subdivision or combination) in, outstanding Ordinary Shares), (iii) sale, assignment, conveyance, transfer, lease or other disposition to another Person of the property and assets of the Issuer and its Subsidiaries as an entirety or substantially as an entirety, or (iv) statutory Ordinary Share exchange, in each case as a result of which holders of Ordinary Shares shall be entitled to receive stock, other securities, other property, assets or cash (or any combination thereof) with respect to or in exchange for such Ordinary Shares, then the Issuer or the successor or purchasing corporation, as the case may be, shall execute with the Trustee a supplemental indenture providing that Holders shall thereafter be entitled to convert Notes into the kind and amount of shares of stock and other securities, property, assets or cash (or any combination thereof, but subject to the provisions of Article XI) that a holder of a number of ADSs equal to the Conversion Rate immediately prior to such transaction would have owned or been entitled to receive upon such transaction (such property, the "Reference Property"), subject to the right of such Holder to receive the Make Whole Fundamental Change Premium upon compliance with the provisions of Section 12.12. In such a case, any increase in the Conversion

Rate by the additional ADSs described in Section 12.12 will not be payable in additional ADSs, but will represent a right to receive the aggregate amount of cash, securities or other property into which the additional Ordinary Shares would convert in the transaction from the surviving entity (or a direct or indirect parent thereof). In the event holders of Ordinary Shares have the opportunity to elect the form of consideration to be received in a reclassification, change, consolidation, merger, combination, sale, lease, assignment, conveyance or other transfer, the Reference Property into which the Notes will be convertible will be deemed to be the weighted average of the types and amounts of consideration received by the holders of the Ordinary Shares that affirmatively make such an election, subject to any limitations to which the holders of Ordinary Shares are subject, including pro rata reductions applicable to any portion of the consideration payable. The Issuer shall notify the Conversion Agent and Holders of the weighted average and composition of such Reference Property promptly after determination thereof. The Issuer shall not become party to any such reclassification, change, consolidation, merger combination, sale, lease, assignment, conveyance or other transfer unless the terms of such transaction are consistent with the foregoing. Such supplemental indenture shall provide for adjustments that shall be as nearly equivalent as may be practicable to the adjustments provided for in this Article XII and shall contain such additional provisions to protect the interests of the Holders of the Notes as the Issuer's Board of Directors shall reasonably consider necessary by reason of the foregoing.

If the Notes become convertible into Reference Property, the Issuer shall notify the Trustee and issue a press release containing the relevant information. Failure to deliver such notice shall not affect the legality or validity of such supplemental indenture.

The above provisions of this Section 12.06 shall similarly apply to successive reclassifications, changes, consolidations, mergers, combinations, sales, leases, assignments, conveyances or other transfers. If this Section 12.06 applies to any event or occurrence, Section 12.05 shall not apply.

SECTION 12.07. Taxes, Duties, Fees and Costs of Issuance of ADSs or CPOs. If a Holder receives ADSs upon conversion as provided in this Indenture, the Issuer will pay any (a) documentary, stamp or similar issue or transfer Tax, duties or fees, and (b) fees of the depositary for the ADSs, in either case, in connection with the creation or delivery of such ADSs in satisfaction of such conversion, unless in either case, such payment is due because the Holder requests any ADSs to be issued in a name other than the Holder's name, in which case the Holder will make such payment. In addition, the Issuer will pay any fees or costs in connection with the issuance of the Issuer's CPOs representing Ordinary Shares as may be needed to allow the Issuer to deposit CPOs with the ADS depositary to create the ADSs deliverable upon conversion of Notes.

SECTION 12.08. Obligation to Cause Sufficient Ordinary Shares, CPOs and ADSs to be Issued for Purposes of Satisfying any Settlement of Conversions. The Issuer shall take all actions reasonably necessary to ensure that, upon every conversion of a Note, ADSs will be available for delivery, and will be delivered, upon such conversion promptly and as provided in this Article XII. The Issuer agrees that all Ordinary Shares represented by CPOs which may be issued and transferred to the CPO trustee upon conversion of Notes shall be duly authorized and validly issued and that upon such issuance and delivery, the Holder of Notes will receive good and valid title to such ADSs, free and clear of all Liens, encumbrances and claims. In furtherance of the foregoing, the Issuer will comply with the following covenants:

(a) the Issuer shall not declare any dividend, subdivision or other distribution of the Issuer's Ordinary Shares that would cause an anti-dilution adjustment under the Notes unless, at such time, the Issuer holds, or the shareholders concurrently approve, a sufficient number of Available Treasury Shares to satisfy its obligations in connection with a conversion of all Notes taking into account such adjustment *provided* that if the Issuer makes any such declaration prior to June 30, 2010, then the Issuer shall not be required to hold a sufficient number of Available Treasury Shares or to have such shareholder approval until June 30, 2010; and

(b) within 30 days of any event that causes or with the passage of time would cause the maximum number of Ordinary Shares necessary to satisfy the Issuer's obligations in connection with a conversion of all Notes following such event to exceed the number of Available Treasury Shares, the Issuer will cause a sufficient number of Available Treasury Shares to exist sufficient to satisfy its obligations in connection with a conversion of all Notes following such event, *provided* that if such event occurs prior to June 30, 2010, then the Issuer shall not be required to cause such sufficient number of Available Treasury Shares to exist until the later of June 30, 2010 and 30 days after such event.

For so long as the ADSs are listed on the New York Stock Exchange, the Issuer will take actions reasonably necessary for the listing on the New York Stock Exchange of all ADSs deliverable on conversion of Notes and will take all actions (including obtaining or giving approvals and consents and paying listing fees) reasonably necessary to ensure that each ADS delivered on conversion of a Note will, upon such delivery be so listed.

SECTION 12.09. Responsibility of Trustee and the Conversion Agent. The Trustee and any other Conversion Agent shall not at any time be under any duty of responsibility to any Holders to determine whether any facts exist which may require any adjustment of the Conversion Rate, or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed, or herein or in any supplemental indenture provided to be employed, in making the same. The Trustee and any other Conversion Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any ADSs, or of any securities or property, which may at any time be issued or delivered upon the conversion of any Note; and the Trustee makes no representations with respect thereto. The Trustee and any other Conversion Agent shall not be responsible for any failure of the Issuer to issue, transfer or deliver any ADSs or stock certificates or other securities or property or cash upon the surrender of any Note for the purpose of conversion or to comply with any of the duties, responsibilities or covenants of the Issuer contained in this Article XII. Without limiting the generality of the foregoing, the Trustee and any other Conversion Agent shall not have any responsibility to determine the correctness of any provisions contained in any supplemental indenture entered into pursuant to Section 12.06 relating either to the kind or amount of shares of stock or securities or property (including cash) receivable by Holders upon the conversion of its Notes after any event referred to in such Section 12.06 or to any adjustment to be made with respect thereto, but, subject to the provisions of Section 7.01, may accept as conclusive evidence of the correctness of any such provisions, and shall be protected in relying upon, the Officer's Certificate and Opinion of Counsel (which the Issuer shall be obligated to file with the Trustee

prior to the execution of any such supplemental indenture) with respect thereto. Neither the Trustee nor any Conversion Agent shall have any duties to holders of the Issuer's Ordinary Shares obtained by such holder under this Article XII, or any duty to monitor whether the Issuer issues (timely or otherwise) ADSs to Holders under this Article XII. In addition, without limiting the generality of the foregoing, the Trustee and any other Conversion Agent shall not have any responsibility to determine whether or to ensure that any ADS issued upon conversion of a Restricted Note shall bear any legend required by Section 2.06(d) or Section 12.02 or the restricted or unrestricted CUSIP numbers contemplated by Section 2.14, or compliance with any similar provision relating to the ADSs, nor shall the Trustee or any Conversion Agent be responsible for ensuring compliance with the restrictions set forth in Section 12.11.

Except as otherwise provided herein, the Issuer or its agents shall be responsible for making all calculations and determinations called for under this Indenture and the Notes. These calculations include, but are not limited to, determinations of the last reported sale prices of ADSs, accrued Interest payable on the Notes and the applicable Conversion Rate. The Issuer or its agents shall make all these calculations and determinations in good faith and, absent manifest error, the Issuer's calculations will be final and binding on holders of Notes. The Issuer or its agents shall provide a schedule of the Issuer's calculations to each of the Trustee and the Conversion Agent, and each of the Trustee and Conversion Agent shall be entitled to rely conclusively upon the accuracy of the Issuer's calculations without independent verification. The Trustee will forward the Issuer's calculations to any Holder upon the written request of that Holder.

SECTION 12.10. [Reserved].

SECTION 12.11. Restriction on ADSs Issuable Upon Conversion. (a) ADSs to be issued upon conversion of Notes that bear a Restricted Securities Legend at the time of such conversion shall be physically delivered in certificated form to the Holders converting such Notes and the certificate representing such ADSs shall bear the Restricted ADS Legend unless removed in accordance with Section 12.11(c).

(b) If (i) ADSs to be issued upon conversion of Notes that bear a Restricted Securities Legend at the time of such conversion are to be registered in a name other than that of the Holder of such Note or (ii) ADSs represented by a certificate bearing the Restricted ADS Legend are transferred subsequently by such Holder, then, unless (i) with respect to ADSs issued upon conversion of Restricted Notes, the Restricted Securities Legend on the Global Securities has been removed pursuant to Section 2.07(c) or (ii) a shelf registration statement has become effective with respect to the resale of such ADSs and such ADSs are being transferred pursuant thereto, the Holder must deliver to the transfer agent for the ADSs a certificate in substantially the form of Exhibit C hereto as to compliance with the restrictions on transfer applicable to such ADSs and neither the transfer agent nor the registrar for the ADSs shall be required to register any transfer of such ADSs not so accompanied by a properly completed certificate.

(c) Except in connection with a transfer described in Section 12.11(b), if certificates representing ADSs are issued upon the registration of transfer, exchange or replacement of any other certificate representing ADSs bearing the Restricted ADS Legend, or if a request is made to remove such Restricted ADS Legend from certificates representing ADSs, the certificates so

issued shall bear the Restricted ADS Legend, or the Restricted ADS Legend shall not be removed, as the case may be, unless there is delivered to the Issuer such satisfactory evidence, which, except in the case of a transfer made pursuant to Rule 144 under the Securities Act, may include an opinion of counsel pursuant to the laws in the State of New York, as may be reasonably required by the Issuer, that neither the legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144 under the Securities Act or that such ADSs are securities that are not "restricted" within the meaning of Rule 144 under the Securities Act. Upon provision to the Issuer of such reasonably satisfactory evidence, the Issuer shall cause the transfer agent for the ADSs to countersign and deliver certificates representing ADSs that do not bear the legend.

(d) Notwithstanding Section 12.11(c), any certificate representing ADSs issued upon conversion of Notes (or security issued in exchange or substitution therefor) as to which the restrictions on transfer shall have expired in accordance with their terms or that has been transferred, replaced or exchanged on or after the date that the Issuer, pursuant to Section 2.07(c), removes the Restricted Securities Legend from the Notes, or that has been transferred pursuant to a resale registration statement that has been declared effective under the Securities Act may, upon surrender of such stock certificate to the Registrar for exchange, be exchanged for a new certificate, of like tenor and aggregate number of ADSs, which shall not bear any Restricted ADS Legend.

SECTION 12.12. Make Whole Premium Upon a Fundamental Change. (a) If there shall have occurred a Fundamental Change, the Issuer shall pay a "Make Whole Fundamental Change Premium" to the Holders of the Notes who elect to convert their Notes in connection with such Fundamental Change. A conversion of Notes will be deemed for these purposes to be "in connection with" such Fundamental Change if the notice of conversion of the Notes is received by the Conversion Agent from, and including, the later of (1) 30 scheduled Trading Days before the anticipated effective date of such Fundamental Change and (2) the date on which the Issuer notifies the Holders of the anticipated " Effective Date" of a Fundamental Change (in accordance with the next sentence and the next succeeding sentence) and ending 30 Business Days following the actual Effective Date (but, in the case of a Change of Control, ending prior to the close of business on the Business Day immediately preceding the Change of Control Purchase Date). The Issuer will notify Holders and the Trustee of the anticipated Effective Date and issue a press release as soon as practicable after the Issuer first determines the anticipated Effective Date; *provided* that in no event will the Issuer be required to provide such notice to the Holders and the Trustee before the earlier of such time as the Issuer or its Affiliates (A) has publicly disclosed or acknowledged the circumstances giving rise to such anticipated Fundamental Change or (B) is required to publicly disclose under applicable law or the rules of any stock exchange on which the Issuer's equity is then listed the circumstances giving rise to such anticipated Fundamental Change. The Issuer will use its commercially reasonable efforts to make such determination in time to deliver such notice no later than 30 days prior to such anticipated Effective Date. If, as determined by the Issuer in a commercially reasonable manner, the number of shares available to satisfy the conversion obligation is not sufficient to satisfy the settlement in full, such notice and press release shall set forth (1) the number of Available Treasury Shares as of the date of such release, (2) whether the number of Available Treasury Shares is sufficient to satisfy the settlement in full (including settlement of Additional ADSs (as defined below)) of conversion of all Notes at such time and (3) whether, in the circumstances described in the next succeeding

paragraph, the Issuer elects to settle Additional ADSs either by (x) physical settlement or (y) cash settlement. In addition, following the day of such notice, the Issuer will notify the Holders and the Trustee of any increase in the number of such ADSs available for settlement or any decrease (as a result of earlier settlements of conversions by Holders or otherwise) in such number. Such notice will be made promptly following the close of business of the day of each such increase or decrease by means of a press release.

The Issuer will satisfy settlements of conversion in connection with a Fundamental Change as follows:

(i) any conversion in connection with a Fundamental Change that would be required to be settled prior to June 30, 2010 shall be settled in accordance with the provisions of the third paragraph of Section 12.02;

(ii) if the notice states that the number of ADSs is sufficient to satisfy in full the settlement of conversion of all Notes at the then applicable Conversion Rate (adjusted for the Make Whole Fundamental Change Premium), then:

(A) in respect of Conversion Dates falling prior to the anticipated Effective Date, the settlement shall occur on the third Business Day following the relevant Conversion Date at the then applicable Conversion Rate without regard to the Make Whole Fundamental Change Premium and the Additional ADSs shall be delivered on the actual Effective Date in settlement of all such conversions; and

(B) in respect of Conversion Dates falling on or after the actual Effective Date of the Fundamental Change, the settlement shall occur on the third Business Day following the relevant Conversion Date at the then applicable Conversion Rate (adjusted for the Make Whole Fundamental Change Premium); or

(iii) if the notice states that the number of ADSs that would be necessary for the settlement in full of conversion of all Notes at such time at the then applicable Conversion Rate (adjusted for the Make Whole Fundamental Change Premium) exceeds the number of Available Treasury Shares, then:

(A) in respect of Conversion Dates falling prior to the anticipated Effective Date, the settlement shall occur on the third Business Day following the relevant Conversion Date at the then applicable Conversion Rate without regard to the Make Whole Fundamental Change Premium and the Additional ADSs shall be delivered as soon as practicable after the actual Effective Date but in no event later than 30 days after the actual Effective Date; and

(B) in respect of Conversion Dates falling on or after the actual Effective Date, the settlement shall occur on the third Business Day following the relevant Conversion Date at the then applicable Conversion Rate without regard to the Make Whole Fundamental Change Premium and the Additional ADSs shall be delivered as soon as practicable after such settlement date but in no event later than 30 days after the actual Effective Date.

If immediately prior to issuing the notice the Issuer determines that the number of ADSs that would be necessary for the settlement in full of conversion of all Notes at such time at the then applicable Conversion Rate (adjusted for the Make Whole Fundamental Change Premium) exceeds the number of Available Treasury Shares, the Issuer may elect to satisfy the settlement in whole, but not in part, of the deficiency in Additional ADSs, at its option, by delivering on the actual Effective Date cash in lieu of the deficiency in Additional ADSs in an amount equal to the product of (x) the number of deficient Additional ADSs and (y) the ADS Price used in the table below for the Effective Date. The election to settle in cash may be exercised by announcing the election in the notice described above and thereafter such method of settlement shall apply to all conversions in respect of the relevant Fundamental Change. The Issuer shall not be permitted to exercise any such cash settlement at any time it is prohibited from having such an option under the Financing Agreement.

Notwithstanding the foregoing, if any information required in order to calculate the conversion consideration deliverable will not be available as of the applicable settlement date, the Issuer will deliver the Additional ADSs resulting from that adjustment on the third Trading Day after the earliest Trading Day on which such calculation can be made.

The Make Whole Fundamental Change Premium will consist of an increase in the Conversion Rate for such Notes by a number of additional ADSs (the "Additional ADSs") per U.S.$1,000 principal amount of Notes, as determined in accordance with the table below, based on the Effective Date and the price (the "ADS Price") paid (or deemed paid) in the Fundamental Change per ADS (or, if applicable, the price per Ordinary Share, transposed into a price per ADS). If the holders of ADSs receive only cash in a conversion in connection with a Fundamental Change described in clause (3) of the definition of Fundamental Change, the ADS Price shall be the cash amount paid per ADS. Otherwise, the ADS Price shall be the average of the Last Reported Sale Prices of the ADSs over the five Trading Day period ending on, and including, the Trading Day immediately preceding the Effective Date.

The ADS Prices set forth in the column headings of the table below shall be adjusted as of any date on which the Conversion Rate of the Notes is otherwise adjusted. The adjusted ADS Prices will equal the ADS Prices applicable immediately prior to such adjustment multiplied by a fraction, the numerator of which is the Conversion Rate immediately prior to the adjustment giving rise to the ADS Price adjustment and the denominator of which is the Conversion Rate as so adjusted. The number of additional ADSs set forth in the table below will be adjusted in the same manner as the Conversion Rate as set forth in Section 12.05 hereof, other than as a result of an adjustment of the Conversion Rate by adding the Make Whole Fundamental Change Premium as described above.

If the exact ADS Prices and effective dates are not set forth in the table above and the ADS Price is:

(1) between two adjacent ADS Price amounts in the table or the Effective Date is between two adjacent Effective Dates in the table, the number of Additional ADSs by which the Conversion Rate will be determined by a straight-line interpolation between the number of Additional ADSs set forth for the higher and lower ADS Price amounts and the two dates based on a 365-day year, as applicable.

(2) greater than U.S.$60.00 per ADS (subject to adjustment in the same manner as the ADS Prices set forth in the column headings of the table above), no additional ADSs will be issued upon conversion.

(3) less than U.S.$10.46 per ADS (subject to adjustment in the same manner as the ADS Prices set forth in the column headings of the table above), no additional ADSs will be issued upon conversion.

Notwithstanding the foregoing paragraphs, in no event will the total number of ADSs issuable upon conversion of a Note exceed 95.6022 per U.S.$1,000 principal amount of Notes, subject to adjustment in the same manner as the Conversion Rate as set forth in Section 12.05(a) hereof.

(b) The Issuer, or the Trustee at the direction of the Issuer, shall mail a notice of a Fundamental Change (the "Fundamental Change Notice") to the Holders as shown on the Register and issue a press release not more than 5 days after the applicable Effective Date at the addresses as shown on the Register, with a copy to the Trustee and the Paying Agent. The Fundamental Change Notice, which shall govern the terms of the settlement of any conversion (or purchase, if applicable) in connection with a Fundamental Change, shall include such disclosures as are required by law and shall state, to the extent applicable: (i) the events causing a Fundamental Change; (ii) the Effective Date; (iii) if applicable, the last date on which a Holder may exercise the Change of Control purchase right; (iv) the Change of Control Payment if applicable; (v) if applicable, the date of the purchase (the "Change of Control Purchase Date"), which is to be no earlier than the 20th and no later than the 35th calendar day following the Effective Date; (vi) the name and address of the Paying Agent and the Conversion Agent; (vii) if applicable, the applicable Conversion Rate and, if applicable, any adjustments to the applicable Conversion Rate; (viii) if applicable, that the Notes with respect to which a Change of Control

repurchase election has been delivered by a Holder may be converted only if the Holder withdraws the Change of Control repurchase election in accordance with the terms of this Indenture; and (ix) if applicable, the procedures that Holders must follow to require the Issuer to purchase their Notes. Unless and until the Trustee shall receive a Fundamental Change Notice, the Trustee may assume without inquiry that no Fundamental Change has occurred.

The Issuer will pay Interest semi-annually in arrears on March 15 and September 15 of each year, beginning September 15, 2010. Interest on the Notes will accrue from the most recent Interest Payment Date on which Interest has been paid or, if no Interest has been paid, from March 30, 2010. Interest, if any, will be computed on the basis of a 360-day year comprised of twelve 30-day months. The Issuer shall pay any increased Interest required to be paid by it pursuant to Section 4.09 and Section 6.02(b) of the Indenture in the manner and on the dates otherwise provided herein for the payment of Interest. To the extent lawful, the Issuer shall pay Interest (including post-petition Interest in any proceeding under any Bankruptcy Law) on overdue principal at the interest rate borne by the Notes per annum; it shall pay Interest (including post-petition Interest in any proceeding under any Bankruptcy Law) on overdue installments of Interest ("Defaulted Interest"), without regard to any applicable grace period, at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

1. INTERESES. CEMEX, S.A.B. de C.V. una sociedad anónima bursátil de capital variable constituida de conformidad con las leyes de México (en conjunto con sus sucesores y cesionarios, la "Emisora"), prometer pagar Intereses sobre el importe principal de esta Obligación a la tasa anual antes indicada; *en el entendido* de que dicha tasa podrá incrementarse de tiempo en tiempo de conformidad con lo dispuesto en el Acta de Emisión, incluyendo su Sección 4.09 y su Sección 6.02(b). La Emisora pagará Intereses por semestres vencidos los días 15 de marzo y 15 de septiembre de cada año, comenzado el 15 de septiembre de 2010. Las Obligaciones devengarán Intereses desde la última Fecha de Pago de Intereses en que se hayan pagado Intereses o, si no se han pagado Intereses, desde el 30 de marzo de 2010. En su caso, los Intereses se calcularán sobre la base de un año de 360 días y 12 meses de 30 días cada uno. En la medida permitida por la ley, la Emisora pagará cualesquiera Intereses adicionales que deba pagar de conformidad con lo dispuesto en la Sección 4.09 y la Sección 6.02(b) del Acta de Emisión, en la forma las fechas estipuladas en la misma en cuanto al pago de Intereses. En la medida permitida por la ley, la Emisora pagará Intereses (incluyendo Intereses posteriores a la presentación de cualquier demanda al amparo de alguna Ley de Quiebras) sobre cualquier importe principal vencido, a la tasa de interés anual devengada por las Obligaciones que se encuentre vigente en ese momento; y en la medida permitida por la ley pagará Intereses (incluyendo tras la presentación de cualquier demanda al amparo de alguna Ley de Quiebras) sobre cualesquiera Intereses vencidos ("Intereses Moratorios"), a la misma tasa, independientemente de cualquier período de gracia aplicable. Los Intereses se calcularán sobre la base de un año de 360 días y 12 meses de 30 días.

All payments made by the Issuer under, or with respect to, the Notes will be made free and clear of, and without withholding or deduction for or on account of any Taxes imposed or levied by or on behalf of any Taxing Jurisdiction, unless the Issuer is required to withhold or deduct Taxes by law or by the official interpretation or administration thereof. In that event, the Issuer will pay to each Holder of the Notes Additional Amounts as provided in the Indenture subject to the limitations set forth in the Indenture.

Todos los pagos efectuados por la Emisora conforme a las Obligaciones o en relación con las mismas irán libres de toda retención o deducción a cuenta de cualesquiera Impuestos establecidos o determinados por cualquier Jurisdicción Impositiva o en representación de la misma, a menos que la Emisora esté obligada a retener o deducir Impuestos por disposición de ley o en razón de la interpretación oficial o aplicación de la misma. En dicho supuesto, la Emisora pagará a cada Tenedor de Obligaciones las Cantidades Adicionales previstas en el Acta de Emisión, sujeto a las restricciones establecidas en la propia Acta de Emisión.

2. METHOD OF PAYMENT. The Issuer will pay Interest on the Notes (except Defaulted Interest) on the Business Day on which any such Interest on any Note is due and payable to the Person in whose name each Note is registered at the close of business on the March 1 and September 1 immediately preceding the relevant Interest Payment Date (each a "Record Date") (other than as provided in the Indenture). A Holder must surrender Notes to a Paying Agent to collect principal payments. On the Business Day prior to the date on which any payment is to be made on the Notes, the Issuer will deposit with the Trustee or with the Paying Agent an amount of money in immediately available funds sufficient to make such payment.

2. FORMA DE PAGO. La Emisora pagará cualesquiera Intereses respecto de las Obligaciones (salvo Intereses Moratorios) a más tardar el Día Hábil en que dicho importe de Intereses sobre las Obligaciones sean exigibles y pagaderos a la Persona a cuyo nombre se encuentre inscrita dicha Obligación al cierre de horas hábiles del 1 de marzo y el 1 de septiembre inmediatamente anteriores a la Fecha de Pago de Intereses correspondiente (cada una de dichas fechas, una "Fecha de Registro") (salvo por lo dispuesto en el Acta de Emisión). Para efectos de todo pago de principal, el Tenedor deberá entregar sus Obligaciones al Agente de Pago. A más tardar el Día Hábil previo a la fecha en que el importe principal de las Obligaciones deba pagarse, la Emisora depositará con el Fiduciario o con el Agente de Pagos, en fondos inmediatamente disponibles, la cantidad suficiente para realizar dicho pago.

The Issuer will pay the principal of and Interest on the Notes at the office or agency of the Issuer maintained for such purpose, in U.S. Legal Tender. Until otherwise designated by the Issuer, the Issuer's office or agency maintained for such purpose will be the principal Corporate Trust Office of the Trustee (as defined below). However, the Issuer may pay principal and Interest by check payable in such money, and may mail such check to the Holders of the Notes at their respective addresses as set forth in the Register of Holders. Payments in respect of Notes represented by a Global Security (including principal and Interest) will be made by the transfer of immediately available funds to the accounts specified by DTC. The Issuer will make all payments in respect of a Definitive Security (including principal and Interest) by mailing a check to the registered address of each Holder thereof as set forth in the Note

La Emisora pagará el importe principal y los Intereses de las Obligaciones en la oficina o agencia mantenida para dicho efecto por la misma, en Moneda de los E.U.A. A menos que la Emisora designe otro lugar, su oficina o agencia para dicho efecto serán las Oficinas del Departamento de Fideicomisos Empresariales del Fiduciario (según la definición asignada a dicho término más adelante). Sin embargo, la Emisora podrá efectuar pagos de principal e Intereses mediante cheque denominado en dicha moneda, y podrá enviar por correo dicho cheque a los domicilios que los Tenedores de Obligaciones tengan inscritos en el registro de Tenedores. Los pagos sobre las Obligaciones amparadas por un Título Global (incluyendo principal e Intereses) se efectuarán mediante transferencia de fondos inmediatamente disponibles a las cuentas indicadas

La Emisora efectuará todos los pagos correspondientes a Títulos Definitivos (incluyendo principal e Intereses) mediante cheque enviado por correo al domicilio que cada Tenedor tenga inscrito en el registro de Obligaciones; *en el entendido, sin embargo*, de que tratándose de cualquier Tenedor de Obligaciones por un monto principal total de cuando menos EUA$1,000,000, los pagos sobre las Obligaciones también podrán efectuarse mediante transferencia electrónica a una cuenta en dólares de los E.U.A. mantenida por el

3. PAYING AGENT AND REGISTRAR. Initially, The Bank of New York Mellon (together with any successor Trustee under the Indenture referred to below, the "Trustee"), will act as Paying Agent, Conversion Agent and Registrar. The Issuer may change the Paying Agent, Conversion Agent, Registrar or co-registrar without prior notice. Subject to certain limitations in the Indenture, the Issuer or any of its Subsidiaries may act in any such capacity.

4. INDENTURE. The Issuer issued the Notes under an Indenture dated as of March 30, 2010 (as it may be amended or supplemented from time to time in accordance with the terms thereof, the "Indenture") between the Issuer, the Trustee and the Mexican Trustee. The terms of the Notes include those stated in the Indenture. The Notes are subject to, and qualified by, all such terms, certain of which are summarized hereon, and Holders are referred to the Indenture for a statement of such terms. However, to the extent any provision of any Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. Each Holder, by accepting a Note, agrees to be bound by all of the terms and provisions of the Indenture, as amended or supplemented from time to time.

5. REDEMPTION AND REPURCHASE. The Notes are subject to certain redemption and repurchase provisions under Article III of the Indenture

(A) *Optional Redemption by the Issuer for Changes in Withholding Taxes*

If, as a result of any amendment to, or change in, the laws (or any rules or regulations thereunder) of any Taxing Jurisdiction affecting taxation, or any amendment to or change in an official interpretation or application of such laws, rules or regulations that has a general effect, which amendment to or change of such laws, rules or regulations becomes effective on or after the Issue Date (which, in the case of a merger, consolidation or other transaction permitted and described under Article V of the Indenture, shall be treated for this purpose as the date of such transaction) the Issuer would be obligated, after taking all reasonable measures to avoid this requirement, to pay Additional Amounts in excess of those attributable to a withholding Tax rate of 10% with respect to the Notes (as described in Section 4.12 of the Indenture), then, at the Issuer's option, the Notes may be redeemed in whole, but not in part, at any time on giving not less than 30 days nor more than 60 days' notice to each Holder, at a redemption price equal to 100% of the outstanding principal amount, *plus* Interest, if any, up to but not including the Tax Redemption Date; *provided*, *however*, that (1) no Tax Redemption Notice may be given earlier than 90 days prior to the earliest date on which the Issuer would be obligated to pay the Additional Amounts described in the preceding sentence if a payment on the Notes were then due, (2) at the time such Tax Redemption Notice is given such obligation to pay such Additional Amounts remains in effect and (3) the Issuer shall have satisfied the additional requirements set forth below. Such Tax Redemption Notice shall also contain the items required in Section 3.01(e) of the Indenture, including the calculation of the Make Whole Fundamental Change Premium.

Prior to the publication of any Tax Redemption Notice pursuant to this provision, the Issuer will deliver to the Trustee:

(i) an Officer's Certificate stating that the Issuer is entitled to effect the redemption and setting forth a statement of facts showing that the conditions precedent to the Issuer's right to redeem have occurred, and

destinatario del pago en un banco de los Estados Unidos, si dicho Tenedor elige la opción de recibir dichos pagos por transferencia electrónica mediante el envío de un aviso por escrito proporcionado los datos de su cuenta al Fiduciario o al Agente de Pagos, a más tardar en la fecha correspondiente a los 15 días inmediatamente anteriores a la Fecha de Registro aplicable (o cualquier otra fecha aceptable para el Fiduciario a su entera discreción).

3. AGENTE DE PAGOS Y AGENTE DE REGISTRO. The Bank of New York Mellon (en conjunto con cualquier Fiduciario sucesor en términos del Acta de Emisión, el "Fiduciario") actuará inicialmente como Agente de Pagos, Agente de Conversión y Agente de Registro. La Emisora podrá reemplazar al Agente de pagos, al Agente de Conversión, al Agente de Registro o agente de registro adjunto, sin necesidad de dar aviso previo. Sujeto a ciertas restricciones previstas en el Acta de Emisión, ni la Emisora ni sus Subsidiaras podrán actuar con alguna de dichas capacidades.

4. ACTA DE EMISIÓN. La Emisora emitió las Obligaciones al amparo de un Acta de Emisión de fecha 30 de marzo de 2010 (tal y como la misma se modifique o adicione de tiempo en tiempo de acuerdo con sus términos, el "Acta de Emisión"), suscrita por la Emisora, el Fiduciario y el Representante Común Mexicano. Los términos de las Obligaciones incluyen los previstos en el Acta de Emisión. Las Obligaciones están sujetas y condicionadas a la totalidad de dichos términos, algunos de los cuales están resumidos en la presente, y los Tenedores deberán consultar el Acta de Emisión para conocer dichos términos. Sin embargo, en la medida en que alguna disposición de esta Obligación contravenga lo expresamente dispuesto en el Acta de Emisión, prevalecerán las disposiciones del Acta de Emisión. Por el hecho de aceptar una Obligación, todo Tenedor conviene en sujetarse a todos los términos y las disposiciones del Acta de Emisión, tal como la mismo se modifique o adicione de tiempo en tiempo.

5. AMORTIZACIÓN Y RECOMPRA. Las Obligaciones están sujetas a ciertas disposiciones en materia de amortización y recompra contenidas en el Artículo III del Acta de Emisión.

(A) *Amortización a opción de la Emisora debido a reformas legales fiscales*

Si en virtud de alguna reforma o cambio en las leyes (o en las reglas o los reglamentos promulgados al amparo de las mismas) en materia fiscal de alguna Jurisdicción Impositiva, o de alguna reforma o cambio en la interpretación oficial o aplicación de dichas leyes, reglas o reglamentos que tenga efectos generalizados, que entre en vigor en la Fecha de Emisión (que para estos efectos y tratándose de cualquier fusión, consolidación u otra operación descrita y permitida en el Artículo V del Acta de Emisión será la fecha de celebración de dicha operación) o después de la misma, la Emisora, tras tomar todas las medidas razonables para evitarlo, se vería obligada a pagar Cantidades Adicionales por encima de las correspondientes a una tasa de retención de Impuestos del 10% en relación con las Obligaciones (conforme a lo descrito en la Sección 4.12 del Acta de Emisión), la Emisora tendrá la opción, previo aviso a cada Tenedor con no menos de 30 ni más de 60 días de anticipación, de amortizar en cualquier momento las Obligaciones, en su totalidad y no sólo en parte, a un precio de amortización equivalente al 100% del monto principal insoluto *más* Intereses, en su caso, a la Fecha de Amortización por Motivos Fiscales pero sin incluir dicha fecha; *en el entendido, sin embargo,* de que (1) no se podrá dar ningún Aviso de Amortización por Motivos Fiscales antes del plazo de 90 días anterior a la primera fecha en que la Emisora hubiere estado obligada a pagar las Cantidades Adicionales descritas en la oración que antecede si el pago sobre las Obligaciones hubiese sido exigible en dicha fecha, (2) la obligación de pagar dichas Cantidades Adicionales deberá estar vigente a la fecha de envío de dicho Aviso de Amortización por Motivos Fiscales, y (3) la Emisora deberá haber cumplido con los requisitos adicionales previstos a continuación. Dicho Aviso de Amortización por Motivos Fiscales también deberá contener la información exigida por la Sección 3.01 (e) del Acta de Emisión, incluyendo el cálculo de la Prima por Prepago Debido a un Cambio Fundamental.

Antes de publicar cualquier Aviso de Amortización por Motivos Fiscales, la Emisora enviará al Fiduciario:

(i) un Certificado Expedido por los Funcionarios manifestando que la Emisora tiene derecho de efectuar una amortización y describiendo los hechos que acrediten la verificación de la condición suspensiva que dio origen al derecho de amortización de la Emisora,

(ii) an Opinion of Counsel of recognized standing in the affected Taxing Jurisdiction to the effect that the Issuer has or will become obligated to pay such Additional Amounts as a result of such change or amendment.

This Tax Redemption Notice, once delivered by the Issuer to the Trustee, will be irrevocable.

(B) *Repurchase at the Option of Holders Upon Certain Fundamental Changes*

Upon the occurrence of a Change of Control, the Issuer shall notify the Holders and the Trustee in writing of such occurrence and shall be required to make an offer to repurchase all Notes then outstanding at a repurchase price in cash equal to 100% of the principal

y

(ii) una Opinión Legal de reconocido prestigio en la Jurisdicción Impositiva, en el sentido de que la Emisora está o estará obligada a pagar dichas Cantidades Adicionales como resultado de dicha reforma o cambio.

Una vez enviado por la Emisora al Fiduciario, el Aviso de Amortización por Motivos Fiscales será irrevocable.

(B) *Recompra a opción de los Tenedores en caso de Ciertos Cambios Fundamentales*

Tras ocurrir un Cambio de Control, la Emisora dará aviso por escrito de dicha circunstancia a los Tenedores y el Fiduciario y estará obligada a realizar una oferta de recompra respecto de todas las Obligaciones en circulación, a un precio de recompra en

amount thereof, *plus* Interest, to, but excluding, the Change of Control Purchase Date as defined in the Indenture (unless the Change of Control Purchase Date is between a Record Date and the Interest Payment Date to which it relates, in which case the Issuer will pay Interest on such Interest Payment Date to the Holder of record on such Record Date and the Change of Control Payment will be equal to 100% of the principal amount of the Notes subject to repurchase and will not include Interest).

6. SUBORDINATION. The payment of the principal of, premium, if any, and Interest on and any other payment due pursuant to this Notes (including, without limitation, the payment or deposit of the Change of Control Payment pursuant to Article III of the Indenture) shall be subordinated and subject in right of payment to the prior payment in full of all Senior Indebtedness, whether outstanding at the Issue Date or thereafter created, incurred, assumed or guaranteed in accordance with the provisions of Article XI of the Indenture, and each Holder by accepting a Note accepts and agrees to be bound by such provisions. The Issuer agrees, and each Holder by accepting a Note agrees, that the Indebtedness evidenced by the Note is equal in right of payment to any future unsecured subordinated Indebtedness.

7. DENOMINATIONS, TRANSFER, EXCHANGE. The Notes are in registered form without coupons in denominations of U.S.$100,000 and integral multiples of U.S.$1,000 in excess thereof. A Holder may transfer or exchange Notes at the office of the Registrar in accordance with the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents. No service charge will be imposed by the Issuer, the Trustee or the Registrar for any registration of transfer or exchange of Notes, but any Tax or similar governmental charge required by law or permitted by the Indenture because upon exchange a Holder requests any ADSs to be issued in a name other than such Holder's name will be paid by such Holder. The Issuer is not required to transfer or exchange any Note surrendered for repurchase or conversion except for any portion of that Note not being repurchased or converted, as the case may be.

8. PERSONS DEEMED OWNERS. The registered Holder of a Note may be treated as its owner for all purposes.

9. AMENDMENTS AND WAIVERS. Subject to certain exceptions set forth in the Indenture, with the written consent of the Holders of a majority in principal amount of the then-outstanding Notes (including without limitation by consents obtained in connection with a purchase of, or a tender offer or exchange offer for, Notes) (i) the Issuer, the Trustee and the Mexican Trustee may amend the Indenture or the Notes, and (ii) may waive compliance in a particular instance by the Issuer with any provision of the Indenture or this Note.

Without the consent of each Holder of an outstanding Note affected, an amendment or waiver under Section 9.02 of the Indenture may not (with respect to any Notes held by a non-consenting Holder): (a) reduce the amount of Notes whose Holders must consent to an amendment or waiver; (b) reduce the rate of or change or have the effect of changing the time for payment of Interest on any Notes; (c) reduce the principal of or change or have the effect of changing the fixed maturity of any Notes, or change the date on which any Notes may be subject to redemption, or reduce the redemption price therefor; (d) make any Notes payable in money other than that stated in the Notes; (e) make any change in provisions of the Indenture entitling each Holder to receive payment of principal and Interest on such Holder's Notes on or after the due date thereof or to bring suit to enforce such payment, or permitting Holders of a majority in principal amount of Notes to waive Defaults or Events of Default; (f) reduce the Change of Control Payment of any Note or amend or modify in any manner adverse to the Holders, the Issuer's obligation to make payment of such Change of Control Payment, whether through an amendment or waiver of provisions in the covenants, definitions or otherwise; (g) make any change in the provisions of the Indenture described under Section 4.12 of the Indenture that adversely

efectivo equivalente al 100% del importe principal *más* los Intereses devengados por las mismas hasta, pero excluyendo, la Fecha de Compra por Cambio de Control (según la definición asignada a dicho término en el Acta de Emisión) (a menos que la Fecha de Compra por Cambio de Control se ubique entre una Fecha de Fecho y su correspondiente Fecha de Pago de Intereses, en cuyo caso la Emisora pagará Intereses en dicha Fecha de Pago de Intereses al Tenedor inscrito a dicha Fecha de Registro, y el Pago por Cambio de Control será equivalente al 100% del importe de las Obligaciones objeto de recompra y no incluirá Intereses).

6. SUBORDINACIÓN. El pago del importe principal, la prima, si la hubiere, los Intereses y cualesquiera otros pagos exigibles de conformidad con esta Obligación (incluyendo, de manera enunciativa pero no limitativa, el pago o depósito del Pago por Cambio de Control conforme al Artículo III del Acta de Emisión), estarán subordinadas y sujetos, por lo que se refiere al derecho a su pago, en la medida y forma que se establece a continuación, al pago previo e íntegro de toda la Deuda Preferente, ya sea que la misma se encuentre en circulación a la Fecha de Emisión o se cree, incurra, asuma o garantice posteriormente de conformidad con lo dispuesto en el Artículo XI del Acta de Emisión, y cada Tenedor, por el hecho de aceptar una Obligación, reconoce y conviene en sujetarse a dichas disposiciones. La Emisora, y cada Tenedor, por el hecho de aceptar una Obligación, reconoce que la Deuda documentada por esta Obligación es igual en cuanto al derecho de pago que cualquier otra Deuda subordinada sin garantía específica futura.

7. DENOMINACIONES, TRANSMISIÓN, CANJE. Las Obligaciones son nominativas, no llevan adheridos cupones y se emiten en denominaciones de EUA$100,000 y múltiplos íntegros de EUA$1,000 por encima de dicha cantidad. Todo Tenedor podrá solicitar la inscripción de la transmisión o el canje de sus Obligaciones en la oficina del Agente de Registro de acuerdo con lo dispuesto en el Acta de Emisión. El Agente de Registro y el Fiduciario podrán exigir que el Tenedor proporcione, entre otras cosas, los endosos y demás instrumentos de transmisión necesarios. La Emisora, el Fiduciario o el Agente de Registro no impondrán al Tenedor cargo alguno en razón de la inscripción de la transmisión o el canje de Obligaciones, pero el Tenedor será responsable del pago de cualesquiera Impuestos u otros cargos gubernamentales que resulten aplicables en razón de que el Tenedor solicite la emisión de ADSs a nombre de persona distinta de sí mismo. La Emisora no estará obligada a inscribir la transmisión o canje de cualquier Obligación entregado a la misma para su compra o conversión, sino por lo que toca a la porción de dicha Obligación que no vaya a ser objeto de compra o conversión, según el caso.

8. PERSONAS CONSIDERADAS COMO PROPIETARIOS. El Tenedor inscrito de una Obligación será considerado como propietario de la misma para cualesquiera efectos.

9. MODIFICACIONES Y DISPENSAS. Sujeto a ciertas excepciones previstas en el Acta de Emisión, se requiere el consentimiento por escrito de los Tenedores de cuando menos la mayoría del monto principal total de las Obligaciones que se encuentren en circulación en ese momento (incluyendo, de manera enunciativa pero no limitativa, los consentimientos recibidos con motivo de una compra de Obligaciones u oferta de compra o canje relativa a las Obligaciones), para (i) la modificación del Acta de Emisión o las Obligaciones por parte de la Emisora, el Fiduciario y el Representante Común Mexicano y (ii) dispensar el cumplimiento de cualquier disposición contenida en el Acta de Emisión o esta Obligación por parte de la Emisora.

Ninguna modificación o dispensa en términos de lo dispuesto en la Sección 9.02 del Acta de Emisión podrá, salvo con el consentimiento de cada Tenedor de una Obligación en circulación afectado por la misma: (a) reducir el monto de las Obligaciones cuyos Tenedores pueden aprobar una modificación u otorgar una dispensa; (b) reducir la tasa de interés sobre cualesquiera Obligaciones, o cambiar o modificar de cualquier forma que tenga los mismos efectos que un cambio de fecha, la fecha de pago de Intereses sobre cualesquiera Obligaciones; (c) reducir el monto principal de cualesquiera Obligaciones, o cambiar o modificar de cualquier forma que tenga los mismos efectos que un cambio de fecha, la fecha fija de vencimiento de cualesquiera Obligaciones, o cambiar la fecha en que cualesquiera Obligaciones puedan ser objeto de amortización, o reducir el precio de amortización de las mismas; (d) disponer que cualesquiera Obligaciones sean pagaderas en alguna moneda distinta a la expresada en las Obligaciones; (e) cambiar las disposiciones del Acta de Emisión en cualquier forma que confiera a cada Tenedor el derecho a recibir el pago del principal de las Obligaciones e Intereses sobre las Obligaciones de dicho Tenedor en la fecha exigible o después de la misma o a entablar juicio para

Notwithstanding any other provision in Article VI of the Indenture, if an Event of Default occurs arising out of the Issuer's breach of its obligation to file or furnish reports or other financial information as required under the Indenture, the Issuer may elect to pay Additional Interest on the Notes as the sole remedy for such Event of Default, and the Trustee and the Holders will not have any right under the Indenture to accelerate the maturity of the Notes as a result of any such Event of Default, except as provided below. If elected, the Issuer shall pay Additional Interest to all Holders at a rate equal to 0.50% per annum through the 180th day after the occurrence of such Event of Default (which shall be the 135th day after the end of the 45-day grace period set forth in Section 6.01(g) of the Indenture),or such earlier date on which the Event of Default relating to the reporting obligations referred to in this paragraph shall have been cured or waived. On the 181st day, such Additional Interest will cease to accrue (or earlier, if the Event of Default relating to the reporting obligations referred to in this paragraph shall have been cured or waived prior to such 181st day) and, if the Event of Default is continuing on such 181st day, the Notes will be subject to acceleration as provided in the above paragraph. The provisions hereof will not affect the rights of the Holders in the event of the occurrence of any other Event of Default, and are separate and distinct from, and in addition to, the obligation of the Issuer to increase the interest rate of, and the amount of Interest payable on, the Notes pursuant to Section 4.09 of the Indenture, except as otherwise provided therein. Any Additional Interest paid pursuant to this paragraph will be payable at the times and in the manner provided for the payment of regular Interest on the Notes. In order to elect to pay Additional Interest on the Notes as the sole remedy during the first 180 days after the occurrence of an Event of Default relating to the failure to comply with reporting obligations in accordance with this paragraph, the Issuer must notify all Holders and the Trustee and Paying Agent of such election on or before the close of business on the fifth Business Day after the date on which such Event of Default first occurs. If the Issuer fails to timely give such notice, does not pay such Additional Interest or elects not to pay such Additional Interest, the Notes will be immediately subject to acceleration as provided in the above paragraph.

No obstante cualquier otra disposición contenida en el Artículo VI del Acta de Emisión, si ocurre alguna Causa de Incumplimiento como resultado del incumplimiento de las obligaciones de presentación o entrega de información financiera de la Emisora en términos del Acta de Emisión, la Emisora tendrá la opción de pagar Intereses Adicionales sobre las Obligaciones a manera de medio exclusivo de subsanar dicha Causa de Incumplimiento, en cuyo caso el Fiduciario y los Tenedores no tendrán derecho alguno al amparo del Acta de Emisión para declarar vencidas las Obligaciones en forma anticipada como resultado de dicha Causa de Incumplimiento, excepto por lo previsto más adelante. De elegir dicha opción, la Emisora pagará Intereses Adicionales a todos los Tenedores a una tasa equivalente al 0.50% anual hasta el 180o. día posterior a la actualización de dicha Causa de Incumplimiento (mismo que coincidirá con el 135o. día siguiente al vencimiento del período de gracia de 45 días previsto en la Sección 6.01(g) del Acta de Emisión) o hasta aquélla fecha anterior en que se subsane o dispense la Causa de Incumplimiento relativa a las obligaciones de entrega de información citadas en este inciso. Dichos Intereses Adicionales dejarán de devengarse el 181o. día (o antes, en caso de que la Causa de Incumplimiento relativa a las obligaciones de entrega de información citadas en este inciso se subsane o dispense antes de dicho 181o. día) y, si la Causa de Incumplimiento aún subsiste en dicho 181o. día, las Obligaciones estarán sujetas a vencimiento anticipado de conformidad con lo antes dispuesto. Lo antes dispuesto no afectará los derechos de los Tenedores en caso de que ocurra alguna otra Causa de Incumplimiento, y es independiente, distinto y adicional a la obligación de la Emisora de incrementar la tasa de interés y el monto de los Intereses pagaderos sobre las Obligaciones de conformidad con la Sección 4.09 del Acta de Emisión a menos que la presente disponga lo contrario. Cualesquiera Intereses Adicionales pagaderos de conformidad con lo dispuesto en este párrafo se pagarán en las fechas y la forma prescritas para el pago de Intereses ordinarios sobre las Obligaciones. Para elegir la opción de pagar Intereses Adicionales como medio exclusivo para subsanar durante los primeros 180 días siguientes a la actualización de una Causa de Incumplimiento derivada de la falta de cumplimiento de las obligaciones de entrega de información conforme a este párrafo, la Emisora deberá dar aviso de su elección a todos los Tenedores y al Fiduciario y Agente de Pagos a más

tardar al cierre de las horas hábiles del quinto Día Hábil posterior a la fecha en que haya ocurrido por vez primera dicha Causa de Incumplimiento. Si la Emisora incumple con el envío oportuno de dicho aviso, no paga dichos Intereses Adicionales u opta por no pagar dichos Intereses Adicionales, las Obligaciones quedarán inmediatamente sujetas a vencimiento anticipado de conformidad con lo antes dispuesto.

Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require an indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. Except in the case of a Default or Event of Default in payment of principal of, or interest on, this Note, the Trustee may withhold from Holders notice of any continuing default (except a default in payment of principal, or Interest, if applicable) if and so long as a committed of the Trustee's Trust Officers in good faith determines that withholding the notice is in the interests of Holders. The Issuer must furnish an annual compliance certificate to the Trustee.

Los Tenedores no podrán hacer valer el Acta de Emisión o las Obligaciones sino en la forma prevista en el Acta de Emisión. El Fiduciario podrá exigir indemnización satisfactoria antes de realizar cualquier acto para exigir el cumplimiento del Acta de Emisión o las Obligaciones. Sujeto a ciertas excepciones, los tenedores de la mayoría del importe principal de las Obligaciones que se encuentren en circulación en un momento dado podrá girar instrucciones al Fiduciario con respecto al ejercicio de los poderes o facultades del mismo. Salvo que se trate de un Incumplimiento o Causa de Incumplimiento con el pago de principal de cualquier Obligación o Intereses sobre la misma, el Fiduciario podrá abstenerse de dar aviso de la subsistencia de cualquier incumplimiento (salvo que se trate de un incumplimiento con el pago del principal o, en su caso, Intereses sobre cualquier Obligación), siempre y cuando un comité formado por sus Delegados Fiduciarios determine de buena fe que el diferimiento de dicho aviso es en interés de los Tenedores. La Emisora deberá proporcionar al Fiduciario un informe anual respecto al cumplimiento de sus obligaciones.

Subject to the aforesaid requirement for a payment in the event of conversion after the close of business on a Record Date immediately preceding an Interest Payment Date, no adjustment shall be made on conversion for Interest accrued hereon or for dividends on ADSs delivered on conversion. The right to convert this Note is subject to the provisions of the Indenture relating to conversion rights in the case of certain consolidations, mergers, or sales or transfers of substantially all the Issuer's assets.

No fractional portions of ADSs shall be issued upon conversion of Notes. If more than one Note shall be surrendered for conversion at one time by the same Holder, the number of full ADSs which shall be issuable upon conversion shall be computed on the basis of the aggregate principal amount of the Notes (or specified portions thereof to the extent permitted hereby) so surrendered for conversion. If any fractional portions of ADSs otherwise would be issuable upon the conversion of any Note or Notes, the Issuer will deliver a number of ADSs rounded up to the nearest whole number of ADSs.

El Fiduciario o cualquiera de sus Filiales, ya sea en lo individual o con cualquier otro carácter, podrá otorgar o extender créditos a la Emisora o créditos garantizados por la misma, aceptar depósitos de parte de la Emisora y prestar servicios a ésta o a sus Filiales, y podrá por demás celebrar operaciones con la Emisora o sus Filiales como si no ocupase el cargo de Fiduciario.

12. AUSENCIA DE RECURSOS CONTRA TERCEROS. Ninguna Persona que de tiempo en tiempo tenga el carácter de consejero, funcionario, empleado o accionista de la Emisora será en razón de dicha circunstancia y en momento alguno responsable de las obligaciones de la Emisora bajo las Obligaciones el Acta de Emisión, o respecto de cualquier demanda en razón o que esté basada o relacionada con dichas obligaciones o su creación. Por el hecho de aceptar una Obligación, su Tenedor dispensa dicha responsabilidad y los libera de la misma. Esta liberación y dispensa forman parte de la contraprestación por las Obligaciones.

13. VALIDACIÓN. Esta Obligación no será válida a menos que contenga la firma autógrafa del Fiduciario o un agente de validación.

14. ABREVIATURAS. 15. CONVERSIÓN. Sujeto a lo dispuesto en esta Acta de Emisión y una vez que se haya cumplido con lo previsto en la misma, el Tenedor inscrito de esta Obligación tendrá el derecho y la opción de convertir, en cualquier momento anterior al cierre de las horas hábiles del cuarto Día Hábil inmediatamente anterior a la Fecha de Vencimiento (o si esta Obligación o parte de la misma está sujeta a un Aviso de Amortización por Motivos Fiscales o a una solicitud de recompra debidamente requisitada, con anterioridad al cierre de las horas hábiles del Día Hábil anterior a la Fecha de Amortización por Motivos Fiscales o la Fecha de Compra por Cambio de Control, según sea el caso (a menos que la Emisora incumpla con el pago correspondiente a dicha amortización o recompra)), cada EUA$1,000 del monto principal de sus Obligaciones a 73.5402 ADSs de la Emisora, razón que estará sujeta a ajuste de tiempo en tiempo conforme a lo previsto en el Acta de Emisión, incluyendo por lo que se refiere a la Prima por Prepago Debido a un Cambio Fundamental, mediante la entrega de esta Obligación a la Emisora en la oficina o agencia mantenida por la misma para dicho efecto (y en cualesquiera otras oficinas o agencias que la Emisora designe para dicho efecto), acompañada de un aviso de conversión debidamente requisitado (y si las ADSs que dicho Tenedor recibirá con motivo de la conversión van a emitirse a nombre de Persona distinta al Tenedor inscrito de esta Obligación, por instrumentos de transmisión en forma satisfactoria para la Emisora, debidamente firmados por el Tenedor o su representante autorizado), y en caso de que la entrega se efectúe durante el período comprendido de las 5:00 p.m., hora de la ciudad de Nueva York, de la Fecha de Registro inmediatamente anterior a cualquier Fecha de Pago de Intereses, a las 9:00 a.m., hora de la ciudad de Nueva York, de dicha Fecha de Pago de Intereses, deberá irá acompañada del pago, en fondos aceptables para la Emisora, de una cantidad igual a los Intereses que de otra forma serían pagaderos en dicha Fecha de Pago de Intereses sobre el monto principal que se está convirtiendo; *en el entendido, sin embargo,* de que no será necesario pago alguno si las Obligaciones se entregan para su conversión después de la Fecha de Registro final. Sujeto al requisito de pago en caso de conversión posterior al cierre de las horas hábiles de la Fecha de Registro inmediatamente anterior a cualquier Fecha de Pago de Intereses, al momento de conversión no se efectuará ajuste alguno por concepto de los dividendos pagados sobre las ADSs que se entreguen como resultado de la conversión. Del derecho a convertir esta Obligación está sujeto a las disposiciones en materia de conversión previstas en el Acta de Emisión en caso de ciertas fusiones o consolidaciones, o de la venta o transmisión de sustancialmente todos los activos de la Emisora.

No se emitirán fracciones de ADSs con motivo de la conversión de Obligaciones. Si un mismo Tenedor entrega al mismo tiempo más de una Obligación para su conversión, el número de ADSs íntegras a emitirse con motivo de dicha conversión se calculará con base en el monto principal total de las Obligaciones (o las porciones designadas de las mismos, en la medida permitida por la presente) entregadas para su conversión. En caso de que salvo por lo antes dispuesto debieran emitirse fracciones de ADSs con motivo de la conversión de cualquier Obligación o cualesquiera Obligaciones, la Emisora entregará un número de ADSs redondeado al alza para reflejar el número de ADSs completas más próximo.

If a Fundamental Change occurs and a Holder elects to convert its Notes, the Issuer will, under certain circumstances, increase the Conversion Rate for the Notes so surrendered for conversion by a number of additional ADSs. A conversion of Notes will be deemed for these purposes to be "in connection with" such Fundamental Change if the notice of conversion of the Notes is received by the Conversion Agent from, and

En caso de que haya ocurrido un Cambio Fundamental y un Tenedor opte por la conversión de sus Obligaciones, la Emisora ajustará la Tasa de Conversión aplicable a las Obligaciones entregadas para su conversión, agregando ADSs adicionales. The Issuer will notify Holders and the Trustee of the anticipated effective date of such Fundamental Change and issue a press release as soon as practicable after the Issuer first determines the anticipated effective date of such Fundamental Change *provided* that in no event will the Issuer be required to provide such notice to the Holders and the Trustee before the earlier of such time as the Issuer or its Affiliates (a) has publicly disclosed or acknowledged the circumstances giving rise to such anticipated Fundamental Change or (b) is required to publicly disclose under applicable law or the rules of any stock exchange on which the Issuer's equity is then listed the circumstances giving rise to such anticipated Fundamental Change. The Issuer will use its commercially reasonable efforts to make such determination in time to deliver such notice no later than 30 days prior to such anticipated effective date of such Fundamental Change. If, as determined by the Issuer in a commercially reasonable manner, the number of shares available to satisfy the conversion obligation is not sufficient to satisfy the settlement in full, such notice and press release shall set forth (1) the number of Available Treasury Shares as of the date of such release, (2) whether the number of Available Treasury Shares is sufficient to satisfy the settlement in full (including settlement of Additional ADSs) of conversion of all Notes at such time and (3) whether, in the circumstances described in the next succeeding paragraph, the Issuer elects to settle Additional ADSs either by (x) physical settlement or (y) cash settlement. In addition, following the day of such notice, the Issuer will notify the Holders and the Trustee of any increase in the number of such ADSs available for settlement or any decrease (as a result of earlier settlements of conversions by Holders or otherwise) in such number. The indenture governing the Notes contains a covenant requiring the Issuer to issue sufficient Series A shares and Series B shares in order to fulfill its obligations to deliver ADSs, within the time limits set forth in the indenture, following a conversion.
Anti-Dilution Adjustments	The conversion rate may be adjusted if certain events occur.
Make Whole Conversion upon Fundamental Change	If a fundamental change (as defined in the Preliminary Offering Memorandum) occurs and a holder elects to convert its Notes in connection with such fundamental change, the Issuer will, under certain circumstances, increase the conversion rate for the Notes so surrendered for conversion. The table below sets forth the number of additional shares to be added to the conversion rate per $1,000 principal amount of the Notes in connection with a fundamental change as described in the Preliminary Offering Memorandum, based on the ADS price and effective date of the fundamental change.

The exact ADS prices and effective dates may not be set forth in the table above, in which case if the ADS price is:

- between two adjacent ADS price amounts in the table or the effective date is between two adjacent effective dates in the table, the number of additional ADSs by which the conversion rate will be determined by a straight-line interpolation between the number of additional ADSs set forth for the higher and lower ADS price amounts and the two dates based on a 365-day year, as applicable.
- greater than U.S.$60.00 per ADS (subject to adjustment in the same manner as the ADS prices set forth in the column headings of the table above), no additional ADSs will be issued upon conversion.
- less than U.S.$10.46 per ADS (subject to adjustment in the same manner as the ADS prices set forth in the column headings of the table above), no additional ADSs will be issued upon conversion.

Notwithstanding the foregoing, in no event will the total number of ADSs issuable upon conversion exceed 95.6022 per U.S.$1,000 principal amount of Notes, although that maximum is subject to adjustment in the same manner as the conversion rate as set forth under “Description of Notes—Conversion Rate Adjustments” in the Preliminary Offering Memorandum.

Repurchase at Option of Holder

- Other than in the event of a change of control, Holders may not require the Issuer to repurchase any Notes prior to their stated maturity date.
- If a change of control occurs at any time, each Holder will have the right, at that holder’s option, to require the Issuer to purchase all or part of their Notes for cash at a repurchase price equal to 100% of their principal amount, plus accrued and unpaid interest (including additional interest, if any) and additional amounts, if any, up to, but excluding, the repurchase date.

Redemptions

- Other than in the event of a tax redemption, the Issuer may not redeem any Notes prior to their stated maturity date.
- In the event of certain changes in the withholding tax treatment relating to payments on the Notes, at 100% of their principal amount plus any accrued and unpaid interest to the date fixed for redemption and any additional amounts that may be payable, so long as the Issuer is not prohibited from having such an option under the Financing Agreement.

	• Upon the Issuer giving notice that it will redeem the Notes because of such a change in the withholding tax treatment, holders will have the option to convert their notes as if a fundamental change had occurred.
Use of Proceeds	The estimated net proceeds from this offering, after deducting the initial purchasers' discounts and commissions and estimated offering expenses, will be approximately U.S.$635.5 million, assuming the initial purchasers do not exercise their over-allotment option, and approximately U.S.$699.3 million if they exercise their over-allotment option in full. The Issuer intends to use approximately U.S.$95.4 million of the net proceeds from this offering to pay the cost of the capped call transaction described in the Preliminary Offering Memorandum and expect to use a portion of the net proceeds from the sale of additional Notes in the event the initial purchasers exercise their over-allotment option to increase the number of ADSs underlying the capped call transaction on a proportionate basis, and the Issuer intends to use the remaining net proceeds for general corporate purposes and to repay indebtedness, which may include indebtedness under the Financing Agreement.
Capped Call Option	In connection with this offering, the Issuer expects to enter into a capped call transaction with a counterparty, which is an affiliate of Citigroup Global Markets Inc., covering, subject to customary anti-dilution adjustments, approximately 47,801,130 of the Issuer's ADSs, assuming the initial purchasers do not exercise their over-allotment option. If the initial purchasers exercise their option to purchase additional Notes to cover over-allotments, the Issuer expects to increase the number of ADSs underlying the capped call transaction on a proportionate basis. Because the capped call transaction is cash settled, it does not provide an offset to any ADSs the Issuer may deliver to holders upon conversion of the Notes. The capped call transaction has a cap price 80% higher than the closing price of the Issuer's ADSs on March 24, 2010.

Additional Information

1. As of December 31, 2009, on a pro forma basis after giving effect to the issuance and sale of U.S.$500 million additional aggregate principal amount of the U.S. Dollar-denominated Notes in January 2010 and the application of the net proceeds therefrom and from this offering (without including approximately Ps39,859 million (U.S.$3,045 million) of notes issued in connection with the Issuer's perpetual debentures to which the Notes will also be subordinated and without giving effect to any repayment of indebtedness with the net proceeds of this offering and assuming the initial purchasers do not exercise their over-allotment option):

- the Issuer, excluding its Subsidiaries, would have had approximately Ps63,247 million (U.S.$4,832 million) of senior indebtedness outstanding that would have been senior in right of payment to the Notes, approximately Ps53,813 million (U.S.$4,111 million) of which would have been secured, and

- the Issuer's Subsidiaries would have had approximately Ps155,670 million (U.S.$11,893 million) of indebtedness that would have been structurally senior in right of payment to the Notes excluding guarantees of the Issuer's debt, trade payables and intercompany debt.

(1) Reflects the application of the net proceeds from the issuance of U.S.$500,000,000 additional aggregate principal amount of Senior Secured Notes in January 2010, and U.S.$26,250,000 from premiums related to such issuance under the Financing Agreement of the Senior Secured Notes, which were issued at a price of U.S.$105.25 per U.S.$100 principal amount of interest from December 14, 2009, yielding 8.477%. As permitted under the Financing Agreement, CEMEX retained approximately U.S.$115.5 million of such net proceeds from the issuance of Senior Secured Notes in January 2010 for general corporate purposes, including to repay financial obligations outside the Financing Agreement. Also includes a mandatory pre-payment of U.S.$173.4 million under the Financing Agreement on January 13, 2010 in relation to the December U.S. Dollar-denominated and Euro-denominated note issuances. See "Summary—Recent Developments—Reopening of U.S. Dollar-denominated Senior Secured Notes in January 2010."

(2) Reflects additional application of the net proceeds from this offering. Assumes approximately U.S.$635.5 million of cash retained for general corporate purposes and to repay indebtedness, which may include indebtedness under the Financing Agreement. Also assumes the initial purchasers do not exercise their over-allotment option. Amounts in Dollars have been converted from Pesos at an exchange rate of Ps13.09 to U.S.$1.00, the CEMEX accounting rate as of December 31, 2009.

(3) Includes current portion of long-term debt.

(4) Obligations with Mexican development banks which were secured by fixed assets and shares of affiliates not pledged as Collateral.

(5) Represent long-term CBs with maturities during 2010. Short-term CBs are included under Unsecured.

(6) The Issuer had long term CBs of approximately U.S.$1,454.7 million as of December 31, 2009.

(7) Includes U.S.$1,250,000,000 aggregate principal amount of 9.50% Senior Secured Notes due 2016 and €350,000,000 aggregate principal amount of 9.625% Senior Secured Notes due 2017 issued by CEMEX Finance LLC on December 14, 2009; also includes in the adjusted columns the U.S.$500,000,000 additional aggregate principal amount of 9.50% Senior Secured Notes due 2016 issued by CEMEX Finance LLC on January 19, 2010.

(8) Amounts in Dollars have been converted from Euros at an exchange rate of U.S.$1.43 to €1.00, the CEMEX foreign exchange rate as of December 31, 2009.

(9) Issued by CEMEX Finance Europe B.V., a special purpose vehicle and wholly-owned subsidiary of CEMEX España, S.A., and solely guaranteed by CEMEX España, S.A.

(10) Under MFRS, the Notes offered hereby will be recorded as debt in the Issuer's balance sheet; however, the Notes will not be considered as debt for purposes of the leverage ratio calculations under the Financing Agreement.

(11) Under MFRS, the Mandatory Convertible Securities issued in Mexico on December 10, 2009 in exchange for CBs represent a combined instrument with liability and equity components. The liability component, approximately Ps2,090 million (U.S.$160 million) as of December 31, 2009, corresponds to the net present value of interest payments due under the Mandatory Convertible Securities, assuming no early conversion, and was recognized under "Other Financial Obligations" in the Issuer's balance sheet. The equity component, approximately Ps1,971 million (U.S.$151 million) as of December 31, 2009, represents the difference between principal amount and the liability component, and was recognized within "Other equity reserves" net of commissions in the Issuer's balance sheet. See notes 13(A) and 17(B) to the Issuer's consolidated financial statements included elsewhere in this offering memorandum. Although the Issuer has not completed the Issuer's U.S. GAAP reconciliation of the Issuer's 2009 financial statements, the Issuer currently anticipates that there will be a new reconciliation item in the Issuer's U.S. GAAP reconciliation of the Issuer's 2009 financial statements in respect of the Mandatory Convertible Securities, which the Issuer expects will be recorded as debt until conversion. The Issuer cannot assure you that the Issuer will not identify additional reconciliation items or that this reconciliation item will be reflected therein in accordance with the Issuer's current expectations.

(12) Issued by special purpose vehicles. In accordance with MFRS, these securities are accounted for as equity due to the fact that they do not have a specified maturity date and the Issuer's option to defer payment of interest. However, for purposes of the Issuer's U.S. GAAP reconciliation, the Issuer record these debentures as debt and interest payments thereon as part of financial expenses in the Issuer's consolidated income statement.

(13) As used in this table, total capitalization equals short- and long-term debt plus the Mandatory Convertible Notes plus the Notes and plus total stockholders' equity.

ARTICLE III. CEMEX REPRESENTATIONS AND WARRANTIES

Section 3.01. Representations and Warranties. Cemex represents and warrants to Citibank as of the date hereof as follows:

(c) The execution and delivery of this Security Agreement, and the performance by Cemex of its obligations hereunder, will not conflict with or constitute a breach or default under any other material contract or agreement to which Cemex is subject or by which Cemex is bound, or the organizational documents of Cemex or any judgment, order or decree applicable to Cemex.

(d) No litigation or administrative proceeding is pending or, to the best knowledge of Cemex, threatened against Cemex that would prevent Cemex from executing and delivering this Security Agreement or performing its obligations hereunder.

(e) Upon the filing of a UCC-1 financing statement against Cemex with the Recorder of Deeds of the District of Columbia and upon obtaining a written acknowledgment and delivery from Citibank, N.A., as counterparty to the Capped Call Agreement, Citibank will have a valid, first priority perfected security interest in and lien on the Collateral subject, in the case of proceeds, to the limitations set forth in Section 9-315 of the Uniform Commercial Code.

(f) Cemex's name, jurisdiction of incorporation and type of organization is as set forth in the introductory paragraph hereof. (g) Cemex owns the Collateral free and clear of all liens, claims and encumbrances.

ARTICLE IV. CERTAIN COVENANTS OF CEMEX

SECTION 4.01. Defense of Title. Cemex warrants and will defend the right, title and interest of Citibank in and to all Collateral against all adverse claims and demands.

SECTION 4.02. No Amendment or Compromise. Except as otherwise expressly provided or contemplated in the Capped Call Agreement, Cemex and those acting on behalf of Cemex shall not amend or modify, or waive any term or condition of, or settle or compromise any claim in respect of, the Collateral without the prior written consent of Citibank.

SECTION 4.03. No Assignment of Collateral. Cemex shall not sell, assign, transfer or otherwise dispose of, or grant any option with respect to, or pledge or otherwise encumber (except pursuant to this Security Agreement and the Annex), any of the Collateral or any interest therein without the prior written consent of Citibank.

SECTION 4.04. Further Assurances; Preservation and Perfection of Security Interest. (a) Cemex shall do all such acts, and shall execute and deliver to Citibank all such financing statements, certificates, instruments and other documents and shall do and perform or cause to be done all matters and such other things necessary or expedient to be done as Citibank may reasonably request from time to time (including notarizing an assignment of rights under the Capped Call Agreement and filing such notarized assignment with the applicable public registry) in order to give full effect to this Security Agreement and for the purpose of effectively perfecting, maintaining, preserving and enforcing Citibank's security interest and the benefits intended to be granted to Citibank hereunder. To the extent permitted by applicable law, Cemex hereby authorizes Citibank to file, in the name of Cemex or otherwise, Uniform Commercial Code financing statements, including continuation statements, which Citibank in its sole discretion may deem necessary or appropriate.

(b) If Cemex fails to perform any act required by this Security Agreement, Citibank may, but shall not be obligated to, perform, or cause performance of, such act, and the expenses of Citibank incurred in connection therewith shall be governed by Section 5.04 hereof.

ARTICLE V. DEFAULT; RIGHTS AND REMEDIES

SECTION 5.01. Default; Remedies. (a) Upon the occurrence and during the continuance of any Foreclosure Event, Citibank, at its option, in addition to its rights and remedies under the Trust ISDA Agreement and/or the Guarantee and all rights and remedies available to a secured party under applicable law, shall have any or all of the following rights and remedies:

(i) Citibank may do any acts that it deems proper to protect the Collateral as security hereunder, receive any payments due with respect to the Capped Call Agreement or any damages thereunder and apply, by setoff or otherwise, all sums received to the payment of the Obligations in such order as Citibank shall determine. Any such actions of Citibank shall not be deemed to impose upon Citibank any of Cemex's obligations under the Capped Call Agreement. Subject to the foregoing provisions of this paragraph, once Citibank is entitled to exercise its rights and remedies hereunder, Citibank shall have the right to renew, extend the time of payment of, or otherwise modify, amend, supplement, settle or compromise, in any manner, any

obligations for the payment of money included in the Collateral, any security therefor and any other agreements, instruments, claims or chooses in action of any kind which may be included in the Collateral.

(ii) Citibank shall be entitled to exercise Cemex's rights under or in respect of any Collateral and Citibank shall be entitled to exercise any other rights or remedies provided herein, in any document or instrument delivered pursuant hereto or under applicable law. Citibank may exercise its rights under this Security Agreement and its rights with respect to any other credit support securing the Obligations or any other remedy, in each case in any order or priority that Citibank determines in its sole discretion. There shall be no requirement that Citibank exhaust any other rights or remedies, or any other source of payment or credit support securing the Obligations, prior to Citibank being entitled to exercise its rights and remedies hereunder.

(b) Citibank may enforce its rights and remedies hereunder without prior judicial process or hearing, and Cemex hereby expressly waives, to the fullest extent permitted by law, any right Cemex might otherwise have to require Citibank to enforce its rights by judicial process. Cemex also waives, to the fullest extent permitted by law, any defense Cemex might otherwise have to the Obligations secured hereby arising from use of nonjudicial process, enforcement and sale of all or any portion of the Collateral or from any other election of remedies.

SECTION 5.02. Delay not Waiver; Remedies are Cumulative.

(a) No failure on the part of Citibank to exercise, and no delay by Citibank in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

(b) All remedies of Citibank provided for herein are cumulative and in addition to any and all other rights and remedies provided by law, the Trust ISDA Agreement, the Capped Call Agreement and the other instruments and agreements contemplated hereby and thereby.

SECTION 5.03. Application of Proceeds. The proceeds of the Collateral pursuant to this Article shall be applied as follows:

(a) First, to the reimbursement of sums expended by Citibank pursuant to Section 5.04 hereof and to the payment of the costs and expenses of liquidation, or any other enforcement action pursuant hereto, including reasonable attorney's fees, and all other expenses incurred in connection therewith, with a reasonable reserve for any liabilities incurred in connection therewith;

(b) Second, to the payment in full of the Obligations; and

(c) Third, to the payment to Cemex or such other person or persons as may be entitled thereto, or as a court of competent jurisdiction directs.

SECTION 5.04. Reimbursement. All sums expended by Citibank, including, without limitation, reasonable attorney's fees, disbursements and court costs, in connection with the exercise of any right or remedy provided for herein, the preservation of the Collateral and Citibank's interest therein and the defense or prosecution of any actions, suits or proceedings arising out of or relating to the Collateral shall be the obligation of Cemex, payable out of proceeds of the Collateral, in accordance with Section 5.03 hereof, or by application of or setoff against any balances or amounts due to Cemex under the Capped Call Agreement and to the extent any amounts remain owing, payable by Cemex out of its other assets.

SECTION 5.05. No Duty and Waiver. The powers conferred on Citibank hereunder are solely for its benefit, and do not impose any duty on Citibank to exercise any such powers. Following a Foreclosure Event, Citibank shall have no duty of care as a secured party hereunder to Cemex as to any Collateral or with respect to the taking of any necessary steps to preserve rights against other parties or any other obligation pertaining to the Collateral. Cemex waives all rights whatsoever against Citibank for any loss, expense, liability or damage suffered by Cemex as a result of actions taken by Citibank as secured party pursuant to this Security Agreement.

SECTION 5.07. Additional Termination Event under Capped Call Agreement. Cemex and Citibank hereby agree that, at any time where the Capped Call Agreement constitutes "Posted Credit Support" (as defined in the Annex) pursuant to the Annex, the occurrence of a Foreclosure Event shall constitute an "Additional Termination Event" (as defined in the Capped Call Agreement) under the Capped Call Agreement, notwithstanding anything to the contrary therein, with Cemex as the sole "Affected Party" (as defined in the Capped Call Agreement).

ARTICLE VI. MISCELLANEOUS

SECTION 6.01. Governing Law; Jurisdiction; Waivers.

To the fullest extent permitted by law, each party hereto hereby irrevocably waives any objection, including without limitation, any objection to the laying of venue or based on the grounds of forum non conveniens, which it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction in respect of this Security Agreement, and further waives any right to which it may be entitled on account of place of residence or domicile.

(c) EACH OF CEMEX AND CITIBANK HEREBY IRREVOCABLY WAIVES (ON ITS OWN BEHALF AND, TO THE EXTENT PERMITTED BY APPLICABLE LAW, ON BEHALF OF ITS STOCKHOLDERS OR BENEFICIARIES, AS APPLICABLE) ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS SECURITY AGREEMENT OR THE ACTIONS OF CITIBANK OR ITS AFFILIATES IN THE NEGOTIATION, PERFORMANCE OR ENFORCEMENT HEREOF.

SECTION 6.02. Severability. If any one or more of the covenants, agreements, provisions or terms of this Security Agreement shall for any reason whatsoever be held invalid, then to the fullest extent permitted by law such covenants, agreements, provisions or terms shall be deemed severable from the remaining covenants, agreements, provisions or terms of this Security Agreement and shall in no way affect the validity or enforceability of the other provisions of this Security Agreement.

SECTION 6.03. Attorney in Fact. Cemex hereby irrevocably appoints Citibank as its attorney-in-fact, with full authority in the place and stead of Cemex and in the name of Cemex or otherwise, from time to time in Citibank's discretion after the occurrence and during the continuance of a Foreclosure Event, to take any action and to execute any instrument that Citibank may deem necessary or advisable to accomplish the purposes of this Security Agreement, including without limitation, (i) to receive, endorse and collect any drafts or other instruments, documents and chattel paper representing any payment, dividend or other distribution in respect of the Collateral or any part thereof and to give full discharge for the same, and (ii) to file any claims or take any action or institute any proceedings that Citibank may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce compliance with the terms and conditions of the Capped Call Agreement or the rights of Citibank with respect to any of the Collateral.

SECTION 6.05. Amendments; Assignment. (a) This Security Agreement may be amended only by a written instrument executed by the parties hereto. Any waiver of any provision of this Security Agreement shall only be effective if given in writing and then only in the specific instance in which such waiver is given.

SECTION 6.06. Notices. All instructions, notices, requests or other communications given under this Agreement shall be in writing and shall be sent in accordance with the Capped Call Agreement.

SECTION 6.07. Headings. Article and Section headings used herein are for convenience of reference only, are not part of this Security Agreement and are not to affect the construction of, or be taken into consideration in interpreting, this Security Agreement.

SECTION 6.08. Integration. This Security Agreement constitutes the entire agreement among the parties hereto pertaining to the subject matter hereof and supersede all prior and contemporaneous agreements and understandings of the parties in connection therewith.

SECTION 6.09. Security Interest Absolute. To the extent permissible by applicable law, all rights of Citibank hereunder, the grant of a security interest in the Collateral and the Cemex Posted Margin and all obligations of Cemex hereunder, will be absolute, irrevocable and unconditional irrespective of:

(a) any claim as to the genuineness, validity, regularity or enforceability of this Security Agreement, the Trust ISDA Agreement, any other agreement with respect to any of the Obligations or any other agreement or instrument relating to any of the foregoing;

(b) any change in the time, manner or place of payment of, or in any other term of, all of or any of the Obligations, or any other amendment, modification, extension or waiver of or any consent to any departure from the Trust ISDA Agreement, any other agreement with respect to any of the Obligations or any other agreement or instrument relating to any of the foregoing;

(d) any release of any collateral securing any obligations in respect of the Trust ISDA Agreement, any other agreement with respect to any of the Obligations or any guarantee or other credit support in respect thereof;

(e) any law, rule, regulation, decree or order of any jurisdiction, any change in any of the foregoing, or any other event, affecting any term of any Obligation or Citibank's rights with respect thereto; or

(f) any other circumstance whatsoever that might otherwise constitute a defense available to, or a discharge of, Cemex in respect of the Obligations or in respect of this Security Agreement (other than the indefeasible payment in full of all Obligations).

SECTION 6.10. Acknowledgment of Security Interest. Citibank, in its capacity as counterparty to the Capped Call Agreement, hereby acknowledges the security interest created pursuant to this Security Agreement in Cemex's right and interest under the Capped Call Agreement. Citibank, as counterparty to the Capped Call Agreement, agrees that, following a Foreclosure Event, it shall use reasonable efforts to copy Cemex on any notice that Cemex would otherwise have been entitled to receive under the terms of the Capped Call Agreement had Citibank as secured party not commenced its exercise of remedies hereunder.

SECTION 6.11. Process Agent. Cemex hereby appoints as its process agent:

COLLATERAL AGREEMENT

This Collateral Agreement (as amended from time to time, the " Collateral Agreement") is entered into as of March 30, 2010 by and among CITIBANK, N.A. (together with its successors and assigns, " Citibank"), CEMEX, S.A.B. de C.V., a publicly traded stock corporation with variable capital (*sociedad anónima bursátil de capital variable*) organized under the laws of Mexico ("Cemex") and Banco Nacional de México, S.A., Integrante del Grupo Financiero Banamex, División Fiduciaria, acting solely as trustee under trust No. 111339-7 (the " Trust").

WHEREAS, Citibank and the Trust have entered into transactions evidenced by (i) a Put Option Transaction confirmation, (ii) a Forward Transaction (Cemex Shares) confirmation and (iii) a Forward Transaction (Naftrac Shares) confirmation, each dated as of April 23, 2008 (collectively, the "Confirmations"), with each such transaction subject to a single agreement in the form of the ISDA 2002 Master Agreement, as published by ISDA (including the terms and elections related thereto in the Confirmations, the " Deemed Agreement"), deemed to exist between Citibank and Counterparty pursuant to the Confirmations and including a 1994 ISDA Credit Support Annex (Bilateral Form – New York Law) entered into between Citibank and the Trust as of April 23, 2008 (as amended by the parties from time to time, the " Annex" and collectively with the Confirmations and the Deemed Agreement, the " Trust ISDA Agreement");

WHEREAS, Cemex has issued a Guarantee, dated as of April 23, 2008 in favor of Citibank in respect of the Trust ISDA Agreement (the "Guarantee");

WHEREAS, Cemex has, by virtue of its obligations under the Guarantee, transferred to Citibank cash collateral (such cash as has been transferred by Cemex and not returned by Citibank as of the date hereof pursuant to the delivery and return provisions of the Annex, the " Cemex Transferred Cash") with respect to the Annex to satisfy the Trust's obligations thereunder, and the Cemex Transferred Cash constitutes all of the Posted Credit Support (as defined in the Annex) held by Citibank under the Annex other than the Permanent Collateral (and, without duplication, Issuer Acceptable Shares) (as defined in the Annex) posted by the Trust thereunder;

WHEREAS, Cemex and Citibank have entered into a Security Agreement, dated as of the date hereof (the " Security Agreement"), pursuant to which Cemex has agreed to provide security for the payment of the Trust's obligations under the Trust ISDA Agreement and Cemex's obligations under the Guarantee by pledging its right and interest under the Capped Call Agreement (as defined in the Security Agreement) to Citibank, in connection with which, and subject to the terms and conditions of the Annex, Citibank would release cash collateral pledged under the Annex for return to Cemex; and

WHEREAS, Citibank, Cemex and the Trust wish to clarify the relevant relationships to reflect their original agreement that Citibank have a first priority perfected security interest in all assets transferred from time to time by Cemex to Citibank in respect of the Trust's obligations to post collateral under the Annex and that Citibank return directly to Cemex assets previously transferred by Cemex for this purpose when Citibank is obligated to return Posted Credit Support under the Annex;

NOW, THEREFORE, in consideration of the mutual promises herein contained and other good and valuable consideration, the parties hereto agree as follows:

ARTICLE I. TRANSFER OBLIGATIONS AND SECURITY INTEREST

SECTION 1.01. Initial Transfers. On the date hereof, (i) Cemex shall transfer to Citibank an amount of cash equal to the Cemex Transferred Cash as of such date (such transfer obligation of Cemex, the "Cemex Initial Delivery Obligation"), and (ii) Citibank shall transfer to Cemex an amount of cash equal to the Cemex Transferred Cash as of such date (such transfer obligation of Citibank, the " Citibank Initial Return Obligation") and Citibank shall have no further right, title or interest in the Cemex Transferred Cash as of such transfer, and the transfer obligations in clauses (i) and (ii) shall be deemed to be a "Substitution" pursuant to Paragraph 4(d) of the Annex. Upon such deemed Substitution the Transfer (as defined in the Annex) obligations as of such date of the Trust under the Annex and of Cemex under the Guarantee shall be deemed satisfied in full.

SECTION 1.02. Ongoing Returns. During the term of the Trust ISDA Agreement, and notwithstanding anything to the contrary in the Annex, in the event Citibank would be required pursuant to the terms of the Annex to Transfer Posted Credit Support previously Transferred by Cemex pursuant to the Guarantee, any Interest Amount or Distributions thereon (each as defined in the Annex) to the Trust, Citibank shall instead Transfer, in accordance with the other terms and conditions of the Annex, such Posted Credit Support, Interest Amount or Distributions to Cemex in satisfaction of such obligation, it being understood that, absent specific direction from the Trust and Cemex to the contrary, Citibank shall be entitled to assume that all Posted Credit Support (other than Permanent Collateral (as defined in the Annex), and without duplication, Issuer Acceptable Shares) was provided by Cemex pursuant to the Guarantee. Upon any such Transfer by Citibank to Cemex pursuant to this Section 1.02, the security interest in such Transferred Posted Credit Support, Interest Amount or Distributions created pursuant to Section 1.03 below will be released immediately without any further action by either party.

SECTION 1.03. Cemex Posted Collateral. Cemex hereby (i) pledges to Citibank, as security for the Obligations (as defined in the Security Agreement), and grants to Citibank a first priority continuing security interest in, lien on and right of set-off against all assets transferred by Cemex to or otherwise received by Citibank (and not returned to Cemex pursuant to Section 1.02) in connection with Cemex's obligations under the Guarantee with respect to the Trust's obligations to post collateral under the Annex (including, without limitation, the Cemex Initial Delivery Obligation) and all cash and non-cash proceeds of any of the foregoing (collectively, "Cemex Posted Collateral"), (ii) makes the covenants contained in Paragraphs 11(b) and (c) of the Annex and the representations and warranties contained in Paragraph 9 of the Annex (in each case in favor of Citibank and as if Cemex were the "Pledgor" thereunder) with respect to the Cemex Posted Collateral (which representations will be deemed repeated as of each date on which Cemex makes a transfer to Citibank of Cemex Posted Collateral) and (iii) agrees that Citibank shall be entitled to exercise all the rights and remedies described in Paragraph 8(a) of the Annex, subject to the conditions and limitations set forth therein (including in Paragraphs 8(b), 8(c) and 8(d) of the Annex), with respect to the Cemex Posted Collateral (as if Cemex were the "Pledgor" thereunder) in addition to any other rights or remedies Citibank

may have against Cemex or the Trust under this or any other agreement or applicable law, all of which may be exercised in such order (including concurrently) as Citibank shall determine in its sole discretion. The parties agree to be bound by the provisions of Paragraph 11(d) of the Annex as if parties thereto.

SECTION 1.04. Netting. The transfer obligations of Citibank with respect to the Citibank Initial Return Obligation and Cemex with respect to the Cemex Initial Delivery Obligation shall be netted and each deemed satisfied on the date hereof.

13. Governing Law; Waiver of Jury Trial. This Agreement shall be governed by and construed in accordance with the laws of the State of New York. The CEMEX Parties, the Capital SPVs and you irrevocably agree to waive trial by jury in any action, proceeding, claim or counterclaim brought by or on behalf of any party related to or arising out of this Agreement or the performance of services hereunder.

14. Submission to Jurisdiction. Each of the parties hereto agrees that any suit, action or proceeding arising out of or based upon this Agreement or the transactions contemplated hereby may be instituted in any State or U.S. federal court in The City of New York and County

of New York and in the courts of its own domicile in respect of actions brought against such party as a defendant, and waives any objection which it may now or hereafter have to the laying of venue of any such proceeding, and irrevocably submits to the jurisdiction of such courts in any suit, action or proceeding and waives the right to any other jurisdiction that it may be entitled to by reason of its present or future domicile or other reason. Each of the CEMEX Parties and Capital SPVs, hereby appoints Corporate Creations Network Inc., 1040 Avenue of the Americas, # 2400, New York, NY 10018, fax: (561) 694-1639, telephone: (212) 382-4699), as its authorized agent (the " Authorized Agent") upon whom process may be served in any suit, action or proceeding arising out of or based upon this Agreement or the transactions contemplated herein that may be instituted in any of such courts. Each of the parties appointing the Authorized Agent as provided herein hereby represents and warrants that the Authorized Agent has accepted such appointment and has agreed to act as said agent for service of process, and the CEMEX Parties and the Capital SPVs agree to take any and all action, including the execution and filing of any and all documents that may be necessary to continue such appointment in full force and effect as aforesaid. Service of process upon the Authorized Agent shall be deemed, in every respect, effective service of process upon each of the CEMEX Parties and the Capital SPVs. Notwithstanding the foregoing, any action arising out of or based upon this Agreement may be instituted by any Dealer Manager, the directors, officers, employees, affiliates and agents of any Dealer Manager, or by any person who controls any Dealer Manager, in any court of competent jurisdiction in Mexico.

15. Waiver of Immunities. To the extent that the CEMEX Parties or any of their respective properties, assets or revenues may have or may hereafter become entitled to, or have attributed to them, any right of immunity, on the grounds of sovereignty, from any legal action, suit or proceeding, from set-off or counterclaim, from the jurisdiction of any court, from service of process, from attachment upon or prior to judgment, or from attachment in aid of execution of judgment, or from execution of judgment, or other legal process or proceeding for the giving of any relief or for the enforcement of any judgment, in any jurisdiction in which proceedings may at any time be commenced, with respect to their obligations, liabilities or any other matter under or arising out of or in connection with this Agreement, the CEMEX Parties hereby irrevocably and unconditionally, to the extent permitted by applicable law, waives and agrees not to plead or claim any such immunity and consents to such relief and enforcement.

16. Foreign Taxes. All payments by the CEMEX Parties to any of the Dealer Managers hereunder shall be made in U.S. Dollars, free and clear of, and without any deduction or withholding for or on account of, any and all present and future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereinafter imposed, levied, collected, withheld or assessed by any jurisdiction in which the CEMEX Parties have an office from which payment is made or deemed to be made, excluding (i) any such tax imposed by reason of the Dealer Managers having some connection with any such jurisdiction other than its participation as Dealer Manager hereunder, and (ii) any income or franchise tax on the overall net income of a Dealer Manager imposed by the United States or by the State of New York or any political subdivision of the United States or of the State of New York (all such non-excluded taxes, "Foreign Taxes"). If the CEMEX Parties are prevented by operation of law or otherwise from paying, causing to be paid or remitting that portion of amounts payable hereunder represented by Foreign Taxes withheld or deducted, then amounts payable under this Agreement shall, to the extent permitted by law, be increased to such amount as is necessary to yield and

remit to the Dealer Managers an amount which, after deduction of all Foreign Taxes (including all Foreign Taxes payable on such increased payments) equals the amount that would have been payable if no Foreign Taxes applied. The CEMEX Parties agree to provide the Dealer Managers with any reasonably requested evidence of the due and timely payment of any such taxes or withholdings. Any Dealer Manager that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which CEMEX España, Luxembourg Branch is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to CEMEX España, Luxembourg Branch, at the time or times prescribed by applicable law, such properly completed and executed documentation prescribed by applicable law or reasonably requested by CEMEX España, Luxembourg Branch as will permit such payments to be made without withholding or at a reduced rate; provided, that Cemex España, Luxembourg Branch shall withhold the corresponding taxes and shall not pay any additional amounts to compensate the Dealer Managers to the extent such additional amounts are payable due to the failure by the Dealer Managers to provide such documentation. If the CEMEX Parties make an increased payment as set forth above and the Dealer Managers subsequently determine, in their sole discretion, that they have obtained, utilized and retained a refund of taxes or credit against taxes by reason of the CEMEX Parties making such a withholding or payment on account, the Dealer Managers shall reimburse the appropriate CEMEX Parties the amount of the withholding or payment on account made by the latter, net of all out-of-pocket expenses of the Dealer Managers and without interest (other than any interest paid by the relevant governmental authority; provided, that the CEMEX Parties, upon the request of the Dealer Managers, agree to repay the amount paid over to the CEMEX Parties (plus any penalties, interest or other charges imposed by the relevant governmental authority) to the Dealer Managers in the event the Dealer Managers are required to repay such refund to such governmental authority. This Section shall not be construed to require the Dealer Managers to make available their tax returns (or any other information relating to their taxes which it deems confidential) to the CEMEX Parties or any other Person.

17. Currency. Any payment on account of an amount that is payable to the Dealer Managers in a particular currency (the " Required Currency") that is paid to or for the account of the Dealer Managers in lawful currency of any other jurisdiction (the " Other Currency"), whether as a result of any judgment or order or the enforcement thereof or the liquidation of any of the CEMEX Parties or for any other reason shall constitute a discharge of the obligation of such obligor only to the extent of the amount of the Required Currency which the recipient could purchase in the New York foreign exchange markets with the amount of the Other Currency in accordance with normal banking procedures at the rate of exchange prevailing on the first day (other than a Saturday or Sunday) on which banks in New York are generally open for business following receipt of the payment first referred to above. If the amount of the Required Currency that could be so purchased (net of all premiums and costs of exchange payable in connection with the conversion) is less than the amount of the Required Currency originally due to the recipient, then each of the CEMEX Parties shall jointly and severally indemnify and hold harmless the recipient from and against all loss or damage arising out of or as a result of such deficiency. This indemnity shall constitute an obligation separate and independent from the other obligations of the CEMEX Parties, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any person owed such obligation from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due hereunder or any judgment or order.

18. Benefit. This Agreement, including any right to indemnity or contribution hereunder and Annex A hereto, shall inure to the benefit of and be binding upon the CEMEX Parties, the Capital SPVs, the Dealer Managers and the other Indemnified Persons, and their respective successors and assigns. Subject to the foregoing, nothing in this Agreement is intended, or shall be construed, to give to any other person or entity any right hereunder or by virtue hereof.

19. Miscellaneous. This Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all prior understandings, agreements and arrangements, written or oral, with respect thereto. This Agreement may not be amended or modified except by a writing executed by each of the parties hereto. Section headings herein are for convenience only and are not a part of this Agreement. In the event that any provision hereof shall be determined to be invalid or unenforceable in any respect, such determination shall not affect such provision in any other respect or any other provision hereof, which shall remain in full force and effect. This Agreement may not be assigned by any party hereto without the prior written consent of each other party. None of the parties hereto shall be responsible or have any liability to any other party for any indirect, special or consequential damages arising out of or in connection with this Agreement or the transactions contemplated hereby, even if advised of the possibility thereof. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which taken together will constitute one and the same instrument.

Please indicate your willingness to act as Dealer Managers and your acceptance of the foregoing provisions by signing in the space provided below for that purpose and returning to us a copy of this Agreement so signed, whereupon this Agreement and your acceptance shall constitute a binding agreement among each of the CEMEX Parties, the Capital SPVs and you.

Very truly yours,

ANNEX A

Capitalized terms used but not defined in this Annex A have the meanings assigned to such terms in the Dealer Manager Agreement to which this Annex A is attached (the "Agreement").

The CEMEX Parties jointly and severally agree to indemnify and hold harmless each of the Dealer Managers, its affiliates and their respective officers, directors, employees, agents of and each other entity or person, if any, controlling (within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act) the Dealer Managers or any such other persons (each an " Indemnified Person") from and against any and all losses, claims, damages and liabilities (or actions or proceedings in respect thereof), whether or not in connection with pending or threatened litigation to which the Dealer Managers (or any other Indemnified Person) may be a party, in each case as such expenses are incurred or paid, (i) arising out of or based upon (A) any untrue statement or alleged untrue statement of a material fact contained in the Offering and Solicitation Documents (or any Additional Material), or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, (B) any breach by the CEMEX Parties of any representation or warranty or failure to comply with any of the agreements set forth in the Agreement, or (C) any withdrawal, termination, rescission or modification of the Offers and Solicitations, or the failure to issue New Senior Secured Notes for Debentures tendered pursuant to the Offers by CEMEX España, Luxembourg Branch or (ii) otherwise arising out of, relating to or in connection with the Offers and Solicitations, the transactions contemplated by the Agreement or the engagement of, and services performed by, the Dealer Managers under the Agreement, or any claim, litigation, investigation (including any governmental or regulatory investigation) or proceedings relating to the foregoing (" Proceedings") regardless of whether any of such Indemnified Persons is a party thereto, and to reimburse such Indemnified Persons for any and all reasonable expenses (including, without limitation, reasonable and documented fees and disbursements of counsel and other out-of-pocket expenses) as they are incurred in connection with investigating, responding to or defending any of the foregoing, provided that (a) the indemnification in clause (i)(A) above will not, as to any Indemnified Person, apply to losses, claims, damages, liabilities or expenses to the extent that they are derived from any untrue statement or alleged untrue statement of a material fact contained in the Offering and Solicitation Documents (or any Additional Material), or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, made in reliance upon and in conformity with information furnished in writing to any of the CEMEX Parties by any of the Dealer Managers specifically for inclusion therein (which for purposes of this proviso consists solely of the name and address of each Dealer Manager) and (b) the indemnification in clause (ii) above will not, as to any Indemnified Person, apply to losses, claims, damages, liabilities or expenses to the extent that they are finally judicially determined to have resulted primarily from the bad faith, gross negligence or willful misconduct of such Indemnified Person.

If for any reason the foregoing indemnification is unavailable to any Indemnified Person or insufficient to hold it harmless, then the CEMEX Parties, jointly and severally, shall contribute to the amount paid or payable by such Indemnified Person as a result of such loss, claim, damage, liability or expense (i) in such proportion as is appropriate to reflect the relative

benefits received by the CEMEX Parties, on the one hand, and by the Dealer Managers, on the other hand, from the Offers and Solicitations and the transactions contemplated thereby, or (ii) if the allocation provided by the foregoing clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in the foregoing clause (i), but also the relative fault of the CEMEX Parties, on the one hand, and of the Dealer Managers, on the other hand, in connection with the statements, actions, or omissions which resulted in such loss, claim, damage, liability or expense, as well as any other relevant equitable considerations. The relative benefits received by the CEMEX Parties on the one hand and by the Dealer Managers on the other hand shall be deemed to be in the same proportion as (i) the aggregate principal amount of the Debentures bears to (ii) the aggregate fee paid to the Dealer Managers pursuant to Section 2(a) of the Agreement. The relative fault of the CEMEX Parties on the one hand and of the Dealer Managers on the other hand (i) in the case of an untrue or alleged untrue statement of a material fact or an omission or alleged omission to state a material fact, shall be determined by reference to, among other things, whether such statement or omission relates to information supplied by the CEMEX Parties or by the Dealer Managers and the parties' relative intent, knowledge, access to information, and opportunity to correct or prevent such statement or omission, and (ii) in the case of any other action or omission, shall be determined by reference to, among other things, whether such action or omission was taken or omitted to be taken by the CEMEX Parties or by the Dealer Managers and the parties' relative intent, knowledge, access to information, and opportunity to prevent such action or omission. The CEMEX Parties and the Dealer Managers agree that it would not be just and equitable if contribution pursuant to this Annex A were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in this paragraph. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages, liabilities or expenses referred to in this paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other reasonable expenses incurred by such Indemnified Person in connection with investigating or defending any such action or claim.

Promptly after the receipt by an Indemnified Person of notice of the commencement of any Proceedings, such Indemnified Person will, if a claim is to be made hereunder against the CEMEX Parties in respect thereof, notify the CEMEX Parties in writing of the commencement thereof; provided that (i) the failure to so notify the CEMEX Parties will not relieve the CEMEX Parties from any liability which it may have hereunder except to the extent it has been materially prejudiced (through forfeiture of substantive rights or defenses) by such failure and (ii) the failure to so notify the CEMEX Parties will not relieve the CEMEX Parties from any liability which it may have to an Indemnified Person otherwise than on account of this indemnity agreement. In case any such Proceedings are brought against any Indemnified Person and it notifies the CEMEX Parties of the commencement thereof, the CEMEX Parties will be entitled to participate therein and, to the extent that the CEMEX Parties may elect by written notice delivered to such Indemnified Person, to assume the defense thereof, with counsel reasonably satisfactory to such Indemnified Person, provided that if the defendants in any such Proceedings include both such Indemnified Person and the CEMEX Parties and such Indemnified Person shall have concluded that there may be legal defenses available to it which are different from or additional to those available to the CEMEX Parties, such Indemnified Person shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such Proceedings on behalf of such Indemnified Person. Upon receipt of notice from the CEMEX Parties to such Indemnified Person of their election so to assume the defense of such

Proceedings and approval by such Indemnified Person of counsel, the CEMEX Parties shall not be liable to such Indemnified Person for expenses incurred by such Indemnified Person in connection with the defense thereof (other than reasonable costs of investigation) unless (i) such Indemnified Person shall have employed separate counsel in connection with the assertion of legal defenses in accordance with the proviso to the immediately preceding sentence (it being understood, however, that the CEMEX Parties shall not be liable for the expenses of more than one separate counsel (in addition to any local counsel), approved by J.P. Morgan Securities Inc., representing the Indemnified Persons who are parties to such Proceedings), (ii) the CEMEX Parties shall not have employed counsel reasonably satisfactory to such Indemnified Person to represent such Indemnified Person within a reasonable time after notice to the CEMEX Parties of commencement of the Proceedings or (iii) the CEMEX Parties have authorized in writing the employment of counsel for such Indemnified Person.

None of the CEMEX Parties shall be liable for any settlement of any Proceedings effected without the CEMEX Parties' written consent (which consent shall not be unreasonably withheld or delayed), but if settled with the CEMEX Parties' written consent or if there be a final judgment for the plaintiff in any such Proceedings, the CEMEX Parties, jointly and severally, agree to indemnify and hold harmless each Indemnified Person from and against any and all losses, claims, damages, liabilities and expenses by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an Indemnified Person shall have requested that the CEMEX Parties reimburse such Indemnified Person for legal or other expenses in connection with investigating, responding to or defending any Proceedings as contemplated by this Annex A, the CEMEX Parties shall be jointly and severally liable for any settlement of any Proceedings effected without the CEMEX Parties' written consent if (i) such settlement is entered into more than 30 days after receipt by the CEMEX Parties of such request for reimbursement and (ii) the CEMEX Parties shall not have reimbursed such Indemnified Person in accordance with such request prior to the date of such settlement. The signature of an authorized signatory of the Trustee or an Authenticating Agent on a Note shall be conclusive evidence that such Note has been duly and validly authenticated and issued under this Indenture. Unless limited by the terms of its appointment, an Authenticating Agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by an Authenticating Agent.

(c) At any time and from time to time after the execution and delivery of this Indenture, the Trustee shall authenticate and make available for delivery Notes upon a written order of the Issuer signed by an Officer of the Issuer (the "Issuer Order"). An Issuer Order shall specify the amount of the Notes to be authenticated and the date on which the original issue of Notes is to be authenticated.

(d) In case a Successor Issuer has executed an indenture supplemental hereto with the Trustee pursuant to Article IV, any of the Notes authenticated or delivered prior to such transaction may, from time to time, at the request of the Successor Issuer be exchanged for other Notes executed in the name of the Successor Issuer with such changes in phraseology and form as may be appropriate, but otherwise identical to the Notes surrendered for such exchange and of like principal amount; and the Trustee, upon Issuer Order of the Successor Issuer, shall authenticate and deliver Notes as specified in such order for the purpose of such exchange. If Notes shall at any time be authenticated and delivered in any new name of a Successor Issuer pursuant to this Section 2.2 in exchange or substitution for or upon registration of transfer of any Notes, such Successor Issuer, at the option of the Holders but without expense to them, shall provide for the exchange of all Notes at the time Outstanding for Notes authenticated and delivered in such new name.

Section 2.3 Registrar, Paying Agent and Transfer Agent.

(a) The Issuer shall maintain an office or agency in the Borough of Manhattan, City of New York, where Notes may be presented or surrendered for registration of transfer or for exchange (the "Registrar"), where Notes may be presented for payment (the "Paying Agent") and for the service of notices and demands to or upon the Issuer in respect of the Notes and this Indenture. The Registrar shall keep a register of the Notes and of their transfer and exchange (the "Note Register"). The Issuer may have one or more co-Registrars and one or more additional paying agents. The term "Paying Agent" includes any additional paying agent. The Issuer shall maintain an office or agency (i) in London, England and (ii) in Luxembourg, in each case where the Notes may be presented for payment. The Issuer shall maintain an office or agency in Luxembourg, where Notes may be presented or surrendered for registration of transfer or for exchange (the "Transfer Agent"). In addition, the Issuer undertakes to the extent possible, to use reasonable efforts to maintain a Paying Agent in a member state of the European Union that is not obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC regarding taxation of savings income.

(b) The Issuer shall enter into an appropriate agency agreement with any Registrar, Paying Agent or co-Registrar not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee of the name and address of each such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.7. The Issuer, any Affiliate of any Note Guarantor may act as Paying Agent, Registrar or co-Registrar, or transfer agent.

(c) The Issuer initially designates the Corporate Trust Office of the Trustee as one such office or agency of the Issuer as required by Section 2.3(a) and appoints the Trustee as Registrar, Paying Agent and agent for service of demands and notices and the parties identified on the signature pages to this Indenture in such capacities as Paying Agents and Transfer Agent in connection with the Notes and this Indenture, until such time as another Person is appointed as such.

Section 2.4 Paying Agent to Hold Money in Trust. The Issuer shall require each Paying Agent (other than the Trustee) to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal of or interest on the Notes and shall notify the Trustee in writing of any Default by the Issuer or any Note Guarantor in making any such payment. If the Issuer or an Affiliate of any Note Guarantor acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuer at any time may require a Paying Agent (other than the Trustee) to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section 2.4, the Paying Agent (if other than the Issuer or any Affiliate of a Note Guarantor) shall have no further liability for the money delivered to the Trustee. Upon any proceeding under any Bankruptcy Law with respect to the Company or any Affiliate of a Note Guarantor, if the Issuer, or such Affiliate or a Note Guarantor is then acting as Paying Agent, the Trustee shall replace the Issuer, such Affiliate or such Note Guarantor as Paying Agent.

Section 2.5 Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. At any time that the Trustee is not the Registrar the Company shall furnish to the Trustee, in writing at least seven Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

Section 2.6 CUSIP and ISIN Numbers. The Issuer in issuing Notes may use "CUSIP" or "ISIN" numbers, as applicable (if then generally in use), and, if so, the Trustee shall use for the Securities "CUSIP" number in notices to the Holders as a convenience to such Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice and that reliance may be placed only on the other identification numbers printed on the Notes, and any such notice shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any changes in the "CUSIP" and "ISIN" numbers, as applicable.

Section 2.7 Global Note Provisions.

(a) Each Global Note initially shall: (i) be registered in the name of DTC or the nominee of DTC, in the case of Dollar Notes, and the Common Depositary, in the case of Euro Notes, or their respective nominee, as applicable, (ii) be delivered to the Note Custodian and (iii) bear the appropriate legends as set forth in Section 2.8, Exhibit A, in the case of Dollar Notes, and Exhibit B, in the case of Euro Notes. Any Global Note may be represented by one or more certificates. Transfer Agent, the Note Custodian, the Registrar and any of their respective agents as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall (i) prevent the Issuer, the Trustee, the Paying Agent, the Transfer Agent, the Note Custodian, the Registrar or any of their respective agents from giving effect to any written certification, proxy or other authorization furnished by DTC, in the case of Dollar Notes, and Euroclear or Clearstream, in the case of Euro Notes, or (ii) impair, as between DTC and its Agent Members or Euroclear or Clearstream, the operation of customary practices of DTC, Euroclear or Clearstream governing the exercise of the rights of an owner of a beneficial interest in any Global Note. The registered Holder of a Global Note may grant proxies and otherwise authorize any person, including DTC, in the case of Dollar Notes, and Euroclear or Clearstream, in the case of Euro Notes, or their respective nominee, Agent Members, in the case of DTC, and persons that may hold interests through Agent Members, to take any action that a Holder is entitled to take under this Indenture or the Notes.

(c) Except as provided in this Section 2.7(c), owners of beneficial interests in Global Notes will not be entitled to receive Certificated Notes in exchange for such beneficial interests.

(i) Certificated Notes shall be issued to all owners of beneficial interests in a Global Note in exchange for such beneficial interests if (A) DTC, in the case of Dollar Notes, or Euroclear or Clearstream, in the case of Euro Notes, notifies the Issuer that it is unwilling or unable to continue as depositary for such Global Note or (B) DTC, Euroclear or Clearstream ceases to be a clearing agency registered under the Exchange Act, at a time when DTC, Euroclear or Clearstream is required to be so registered in order to act as depositary, and in each case a successor depositary is not appointed by the Issuer within 90 days of such notice. In connection with the exchange of an entire Global Note for Certificated Notes pursuant to this clause (i) of this Section 2.7(c), such Global Note shall be deemed to be surrendered to the Trustee for cancellation, and the Issuer shall execute, and upon Issuer Order the Trustee shall authenticate and deliver to each beneficial owner identified by DTC, in the case of Dollar Notes, or Euroclear or Clearstream, in the case of Euro Notes, in exchange for its beneficial interest in such Global Note, an equal aggregate principal amount of Certificated Notes of authorized denominations, and the Registrar shall register such exchanges in the Note Register.

(ii) The owner of a beneficial interest in a Global Note will be entitled to receive Certificated Notes in exchange for such interest if an Event of Default has occurred and is continuing. If an Event of Default has occurred and is continuing, upon receipt by the Registrar of instructions from Agent Members on behalf the owner of a beneficial interest in a Global Note directing the Registrar to exchange such beneficial owner's beneficial interest in such Global Note for Certificated Notes, subject to and in accordance with the Applicable Procedures, the Issuer shall promptly execute, and upon Issuer Order the Trustee shall authenticate and make available for delivery to such beneficial owner, Certificated Notes in a principal amount equal to such beneficial interest in such Global Note.

(iii) If (A) an event described in clause (i) of Section 2.7(c) occurs and Certificated Notes are not issued promptly to all beneficial owners or (B) the Registrar receives from a beneficial owner the instructions described in clause (ii) of Section 2.7(c) and Certificated Notes are not issued promptly to any such beneficial owner, the Issuer expressly acknowledges, with respect to the right of any Holder to pursue a remedy pursuant to Section 6.6 hereof, the right of any beneficial owner of Notes to pursue such remedy with respect to the portion of the Global Note that represents such beneficial owner's Notes as if such Certificated Notes had been issued.

Section 2.8 Legends.

(a) Each Global Note shall bear the legend specified therefor in Exhibit A, in the case of Dollar Notes, and, in Exhibit B, in the case of Euro Notes, on the face thereof.

(b) Each Restricted Note shall bear the private placement legend specified therefor in Exhibit A, in the case of Dollar Notes, and, in Exhibit B, in the case of Euro Notes, on the face thereof (the "Private Placement Legend").

Section 2.9 Transfer and Exchange.

(i) upon receipt by the Registrar of:

(A) instructions from an Agent Member given to DTC, in the case of Dollar Notes, or Euroclear or Clearstream, in the case of Euro Notes, in accordance with the Applicable Procedures directing DTC, Euroclear or Clearstream, as applicable, to credit or cause to be credited a beneficial interest in the Regulation S Global Note in a principal amount equal to the principal amount of the beneficial interest to be transferred,

(C) a certificate in the form of Exhibit E, in the case of Dollar Notes, and Exhibit F, in the case of Euro Notes, duly executed by the Rule 144A transferor;

(ii) the Note Custodian shall increase the Regulation S Global Note and decrease the Rule 144A Global Note in accordance with the foregoing, and the Registrar shall register the transfer in the Note Register.

(b) Transfers of Beneficial Interests in a Regulation S Global Note. Subject to the Applicable Procedures, the following provisions shall apply with respect to any proposed transfer of an interest in a Regulation S Global Note that is a Restricted Note:

(i) If the owner of a beneficial interest in a Regulation S Global Note that is a Restricted Note wishes to transfer such interest (or a portion thereof) to a QIB pursuant to Rule 144A:

(A) upon receipt by the Note Custodian and Registrar of:

(1) instructions from an Agent Member given to DTC, in the case of Dollar Notes, or Euroclear or Clearstream, in the case of Euro Notes, in accordance with the Applicable Procedures directing DTC, Euroclear or Clearstream, as applicable, to credit or cause to be credited a beneficial interest in the Rule 144A Global Note in an amount equal to the beneficial interest being transferred,

(3) a certificate in the form of Exhibit C, in the case of Dollar Notes, and Exhibit D, in the case of Euro Notes, duly executed by the transferor;

(B) the Note Custodian shall increase the Rule 144A Global Note and decrease the Regulation S Global Note in accordance with the foregoing, and the Registrar shall register the transfer in the Note Register.

(c) Other Transfers. Any registration of transfer of Restricted Notes (including Certificated Notes) not described above (other than a transfer of a beneficial interest in a Global Note that does not involve an exchange of such interest for a Certificated Note or a beneficial interest in another Global Note, which must be effected in accordance with applicable law and the Applicable Procedures, but is not subject to any procedure required by this Indenture) shall be made only upon receipt by the Registrar of such opinions of counsel, certificates and such other evidence reasonably required by and satisfactory to it in order to ensure compliance with the Securities Act or in accordance with Section 2.9(d).

(d) Use and Removal of Private Placement Legends. Upon the registration of transfer, exchange or replacement of Notes (or beneficial interests in a Global Note) not bearing (or not required to bear upon such transfer, exchange or replacement) a Private Placement Legend, the Note Custodian and Registrar shall exchange such Notes (or beneficial interests) for

beneficial interests in a Global Note or Certificated Notes if they have been issued pursuant to Section 2.7(c) that does not bear a Private Placement Legend. Upon the registration of transfer, exchange or replacement of Notes (or beneficial interests in a Global Note) bearing a Private Placement Legend, the Note Custodian and Registrar shall deliver only Notes (or beneficial interests in a Global Note) that bear a Private Placement Legend unless:

(i) such Notes (or beneficial interests) are transferred pursuant to Rule 144 upon delivery to the Registrar of a certificate of the transferor in the form of Exhibit E, in the case of Dollar Notes, and Exhibit F, in the case of Euro Notes, and an Opinion of Counsel reasonably satisfactory to the Registrar;

(ii) such Notes (or beneficial interests) are transferred, replaced or exchanged after the Resale Restriction Termination Date therefor and, in the case of any such Restricted Notes, the Issuer has complied with the applicable procedures for delegending in accordance with Section 2.9(h); or

(iii) in connection with such registration of transfer, exchange or replacement the Registrar shall have received an Opinion of Counsel, certificates and such other evidence reasonably satisfactory to the Issuer and the Registrar to the effect that neither such Private Placement Legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act.

The Holder of a Global Note bearing a Private Placement Legend may exchange an interest therein for an equivalent interest in a Global Note not bearing a Private Placement Legend (other than a Regulation S Global Note) upon transfer of such interest pursuant to this Section 2.9(d).

(e) Consolidation of Global Notes and Exchange of Certificated Notes for Beneficial Interests in Global Notes . If a Global Note not bearing a Private Placement Legend (other than a Regulation S Global Note) is Outstanding at the time of a removal of legends pursuant to Section 2.9(h), any interests in a Global Note delegended pursuant to Section 2.9(h) shall be exchanged for interests in such Outstanding Global Note, subject to the proviso at the end of Section 2.14(a).

(f) Retention of Documents. The Registrar and the Trustee shall retain copies of all letters, notices and other written communications received pursuant to this Article II and in accordance with the Trustee's record retention procedures. The Issuer shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Registrar or the Trustee, as the case may be.

(g) General Provisions Relating to Transfers and Exchanges.

(i) Subject to the other provisions of this Section 2.9, when Notes are presented to the Registrar or a co-Registrar with a request to register the transfer of such Notes or to exchange such Notes for an equal principal amount of Notes of other authorized denominations, the Registrar or co-Registrar shall register the transfer or make the exchange as requested if its requirements for such transaction are met; *provided* that any Notes presented or surrendered for registration of transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Registrar or co-Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing.

(ii) To permit registrations of transfers and exchanges and subject to the other terms and conditions of this Article II, the Issuer will execute and upon Issuer Order the Trustee will authenticate and make available for delivery Certificated Notes and Global Notes, as applicable, at the Registrar's or co-Registrar's request.

(iii) No service charge shall be made to a Holder for any registration of transfer or exchange, but the Issuer and the Trustee may require payment of a sum sufficient to cover any transfer tax, assessments, or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charges payable upon exchange or transfer pursuant to Section 3.8, Section 3.9, Section 5.1 or Section 9.5).

(iv) The Registrar or co-Registrar shall not be required to register the transfer of or exchange of (x) any Note for a period beginning (1) 15 days before the mailing of a notice of an offer to repurchase or redeem Notes and ending at the close of business on the day of such mailing or (2) 15 days before an Interest Payment Date and ending on such Interest Payment Date and (y) any Note selected for repurchase or redemption, except the unrepurchased or unredeemed portion thereof, if any.

(v) Prior to the due presentation for registration of transfer of any Note, the Issuer, the Trustee, the Paying Agent, the Transfer Agent, the Registrar or any co-Registrar may deem and treat the Person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Issuer, the Trustee, the Paying Agent, the Transfer Agent, the Registrar or any co-Registrar or the Note Custodian shall be affected by notice to the contrary.

(vi) All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

(vii) Subject to Section 2.7 and this Section 2.9, in connection with the exchange of a portion of a Certificated Note for a beneficial interest in a Global Note, the Trustee shall cancel such Certificated Note, and the Issuer shall execute, and upon Issuer Order the Trustee shall authenticate and make available for delivery to the exchanging Holder, a new Certificated Note representing the principal amount not so exchanged.

(h) Applicable Procedures for Delegending.

(i) Promptly after one year has elapsed following (A) the Issue Date or (B) if the Issuer has issued Additional Notes, with the same terms and the same CUSIP or ISIN numbers, as applicable, as the Issue Date Notes pursuant to this Indenture within one year following the Issue Date, the date of original issuances of such Additional Notes if the relevant Notes are freely tradable pursuant to Rule 144 under the Securities Act by Holders who are not Affiliates of the Issuer where no conditions of Rule 144 are then applicable (other than the holding period requirement in paragraph (d)(1)(ii) of Rule 144 so long as such holding period requirement is satisfied), the Issuer shall:

(1) instruct the Trustee in writing to remove the Private Placement Legend from such Notes by delivering to the Trustee a certificate in the form of Exhibit E, in the case of Dollar Notes, and Exhibit F, in the case of Euro Notes, and upon such instruction the Private Placement Legend shall be deemed removed from any Global Notes representing such Notes without further action on the part of Holders;

(2) notify Holders of such Notes that the Private Placement Legend has been removed or deemed removed; and

(3) instruct DTC, in the case of Dollar Notes, and Euroclear or Clearstream, in the case of Euro Notes, to change the CUSIP or ISIN number, as applicable, for such Notes to the unrestricted CUSIP or ISIN number, as applicable, for the Notes.

In no event will the failure of the Issuer to provide any notice set forth in this paragraph or of the Trustee to remove the Private Placement Legend constitute a failure by the Issuer to comply with any of its covenants or agreements set forth in Section 6.1 or otherwise. Any Restricted Note (or security issued in exchange or substitution therefor) as to which such restrictions on transfer shall have expired in accordance with their terms may, upon surrender of such Restricted Note for exchange to the Registrar in accordance with the provisions of Article II of this Indenture, be exchanged for a new Note or Notes, of like tenor and aggregate principal amount, which shall not bear the Private Placement Legend. The Issuer shall notify the Trustee in writing upon occurrence of the Resale Restriction Termination Date for any Note.

(ii) Notwithstanding any provision herein to the contrary, in the event that Rule 144 as promulgated under the Securities Act (or any successor rule) is amended to change the one-year holding period thereunder (or the corresponding period under any successor rule), (A) each reference in this Section 2.9(h) to "one year" and in the Private Placement Legend described in Section 2.8(b) and Exhibit A, in the case of Dollar Notes, and Exhibit B, in the case of Euro Notes, to "ONE YEAR" shall be deemed for all purposes hereof to be references to such changed period, and (B) all corresponding references in this Indenture (including the definition of Resale Restriction Termination Date), the Notes and the Private Placement Legends thereon shall be deemed for all purposes hereof to be references to such changed period; *provided* that such changes shall not become effective if they are otherwise prohibited by, or would otherwise cause a violation of, the then-applicable federal securities laws; *provided further* that if such change does not apply to existing Notes, all references to "one year" in this Indenture shall not be deemed for all purposes hereof to be references to such changed period. This Section 2.9(h) shall apply to successive amendments to Rule 144 (or any successor rule) changing the holding period thereunder.

(i) No Obligation of the Trustee.

(i) The Trustee shall have no responsibility or obligation to any beneficial owner of an interest in a Global Note, Agent Members or any other Persons with respect to the accuracy of the records of DTC, Euroclear or Clearstream or its nominee or of Agent Members, with respect to any ownership interest in the Notes or with respect to the delivery to any Agent Member, beneficial owner or other Person (other than DTC, Euroclear or Clearstream) of any notice (including any notice of redemption) or the payment of any amount or delivery of any Notes (or other security or property) under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Notes shall be given or made only to or upon the order of the registered Holders (which shall be DTC, in the case of Dollar Notes, Euroclear or Clearstream, in the case of Euro Notes, or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through DTC, in the case of Dollar Notes, and Euroclear or Clearstream, in the case of Euro Notes subject to the applicable rules and procedures of DTC, Euroclear or Clearstream. The Trustee may rely and shall be fully protected in relying upon information furnished by DTC with respect to its Agent Members, Euroclear or Clearstream and any beneficial owners.

(ii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Agent Members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.10 Mutilated, Destroyed, Lost or Stolen Notes.

(a) If a mutilated Note is surrendered to the Registrar or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall execute and upon Issuer Order the Trustee shall authenticate and make available for delivery a replacement Note for such mutilated, lost or stolen Note, of like tenor and principal amount, bearing a number not contemporaneously Outstanding if:

(i) the requirements of Section 8-405 of the Uniform Commercial Code are met,

(ii) the Holder satisfies any other reasonable requirements of the Trustee, and

(iii) neither the Issuer nor the Trustee has received notice that such Note has been acquired by a protected purchaser.

If required by the Trustee or the Issuer, such Holder shall furnish an affidavit of loss and indemnity bond sufficient in the judgment of the Issuer and the Trustee to protect the Issuer, the Trustee, the Paying Agent, the Transfer Agent, the Registrar or any co-Registrar and the Note Custodian from any loss that any of them may suffer if a Note is replaced.

(b) Upon the issuance of any new Note under this Section 2.10, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) in connection therewith.

(c) Every new Note issued pursuant to this Section 2.10 in exchange for any mutilated Note, or in lieu of any destroyed, lost or stolen Note, shall constitute an original additional contractual obligation of the Issuer, any Note Guarantor and any other obligor upon the Notes, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

Section 2.11 Temporary Notes. Until definitive Notes are ready for delivery, the Issuer may execute and upon Issuer Order the Trustee will authenticate and make available for delivery temporary Notes. Temporary Notes will be substantially in the form of definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes. Without unreasonable delay, the Issuer will prepare and execute and upon Issuer Order the Trustee will authenticate and make available for delivery definitive Notes. After the preparation of definitive Notes, the temporary Notes will be exchangeable for definitive Notes upon surrender of the temporary Notes at any office or agency maintained by the Issuer for that purpose and such exchange shall be without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Issuer will execute and upon Issuer Order the Trustee will authenticate and make available for delivery in exchange therefor one or more definitive Notes representing an equal principal amount of Notes. Until so exchanged, the Holder of temporary Notes shall in all respects be entitled to the same benefits under this Indenture as a Holder of definitive Notes.

Section 2.12 Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar, the Paying Agent and the Transfer Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel and dispose of cancelled Notes in accordance with its policy of disposal or, upon written request of the Issuer, return to the Issuer all Notes surrendered for registration of transfer, exchange, payment or cancellation. The Issuer may not issue new Notes to replace Notes it has paid or delivered to the Trustee for cancellation for any reason other than in connection with a registration of transfer or exchange upon Issuer Order.

Section 2.13 Defaulted Interest. When any installment of interest becomes Defaulted Interest on Notes, such installment shall forthwith cease to be payable to the Holders in whose names the Notes were registered on the Record Date applicable to such installment of interest. Defaulted Interest (including any interest on such Defaulted Interest) shall be paid by the Issuer, at its election, as provided in clause (a) or clause (b) below.

(a) The Issuer may elect to make payment of any Defaulted Interest (including any interest payable on such Defaulted Interest) to the Holders in whose names the Notes are registered at the close of business on a special record date for the payment of such Defaulted Interest (a " Special Record Date"), which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Holders entitled to such Defaulted Interest as provided in this Section 2.13(a). Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest, which shall be not more than fifteen (15) calendar days and not less than ten (10) calendar days prior to the date of the proposed payment and not less than ten (10) calendar days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be sent, first-class mail, postage prepaid, to each Holder at such Holder's address as it appears in the Note Register, not less than ten (10) calendar days prior to

such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the Holders in whose names the Notes are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to clause (b) below; or

(b) The Issuer may make payment of any Defaulted Interest (including any interest on such Defaulted Interest) in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee of the proposed payment pursuant to this Section 2.13(b), such manner of payment shall be deemed practicable by the Trustee. The Trustee shall in the name and at the expense of the Issuer cause prompt notice of the proposed payment and the date thereof to be sent, first-class mail, postage prepaid, to each Holder at such Holder's address as it appears in the Note Register.

Section 2.14 Additional Notes.

(a) The Issuer may, from time to time, subject to compliance with any other applicable provisions of this Indenture, without the consent of the Holders, create and issue pursuant to this Indenture additional notes (" Additional Notes") that shall have terms and conditions identical to those of the other Outstanding Notes, except with respect to:

(i) the Issue Date;

(ii) the amount of interest payable on the first Interest Payment Date therefor;

(iii) the issue price; and

(iv) any adjustments necessary in order to conform to and ensure compliance with the Securities Act (or other applicable securities laws) and any agreement applicable to such Additional Notes, which are not adverse in any material respect to the Holder of any Outstanding Notes (other than such Additional Notes).

The Notes issued on the Issue Date and any Additional Notes shall be treated as a single series for all purposes under this Indenture; *provided* that the Issuer may use different CUSIP, ISIN or other similar numbers among Dollar Notes and Euro Notes, and among Additional Notes to the extent required to comply with securities or tax law requirements, including to permit delegending pursuant to Section 2.9(h).

(b) With respect to any Additional Notes, the Issue of which will be delivered to the Trustee, the following information:

(i) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture;

(ii) the Issue Date and the issue price of such Additional Notes; *provided* that no Additional Notes may be issued at a price that would cause such Additional Notes to have "original issue discount" within the meaning of Section 1273 of the Code, unless such Additional Notes have a separate CUSIP, ISIN or other similar number from other Notes; and

(iii) whether such Additional Notes will be subject to transfer restrictions under the Securities Act (or other applicable securities laws).

ARTICLE III

The Issuer and each Note Guarantor hereby expressly waives (to the fullest extent permitted by applicable law) all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

(B) any securities, notes or obligation received by the Company or any Restricted Subsidiary from the transferee that are, within 180 days after the Asset Sale, converted by the Company or such Restricted Subsidiary into cash, to the extent of cash received in that conversion;

(C) Capital Stock of a Person who is or who, after giving effect to such Asset Sale, becomes, a Restricted Subsidiary; and

(D) any Designated Non-cash Consideration received by the Company or such Restricted Subsidiary in connection with such Asset Sale having an aggregate Fair Market Value which, when taken together with the Fair Market Value of all other Designated Non-cash Consideration received pursuant to this clause (D) since the Issue Date, does not exceed the sum of (1) 3.0% of Consolidated Tangible Assets of the Company calculated as of the end of the most recent fiscal quarter for which consolidated financial information is available (with the Fair Market Value of each item of Designated Non-cash Consideration being measured as of the date it was received and without giving effect to subsequent changes in value of any such item of Designated Non-cash Consideration) and (2) the amount of cash or Cash Equivalents received in connection with a subsequent sale of such Designated Non-cash Consideration.

(b) The Company or any Restricted Subsidiary may apply the Net Cash Proceeds of any such Asset Sale within 365 days thereof to:

(i) repay any Senior Indebtedness for borrowed money or constituting a Capitalized Lease Obligation and permanently reduce the commitments with respect thereto, or

(ii) purchase:

(A) assets (except for current assets as determined in accordance with GAAP or Capital Stock) to be used by the Company or any Restricted Subsidiary in a Permitted Business, or

(B) substantially all of the assets of a Permitted Business or Capital Stock of a Person engaged in a Permitted Business that will become, upon purchase, a Restricted Subsidiary from a Person other than the Company and its Restricted Subsidiaries.

(c) To the extent all or a portion of the Net Cash Proceeds of any Asset Sale are not applied within the 365 days of the Asset Sale as described in clause (i) or (ii) of Section 3.12(b), the Company will make an offer to purchase Notes (the " Asset Sale Offer"), at a purchase price equal to 100% of the principal amount of the Notes to be purchased, plus accrued and unpaid interest thereon, to the date of purchase (the " Asset Sale Offer Amount"). The Company will purchase pursuant to an Asset Sale Offer from all tendering Holders on a *pro rata* basis, and, at the Company's option, on a *pro rata* basis with the holders of any other Senior Indebtedness with similar provisions requiring the Company to offer to purchase the other Senior Indebtedness with the proceeds of Asset Sales, that principal amount (or accreted value in the case of Indebtedness issued with original issue discount) of Notes and the other Senior Indebtedness to be purchased equal to such unapplied Net Cash Proceeds. The Company may satisfy its obligations under this Section 3.12 with respect to the Net Cash Proceeds of an Asset Sale by making an Asset Sale Offer prior to the expiration of the relevant 365-day period.

(d) Pending the final application of any Net Cash Proceeds pursuant to this Section 3.12, the holder of such Net Cash Proceeds may apply such Net Cash Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Cash Proceeds in any manner not prohibited by this Indenture.

(e) The purchase of Notes pursuant to an Asset Sale Offer shall occur not less than 20 Business Days following the date thereof, or any longer period as may be required by law, nor more than 45 days following the 365th day following the Asset Sale (the " Asset Sale Offer Period"). The Company may, however, defer an Asset Sale Offer until there is an aggregate amount of unapplied Net Cash Proceeds from one or more Asset Sales equal to or in excess of U.S.$100 million. At that time, the entire amount of unapplied Net Cash Proceeds, and not just the amount in excess of U.S.$100 million, shall be applied as required pursuant to this Section 3.12.

(f) Any Net Cash Proceeds payable in respect of the Notes pursuant to Section 3.12 will be apportioned between the Euro Notes and the Dollar Notes in proportion to the respective aggregate principal amounts of Euro Notes and Dollar Notes validly tendered and not withdrawn, based upon the Dollar Equivalent of such principal amount of Euro Notes determined as of a date selected by the Issuer that is within the Asset Sale Offer Period. To the extent that any portion of the Net Cash Proceeds payable in respect of the Notes is denominated in a currency other than the currency in which the relevant Notes are denominated, the amount thereof payable in respect of such Notes shall not exceed the net amount of funds in the currency in which such Notes are denominated that is actually received by the Issuer upon converting such portion into such currency.

(g) Each Asset Sale Offer Notice shall be mailed first class, postage prepaid, to the record Holders as shown on the Note Register within 20 days following such 365th day (or such earlier date as the Company shall have elected to make such Asset Sale Offer), with a copy to the Trustee offering to purchase the Notes as described above. Each notice of an Asset Sale Offer shall state, among other things, the purchase date, which must be no earlier than 30 days nor later than 60 days from the date the notice is mailed, other than as may be required by law (the " Asset Sale Offer Payment Date"). Upon receiving notice of an Asset Sale Offer, Holders may elect to tender their Notes in whole or in part, in minimum denominations of U.S.$70,000 and any integral multiple of U.S.$1,000 in excess thereof, in the case of Dollar Notes, or €50,000 and any integral multiple of €1,000 in excess thereof, in the case of Euro Notes, in each case in exchange for cash.

(h) On the Asset Sale Offer Payment Date, the Company shall, to the extent lawful:

(i) accept for payment all Notes or portions thereof properly tendered pursuant to the Asset Sale Offer;

(ii) deposit with the Paying Agent funds in an amount equal to the Asset Sale Offer Amount in respect of all Notes or portions thereof so tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes so accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions thereof being purchased by the Company.

(i) To the extent Holders of Notes and holders of other Senior Indebtedness, if any, which are the subject of an Asset Sale Offer properly tender and do not withdraw Notes or the other Senior Indebtedness in an aggregate amount exceeding the amount of unapplied Net Cash Proceeds, the Company shall purchase the Notes and the other Senior Indebtedness on a *pro rata* basis (based on amounts tendered). If only a portion of a Note is purchased pursuant to an Asset Sale Offer, a new Note in a principal amount equal to the portion thereof not purchased shall be issued in the name of the holder thereof upon cancellation of the original Note (or appropriate adjustments to the amount and beneficial interests in a global note shall be made, as appropriate). Notes (or portions thereof) purchased pursuant to an Asset Sale Offer shall be cancelled and cannot be reissued.

(j) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other applicable securities laws in connection with the purchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any applicable securities laws or regulations conflict with this Section 3.12, the Company shall comply with these laws and regulations and shall not be deemed to have breached its obligations under the "Asset Sale" provisions of this Indenture by doing so.

(k) Upon completion of an Asset Sale Offer, the amount of Net Cash Proceeds shall be reset at zero. Accordingly, to the extent that the aggregate amount of Notes and other Indebtedness tendered pursuant to an Asset Sale Offer is less than the aggregate amount of unapplied Net Cash Proceeds, the Company may use any remaining Net Cash Proceeds for general corporate purposes of the Company and its Restricted Subsidiaries.

(l) In the event of the transfer of substantially all (but not all) of the property and assets of the Company and its Restricted Subsidiaries as an entirety to a Person in a transaction permitted under Article IV, the Successor Company shall be deemed to have sold the properties and assets of the Company and its Restricted Subsidiaries not so transferred for purposes of this Section 3.12, and shall comply with the provisions of this Section 3.12 with respect to the deemed sale as if it were an Asset Sale. In addition, the Fair Market Value of properties and assets of the Company or its Restricted Subsidiaries so deemed to be sold shall be deemed to be Net Cash Proceeds for purposes of this Section 3.12.

(m) If at any time any non-cash consideration received by the Company or any Restricted Subsidiary, as the case may be, in connection with any Asset Sale, is converted into or sold or otherwise disposed of for cash (other than interest received with respect to any non-cash consideration), the conversion or disposition shall be deemed to constitute an Asset Sale hereunder and the Net Cash Proceeds thereof shall be applied in accordance with this Section 3.12 within 365 days of conversion or disposition.

Section 3.13 Limitation on the Ownership of Capital Stock of Restricted Subsidiaries . The Company shall not permit any Person other than the Company or another Restricted Subsidiary to, directly or indirectly, own or control any Capital Stock of any Restricted Subsidiary, except for:

(i) Capital Stock owned by such Person on the Issue Date;

(ii) directors' qualifying shares;

(iii) the sale or Disposition of 100% of the shares of the Capital Stock of any Restricted Subsidiary (other than the Issuer) held by the Company and its Restricted Subsidiaries to any Person other than the Company or another Restricted Subsidiary effected in accordance with, as applicable, Section 3.12 and Article IV;

(iv) in the case of a Restricted Subsidiary other than a Restricted Subsidiary that is a Wholly Owned Subsidiary,

(A) the issuance by that Restricted Subsidiary of Capital Stock on a *pro rata* basis to the Company and its Restricted Subsidiaries, on the one hand, and minority holders of Capital Stock of such Restricted Subsidiary, on the other hand (or on less than a *pro rata* basis to any minority holder); or

(B) sales, transfers and other dispositions of Capital Stock in a Restricted Subsidiary to the extent required by, or made pursuant to, buy/sell, put/call or similar shareholder arrangements set forth in binding agreements in effect on the Issue Date; and

(v) the sale of Capital Stock of a Restricted Subsidiary (other than the Issuer) by the Company or another Restricted Subsidiary or the sale or issuance by a Restricted Subsidiary of its newly-issued Capital Stock if such sale or issuance is made in compliance with Section 3.12 and either:

(A) such Restricted Subsidiary is no longer a Subsidiary, and the continuing Investment of the Company and its Restricted Subsidiaries in such former Restricted Subsidiary is in compliance with Section 3.11, or

(B) such Restricted Subsidiary continues to be a Restricted Subsidiary.

Section 3.14 Limitation on Designation of Unrestricted Subsidiaries .

(a) The Company may designate after the Issue Date any Subsidiary of the Company other than the Issuer or a Note Guarantor as an Unrestricted Subsidiary under this Indenture (a "Designation") only if:

(i) no Default or Event of Default shall have occurred and be continuing at the time of or after giving effect to such Designation and any transactions between the Company or any of its Restricted Subsidiaries and such Unrestricted Subsidiary are in compliance with Section 3.18;

(iii) the Company would be permitted to make an Investment at the time of Designation (assuming the effectiveness of such Designation and treating such Designation as an Investment at the time of Designation) as a Restricted Payment pursuant to Section 3.11(a) in an amount (the "Designation Amount") equal to the amount of the Company's Investment in such Subsidiary on such date; and

(iv) the terms of any Affiliate Transaction existing on the date of such Designation between the Subsidiary being Designated (and its Subsidiaries) and the Company or any Restricted Subsidiary would be permitted under Section 3.18 if entered into immediately following such Designation.

(i) provide credit support for, subject any of its property or assets (other than the Capital Stock of any Unrestricted Subsidiary) to the satisfaction of, or Guarantee, any Indebtedness of any Unrestricted Subsidiary (including any undertaking, agreement or instrument evidencing such Indebtedness);

(ii) be directly or indirectly liable for any Indebtedness of any Unrestricted Subsidiary; or

(iii) be directly or indirectly liable for any Indebtedness which provides that the Holder thereof may (upon notice, lapse of time or both) declare a default thereon or cause the payment thereof to be accelerated or payable prior to its final scheduled maturity upon the occurrence of a default with respect to any Indebtedness of any Unrestricted Subsidiary.

(c) The Company may revoke any Designation of a Subsidiary as an Unrestricted Subsidiary (a " Revocation") only if:

(i) no Default or Event of Default shall have occurred and be continuing at the time of and after giving effect to such Revocation; and

(ii) all Liens and Indebtedness of such Unrestricted Subsidiary outstanding immediately following such Revocation, if Incurred at such time, would have been permitted to be Incurred for all purposes of this Indenture.

(d) The Designation of a Subsidiary of the Company as an Unrestricted Subsidiary shall be deemed to include the Designation of all of the Subsidiaries of such Subsidiary. All Designations and Revocations must be evidenced by an Officer's Certificate of the Issuer, delivered to the Trustee certifying compliance with the preceding provisions.

(d) Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such reports shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

Section 3.21 Payment of Additional Amounts .

(a) All payments made by the Issuer or the Note Guarantors under, or with respect to, the Notes shall be made free and clear of, and without withholding or deduction for or on account of any present or future tax, duty, levy, impost, assessment or other governmental charge (including penalties, interest and other liabilities related thereto) (collectively, " Taxes") imposed or levied by or on behalf of Spain, Luxembourg, Mexico the Netherlands, the British Virgin Islands or, in the event that the Issuer appoints additional paying agents, by the jurisdictions of such additional paying agents (a "Taxing Jurisdiction") unless the Issuer or such Note Guarantor, as the case may be, is required to withhold or deduct Taxes by law or by the official interpretation or administration thereof.

(b) If the Issuer or any Note Guarantor is so required to withhold or deduct any amount for, or on account of, such Taxes from any payment made under or with respect to the Notes, the Issuer or such Note Guarantor, as the case may be, shall pay such additional amounts (" Additional Amounts") as may be necessary so that the net amount received by each Holder (including Additional Amounts) after such withholding or deduction shall not be less than the amount such Holder would have received if such Taxes had not been required to be withheld or deducted; *provided, however*, that the foregoing obligation to pay Additional Amounts does not apply to:

(i) any Taxes imposed solely because at any time there is or was a connection between the Holder and a Taxing Jurisdiction (other than the mere purchase of the Notes, or receipt of a payment or the ownership or holding of a Note),

(ii) any estate, inheritance, gift, sales, transfer, personal property or similar Tax imposed with respect to the Notes,

(iii) any Taxes imposed solely because the Holder or any other person fails to comply with any certification, identification or other reporting requirement concerning the nationality, residence, identity or connection with a Taxing Jurisdiction of the Holder or any beneficial owner of the Note if compliance is required by the applicable law of the Taxing Jurisdiction as a precondition to exemption from, or reduction in the rate of, the tax, assessment or other governmental charge and we have given the Holders at least 30 days' notice that Holders shall be required to provide such information and identification,

(iv) any Taxes payable otherwise than by deduction or withholding from payments on the Notes,

(v) any Taxes with respect to such Note presented for payment more than 30 days after the date on which the payment became due and payable or the date on which payment thereof is duly provided for and notice thereof given to Holders, whichever occurs later, except to the extent that the Holders of such Note would have been entitled to such Additional Amounts on presenting such Note for payment on any date during such 30 day period, and

(vi) any payment on the Note to a Holder that is a fiduciary or partnership or a person other than the sole beneficial owner of any such payment, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such a partnership or the beneficial owner of the payment would not have been entitled to the Additional Amounts had the beneficiary, settlor, member or beneficial owner been the Holder of the Note.

(c) The obligations in Section 3.21(a) and Section 3.21(b) shall survive any termination or discharge of this Indenture and shall apply mutatis mutandis to any Taxing Jurisdiction with respect to any successor to the Issuer or any Note Guarantor, as the case may be. The Issuer or such Note Guarantor, as applicable, shall (i) make such withholding or deduction and (ii) remit the full amount deducted or withheld to the relevant Taxing Jurisdiction in accordance with applicable law. The Issuer or such Note Guarantor, as applicable, shall use all reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any Taxes so deducted or withheld from each Taxing Jurisdiction imposing such Taxes and shall furnish such certified copies to the Trustee within 30 days after the date the payment of any Taxes so deducted or so withheld is due pursuant to applicable law or, if such tax receipts are not reasonably available to the Issuer, furnish such other documentation that provides reasonable evidence of such payment by the Issuer.

(d) In addition, clause (iii) of Section 3.21(b) does not require that any person, including any non-Mexican pension fund, retirement fund or financial institution, register with the Ministry of Finance and Public Credit to establish eligibility for an exemption from, or a reduction of, Mexican withholding tax.

(e) Any reference in this Indenture, any supplemental indenture or the Notes to principal, premium, interest or any other amount payable in respect of the Notes by the Issuer shall be deemed also to refer to any Additional Amount that may be payable with respect to that amount under the obligations referred to in this subsection.

(f) In the event that Additional Amounts actually paid with respect to the Notes pursuant to this Section 3.21 are based on rates of deduction or withholding of withholding taxes in excess of the appropriate rate applicable to the Holder of such Notes, and as a result thereof such Holder is entitled to make a claim for a refund or credit of such excess from the authority imposing such withholding tax, then such Holder shall, by accepting such Notes, and without any further action, be deemed to have assigned and transferred all right, title and interest to any such claim for a refund or credit of such excess to us. However, by making such assignment, the Holder makes no representation or warranty that we shall be entitled to receive such claim for a refund or credit and incurs no other obligation with respect thereto.

Section 3.22 Suspension of Covenants.

(a) During any period of time that the Notes do not have Investment Grade Ratings from two of the Rating Agencies and (i) the Consolidated Leverage Ratio of the Company is less than 3.5:1 and (ii) no Default or Event of Default has occurred and is continuing (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a " Partial Covenant Suspension Event"), the Company and its Restricted Subsidiaries shall not be subject to the provisions of this Indenture described under Sections 3.12, 3.13, 3.14(b), 3.15, 3.18, 3.19, 4.1(a)(ii) and 4.1(b)(ii) (collectively, the "Partial Suspended Covenants"):

(b) During any period of time that (i) the Notes have Investment Grade Ratings from two of the Rating Agencies and (ii) no Default or Event of Default has occurred and is continuing (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Suspension Event"), the Company and its Restricted Subsidiaries shall not be subject to the provisions of this Indenture described under Sections 3.9, 3.11, 3.12, 3.13, 3.14(b), 3.15, 3.16, 3.18, 3.19, 4.1(a)(ii) and 4.1(b)(ii) (collectively, the "Suspended Covenants").

(c) In addition, (x) no Subsidiary that is a Restricted Subsidiary on the date of the occurrence of a Partial Covenant Suspension Event (the " Partial Covenant Suspension Date") or a Covenant Suspension Event (the "Suspension Date") may be redesignated as an Unrestricted Subsidiary during the Partial Suspension Period or the Suspension Period, as applicable and (y) the Additional Note Guarantor shall be released from its obligation to guarantee the Notes on the date of a Partial Covenant Suspension Event of a Covenant Suspension Event, as the case may be.

(d) The Additional Note Guarantor shall be released from their obligation to guarantee the Notes upon the occurrence of a Partial Covenant Suspension Event or a Covenant Suspension Event; *provided* that upon the occurrence of a Partial Reversion Date or a Reversion Date, as applicable, the guarantee of the Notes by the Additional Guarantor shall be reinstated in accordance with and subject to the conditions in Section 3.22(e).

(e) In the event that the Company and its Restricted Subsidiaries are not subject to the Partial Suspended Covenants or the Suspended Covenants, as the case may be, for any period of time as a result of the foregoing, and on any subsequent date (in the case of Partial Suspended Covenants, such subsequent date being the "Partial Covenant Reversion Date" and, in

the case of Suspended Covenants, such subsequent date being the " Reversion Date") (i) the Consolidated Leverage Ratio of the Company is not less than 3.5:1 during the applicable Partial Suspension Period or (ii) the Notes do not have Investment Grade Ratings from at least two of the Rating Agencies during the applicable Suspension Period, then in each case in clauses (i) and (ii), the Company and its Restricted Subsidiaries will thereafter again be subject to the Partial Suspended Covenants or the Suspended Covenants, as applicable, and the Notes will again be guaranteed by the Additional Note Guarantor (unless, solely with respect to any Additional Note Guarantor, the conditions for release as described under Section 10.2 are otherwise satisfied during the Partial Suspension Period or the Suspension Period, as applicable). The Issuer shall cause such Additional Note Guarantor to promptly execute and deliver to the Trustee a supplemental indenture hereto in form and substance reasonably satisfactory to the Trustee in accordance with the provisions of Article IX, evidencing that such Additional Note Guarantor's guarantee on substantially the terms set forth in Article X. The period of time between the Partial Suspension Date and the Partial Covenant Reversion Date is referred to as the " Partial Suspension Period" and the period of time between the Suspension Date and the Reversion Date is referred to as the " Suspension Period." Notwithstanding that the Partial Suspended Covenants, the Suspended Covenants and the guarantee by the Additional Note Guarantor may be reinstated, no Default or Event of Default will be deemed to have occurred as a result of a failure to comply with the Partial Suspended Covenants during the Partial Suspension Period or the Suspended Covenants during the Suspension Period, as the case may be (or upon termination of the applicable Partial Suspension Period or the Suspension Period or after that time based solely on events that occurred during the applicable Partial Suspension Period or the Suspension Period, as the case may be).

(f) On the Reversion Date, all Indebtedness Incurred during the Suspension Period shall be classified to have been Incurred pursuant to Section 3.9(a) or Section 3.9(b) (to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred prior to the Suspension Period and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be Incurred pursuant to Section 3.9(a) or 3.9(b), such Indebtedness shall be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under clause (iv) of Section 3.9(b). Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 3.11 shall be made as though Section 3.11 had been in effect since the Issue Date and throughout the Suspension Period. The Issuer will give the Trustee written notice of any occurrence of a Reversion Date not later than five (5) Business Days after such Reversion Date. After any such notice of the occurrence of a Reversion Date, the Trustee shall assume the Suspended Covenants apply and are in full force and effect. Accordingly, Restricted Payments made during the Suspension Period will reduce the amount available to be made as Restricted Payments under Section 3.11(a).

(g) The Issuer will give the Trustee written notice of any Partial Covenant Suspension Event or Covenant Suspension Event and in any event not later than five (5) Business Days after such Partial Covenant Suspension Event or Covenant Suspension Event has occurred. In the absence of such notice, the Trustee shall assume that the Partial Suspended Covenants or the Suspended Covenants, as applicable, apply and are in full force and effect.

(h) For purposes of this Section 3.22 only, "Consolidated Leverage Ratio" and all associated definitions shall have the meaning set forth in Exhibit G.

ARTICLE IV

Section 4.1 Merger, Consolidation and Sale of Assets.

(a) The Issuer shall not, in a single transaction or series of related transactions, consolidate or merge with or into any Person (whether or not the Issuer is the surviving or continuing Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the Issuer's properties and assets, to any Person unless:

(i) either:

(A) the Issuer shall be the surviving or continuing corporation, or

(B) the Person (if other than the Issuer) formed by such consolidation or into which the Issuer is merged or the Person which acquires by sale, assignment, transfer, lease, conveyance or other disposition the properties and assets of the Issuer substantially as an entirety (the "Successor Issuer"):

(1) shall be a corporation organized and validly existing under the laws of Mexico, the United States of America, any State thereof or the District of Columbia, Canada, France, Belgium, Germany, Italy, Luxembourg, the Netherlands, Portugal, Spain, Switzerland or the United Kingdom, or any political subdivision thereof (the " Permitted Merger Jurisdictions"); and

(2) shall expressly assume, by supplemental indenture (in form and substance satisfactory to the Trustee), executed and delivered to the Trustee, the due and punctual payment of the principal of, and premium, if any, and interest on all of the Notes and the performance and observance of every covenant of the Notes and this Indenture on the part of the Issuer to be performed or observed and provide the Trustee with an Officer's Certificate and Opinion of Counsel, and such transaction is otherwise in compliance with this Indenture;

(ii) immediately after giving effect to such transaction and the assumption contemplated by clause (i)(B)(2) of this Section 4.1(a) (including giving effect on a pro forma basis to any Indebtedness, including any Acquired Indebtedness, Incurred or anticipated to be Incurred or discharged in connection with or in respect of such transaction):

(A) the Company shall have a Consolidated Fixed Charge Coverage Ratio that shall be not less than the Consolidated Fixed Charge Coverage Ratio of the Company immediately prior to such transaction; or

(B) the Issuer or such Successor Issuer, as the case may be, shall be able to Incur at least U.S.$1.00 of additional Indebtedness pursuant to Section 3.9(a);

(iii) immediately before and immediately after giving effect to such transaction and the assumption contemplated by clause (i)(B)(2) of this Section 4.1(a) (including, without limitation, giving effect on a pro forma basis to any Indebtedness, including any Acquired Indebtedness, Incurred or anticipated to be Incurred or discharged and any Lien granted in connection with or in respect of the transaction), no Default or Event of Default shall have occurred or be continuing;

(iv) in the case of a transaction resulting in a Successor Issuer, each Note Guarantor has confirmed by supplemental indenture that its Note Guarantee shall apply for Obligations of the Successor Issuer in respect of this Indenture and the Notes; and

(v) if the Issuer merges with a corporation, or the Successor Issuer is, organized under the laws of any of the Permitted Merger Jurisdictions, the Issuer or the Successor Issuer shall have delivered to the Trustee an Opinion of Counsel that, as applicable:

(A) the Holders of the Notes shall not recognize income, gain or loss for the purposes of the income tax laws of the United States or the applicable Permitted Merger Jurisdiction as a result of the transaction and shall be taxed in the Holder's home jurisdiction in the same manner and on the same amounts (assuming solely for this purpose that no Additional Amounts are regarded to be paid on the Notes) and at the same times as would have been the case if the transaction had not occurred;

(B) any payment of interest or principal under or relating to the Notes or any Guarantees shall be paid in compliance with any requirements under Section 3.21; and

(C) no other taxes on income, including capital gains, shall be payable by Holders of the Notes under the laws of the United States or the applicable Permitted Merger Jurisdiction relating to the acquisition, ownership or disposition of the Notes, including the receipt of interest or principal thereon; *provided* that the Holder does not use or hold, and is not deemed to use or hold the Notes in carrying on a business in the United States or the applicable Permitted Merger Jurisdiction.

The provisions of clauses (ii) and (iii) of this Section 4.1(a) will not apply to:

(x) any transfer of the properties or assets of the Company or a Restricted Subsidiary to the Issuer;

(y) any merger of the Company or a Restricted Subsidiary into the Issuer; or

(z) any merger of the Issuer into the Company or a Wholly Owned Subsidiary of the Company.

For purposes of this Section 4.1, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the properties or assets of one or more Restricted Subsidiaries of the Issuer, the Capital Stock of which constitutes all or substantially all of the properties and assets of the Company (determined on a consolidated basis for the Issuer and its Restricted Subsidiaries), shall be deemed to be the transfer of all or substantially all of the properties and assets of the Issuer.

The Successor Issuer will succeed to, and be substituted for, such Issuer under this Indenture and the Notes, as applicable. For the avoidance of doubt, compliance with this Section 4.1 will not affect the obligations of the Issuer (including a Successor Issuer, if applicable) under Section 3.8 if applicable.

(b) The Company will not, in a single transaction or series of related transactions, consolidate or merge with or into any Person (whether or not the Company is the surviving or continuing Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the Company's properties and assets (determined on a consolidated basis for the Company and its Restricted Subsidiaries), to any Person unless:

(i) either:

(A) the Company shall be the surviving or continuing corporation, or

(B) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or the Person which acquires by sale, assignment, transfer, lease, conveyance or other disposition the properties and assets of the Company and the Restricted Subsidiaries substantially as an entirety (the "Successor Company"):

(A) will have a Consolidated Fixed Charge Coverage Ratio that will be not less than the Consolidated Fixed Charge Coverage Ratio of the Company immediately prior to such transaction; or

(B) will be able to Incur at least U.S.$1.00 of additional Indebtedness pursuant to Section 3.9(a); and

(iii) immediately before and immediately after giving effect to such transaction and the assumption contemplated by clause (i)(B)(2) of this Section 4.1(b) (including, without limitation, giving effect on a *pro forma* basis to any Indebtedness, including any Acquired Indebtedness, Incurred or anticipated to be Incurred or discharged and any Lien granted in connection with or in respect of the transaction), no Default or Event of Default shall have occurred or be continuing.

The provisions of clauses (ii) and (iii) of this Section 4.1(b) shall not apply to:

(x) any transfer of the properties or assets of a Restricted Subsidiary to the Company or a Note Guarantor;

(y) any merger of a Restricted Subsidiary into the Company or a Note Guarantor; or

(z) any merger of the Company into another Note Guarantor or a Wholly Owned Subsidiary of the Company.

The Successor Company shall succeed to, and be substituted for such Company under this Indenture, the Notes and/or the Note Guarantee, as applicable.

(c) Each Note Guarantor other than the Company shall not, and the Company shall not cause or permit any such Note Guarantor to, consolidate with or merge into, or sell or dispose of all or substantially all of its assets to, any Person (other than the Issuer) that is not a Note Guarantor unless:

(ii) such Note Guarantee is to be released as provided under Section 10.2(b); or

(iii) such sale or other disposition of substantially all of such Note Guarantor's assets is made in accordance with Section 3.12.

Subject to certain limitations described in this Indenture, the Successor Note Guarantor will succeed to, and be substitute for, such Note Guarantor under this Indenture and such Note Guarantor's Note Guarantee. The provisions of clauses (i), (ii) and (iii) of this Section 4.1(c) will not apply to:

(x) any transfer of the properties or assets of a Note Guarantor to the Issuer or another Note Guarantor;

(y) any merger of a Note Guarantor into the Issuer or another Note Guarantor; or

(z) any merger of a Note Guarantor into a Wholly Owned Subsidiary of the Company.

ARTICLE V

OPTIONAL REDEMPTION OF NOTES

Section 5.1 Optional Redemption. The Issuer may redeem the Notes, as a whole or from time to time in part, subject to the conditions and at the redemption prices specified in the Form of Note in Exhibit A, in the case of Dollar Notes, and in Exhibit B, in the case of Euro Notes.

Section 5.2 [Reserved].

Section 5.3 Notices to Trustee. If the Issuer elects to redeem Notes pursuant to the optional redemption provisions of Section 5.1 hereof, it shall furnish to the Trustee, at least 45 days but not more than 60 days before a redemption date, an Officer's Certificate setting forth: (a) the redemption date, (b) the principal amount of Notes to be redeemed, (c) the CUSIP and ISIN numbers of such Notes and (d) the redemption price.

Section 5.4 Notice of Redemption.

(a) The Issuer shall prepare and mail or cause to be mailed a notice of redemption, in the manner provided for in Section 12.1, not less than 30 nor more than 60 days prior to the Redemption Date, to each Holder of Notes to be redeemed.

(b) All notices of redemption shall state:

(i) the Redemption Date,

(ii) the redemption price and the amount of any accrued interest payable as provided in Section 5.7,

(iii) whether or not the Issuer is redeeming all Outstanding Notes,

(iv) if the Issuer is not redeeming all Outstanding Notes, the aggregate principal amount of Notes that the Issuer is redeeming and the aggregate principal amount of Notes that will be Outstanding after the partial redemption, as well as the identification of the particular Notes, or portions of the particular Notes, that the Issuer is redeeming,

(v) if the Issuer is redeeming only part of a Note, the notice that relates to that Note shall state that on and after the Redemption Date, upon surrender of that Note, the Holder will receive, without charge, a new Note or Notes of authorized denominations for the principal amount of the Note remaining unredeemed,

(vi) that on the Redemption Date the redemption price and any accrued interest payable to the Redemption Date as provided in Section 5.7 will become due and payable in respect of each Note, or the portion of each Note, to be redeemed, and, unless the Issuer defaults in making the redemption payment, that interest on each Note, or the portion of each Note, to be redeemed, will cease to accrue on and after the Redemption Date,

(vii) the place or places where a Holder must surrender Notes for payment of the redemption price and any accrued interest payable on the Redemption Date, and

(viii) the CUSIP or ISIN number, if any, listed in the notice or printed on the Notes, and that no representation is made as to the accuracy or correctness of such CUSIP or ISIN number.

(c) At the Issuer's request, the Trustee shall give the notice of redemption in the Issuer's names and at its expense; *provided*, *however*, that the Issuer shall have delivered to the Trustee, at least 45 days prior to the redemption date, an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding Section 5.4(b).

Section 5.5 Selection of Notes to Be Redeemed in Part.

(a) If the Issuer is not redeeming all Outstanding Notes, the Trustee shall select the Notes to be redeemed in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed or, if the Notes are not then listed on a national securities exchange, on a pro rata basis, by lot or by any other method as the Trustee shall deem fair and appropriate; *provided*, *however*, that if a partial redemption is made with the proceeds of a Equity Offering, selection of the Notes, or portions of the Notes, for redemption shall be made by the Trustee only on a pro rata basis, or on as nearly a pro rata basis as is practicable (subject to the procedures of DTC, Euroclear or Clearstream), unless the method is otherwise prohibited. The Trustee shall make the selection from the Outstanding Notes not previously called for redemption. The Trustee shall promptly notify the Issuer in writing of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount of the Notes to be redeemed. In the event of a partial redemption by lot, the Trustee shall select the particular Notes to be redeemed not less than 30 nor more than 60 days prior to the relevant Redemption Date from the Outstanding Notes not previously called for redemption. No Notes of U.S.$70,000 principal amount or less, in the case of Dollar Notes, and €50,000 principal amount to less, in the case of Euro Notes, shall be redeemed in part. The Trustee may select for redemption portions with minimum denominations of U.S.$70,000 or any integral multiple of U.S.$1,000 in excess thereof, in the case of Dollar Notes, and €50,000 or any integral multiple of €1,000 in excess thereof, in the case of Euro Notes.

(b) For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to redemption of Notes shall relate, in the case of any Note redeemed or to be redeemed only in part, to the portion of the principal amount of that Note which has been or is to be redeemed.

Section 5.6 Deposit of Redemption Price. On or prior to 10:00 a.m. New York City time, in the case of Dollar Notes, and 3:00 p.m. London time, in the case of Euro Notes, on the Business Day prior to the relevant Redemption Date, the Issuer shall deposit with the Trustee or with a Paying Agent (or, if the Issuer or a Note Guarantor is acting as the Paying Agent, segregate and hold in trust as provided in Section 2.4) an amount of money in immediately available funds sufficient to pay the redemption price of, and accrued interest on, all the Notes that the Issuer is redeeming on that date.

Section 5.7 Notes Payable on Redemption Date. If the Issuer, or the Trustee on behalf of the Issuer, gives notice of redemption in accordance with this Article V, the Notes, or the portions of Notes, called for redemption, shall, on the Redemption Date, become due and payable at the redemption price specified in the notice (together with accrued interest, if any, to the Redemption Date), and from and after the Redemption Date (unless the Issuer shall default in the payment of the redemption price and accrued interest) the Notes or the portions of Notes shall cease to bear interest. Upon surrender of any Note for redemption in accordance with the notice, the Issuer shall pay the Notes at the redemption price, together with accrued interest, if any, to the Redemption Date (subject to the rights of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date). If the Issuer shall fail to pay any Note called for redemption upon its surrender for redemption, the principal shall, until paid, bear interest from the Redemption Date at the rate borne by the Notes.

Section 5.8 Unredeemed Portions of Partially Redeemed Note. Upon surrender of a Note that is to be redeemed in part, the Issuer shall execute, and the Trustee shall authenticate and make available for delivery to the Holder of the Note, at the expense of the Company, a new Note or Notes, of any authorized denomination as requested by the Holder, in an aggregate principal amount equal to, and in exchange for, the unredeemed portion of the principal of the Note surrendered, *provided* that each new Note will be in a principal amount of U.S.$70,000 or an integral multiple of U.S.$1,000 in excess thereof, in the case of Dollar Notes, and €50,000 or an integral multiple of €1,000 in excess thereof, in the case of Euro Notes.

ARTICLE VI

DEFAULTS AND REMEDIES

Section 6.1 Events of Default.

(a) Each of the following is an "Event of Default":

(i) default in the payment when due of the principal of or premium, if any, on any Notes, including the failure to make a required payment to purchase Notes tendered pursuant to an optional redemption, a Change of Control Offer or an Asset Sale Offer;

(ii) default for 30 days or more in the payment when due of interest or Additional Amounts on any Notes;

(iii) the failure to perform or comply with any of the provisions described under Article IV;

(iv) the failure by the Company or any Restricted Subsidiary to comply with, or in the case of non-guarantor Restricted Subsidiaries, to perform according to, any other covenant or agreement contained in this Indenture or in the Notes for 45 days or more after written notice to the Company and the Issuer from the Trustee or the Holders of at least 25% in aggregate principal amount of the Outstanding Notes;

(v) default by the Company or any Restricted Subsidiary under any Indebtedness which:

(A) is caused by a failure to pay principal of (and premium, if any), when due or interest on such Indebtedness prior to the later of the expiration of any applicable grace period provided in such Indebtedness on the date of such default or five (5) days past when due; or

(B) results in the acceleration of such Indebtedness prior to its stated maturity;

and the principal or accreted amount of Indebtedness covered by clauses (v)(A) or (v)(B) of this Section 6.1(a) at the relevant time, aggregates U.S.$50 million or more;

(vi) failure by the Company or any of its Restricted Subsidiaries to pay one or more final judgments against any of them, aggregating U.S.$50 million or more, which judgment(s) are not paid, discharged or stayed for a period of 60 days or more;

(vii) a Bankruptcy Event of Default; or

(viii) except as permitted herein, any Note Guarantee is held to be unenforceable or invalid in a judicial proceeding or ceases for any reason to be in full force and effect or any Note Guarantor, or any Person acting on behalf of any Note Guarantor, denies or disaffirms such Note Guarantor's obligations under its Note Guarantee.

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

(b) The Company shall deliver within 30 days to the Trustee written notice of any event which would constitute a Default or Event of Default, their status and what action the Company is taking or proposes to take in respect thereof.

Section 6.2 Acceleration.

(a) If an Event of Default (other than an Event of Default specified in clause (vii) of Section 6.1(a) above with respect to the Issuer or the Company) shall occur and be continuing, the Trustee or the Holders of at least 25% in principal amount of Outstanding Notes may declare the unpaid principal of (and premium, if any) and accrued and unpaid interest on all the Notes to be immediately due and payable by notice in writing to the Issuer and the Company and the Trustee specifying the Event of Default and that it is a "notice of acceleration." If an Event of Default specified in clause (vii) of Section 6.1(a) above occurs with respect to the Company, then the unpaid principal of (and premium, if any) and accrued and unpaid interest on all the Notes will become immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

(b) At any time after a declaration of acceleration with respect to the Notes as described in the preceding paragraph, the Holders of a majority in principal amount of the Notes may rescind and cancel such declaration and its consequences:

(i) if the rescission would not conflict with any judgment or decree;

(ii) if all existing Events of Default have been cured or waived, except nonpayment of principal or interest that has become due solely because of the acceleration;

(iii) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid; and

(iv) if the Company has paid the Trustee its reasonable compensation and reimbursed the Trustee for its reasonable expenses, disbursements and advances.

Section 6.3 Other Remedies.

(a) If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

(b) The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

Section 6.4 Waiver of Past Defaults. Subject to Section 6.2, the Holders of a majority in principal amount of the Notes may waive any existing Default or Event of Default, and its consequences, except a default in the payment of the principal of, premium, if any, or interest on any Notes.

Section 6.5 Control by Majority. The Holders of a majority in principal amount of the Outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. Subject to Section 7.1 and Section 7.2, however, the Trustee may refuse to follow any direction that conflicts with law or this Indenture; *provided, however*, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction.

Section 6.6 Limitation on Suits.

(a) No Holder of any Notes shall have any right to institute any proceeding with respect hereto or for any remedy hereunder, unless:

(i) such Holder gives to the Trustee written notice of a continuing Event of Default;

(ii) Holders of at least 25% in principal amount of the then Outstanding Notes make a written request to pursue the remedy;

(iii) such Holders of the Notes provide to the Trustee indemnity satisfactory to it;

(iv) the Trustee does not comply within 60 days; and

(v) during such 60 day period the Holders of a majority in principal amount of the Outstanding Notes do not give the Trustee a written direction which, in the opinion of the Trustee, is inconsistent with the request;

provided that a Holder of a Note may institute suit for enforcement of payment of the principal of and premium, if any, or interest on such Note on or after the respective due dates expressed in such Note.

Section 6.7 Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture (including, without limitation, Section 6.6), the right of any Holder to receive payment of principal or interest on the Notes held by such Holder, on or after the respective due dates, Redemption Dates or repurchase date expressed in this Indenture or the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.8 Collection Suit by Trustee. If an Event of Default specified in clause (i) and (ii) of Section 6.1(a) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company and each Note Guarantor for the whole amount then due and owing (together with applicable interest on any overdue principal and, to the extent lawful, interest on overdue interest) and the amounts provided for in Section 7.7.

Section 6.9 Trustee May File Proofs of Claim, etc.

(a) The Trustee may (irrespective of whether the principal of the Notes is then due):

(i) file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders under this Indenture and the Notes allowed in any bankruptcy, insolvency, liquidation or other judicial proceedings relative to the Company, any Note Guarantor or any Subsidiary of the Company or their respective creditors or properties; and

(ii) collect and receive any monies or other property payable or deliverable in respect of any such claims and distribute them in accordance with this Indenture.

Any receiver, trustee, liquidator, sequestrator (or other similar official) in any such proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, taxes, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due to the Trustee pursuant to Section 7.7.

(b) Nothing in this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 Priorities. If the Trustee collects any money or property pursuant to this Article VI, it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due under Section 7.7;

SECOND: if the Holders proceed against the Company directly without the Trustee in accordance with this Indenture, to Holders for their collection costs;

THIRD: to Holders for amounts due and unpaid on the Notes for principal and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

FOURTH: to the Company or, to the extent the Trustee collects any amount pursuant to Article X hereof from any Note Guarantor, to such Note Guarantor, or to such party as a court of competent jurisdiction shall direct.

The Trustee may, upon notice to the Company and the Issuer, fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

Section 6.11 Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by the Company, a suit by a Holder pursuant to Section 6.7 or a suit by Holders of more than 10% in principal amount of Outstanding Notes.

ARTICLE VII

TRUSTEE

Section 7.1 Duties of Trustee.

(a) If a Default or an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) Except during the continuance of a Default or an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions that by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this clause (c) does not limit the effect of clause (b) of this Section 7.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.2, 6.4 or 6.5.

(d) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(e) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article VII.

(h) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer shall be sufficient if signed by an Officer of the Issuer.

(i) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or direction.

Section 7.2 Rights of Trustee.

Subject to Section 7.1:

(a) The Trustee may rely on any document reasonably believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting at the direction of the Issuer or any Note Guarantor, it may require an Officer's Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on an Officer's Certificate or Opinion of Counsel.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; *provided*, *however*, that the Trustee's conduct does not constitute willful misconduct or negligence.

(e) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) If the Trustee shall determine, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless an Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.

(i) The Trustee may request that the Issuer deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any Person authorized to sign an Officer's Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(j) The permissive rights of the Trustee enumerated herein shall not be construed as duties.

(k) In no event shall the Trustee be liable, directly or indirectly, for any special, indirect or consequential damages, even if the Trustee has been advised of the possibility of such damages.

(l) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including without limitation, acts of God; earthquakes; fires; floods; wars; civil or military disturbances; sabotage; epidemics; riots, interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; it being understood that the Trustee shall use its best efforts to resume performance as soon as practicable under the circumstances.

(m) The Trustee shall at no time have any responsibility or liability for or in respect to the legality, validity or enforceability of any Collateral or any arrangement or agreement between the Issuer or the Company and any other Person with respect thereto, or the perfection or priority of any security interest created in any of the Collateral or maintenance of any perfection and priority, or for or with respect to the sufficiency of the Collateral following an Event of Default.

Section 7.3 Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, the Note Guarantors or any Affiliate of the Company with the same rights it would have if it were not Trustee. Any Paying Agent, Transfer Agent, Registrar or co-Registrar may do the same with like rights. However, the Trustee must comply with Section 7.10.

Section 7.4 Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes, and it shall not be responsible for any statement of the Issuer in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication.

Section 7.5 Notice of Defaults. If a Default or Event of Default occurs and is continuing and if a Trust Officer has actual knowledge thereof, the Trustee shall mail to each Holder notice of the Default or Event of Default within 90 days after the occurrence thereof. Except in the case of a Default or Event of Default in payment of principal or interest on any Note (including payments pursuant to the optional redemption or required repurchase provisions of such Note, if any), the Trustee may withhold the notice if and so long as a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of the Holders.

Section 7.6 [Reserved].

Section 7.7 Compensation and Indemnity.

(a) The Issuer shall pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder as the Issuer and the Trustee shall from time to time agree in writing. The Trustee's compensation shall not be

limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred or made by it, including costs of collection, costs of preparing and reviewing reports, certificates and other documents, costs of preparation and mailing of notices to Holders and reasonable costs of counsel retained by the Trustee in connection with the review, negotiation, execution and delivery of this Indenture or otherwise, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts.

(b) The Issuer and each Note Guarantor shall jointly and severally indemnify the Trustee against any and all loss, liability or expense (including reasonable attorneys' fees and expenses) incurred by it without negligence, willful misconduct or bad faith on its part in connection with the acceptance and administration of this trust and the performance of its duties hereunder, including the costs and expenses of enforcing this Indenture (including this Section 7.7) and of defending itself against any claims (whether asserted by any Holder, the Issuer, any Note Guarantor or otherwise). The Trustee shall notify the Issuer and each Note Guarantor promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuer or any Note Guarantor shall not relieve the Issuer or any Note Guarantor of its obligations hereunder. The Issuer shall defend the claim and the Trustee may have separate counsel and the Issuer shall pay the fees and expenses of such counsel; *provided* that the Issuer shall not be required to pay such fees and expenses if it assumes the Trustee's defense, and, in the reasonable judgment of outside counsel to the Trustee, there is no conflict of interest between the Issuer and the Trustee in connection with such defense. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct, negligence or bad faith.

(c) To secure the Issuer's payment obligations in this Section 7.7, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes. The Trustee's right to receive payment of any amounts due under this Section 7.7 shall not be subordinate to any other liability or Indebtedness of the Issuer.

(d) The Issuer's payment obligations pursuant to this Section 7.7 shall survive the discharge of this Indenture and the resignation or removal of the Trustee. When the Trustee incurs expenses after the occurrence of a Bankruptcy Event of Default, the expenses are intended to constitute expenses of administration under any Bankruptcy Law; *provided, however*, that this shall not affect the Trustee's rights as set forth in this Section 7.7 or Section 6.10.

Section 7.8 Replacement of Trustee.

(a) The Trustee may resign at any time by so notifying the Company and the Issuer. The Holders of a majority in principal amount of the Outstanding Notes may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee reasonably acceptable to the Issuer. The Issuer shall remove the Trustee if:

(i) the Trustee fails to comply with Section 7.10;

(ii) the Trustee is adjudged bankrupt or insolvent;

(iii) a receiver or other public officer takes charge of the Trustee or its property; or

(iv) the Trustee otherwise becomes incapable of acting.

(b) If the Trustee resigns or is removed by the Issuer or by the Holders of a majority in principal amount of the Outstanding Notes and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of the Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.7(c).

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the Outstanding Notes may petition, at the Issuer's expense, any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee fails to comply with Section 7.10, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) Notwithstanding the replacement of the Trustee pursuant to this Section 7.8, the Issuer's obligations under Section 7.7 shall continue for the benefit of the retiring Trustee.

Section 7.9 Successor Trustee by Merger.

(a) If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

(b) In case at the time such successor or successors to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates of authentication and such delivery shall be valid for purposes of this Indenture.

Section 7.10 Eligibility; Disqualification. The Trustee shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has, together with parent, a combined capital and surplus of at least U.S.$50,000,000 as set forth in its most recent published annual report of condition.

Section 7.11 [Reserved].

Section 7.12 [Reserved].

Section 7.13 Authorization and Instruction of the Trustee With Respect to the Collateral. Each Holder and the Issuer authorize and instruct the Trustee (a) to enter into (or cause an agent or grant such powers of attorney to enter into), on its own behalf and on behalf of the Holders of Notes, such documents (the "Security Documents") as are necessary or desirable (which shall be evidenced by a written instruction from the Company satisfactory to the Trustee) in order to create and maintain the security interest of the Trustee and the Holders of Notes in the Collateral as may from time to time be provided to equally and ratably secure the Notes, (b) to grant such powers of attorney and to do or cause to be done all such acts and things, on its own behalf and in the name and on behalf of the Holders of Notes, as are necessary or desirable (which shall be evidenced by a written instruction from the Company satisfactory to the Trustee) to create and maintain the security interest of the Trustee and the Holders of Notes in such Collateral, (c) to appoint the Security Agent to serve as direct representative of the Trustee and the Holders of Notes in connection with the creation and maintenance of the security interest of the Trustee and the Holders of Notes in such Collateral, (d) to accept the security interest in the Collateral on behalf of each Holder, and (e) to grant powers in favor of an attorney to execute an accession public deed before a Spanish notary public accepting the security interest in the Collateral on behalf of the Holders of Notes. It is understood and acknowledged that in certain circumstances the Security Documents may be amended, modified or waived without the consent of the Trustee or the Holders of Notes. It is understood and acknowledged that the Security Agent, in addition to being appointed by and acting on behalf of the Trustee and the Holders of Notes, has also been appointed by and is acting on behalf of (and may in the future be appointed by and act on behalf of) other creditors of the Company and its Subsidiaries. The Trustee will not have the right to cause the Security Agent to foreclose on the Collateral upon the occurrence of an Event of Default in respect of the Notes. The Trustee shall at no time have any responsibility or liability for or in respect to the legality, validity or enforceability of any Collateral or any arrangement or agreement between the Issuer or the Company and any other Person with respect thereto, or the perfection or priority of any security interest created in any of the Collateral or maintenance of any perfection and priority, or for or with respect to the sufficiency of the Collateral following an Event of Default.

ARTICLE VIII

DEFEASANCE; DISCHARGE OF INDENTURE

Section 8.1 Legal Defeasance and Covenant Defeasance .

(a) The Issuer may, at its option, at any time, elect to have either Section 8.1(b) or (c) be applied to all Outstanding Notes upon compliance with the conditions set forth in Section 8.2.

(b) Upon the Issuer's exercise under Section 8.1(a) of the option applicable to this clause (b), the Issuer shall, subject to the satisfaction of the conditions set forth in Section 8.2, be deemed to have been discharged from its obligations with respect to all Outstanding Notes on the date all of the conditions set forth in Section 8.2 are satisfied (hereinafter, "Legal Defeasance"). For this purpose, Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the Outstanding Notes, which shall thereafter be deemed to be Outstanding only for the purposes of Section 8.3 hereof and the other sections of this Indenture referred to in subclause (i) or (ii) of this clause (b), and to have satisfied all its other obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions, which shall survive until otherwise terminated or discharged hereunder:

(i) the rights of Holders of Outstanding Notes to receive solely from the trust fund described in Section 8.3, and as more fully set forth in Section 2.4 payments in respect of the principal of, premium, if any, and interest on such Notes when such payments are due,

(ii) the Issuer's obligations with respect to such Notes under Article II and Section 3.2 hereof,

(iii) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Issuer's obligations in connection therewith, and

(iv) this Article VIII.

Subject to compliance with this Article VIII, the Issuer may exercise its option under this clause (b) notwithstanding the prior exercise of its option under Section 8.1(c) hereof.

(c) Upon the Issuer's exercise under Section 8.1(a) hereof of the option applicable to this clause (c), the Issuer shall, subject to the satisfaction of the applicable conditions set forth in Section 8.2, be released from its obligations under Sections 3.4, 3.5, 3.8, 3.9, 3.11, 3.12, 3.13, 3.14, 3.15, 3.16, 3.17, 3.18, 3.19, 3.20, 3.21, 3.22, 4.1(a) and 4.1(b) hereof with respect to the Outstanding Notes on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"), and the Notes shall thereafter be deemed not Outstanding for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be Outstanding for all other purposes hereunder (it being understood that such Notes shall not be deemed Outstanding for accounting purposes). For this purpose, such Covenant Defeasance means that, with respect to the Outstanding Notes, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other

document and such omission to comply shall not constitute a Default or an Event or Default under clause (iii) of Section 6.1(a) (solely with respect to any failure to perform under or comply with clause (ii) or (iii) of Section 4.1(a)), clause (iv) of Section 6.1(a) or clause (v) of Section 6.1(a) hereof, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby.

Section 8.2 Conditions to Defeasance. The Company or, as applicable, the Issuer, may exercise its Legal Defeasance option or its Covenant Defeasance option only if:

(a) the Issuer has irrevocably deposited with the Trustee, in trust, for the benefit of the Holders cash in U.S. Legal Tender or U.S. Government Obligations, in the case of Dollar Notes, and Euros or European Government Obligations, in the case of Euro Notes, or in each case a combination thereof, in such amounts as will be sufficient without reinvestment, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest (including Additional Amounts) on the Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be;

(b) in the case of Legal Defeasance, the Issuer has delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee (subject to customary exceptions and exclusions) and independent of the Issuer to the effect that:

(i) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling; or

(ii) since the Issue Date, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall state that, the Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Issuer has delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee (subject to customary exceptions and exclusions) to the effect that the Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default shall have occurred and be continuing on the date of the deposit pursuant to Section 8.2(a) (except any Default or Event of Default resulting from the failure to comply with Section 3.9 as a result of the borrowing of the funds required to effect such deposit);

(e) the Trustee has received an Officer's Certificate stating that such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under this Indenture or any other material agreement or instrument to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound;

(f) the Issuer has delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over any other creditors of the Issuer or any Subsidiary of the Issuer or with the intent of defeating, hindering, delaying or defrauding any other creditors of the Issuer or others;

(g) the Issuer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel from counsel reasonably acceptable to the Trustee (subject to customary exceptions and exclusions) and independent of the Issuer, each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance have been complied with; and

(h) the Issuer has delivered to the Trustee an Opinion of Counsel from counsel reasonably acceptable to the Trustee and independent of the Issuer to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the Investment Company Act of 1940.

Section 8.3 Application of Trust Money. The Trustee shall hold in trust U.S. Legal Tender or U.S. Government Obligations, in the case of Dollar Notes, and Euros or European Government Obligations, in the case of Euro Notes, deposited with it pursuant to this Article VIII. It shall apply the deposited U.S. Legal Tender or U.S. Government Obligations, in the case of Dollar Notes, and Euros or European Government Obligations, in the case of Euro Notes, through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

Section 8.4 Repayment to Issuer.

(a) The Trustee and the Paying Agent shall promptly turn over to the Issuer upon request any excess money or securities held by them upon payment of all the obligations under this Indenture.

(b) Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Issuer upon request any money held by them for the payment of principal of, premium or interest on the Notes that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuer for payment as general creditors.

Section 8.5 Indemnity for U.S. Government Obligations and European Government Obligations . The Issuer shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations, in the case of Dollar Notes, and European Government Obligations, in the case of Euro Notes, or the principal and interest received on such U.S. Government Obligations and European Government Obligations.

Section 8.6 Reinstatement. If the Trustee or Paying Agent is unable to apply any U.S. Legal Tender or U.S. Government Obligations, in the case of Dollar Notes, or Euros or European Government Obligations, in the case of Euro Notes, in accordance with this Article VIII by

reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the obligations of the Issuer under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article VIII until such time as the Trustee or Paying Agent is permitted to apply all such U.S. Legal Tender, U.S. Government Obligations, in the case of Dollar Notes, and Euros or European Government Obligations, in the case of or Notes, in accordance with this Article VIII; *provided, however*, that, if the Issuer has made any payment of principal of, premium or interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from U.S. Legal Tender or U.S. Government Obligations, in the case of Dollar Notes, or Euros or European Government Obligations, in the case of Euro Notes, held by the Trustee or Paying Agent.

Section 8.7 Satisfaction and Discharge. This Indenture will be discharged and will cease to be of further effect (except as to surviving rights of registration of transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all Outstanding Notes when:

(a) either:

(i) all the Notes theretofor authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofor been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation, or

(ii) all Notes not theretofor delivered to the Trustee for cancellation have become due and payable, and the Issuer has irrevocably deposited or caused to be deposited with the Trustee U.S. Legal Tender or U.S. Government Obligations, in the case of Dollar Notes, or Euros or European Government Obligations, in the case of Euro Notes, sufficient without reinvestment to pay and discharge the entire Indebtedness on the Notes not theretofor delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit, together with irrevocable instructions from the Issuer directing the Trustee to apply such funds to the payment;

(b) the Issuer has paid all other sums payable under this Indenture and the Notes by it; and

(c) the Issuer has delivered to the Trustee an Officer's Certificate stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

ARTICLE IX

AMENDMENTS

Section 9.1 Without Consent of Holders.

(a) The Issuer, the Note Guarantors and the Trustee may amend or supplement this Indenture, the Notes or the Note Guarantees without notice to or consent of any Holder:

(i) to cure any ambiguity, omission, defect or inconsistency;

(ii) to comply with Article IV in respect of the assumption by a Successor Issuer of the obligations of the Issuer under the Notes and this Indenture;

(iii) to provide for uncertificated Notes in addition to or in place of Certificated Notes; *provided*, *however*, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code;

(iv) to add guarantees with respect to the Notes or to secure the Notes;

(v) to add to the covenants of the Issuer or the Note Guarantors for the benefit of the Holders or to surrender any right or power herein conferred upon the Issuer or the Note Guarantors;

(vi) to make any change that does not, in the opinion of the Trustee, adversely affect the rights of any Holder in any material respect;

(vii) to conform the text of this Indenture, the Note Guarantees or the Notes to any provision of the section "Description of Notes" in the Offering Memorandum to the extent that such provision in such "Description of Notes" was intended to be a verbatim recitation of a provision of this Indenture or the Notes or Note Guarantees;

(viii) to comply with the requirements of any applicable securities depositary;

(ix) to provide for the issuance of Additional Notes as permitted by Section 2.2(c) and Section 2.14, which will have terms substantially identical to the other Outstanding Notes except as specified in Section 2.13, or Section 2.14, and which will be treated, together with any other Outstanding Notes, as a single issue of securities;

(x) in order to effect and maintain the listing or registration of the Notes on a securities market regulated by a securities authority that is a member of the Technical Committee of the International Organization of Securities Commissions.

(b) After an amendment or supplement under this Section 9.1 becomes effective, the Issuer shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.1.

Section 9.2 With Consent of Holders.

(a) The Issuer, the Note Guarantors and the Trustee may amend or supplement this Indenture or the Notes without notice to any Holder but with the written consent of the Holders of at least a majority in principal amount of the Outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Subject to Section 6.4, the Holder or Holders of a majority in aggregate principal amount of the Outstanding Notes may waive compliance by the Issuer and the Note Guarantors with any provision of this Indenture or the Notes. However, without the consent of each Holder affected, an amendment, supplement or waiver may not:

(i) reduce the amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(ii) reduce the rate of or change or have the effect of changing the time for payment of interest, including Defaulted Interest, on any Notes;

(iii) reduce the principal of or change or have the effect of changing the fixed maturity of any Notes, or change the date on which any Notes may be subject to redemption, or reduce the redemption price therefor;

(iv) make any Notes payable in money other than that stated in the Notes;

(v) make any change in the provisions of this Indenture entitling each Holder to receive payment of principal of, premium, if any, and interest on such Notes on or after the due date thereof or to bring suit to enforce such payment, or permitting Holders of a majority in principal amount of Outstanding Notes to waive Defaults or Events of Default;

(vi) amend, change or modify in any material respect any obligations of the Company to make and consummate a Change of Control Offer in respect of a Change of Control that has occurred or make and consummate an Asset Sale Offer with respect to any Asset Sale that has been consummated;

(vii) make any change in the provisions of this Indenture described under Section 3.21 that adversely affects the rights of any Holder or amend the terms of the Notes in a way that would result in a loss of exemption from Taxes; or

(viii) make any change to the provisions of this Indenture or the Notes that adversely affect the ranking of the Notes.

(b) It shall not be necessary for the consent of the Holders under this Section 9.2 to approve the particular form of any proposed amendment, supplement or waiver but it shall be sufficient if such consent approves the substance thereof.

(c) After an amendment, supplement or waiver under this Section 9.2 becomes effective, the Issuer shall mail to Holders a notice briefly describing such amendment, supplement or waiver. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment, supplement or waiver under this Section 9.2.

(d) The Notes issued on the Issue Date, and any Additional Notes part of the same series, will be treated as a single series for all purposes under this Indenture, including with respect to waivers and amendments, except as the relevant amendment, waiver, consent, modification or similar action affects the rights of the Holder of the Dollar Notes and Euro Notes dissimilarly. For the purposes of calculating the aggregate principal amount of Notes that have consented to or voted in favor of any amendment, waiver, consent, modifications or other similar action, the Issuer (acting reasonably and in good faith) shall be entitled to select a record date as of which the Dollar Equivalent of the principal amount of any Notes shall be calculated in such consent or voting process.

Section 9.3 [Reserved].

Section 9.4 Revocation and Effect of Consents and Waivers.

(a) A consent to an amendment, supplement or waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Note or portion of the Note if the Trustee receives the notice of revocation before the date the amendment, supplement or waiver becomes effective. After an amendment, supplement or waiver becomes effective, it shall bind every Holder, except as otherwise provided in this Article IX. An amendment, supplement or waiver shall become effective upon receipt by the Trustee of the requisite number of written consents under Section 9.2.

(b) The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 90 days after such record date.

Section 9.5 Notation on or Exchange of Notes. If an amendment or supplement changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note will execute and upon Issuer Order the Trustee will authenticate and make available for delivery a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment or supplement.

Section 9.6 Trustee to Sign Amendments and Supplements. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. ARTICLE X

NOTE GUARANTEES

Section 10.1 Note Guarantees.

(a) Each Note Guarantor hereby fully and unconditionally guarantees, as primary obligor and not merely as surety, jointly and severally with each other Note Guarantor, to each Holder and the Trustee, the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the Obligations (such guaranteed Obligations, the " Guaranteed Obligations"). Each Note Guarantor further agrees that its Note Guarantee herein constitutes a guarantee of payment when due (and not a guarantee of collection) and agrees to pay, in addition to the amounts stated in Section 10.1(f), any and all expenses (including reasonable counsel fees and expenses) incurred by the Trustee or the Holders in enforcing or exercising any rights under any Note Guarantee.

(b) In no event shall the Trustee or the Holders be obligated to take any action, obtain any judgment or file any claim prior to enforcing or exercising any rights under any Note Guarantee.

(c) Each Note Guarantor further agrees that its Note Guarantee constitutes an absolute and unconditional and continuing guarantee. Each Note Guarantor hereby waives, to the extent permitted by law:

(i) any claim as to the legality, validity, regularity or enforceability of this Indenture, the Notes or any other agreement;

(ii) any claim as to the lack of authority of the Issuer to execute or deliver this Indenture, the Notes or any other agreement;

(iii) diligence, presentation to, demand of payment from and protest to the Issuer of any of the Obligations and notice of protest for nonpayment;

(iv) the occurrence of any Default or Event of Default under this Indenture, the Notes or any other agreement;

(v) notice of any Default or Event of Default under this Indenture, the Notes or any other agreement;

(vi) the failure of the Trustee or any Holder to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Notes or any other agreement;

(vii) any extension or renewal of the Obligations, this Indenture, the Notes or any other agreement;

(viii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement;

(ix) the existence of any bankruptcy, insolvency, reorganization or similar proceedings involving the Issuer;

(x) any setoff, counterclaim, recoupment, termination or defense of any kind or nature which may be available to or asserted by any Note Guarantor or the Issuer against the Holders or the Trustee;

(xi) any impairment, taking, furnishing, exchange or release of, or failure to perfect or obtain protection of any security interest in, any collateral securing this Indenture and the Notes and any right to require that any resort be had by the Trustee or any Holder to any such collateral;

(xii) the failure of the Trustee or any Holder to exercise any right or remedy against any other Note Guarantor;

(xiii) any change in the ownership of the Company;

(xiv) any change in the laws, rules or regulations of any jurisdiction;

(xv) any present or future action of any governmental authority or court amending, varying, reducing or otherwise affecting, or purporting to amend, vary, reduce or otherwise affect, any of the obligations of the Issuer under this Indenture or the Notes or of any Note Guarantor under its Note Guarantee; and

(xvi) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of each Note Guarantor or would otherwise operate as a discharge of such Note Guarantor as a matter of law or equity.

(d) Each of the Note Guarantors further expressly waives irrevocably and unconditionally:

(i) Any right it may have to first require any Holder to proceed against, initiate any actions before a court of law or any other judge or authority, or enforce any other rights or security or claim payment from the Issuer or any other Person (including any Note Guarantor or any other guarantor) before claiming from it under this Indenture;

(ii) Any right to which it may be entitled to have the assets of the Company or any other Person (including any Note Guarantor or any other guarantor) first be used, applied or depleted as payment of the Issuer's or the Note Guarantors' obligations hereunder, prior to any amount being claimed from or paid by any of the Note Guarantors hereunder;

(iii) Any right to which it may be entitled to have claims hereunder divided between the Note Guarantors;

(iv) To the extent applicable, the benefits of *orden*, *excusión*, *división*, *quita* and *espera* and any right specified in articles 2814, 2815, 2817, 2818, 2819, 2820, 2821, 2822, 2823, 2826, 2837, 2838, 2839, 2840, 2845, 2846, 2847 and any other related or applicable articles that are not explicitly set forth herein because of Note Guarantor's knowledge thereof of the *Código Civil Federal* of Mexico, and the *Código Civil* of each State of the Mexican Republic and the Federal District of Mexico.

(e) The obligations assumed by each Note Guarantor hereunder shall not be affected by the absence of judicial request of payment by a Holder to the Company or by whether any such person takes timely action pursuant to articles 2848 and 2849 of the Código Civil Federal of Mexico and the Código Civil of each State of the Mexican Republic and the Federal District of Mexico and each Note Guarantor hereby expressly waives the provisions of such articles.

(f) The obligations of each Note Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Note Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder to assert any claim or demand or to enforce any remedy under this Indenture, the Notes or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the Obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of such Note Guarantor or would otherwise operate as a discharge of such Note Guarantor as a matter of law or equity.

(g) Except as provided in Section 10.2, the obligations of each Note Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason other than payment of the Obligations in full.

(h) Each Note Guarantor further agrees that its Note Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any of the Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Issuer or otherwise.

(i) In furtherance of the foregoing and not in limitation of any other right which the Trustee or any Holder has at law or in equity against each Note Guarantor by virtue hereof, upon the failure of the Issuer to pay any of the Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Note Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders an amount equal to the sum of:

(i) the unpaid amount of such Obligations then due and owing; and

(ii) accrued and unpaid interest on such Obligations then due and owing (but only to the extent not prohibited by law);

provided that any delay by the Trustee in giving such written demand shall in no event affect any Note Guarantor's obligations under its Note Guarantee.

(j) Each Note Guarantor further agrees that, as between such Note Guarantor, on the one hand, and the Holders, on the other hand:

(i) the maturity of the Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Note Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby; and

(ii) in the event of any such declaration of acceleration of such Obligations, such Obligations (whether or not due and payable) shall forthwith become due and payable by the Note Guarantor for the purposes of this Note Guarantee.

Section 10.2 Limitation on Liability; Termination, Release and Discharge.

(a) The obligations of each Note Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Note Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Note Guarantor in respect of the obligations of such other Note Guarantor under its Note Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Note Guarantor under its Note Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law.

(b) A Note Guarantor will be released and relieved of its obligations under its Note Guarantee in the event that:

(i) with respect to any Note Guarantee other than the Company there is a Legal Defeasance of the Notes pursuant to Section 8.1 or Article VIII;

(ii) there is a sale or other disposition of Capital Stock of such Note Guarantor following which such Note Guarantor is no longer a direct or indirect Subsidiary of the Company;

(iii) such Note Guarantor is designated as an Unrestricted Subsidiary in accordance with Section 3.14;

(iv) solely with respect to any Additional Note Guarantor, either (A) the Financing Agreement Indebtedness has been repaid in full and such Additional Note Guarantor is not a guarantor of the Indebtedness Incurred to refinance such Financing Agreement Indebtedness or (B) at least 85% of the outstanding Indebtedness of the Company and its Restricted Subsidiaries is not guaranteed by such Additional Note Guarantor; or

(v) solely with respect to any Additional Note Guarantor, upon the occurrence of a Partial Covenant Suspension Event or Covenant Suspension Event until the occurrence of a Partial Reversion Date or a Reversion Date, respectively, at which time the guarantee of the Notes by such Additional Note Guarantor shall be reinstated unless such Additional Note Guarantor would have been released at any time during the Partial Suspension Period or the Suspension Period, as applicable, pursuant to clause (i), (ii), (iii) or (iv) of this Section 10.2(b).

Section 10.3 Right of Contribution. Each Note Guarantor that makes a payment or distribution under a Note Guarantee will be entitled to a contribution from each other Note Guarantor in a *pro rata* amount, based on the net assets of each Note Guarantor determined in accordance with GAAP. The provisions of this Section 10.3 shall in no respect limit the obligations and liabilities of each Note Guarantor to the Trustee and the Holders and each Note Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Note Guarantor hereunder.

Section 10.4 No Subrogation. Each Note Guarantor agrees that it shall not be entitled to any right of subrogation in respect of any Guaranteed Obligations until payment in full in cash or Cash Equivalents of all Obligations. If any amount shall be paid to any Note Guarantor on account of such subrogation rights at any time when all of the Obligations shall not have been paid in full in cash or Cash Equivalents, such amount shall be held by such Note Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Note Guarantor, and shall, forthwith upon receipt by such Note Guarantor, be turned over to the Trustee in the exact form received by such Note Guarantor (duly endorsed by such Note Guarantor to the Trustee, if required), to be applied against the Obligations.

ARTICLE XI

COLLATERAL

Section 11.1 The Collateral. Subject to Section 11.2, the Issuer and the Note Guarantors agree that the Notes will be at all times secured by a first-priority security interest in the Collateral on an equal and ratable basis with the Permitted Secured Obligations.

Section 11.2 Release of the Collateral.

(a) The Notes will cease to be secured by a security interest in the Collateral in accordance with the provisions of the Intercreditor Agreement.

(b) In addition to the Collateral release provisions set forth in the Intercreditor Agreement, the Notes will cease to be secured by a security interest on the Collateral upon:

(i) (A) payment in full of the principal of, any accrued and unpaid interest on, the Notes and all other amounts or Obligations that are due and payable at or prior to the time such principal, accrued and unpaid interest, if any, are paid, (B) a satisfaction and discharge of this Indenture or (C) a Legal Defeasance or Covenant Defeasance pursuant to Article VIII; or

(ii) a refinancing of the Financing Agreement Indebtedness in full as a result of which the Collateral does not secure Indebtedness Incurred to refinance such Financing Agreement Indebtedness.

Section 12.7 Governing Law, etc.

(a) THIS INDENTURE (INCLUDING EACH NOTE GUARANTEE) AND THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK. THE PARTIES HERETO EACH HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR EACH NOTE GUARANTEE OR ANY TRANSACTION RELATED HERETO OR THERETO TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW.

(b) Each of the parties hereto hereby:

(i) agrees that any suit, action or proceeding against it arising out of or relating to this Indenture (including the Note Guarantees) or the Notes, as the case may be, may be instituted in any Federal or state court sitting in The City of New York and in the courts of its own corporate domicile, in respect of actions brought against it as a defendant,

(ii) waives to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of venue of any such suit, action or proceeding, any claim that any suit, action or proceeding in such a court has been brought in an inconvenient forum, and any right to which it may be entitled, on account of place of residence or domicile,

(iii) irrevocably submits to the jurisdiction of such courts in any suit, action or proceeding,

(iv) agrees that final judgment in any such suit, action or proceeding brought in such a court shall be conclusive and binding may be enforced in the courts of the jurisdiction of which it is subject by a suit upon judgment, and

(v) agrees that service of process by mail to the addresses specified herein shall constitute personal service of such process on it in any such suit, action or proceeding.

(c) The Issuer and the Note Guarantors have appointed Corporate Creations Network Inc., 1040 Avenue of the Americas #2400, New York, NY 10018 (U.S.A.) as its authorized agent (the "Authorized Agent") upon whom all writs, process and summonses may be served in any suit, action or proceeding arising out of or based upon this Indenture or the Notes which may be instituted in any state or federal court in The City of New York, New York. The Note Guarantors hereby represent and warrant that the Authorized Agent has accepted such appointment and has agreed to act as said agent for service of process, and the Note Guarantors agree to take any and all action, including the filing of any and all documents, that may be necessary to continue each such appointment in full force and effect as aforesaid so long as the Notes remain outstanding. The Note Guarantors agree that the appointment of the Authorized Agent shall be irrevocable so long as any of the Notes remain outstanding or until the irrevocable appointment by the Note Guarantors of a successor agent in The City of New York, New York as each of their authorized agent for such purpose and the acceptance of such appointment by such successor. Service of process upon the Authorized Agent shall be deemed, in every respect, effective service of process upon the Note Guarantors.

(d) To the extent that any of the Issuer and the Note Guarantors have or hereafter may acquire any immunity (sovereign or otherwise) from any legal action, suit or proceeding, from jurisdiction of any court or from set-off or any legal process (whether service or notice, attachment in aid or otherwise) with respect to itself or any of its property, the Issuer and the Note Guarantors hereby irrevocably waive and agree not to plead or claim such immunity in respect of their obligations under this Indenture or the Notes.

(e) Nothing in this Section 12.7 shall affect the right of the Trustee or any Holder of the Notes to serve process in any other manner permitted by law.

Section 12.8 Spanish Companies Act (*Ley de Sociedades Anónimas*). Since the New Senior Secured Notes are governed by the Law of the State of New York as per Section 12.7 above, holders of New Senior Secured Notes (i) will not benefit from (a) any right as a holder of New Senior Secured Notes arising from article 289 of the Spanish Companies Act, (b) the constitution of a syndicate of holders (*sindicato de obligacionistas*) and (c) the appointment of a commissioner (*comisario*), both regulated in articles 283.2 and 295 et seq. of the Spanish Companies Act; and (ii) will be deemed to have irrevocably instructed the trustee to take any action and/or to sign or execute and deliver any documents or notices that may be necessary or desirable to comply and give effect to (i).

Section 12.9 No Recourse Against Others. An incorporator, director, officer, employee, stockholder or controlling person, as such, of the Issuer or any Note Guarantor shall not have any liability for any obligations of the Issuer or any Note Guarantor under the Notes or this Indenture or for any claims based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each Holder shall waive and release all such liability.

Section 12.10 Successors. All agreements of the Issuer, the Company and any Note Guarantor in this Indenture and the Notes shall bind their respective successors. All agreements of the Trustee in this Indenture shall bind its successors.

Section 12.11 Duplicate and Counterpart Originals. The parties may sign any number of copies of this Indenture. One signed copy is enough to prove this Indenture. This Indenture may be executed in any number of counterparts, each of which so executed shall be an original, but all of them together represent the same agreement.

Section 12.12 Severability. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 12.13 [Reserved].

Section 12.14 Currency Indemnity.

(a) U.S. Legal Tender is the sole currency of account and payment for all sums payable by the Issuer and any Note Guarantor under or in connection with the Dollar Notes or this Indenture, including damages. Any amount received or recovered in currency other than U.S. Legal Tender in respect of the Dollar Notes (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer, a Note Guarantor or any Subsidiary of the Issuer or otherwise) by any Holder of the Dollar Notes in respect of any sum expressed to be due to it from the Issuer or any Note Guarantor shall only constitute a discharge of them under the Dollar Notes and this Indenture only to the extent of the U.S. Legal Tender amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that U.S. Legal Tender amount is less than the U.S. Legal Tender amount expressed to be due to the recipient under the Dollar Notes or this Indenture, the Issuer and the Note Guarantors shall jointly and severally indemnify and hold harmless the recipient against any loss or cost sustained by it in making any such purchase. For the purposes of this Section 12.14, it will be sufficient for the Holder of a Dollar Note to certify that it would have suffered a loss had an actual purchase of U.S. Legal Tender been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of U.S. Legal Tender on such date had not been practicable, on the first date on which it would have been practicable).

(b) The Euro is the sole currency of account and payment for all sums payable by the Issuer and any Note Guarantor under or in connection with the Euro Notes or this Indenture, including damages. Any amount received or recovered in currency other than Euros in respect of the Euro Notes (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer, a Note Guarantor or any Subsidiary of the Issuer or otherwise) by any Holder of the Euro Notes in respect of any sum expressed to be due to it from the Issuer or any Note Guarantor shall only constitute a discharge of them under the Euro Notes and this Indenture only to the extent of the Euro amount which the recipient is able to purchase with the amount so received or recovered in that other currency on

the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that Euro amount is less than the Euro amount expressed to be due to the recipient under the Euro Notes or this Indenture, the Issuer and the Note Guarantors shall jointly and severally indemnify and hold harmless the recipient against any loss or cost sustained by it in making any such purchase. For the purposes of this Section 12.14, it will be sufficient for the Holder of a Euro Note to certify that it would have suffered a loss had an actual purchase of Euro been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of Euro on such date had not been practicable, on the first date on which it would have been practicable).

(c) The indemnities of the Issuer and the Note Guarantors contained in this Section 12.14, to the extent permitted by law: (i) constitute a separate and independent obligation from the other obligations of the Issuer and the Note Guarantors under this Indenture and the Notes; (ii) shall give rise to a separate and independent cause of action against the Issuer and the Note Guarantors; (iii) shall apply irrespective of any waiver granted by any Holder of the Notes or the Trustee from time to time; and (iv) shall continue in full force and effect notwithstanding any other judgment, order, claim or proof of claim for a liquidated amount in respect of any sum due under the Notes or this Indenture or any other judgment or order.

Section 12.15 Table of Contents; Headings. The table of contents and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

L. 107-56 (signed into law on October 26, 2001)) (as amended, modified or supplemented from time to time, the " USA Patriot Act"), the Trustee, like all financial institutions, is required to obtain, verify, and record information that identifies each person or legal entity that opens an account. The parties to this Agreement agree that they will provide the Trustee with such information as the Trustee may request in order for the Trustee to satisfy the requirements of the USA Patriot Act.

IN WITNESS WHEREOF, the parties have caused this Indenture to be duly executed as of the date first written above.

FORM OF REVERSE SIDE OF NOTE

9.25% U.S. Dollar-denominated Senior Secured Notes Due 2020

Capitalized terms used but not defined herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. Interest

CEMEX España, S.A., acting through its Luxembourg Branch, CEMEX España, S.A., Luxembourg Branch (together with its successors and assigns, the "Issuer") promises to pay interest on the principal amount of this Note at the rate per annum shown above.

The Issuer will pay interest semiannually in arrears on each Interest Payment Date of each year commencing November 15, 2010; *provided* that if any such Interest Payment Date is not a Business Day, then such payment shall be made on the next succeeding Business Day. Interest on the Notes will accrue from the most recent date to which interest has been paid on the Notes or, if no interest has been paid, from May 12, 2010; *provided* that if there is no existing Default or Event of Default on the payment of interest, and if this Note is authenticated between a Record Date referred to on the face hereof and the next succeeding Interest Payment Date (but after May 12, 2010), interest shall accrue from such next succeeding Interest Payment Date, except in the case of the original issuance of Notes, in which case interest shall accrue from May 12, 2010. The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (" Defaulted Interest"), without regard to any applicable grace period, at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

All payments made by the Issuer in respect of the Notes will be made free and clear of and without deduction or withholding for or on account of any Taxes imposed or levied by or on behalf of any Taxing Authority, unless such withholding or deduction is required by law or by the interpretation or administration thereof. In that event, the Issuer will pay to each Holder of the Notes Additional Amounts as provided in the Indenture subject to the limitations set forth in the Indenture.

2. Method of Payment

By at least 10:00 a.m. (New York City time) on the Business Day prior to the date on which any principal of or interest on any Note is due and payable, the Issuer shall irrevocably deposit with the Trustee or the Paying Agent money sufficient to pay such principal and/or interest. The Issuer will pay interest (except Defaulted Interest) on the applicable Interest Payment Date to the Persons who are registered Holders of Notes at the close of business on the Record Date preceding the Interest Payment Date even if Notes are canceled, repurchased or redeemed after the Record Date and on or before the relevant Interest Payment Date, except as provided in Section 2.13 with respect to Defaulted Interest. Holders must surrender Notes to a Paying Agent to collect principal payments. The Issuer will pay principal and interest in U.S. Legal Tender.

Payments in respect of Notes represented by a Global Note (including principal and interest) will be made by the transfer of immediately available funds to the accounts specified by the DTC. The Issuer will make all payments in respect of a Certificated Note (including principal and interest) by mailing a check to the registered address of each registered Holder thereof as set forth in the Note Register; *provided*, *however*, that payments on the Notes may also be made, in the case of a Holder of at least U.S.$1,000,000 aggregate principal amount of Notes, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 15 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. Paying Agent and Registrar

Initially, The Bank of New York Mellon, the Trustee under the Indenture, will act as Trustee, Paying Agent and Registrar. The Issuer may appoint and change any Paying Agent, Registrar or co-Registrar without notice to any Holder. The Issuer, any Note Guarantor or any of their respective Affiliates may act as Paying Agent, Registrar or co-Registrar.

4. Indenture

The Issuer issued the Notes under an Indenture, dated as of May 12, 2010 (as it may be amended or supplemented from time to time in accordance with the terms thereof, the "Indenture"), among the Issuer, the Note Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of those terms. Each Holder, by accepting a Note, agrees to be bound by all of the terms and provisions of the Indenture, as amended or supplemented from time to time.

The Notes are general senior obligations, which are secured by a first priority security interest in the Collateral on an equal and ratable basis with the other Permitted Secured Obligations, subject to the Collateral release provisions set forth in the Intercreditor Agreement. U.S.$ [_____] in aggregate principal amount of Notes will be initially issued on the Issue Date. Subject to the conditions set forth in the Indenture and without the consent of the Holders, the Issuer may issue Additional Notes. All Notes will be treated as a single series of securities under the Indenture. The Indenture imposes certain limitations on, among other things, the ability of the Issuer and its Restricted Subsidiaries to: Incur Indebtedness, make Restricted Payments, incur Liens, designate Unrestricted Subsidiaries, make Asset Sales, enter into transactions with Affiliates, or consolidate or merge or transfer or convey all or substantially all of the Issuer's assets.

To guarantee the due and punctual payment of the principal of (and premium, if any) and interest on the Notes and all other amounts payable by the Issuer under the Indenture and the Notes when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Notes and the Indenture, CEMEX, S.A.B. de C.V., CEMEX México, S.A. de C.V. and New Sunward Holding B.V. have unconditionally guaranteed, jointly and severally, such obligations pursuant to the terms of the Indenture. Each Note Guarantee will be subject to release as provided in the Indenture.

The obligations of each Note Guarantor in respect of its Note Guarantee will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Note Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Note Guarantor in respect of the obligations of such other Note Guarantor under its Note Guarantee or pursuant to its contribution obligations under the Indenture, result in the obligations of such Note Guarantor under its Note Guarantee not constituting a fraudulent conveyance, fraudulent transfer, or similar illegal transfer under federal or state law or the law of the jurisdiction or formation and incorporation of such Note Guarantors.

5. Optional Redemption

Except as stated below, the Issuer may not redeem the Dollar Notes. The Issuer may redeem the Dollar Notes, at its option, in whole at any time or in part from time to time, on and after May 12, 2015, at the following redemption prices, expressed as percentages of the principal amount thereof, if redeemed during the twelve-month period commencing on May 12 of any year set forth below, plus any accrued and unpaid interest on the principal amount of the Dollar Notes to the date of redemption:

	USD
2015	104.625%
2016	102.313%
2017 and thereafter	100.000%

provided, however, that the Issuer shall not have the right to exercise any such optional redemption at any time when the Company is prohibited from having such an option under the Financing Agreement.

Prior to May 12, 2015, the Issuer will have the right, at its option, to redeem any of the Dollar Notes, in whole or in part, at any time or from time to time prior to their maturity at a redemption price equal to the greater of (1) 100% of the principal amount of such Dollar Notes and (2) the sum of the present value of each remaining scheduled payment of principal and interest thereon (exclusive of interest accrued to the date of redemption) discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus 50 basis points, plus any accrued and unpaid interest on the principal amount of the Dollar Notes to the date of redemption, *provided*, *however*, that the Issuer shall not have the right to exercise any such optional redemption at any time when the Company is prohibited from having such an option under the Financing Agreement.

"Treasury Rate" means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity or interpolated maturity (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

"Comparable Treasury Issue" means the United States Treasury security or securities selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of a comparable maturity to the remaining term of such Notes.

"Independent Investment Banker" means one of the Reference Treasury Dealers appointed by the Issuer.

"Comparable Treasury Price" means, with respect to any redemption date (1) the average of the Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotation or (2) if the Trustee obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

"Reference Treasury Dealer" means J.P. Morgan Securities Inc. or its affiliates which are primary United States government securities dealers and not less than two other leading primary United States government securities dealers in New York City reasonably designated by the Issuer; *provided, however*, that if any of the foregoing shall cease to be a primary United States government securities dealer in New York City (a " Primary Treasury Dealer"), the Issuer will substitute therefore another Primary Treasury Dealer.

"Reference Treasury Dealer Quotation" means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Trustee, of the bid and asked price for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Trustee by such Reference Treasury Dealer at 3:30 pm New York time on the third business day preceding such redemption date.

Optional Redemption upon Equity Offerings . At any time, or from time to time, on or prior to May 12, 2015, the Issuer may, at its option, use the net cash proceeds of one or more Equity Offerings to redeem in the aggregate up to 35% of the aggregate principal amount of the Notes issued pursuant to the Indenture at a redemption price equal to 109.25% of the principal amount thereof plus any accrued and unpaid interest on the principal amount of the Notes to the date of redemption; *provided*, that:

- after giving effect to any such redemption at least 65% of the aggregate principal amount of the Notes issued under the Indenture remains outstanding; and
- the Issuer shall make such redemption not more than 90 days after the consummation of such Equity Offering;

provided, however, that the Issuer shall not have the right to exercise any such optional redemption at any time when the Company is prohibited from exercising such an option under the Financing Agreement.

"Equity Offering" means any public or private sale of Qualified Capital Stock after the Issue Date for cash other than issuances to any Subsidiary of the Company.

Optional Redemption for Changes in Withholding Taxes. If, as a result of any amendment to, or change in, the laws (or any rules or regulations thereunder) of a Taxing Jurisdiction affecting taxation, or any amendment to or change in an official interpretation or application of such laws, rules or regulations that has a general effect, which amendment to or change of such laws, rules or regulations becomes effective on or after the Issue Date (which, in the case of a merger, consolidation or other transaction permitted and described under Article IV shall be treated for this purpose as the date of such transaction) we would be obligated, after taking all reasonable measures to avoid this requirement, to pay Additional Amounts in excess of those attributable to a withholding tax rate of 10% with respect to the Notes (see "Additional Amounts"), then, at our option, all, but not less than all, of the Notes may be redeemed at any time on giving not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the outstanding principal amount, plus any accrued and unpaid interest on the principal amount of the Notes to the date of redemption; *provided*, *however*, that (1) no notice of redemption for tax reasons may be given earlier than 90 days prior to the earliest date on which we would be obligated to pay these Additional Amounts if a payment on the Notes were then due, and (2) at the time such notice of redemption is given such obligation to pay such Additional Amounts remains in effect; *provided, further, however*, that the Issuer shall not have the right to exercise any such optional redemption at any time when the Company is prohibited from having such an option under the Financing Agreement.

Prior to the publication of any notice of redemption pursuant to this provision, we will deliver to the Trustee:

- an Officer's Certificate stating that we are entitled to effect the redemption and setting forth a statement of facts showing that the conditions precedent to our right to redeem have occurred, and
- an opinion of outside legal counsel of recognized standing in the affected Taxing Jurisdiction to the effect that we have or will become obligated to pay such Additional Amounts as a result of such change or amendment.

This notice, once delivered by us to the Trustee, will be irrevocable.

In the case of any partial redemption, selection of the Notes for redemption will be made in accordance with Article V of the Indenture. On and after the redemption date, interest will cease to accrue on Notes or portions thereof called for redemption as long as the Issuer has deposited with the Paying Agent funds in satisfaction of the applicable redemption price pursuant to the Indenture.

6. Mandatory Repurchase Provisions

Change Of Control Offer. Upon the occurrence of a Change of Control, each Holder of Notes will have the right to require that the Issuer purchase all or a portion (in integral multiples of U.S.$1,000) of the Holder's Notes at a purchase price equal to 101% of the principal amount thereof, plus accrued and unpaid interest through the date of purchase. Within 30 days

following the date upon which the Change of Control occurred, the Issuer must make a Change of Control Offer pursuant to a Change of Control Notice. As more fully described in the Indenture, the Change of Control Notice shall state, among other things, the Change of Control Payment Date, which must be no earlier than 30 days nor later than 60 days from the date the notice is mailed, other than as may be required by applicable law.

Asset Sale Offer. The Indenture imposes certain limitations on the ability of the Company and its Restricted Subsidiaries to make Asset Sales. In the event the proceeds from a permitted Asset Sale exceed certain amounts and are not applied as specified in the Indenture, the Company will be required to make an Asset Sale Offer to purchase to the extent of such remaining proceeds each Holder's Notes together with holders of certain other Indebtedness at 100% of the principal amount thereof, plus accrued interest (if any) to the Asset Sale Offer Payment Date, as more fully set forth in the Indenture.

7. Denominations; Transfer; Exchange

The Notes are in fully registered form without coupons, and only in denominations of principal amount of U.S.$70,000 and integral multiples of U.S.$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Registrar shall not be required to register the transfer or exchange of (x) any Note for a period beginning: (1) 15 days before the mailing of a notice of an offer to repurchase or redeem Notes and ending at the close of business on the day of such mailing or (2) 15 days before an Interest Payment Date and ending on such Interest Payment Date and (y) any Note selected for repurchase or redemption, except the unrepurchased or unredeemed portion thereof, if any.

8. Persons Deemed Owners

The registered holder of this Note may be treated as the owner of it for all purposes.

9. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Issuer at its request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look only to the Issuer and not to the Trustee for payment.

10. Discharge Prior to Redemption or Maturity

Subject to certain conditions set forth in the Indenture, the Issuer at any time may terminate some or all of its obligations under the Notes and the Indenture if the Issuer deposits with the Trustee U.S. Legal Tender or U.S. Government Obligations for the payment of principal of and interest on the Notes to redemption or maturity, as the case may be.

11. Amendment, Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Notes may be amended or supplemented with the written consent of the Holders of at least a majority in principal amount of the then Outstanding Notes and (ii) any default (other than with respect to nonpayment or in respect of a provision that cannot be amended or supplemented without the written consent of each Holder affected) or noncompliance with any provision may be waived with the written consent of the Holders of a majority in aggregate principal amount of the then Outstanding Notes. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Issuer and the Trustee may amend or supplement the Indenture or the Notes to, among other things, cure any ambiguity, omission, defect or inconsistency, or to comply with Article IV of the Indenture, or to provide for uncertificated Notes in addition to or in place of certificated Notes, or to add guarantees with respect to the Notes or to secure the Notes, or to add additional covenants or surrender rights and powers conferred on the Company, or to make any change that does not adversely affect the rights of any Holder, or to provide for the issuance of Additional Notes.

12. Defaults and Remedies

If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Outstanding Notes may declare all the Notes to be due and payable immediately. A Bankruptcy Event of Default will result in the Notes being due and payable immediately upon the occurrence of such Bankruptcy Event of Default.

Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes unless it receives reasonable indemnity or security. Subject to certain limitations, Holders of a majority in principal amount of the Outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default or Event of Default (except a Default or Event of Default in payment of principal or interest) if it determines that withholding notice is in their interest.

13. Trustee Dealings with the Issuer and the Note Guarantors

Subject to certain limitations set forth in the Indenture, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuer, any Note Guarantor or its Affiliates and may otherwise deal with the Issuer, any Note Guarantor or its Affiliates with the same rights it would have if it were not Trustee.

14. No Recourse Against Others

An incorporator, director, officer, employee, stockholder or controlling person, as such, of the Issuer or any Note Guarantor shall not have any liability for any obligations of the Issuer or any Note Guarantor under the Notes or the Indenture or for any claims based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each holder waives and releases all such liability.

17. CUSIP Numbers

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures the Issuer has caused CUSIP or other similar numbers to be printed on the Dollar Notes and has directed the Trustee to use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

18. Governing Law

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

19. Currency of Account; Conversion of Currency .

Capitalized terms used but not defined herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. Interest

CEMEX España, S.A. acting through its Luxembourg Branch, CEMEX España, S.A., Luxembourg Branch (together with its successors and assigns, the "Issuer"), promises to pay interest on the principal amount of this Note at the rate per annum shown above.

The Issuer will pay interest semiannually in arrears on each Interest Payment Date of each year commencing November 15, 2010; *provided* that if any such Interest Payment Date is not a Business Day, then such payment shall be made on the next succeeding Business Day. Interest on the Notes will accrue from the most recent date to which interest has been paid on the Notes or, if no interest has been paid, from May 12, 2010; *provided* that if there is no existing Default or Event of Default on the payment of interest, and if this Note is authenticated between a Record Date referred to on the face hereof and the next succeeding Interest Payment Date (but after May 12, 2010), interest shall accrue from such next succeeding Interest Payment Date, except in the case of the original issuance of Notes, in which case interest shall accrue from May 12, 2010. The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (" Defaulted Interest"), without regard to any applicable grace period, at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

All payments made by the Issuer in respect of the Notes will be made free and clear of and without deduction or withholding for or on account of any Taxes imposed or levied by or on behalf of any Taxing Authority, unless such withholding or deduction is required by law or by the interpretation or administration thereof. In that event, the Issuer will pay to each Holder of the Notes Additional Amounts as provided in the Indenture subject to the limitations set forth in the Indenture.

2. Method of Payment

By at least 3:00 p.m. (London time) on the Business Day prior to the date on which any principal of or interest on any Note is due and payable, the Issuer shall irrevocably deposit with the Trustee or the Paying Agent money sufficient to pay such principal and/or interest. The Issuer will pay interest (except Defaulted Interest) on the applicable Interest Payment Date to the Persons who are registered Holders of Notes at the close of business on the Record Date preceding the Interest Payment Date even if Notes are canceled, repurchased or redeemed after the Record Date and on or before the relevant Interest Payment Date, except as provided in Section 2.13 with respect to Defaulted Interest. Holders must surrender Notes to a Paying Agent to collect principal payments. The Issuer will pay principal and interest in Euros.

Payments in respect of Notes represented by a Global Note (including principal and interest) will be made by the transfer of immediately available funds to the accounts specified by Euroclear or Clearstream. The Issuer will make all payments in respect of a Certificated Note (including principal and interest) by mailing a check to the registered address of each registered Holder thereof as set forth in the Note Register; *provided*, *however*, that payments on the Notes may also be made, in the case of a Holder of at least €50,000,000 aggregate principal amount of Notes, by wire transfer to an account maintained by the payee if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 15 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. Paying Agent and Registrar

The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of those terms. Each Holder, by accepting a Note, agrees to be bound by all of the terms and provisions of the Indenture, as amended or supplemented from time to time.

Each Note Guarantee will be subject to release as provided in the Indenture.

The obligations of each Note Guarantor in respect of its Note Guarantee will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Note Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Note Guarantor in respect of the obligations of such other Note Guarantor under its Note Guarantee or pursuant to its contribution obligations under the Indenture, result in the obligations of such Note Guarantor under its Note Guarantee not constituting a fraudulent conveyance, fraudulent transfer, or similar illegal transfer under federal or state law or the law of the jurisdiction or formation and incorporation of such Note Guarantors.

5. Optional Redemption

Except as stated below, the Issuer may not redeem the Notes. The Issuer may redeem the Notes, at its option, in whole at any time or in part from time to time, on and after May 12, 2014, at the following redemption prices, expressed as percentages of the principal amount thereof, if redeemed during the twelve-month period commencing on May 12, 2014, of any year set forth below, plus any accrued and unpaid interest on the principal amount of the Notes to the date of redemption:

Year	Percentage
2014	104.438%
2015	102.219%
2016	100.000%
2017 and thereafter	100.000%

provided, however, that the Issuer shall not have the right to exercise any such optional redemption at any time when the Company is prohibited from having such an option under the Financing Agreement.

Prior to May 12, 2014, the Issuer will have the right, at its option, to redeem any of the Notes, in whole or in part, at any time or from time to time prior to their maturity at a redemption price equal to the greater of (1) 100% of the principal amount of such Notes and (2) the sum of the present value of each remaining scheduled payment of principal and interest thereon (exclusive of interest accrued to the date of redemption) discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Bund Rate (as defined below) plus 50 basis points, plus any accrued and unpaid interest on the principal amount of the Notes to the date of redemption *provided, however,* that the Issuer shall not have the right to exercise any such optional redemption at any time when the Company is prohibited from having such an option under the Financing Agreement.

"Bund Rate" means, as of any redemption date, the yield to maturity as of such redemption date of the Comparable German Bund Issue with a constant maturity most nearly equal to the period from the redemption date to the Stated Maturity assuming a price for the Comparable German Bund Issue (expressed as a percentage of its principal amount) equal to the Comparable German Bund Price for such redemption date.

"Comparable German Bund Issue" means the German Bundesanleihe security selected by any Reference German Bund Dealer as having a fixed maturity most nearly equal to the period from such redemption date to and that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues euro-denominated corporate debt securities in a principal amount approximately equal to the then outstanding principal amount of the Notes and of a maturity most nearly equal to May 12, 2017; *provided, however*, that, if the period from such redemption date to May 12, 2017 is not equal to the fixed maturity of the German Bundesanleihe security selected by such Reference German Bund Dealer, the Bund Rate shall be determined by linear interpolation (calculated to the nearest one-twelfth of a year) from the yields of German Bundesanleihe securities for which such yields are given, except that if the period from such redemption date to May 12, 2017 is less than one year, a fixed maturity of one year shall be used.

"Comparable German Bund Price" means, with respect to any redemption date, the average of all Reference German Bund Dealer Quotations for such date (which, in any event, must include at least two such quotations), after excluding the highest and lowest such Reference German Bund Dealer Quotations, or if the Issuer obtains fewer than four such Reference German Bund Dealer Quotations, the average of such quotations.

"Reference German Bund Dealer" means any dealer of German Bundesanleihe securities appointed by the Issuer in good faith.

"Reference German Bund Dealer Quotations" means, with respect to each Reference German Bund Dealer and any redemption date, the average as determined by the Issuer in good faith of the bid and offered prices for the Comparable German Bund Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Issuer by such Reference German Bund Dealer at 3:30 p.m. Frankfurt, Germany, time on the third Business Day preceding the redemption date.

Optional Redemption upon Equity Offerings. At any time, or from time to time, on or prior to May 12, 2014, the Issuer may, at its option, use the net cash proceeds of one or more Equity Offerings to redeem in the aggregate up to 35% of the aggregate principal amount of the Notes issued pursuant to the Indenture at a redemption price equal to 108.875% of the principal amount thereof plus any accrued and unpaid interest on the principal amount of the Notes to the date of redemption; *provided*, that:

- after giving effect to any such redemption at least 65% of the aggregate principal amount of the Notes issued under the Indenture remains outstanding; and
- the Issuer shall make such redemption not more than 90 days after the consummation of such Equity Offering;

provided, however, that the Issuer shall not have the right to exercise any such optional redemption at any time when the Company is prohibited from exercising such an option under the Financing Agreement.

"Equity Offering" means any public or private sale of Qualified Capital Stock after the Issue Date for cash other than issuances to any Subsidiary of the Company.

Optional Redemption for Changes in Withholding Taxes. If, as a result of any amendment to, or change in, the laws (or any rules or regulations thereunder) of a Taxing Jurisdiction affecting taxation, or any amendment to or change in an official interpretation or application of such laws, rules or regulations that has a general effect, which amendment to or change of such laws, rules or regulations becomes effective on or after the Issue Date (which, in the case of a merger, consolidation or other transaction permitted and described under Article IV shall be treated for this purpose as the date of such transaction) we would be obligated, after taking all reasonable measures to avoid this requirement, to pay Additional Amounts in excess of those attributable to a withholding tax rate of 10% with respect to the Notes (see "Additional Amounts"), then, at our option, all, but not less than all, of the Notes may be redeemed at any time on giving not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the outstanding principal amount, plus any accrued and unpaid interest on the principal amount of the Notes to the date of redemption; *provided*, *however*, that (1) no notice of redemption for tax reasons may be given earlier than 90 days prior to the earliest date on which we would be obligated to pay these Additional Amounts if a payment on the Notes were then due, and (2) at the time such notice of redemption is given such obligation to pay such Additional Amounts remains in effect; *provided further, however*, that the Issuer shall not have the right to exercise any such optional redemption at any time when the Issuer is prohibited from having such an option under the Financing Agreement.

Prior to the publication of any notice of redemption pursuant to this provision, we will deliver to the Trustee:

- an Officer's Certificate stating that we are entitled to effect the redemption and setting forth a statement of facts showing that the conditions precedent to our right to redeem have occurred, and
- an opinion of outside legal counsel of recognized standing in the affected Taxing Jurisdiction to the effect that we have or will become obligated to pay such Additional Amounts as a result of such change or amendment.

This notice, once delivered by us to the Trustee, will be irrevocable.

In the case of any partial redemption, selection of the Notes for redemption will be made in accordance with Article V of the Indenture. On and after the redemption date, interest will cease to accrue on Notes or portions thereof called for redemption as long as the Issuer has deposited with the Paying Agent funds in satisfaction of the applicable redemption price pursuant to the Indenture.

6. Mandatory Repurchase Provisions

Change Of Control Offer. Upon the occurrence of a Change of Control, each Holder of Notes will have the right to require that the Issuer purchase all or a portion (in integral multiples of €1,000) of the Holder's Notes at a purchase price equal to 101% of the principal amount thereof, plus accrued and unpaid interest through the date of purchase. Within 30 days

following the date upon which the Change of Control occurred, the Issuer must make a Change of Control Offer pursuant to a Change of Control Notice. As more fully described in the Indenture, the Change of Control Notice shall state, among other things, the Change of Control Payment Date, which must be no earlier than 30 days nor later than 60 days from the date the notice is mailed, other than as may be required by applicable law.

Asset Sale Offer. The Indenture imposes certain limitations on the ability of the Company and its Restricted Subsidiaries to make Asset Sales. In the event the proceeds from a permitted Asset Sale exceed certain amounts and are not applied as specified in the Indenture, the Company will be required to make an Asset Sale Offer to purchase to the extent of such remaining proceeds each Holder's Notes together with holders of certain other Indebtedness at 100% of the principal amount thereof, plus accrued interest (if any) to the Asset Sale Offer Payment Date, as more fully set forth in the Indenture.

10. Discharge Prior to Redemption or Maturity

12. Defaults and Remedies

If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Outstanding Notes may declare all the Notes to be due and payable immediately. The Trustee may refuse to enforce the Indenture or the Notes unless it receives reasonable indemnity or security. Subject to certain limitations, Holders of a majority in principal amount of the Outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default or Event of Default (except a Default or Event of Default in payment of principal or interest) if it determines that withholding notice is in their interest.

13. Trustee Dealings with the Issuer and the Note Guarantors
