(2) reduce the percentage in principal amount of the Outstanding Securities, the consent of whose Holders is required for any such supplemental indenture or any amendment or modification to the Guarantee, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Note Indenture or certain defaults hereunder and their consequences or of compliance with the Guarantee) provided for in this Note Indenture, or

(3) modify any of the provisions of this Section 902 or Section 513 except to increase any such percentage or to provide that certain other provisions of this Note Indenture and the Guarantee cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby, or

(4) modify any of the provisions of Section 113, 1006 or 1010 in a manner adverse to any Holder of a Security, or

(5) release any Guarantor (other than as provided in Article Eight hereof).

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 903 Execution of Supplemental Indentures.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Note Indenture, the Trustee shall be entitled to receive, and (subject to Section 601) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Note Indenture. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Note Indenture or otherwise.

SECTION 904 Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article, this Note Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Note Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 905 Reference in Securities to Supplemental Indentures.

Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities so modified as to conform, in the opinion of the Trustee and the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Securities.

ARTICLE TEN

Covenants

SECTION 1001 Payment of Principal and Interest.

The Company will duly and punctually pay the principal of and interest (together with any Additional Amounts payable thereon) on the Securities in accordance with the terms of the Securities and this Note Indenture. The Guarantors jointly and severally covenant that they will, as and when any amounts are due hereunder or under any Security, duly and punctually pay such amounts as provided in the Guarantee.

SECTION 1002 Maintenance of Office or Agency.

The Company will maintain in the Borough of Manhattan, The City of New York, an office or agency where Securities may be presented or surrendered for payment, where Securities may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company or any Guarantor in respect of the Securities, this Note Indenture or the Guarantee may be served. The Company will give prompt written notice to the Trustee of the

location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and each of the Company and the Guarantors hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

SECTION 1003 Money for Security Payments to Be Held in Trust.

If the Company shall at any time act as its own Paying Agent, it will, on or before each due date of the principal of or interest (together with any Additional Amounts payable thereon) on any of the Securities, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal or interest (together with any Additional Amounts payable thereon) so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents, it will, prior to each due date of the principal of or interest (together with any Additional Amounts payable thereon) on any Securities, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held in trust for the benefit of Persons entitled to such principal or interest (together with any Additional Amounts payable thereon), and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company will cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 1003, that such Paying Agent will

(1) hold all sums held by it for the payment of the principal of or interest on Securities in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;

(2) give the Trustee notice of any default by the Company (or any other obligor upon the Securities including, without limitation, any Guarantor) in the making of any payment in respect of the Securities; and

(3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Note Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of or interest (together with any Additional Amounts payable thereon) on any Security and remaining unclaimed for two years after such principal or interest (together with any Additional Amounts payable thereon) has become due and

payable shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in newspapers published in the English language, customarily published on each Business Day and of general circulation in the Borough of Manhattan, The City of New York, that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company.

SECTION 1004 Statement by Officers as to Default.

In the event that any officer of the Company or CEMEX becomes aware of or obtains knowledge of the occurrence of any Event of Default or Default, if any such Event of Default or Default is then continuing, CEMEX will deliver to a Responsible Officer of the Trustee an Officers' Certificate of CEMEX, one of the signatories of which shall be the Corporate Planning and Finance Director, Finance Director, Chief Financial Officer or Comptroller of CEMEX, setting forth the details thereof and the action that the Company or CEMEX is taking or proposes to take with respect thereto and shall make such Officers' Certificate available for inspection by Holders and holders of beneficial interests in the Securities.

SECTION 1005 Corporate Existence.

The Company and each Guarantor will at all times preserve and keep in full force and effect its corporate existence and rights and franchises deemed material to its business, except as otherwise specifically permitted by Section 801 and except that the corporate existence of any Subsidiary of CEMEX may be terminated, and any right or franchise may be disposed of, if such termination or disposition is, in the good faith judgment of CEMEX, in the best interests of CEMEX and is not disadvantageous to the Holders or the holders of beneficial interests in Securities.

SECTION 1006 Available Information.

(a) At all times when CEMEX is required to file any financial statements or reports with the Commission, CEMEX shall use its best efforts to file all required statements or reports in a timely manner in accordance with the rules and regulations of the Commission. In addition, at any time when CEMEX is not subject to or is not current in its reporting obligations under Section 13 or Section 15(d) of the Exchange Act or is not included on the Commission's list of foreign private issuers that claim exemption from the registration requirements of Section 12(g) of the Exchange Act pursuant to Rule 12g3-2(b) thereunder and any Debentures remain outstanding (or if otherwise required with respect to the Company, any Guarantor or Holder), CEMEX will make available, upon request, to any holder and any prospective purchaser of Debentures that are "restricted securities" under the Securities Act, the information referred to in Rule 144A(d)(4) under the Securities Act in order to permit resales of the Debentures in compliance with Rule 144A.

(b) In addition to the information required to be provided under Section 1006(a), CEMEX will deliver to the Trustee, promptly upon the mailing thereof to the shareholders of CEMEX, copies of all financial statements, reports and proxy statements so mailed.

SECTION 1007 Payment of Additional Amounts .

(a) All payments of principal and interest in respect of the Securities, the Note Indenture and the Guarantee by or for the account of the Company or any Guarantor shall be made without withholding or deduction for any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Mexico, the Netherlands, the British Virgin Islands or in the event the Company or any Guarantor appoints additional paying agents, by the jurisdictions of such additional paying agents (each a "Note Taxing Jurisdiction"), or any political subdivision thereof or any authority therein or thereof ("Applicable Taxes"), except to the extent that such Applicable Taxes are required by a Note Taxing Jurisdiction or any such political subdivision or authority to be withheld or deducted. In the event of any withholding or deduction for any Applicable Taxes, the Company and the Guarantors shall pay such additional amounts ("Additional Amounts") as will result in receipt by the Holders of Securities on the respective due dates of such amounts as would have been received by them had no such withholding or deduction (including for any Applicable Taxes payable in respect of Additional Amounts) been required, except that no such Additional Amounts shall be payable with respect to any payment on a Security:

(i) to the extent that such taxes or duties are imposed or levied by reason of such holder (or the beneficial owner) having some connection with the Note Taxing Jurisdiction other than the mere holding (or beneficial ownership) of such Securities;

(ii) to the extent that such taxes or duties are imposed on, or measured by, net income of the holder (or beneficial owner);

(iii) in respect of which the holder (or beneficial owner) fails to comply with any certification, identification or other reporting requirement concerning its nationality, residence, identity or connection with the Note Taxing Jurisdiction if (1) compliance is required by applicable law, regulation, administrative practice or treaty as a precondition to exemption from all or a part of the taxes, (2) the holder (or beneficial owner) is able to comply with those requirements without undue hardship and (3) the Company has given all holders at least 30 days' prior notice that they will be required to comply with such requirements;

(iv) in respect of which the holder (or beneficial owner) fails to surrender (where surrender is required) its Securities for payment within 30 days after the Company has made available a payment of principal or interest, provided that the Company will pay Additional Amounts to which a holder would have been entitled had the Securities been surrendered on any day (including the last day) within such 30-day period;

(v) to the extent that such taxes or duties are imposed by reason of an estate, inheritance, gift, value added, use or sales tax or any similar taxes, assessments or other governmental charges;

(vi) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive; or

(vii) by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Securities to another paying agent in a member state of the European Union.

The Company shall provide the Trustee, as soon as practicable, with documentation (which may consist of certified copies of such documentation) satisfactory to the Trustee evidencing the payment of Applicable Taxes in respect of which the Company has paid any Additional Amounts. Copies of such documentation shall be made available to the Holders of the Securities or the Paying Agent, as applicable, upon request therefor.

In respect of the Securities issued hereunder, at least five Business Days prior to the first date of payment of interest on the Securities and at least five Business Days prior to each date, if any, of payment of principal or interest thereafter if there has been any change with respect to the matters set forth in the below mentioned Officers' Certificate, the Company shall furnish the Trustee and each Paying Agent with an Officers' Certificate instructing the Trustee and such Paying Agent as to whether such payment of principal of or any interest on such Securities shall be made without deduction or withholding for or on account of any tax, duty, assessment or other governmental charge. If any such deduction or withholding shall be required by Mexico or under the federal laws of the United States, then such certificate shall specify, by country, the amount, if any, required to be deducted or withheld on such payment to Holders of such Securities, and the Company shall pay or cause to be paid to the Trustee or such Paying Agent Additional Amounts, if any, required by this Section 1007. The Company agrees to indemnify the Trustee and each Paying Agent for, and to hold them harmless against, any loss, liability or expense reasonably incurred without negligence or bad faith on their part arising out of or in connection with actions taken or omitted by them in reliance on any Officers' Certificate furnished pursuant to this Section 1007.

(b) The Company and the Guarantors shall pay all stamp and other duties, if any, which may be imposed by Mexico, the United States of America, the Netherlands or any other applicable jurisdiction or any other governmental entity or political subdivision therein or thereof, or any taxing authority of or in any of the foregoing, with respect to the Note Indenture, the Guarantee or the issuance of the Securities.

(c) The Company shall provide each Paying Agent and any withholding agent under relevant tax regulations with copies of each certificate received by the Company from a Holder of a Security pursuant to the text of such Security. Each such Paying Agent and withholding agent shall retain each such certificate received by it for as long as any Security is Outstanding and in no event for less than four years after its receipt, and for such additional period thereafter, as set forth in an Officers' Certificate, as such certificate may become material in the administration of applicable tax laws.

(d) All references in this Note Indenture, the Securities and the Guarantee to principal or interest in respect of any Security shall be deemed to mean and include all Additional Amounts, if any, payable in respect of such principal or interest, unless the context otherwise requires, and express mention of the payment of Additional Amounts in any provision hereof or thereof shall not be construed as excluding reference to Additional Amounts in those provisions hereof and thereof where such express mention is not made. All references in this Note Indenture, the Securities and the Guarantee to principal in respect of any Security shall be deemed to mean and include any Redemption Price payable in respect of such Security pursuant to any redemption hereunder (and all such references to the Stated Maturity of the principal in respect of any Security shall be deemed to mean and include the Redemption Date with respect to any such Redemption Price), and all such references to principal, interest or Additional Amounts shall be deemed to mean and include any amount payable in respect thereof pursuant to Section 1010, and express mention of the payment of any Redemption Price, or any such other amount, in those provisions hereof and thereof shall not be construed as excluding reference to the Redemption Price or any such other amount in those provisions hereof and thereof where such express reference is not made.

SECTION 1008 Limitation on Liens.

So long as any Securities remain Outstanding, CEMEX shall not, and shall not permit any of its Subsidiaries to, create, incur, assume or permit to exist any Lien on or with respect to any property or asset of CEMEX or any Subsidiary, whether now owned or held or hereafter acquired, other than the following Liens ("Permitted Liens"):

(i) Liens for taxes, assessments and other governmental charges the payment of which is being contested in good faith by appropriate proceedings promptly initiated and diligently conducted and for which such reserves or other appropriate provision, if any, as shall be required by Mexican GAAP shall have been made;

(ii) statutory Liens of landlords and Liens of carriers, warehousemen, mechanics and materialmen incurred in the ordinary course of business for sums not yet due or the payment of which is being contested in good faith by appropriate proceedings promptly initiated and diligently conducted and for which such reserves or other appropriate provision, if any, as shall be required by Mexican GAAP shall have been made;

(iii) Liens incurred or deposits made in the ordinary course of business in connection with workers' compensation, unemployment insurance and other types of social security;

(iv) any attachment or judgment Lien, unless the judgment it secures shall not, within 60 days after the entry thereof, have been discharged or execution thereof stayed pending appeal, or shall not have been discharged within 60 days after the expiration of any such stay;

(v) Liens existing on the date of original issuance of the Securities;

(vi) any Lien on property acquired by CEMEX after the date of original issuance of the Securities that was existing on the date of acquisition of such property; provided that such Lien was not incurred in anticipation of such acquisition, and any Lien created to secure all or any part of the purchase price, or to secure Debt incurred or assumed

to pay all or any part of the purchase price, of property acquired by CEMEX or any of its Subsidiaries after the date of original issuance of the Securities; provided, further, that (A) any such Lien permitted pursuant to this clause (vi) shall be confined solely to the item or items of property so acquired (including, in the case of any Acquisition of a corporation through the acquisition of 51% or more of the voting stock of such corporation, the stock and assets of any Acquired Subsidiary or Acquiring Subsidiary) and, if required by the terms of the instrument originally creating such Lien, other property which is an improvement to, or is acquired for specific use with, such acquired property; and (B) if applicable, any such Lien shall be created within nine months after, in the case of property, its acquisition, or, in the case of improvements, their completion;

(vii) any Liens renewing, extending or refunding any Lien permitted by paragraph (vi) above, provided that the principal amount of Debt secured by such Lien immediately prior thereto is not increased or the maturity thereof reduced and such Lien is not extended to the other property;

(viii) any Liens created on shares of capital stock of CEMEX or any of its Subsidiaries solely as a result of the deposit or transfer of such shares into a trust or a special purpose corporation (including any entity with legal personality) of which such shares constitute the sole assets; provided that any shares of Subsidiary stock held in such trust, corporation or entity could be sold by CEMEX under this Note Indenture; and provided, further, that such Liens may not secure Debt of CEMEX or any Subsidiary (unless permitted under another clause of this Section 1008);

(ix) any Liens on securities securing repurchase obligations in respect of such securities;

(x) any Liens in respect of any Qualified Receivables Transaction; or

(xi) in addition to the Liens permitted by the foregoing clauses (i) through (x), Liens securing Debt of CEMEX and its Subsidiaries that in the aggregate secure obligations in an amount not in excess of 5% of Adjusted Consolidated Net Tangible Assets;

unless, in each case, CEMEX has made or caused to be made effective provision whereby the Securities and the Conversion Payment Undertaking are secured equally and ratably with, or prior to, the Debt secured by such Liens (other than Permitted Liens) for so long as such Debt is so secured.

SECTION 1009 Listing.

CEMEX will use its best efforts to cause the Debentures to be duly authorized for listing on the Irish Stock Exchange or another recognized securities exchange and shall from time to time take such other actions as shall be necessary or advisable to maintain the listing of the Debentures thereon.

SECTION 1010 Indemnification of Judgment Currency.

The Company and each Guarantor shall, to the fullest extent permitted by law, indemnify the Trustee and any Holder of a Security against any loss incurred by the Trustee or such Holder, as the case may be, as a result of any judgment or order being given or made for any amount due under this Note Indenture or such Security and being expressed and paid in a currency (the "Judgment Currency") other than Dollars, and as a result of any variation between (i) the rate of exchange at which the Dollar amount is converted into the Judgment Currency for the purpose of such judgment or order and (ii) the spot rate of exchange in The City of New York at which the Trustee or such Holder, as the case may be, on the date of payment of such judgment or order is able to purchase Dollars with the amount of the Judgment Currency actually received by the Trustee or such Holder. If the amount of Dollars so purchased exceeds the amount originally to be paid to such Holder, such Holder agrees to pay to or for the account of the Company (with respect to payments made by the Company) and the Guarantors (with respect to payments made by the Guarantors) such excess; provided, that such Holder shall not have any obligation to pay any such excess as long as a default by the Company or the Guarantors, as applicable in its obligations hereunder has occurred and is continuing, in which case such excess may be applied by such Holder to such obligations. The foregoing indemnity shall constitute a separate and independent obligation of the Company and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "spot rate of exchange" shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, United States dollars.

SECTION 1011 Payment of Certain Issuer Expenses.

The Company and the Guarantors have agreed under this Note Indenture that they will pay to C8 Capital (SPV) Limited from time to time, at least two Business Days in advance of any required payment, such amounts as may be necessary for C8 Capital (SPV) Limited to pay the commissions, fees and expenses of the Initial Purchasers of the Debentures, the fees and expenses of the Debenture Trustee, and any other fees, expenses, indemnification, reimbursement, contribution and other similar obligations, and all other amounts (other than payments under the Debentures and settlement and termination payments under the Extinguishable Coupon Swap) owed by C8 Capital (SPV) Limited to the Initial Purchasers, the Debenture Trustee, the officers and directors of C8 Capital (SPV) Limited, the Swap Counterparty, Barclays Bank PLC or any other person.

SECTION 1012 Ownership.

Except as otherwise specified or contemplated in this Note Indenture, CEMEX shall take any and all actions necessary to insure that the Company at all times remains, directly or indirectly, a wholly-owned subsidiary of CEMEX.

SECTION 1013 Restrictive Activities.

The Company has agreed, so long as any Securities (or any amount thereunder) is outstanding, not to do any of the following:

(i) engage at any time in any business activity unrelated to the issuance of the Securities, the entering into the Conversion Payment Undertaking, entering into similar capital raising activities and entering into financial arrangements with CEMEX and its Subsidiaries, or

(ii) file for, or consent to the filing of, any bankruptcy, liquidation insolvency or similar proceeding.

SECTION 1014 Waiver of Immunities.

To the extent that the Company or any of the Guarantors may in any jurisdiction claim for itself or its assets immunity from a suit, execution, attachment, whether in aid or execution, before judgment or otherwise, or other legal process in connection with this Note Indenture and the Securities and to the extent that in any jurisdiction there may be immunity attributed to the Company, the Company's assets, the Guarantors or the Guarantors' assets whether or not claimed, the Company and the Guarantors have irrevocably agreed for the benefit of the Holder not to claim, and irrevocably waive, the immunity to the full extent permitted by law.

ARTICLE ELEVEN

Redemption of Securities

SECTION 1101 Right of Redemption.

(a) The Securities may not be redeemed at the election of the Company except in accordance with the provisions of this Article.

(b) The Securities will be redeemable, at the option of the Company, on December 31, 2014, and on each interest payment date thereafter (or, if not a Business Day, on the preceding Business Day), in whole or in part, at par together with all accrued and unpaid interest, including deferred interest, provided that the Company as a condition to redemption, convert the interest rate on the Securities from the Yen Rate to the Dollar Fixed Rate as of the Interest Payment Date by written notice to the Holders, the Debenture Trustee, the Trustee and the Swap Counterparty no less than 10 Business Days prior to the Interest Payment Date; in the case of partial redemption the outstanding principal amount of the Securities immediately after such redemption shall not be less than U.S$200,000,000 million; provided further that no redemption shall be effective on any payment date (and such payment date shall not constitute the Conversion Date) unless C8 Capital (SPV) Limited shall have received from the Company on or prior to such payment date any applicable Conversion Payments with respect to such conversion.

(c) The Securities will be redeemable, at the option of the Company, within 90 days of the occurrence of a CEMEX Change of Control Event, in whole but not in part, at a Redemption Price equal to the greater of (i) par and (ii) the sum of the present values of the remaining scheduled payments on the Securities calculated (1) assuming a final maturity of December 31, 2014, (2) without giving effect to any increase in interest rates as a result of the CEMEX Change of Control Event, and (3) discounted to the Redemption Date at a rate equal to the then-current yield to maturity of treasuries with a comparable maturity plus a margin equal to 1.870% per annum, plus in each of cases (i) and (ii) above accrued and unpaid interest to the Redemption Date.

The Securities will not otherwise be redeemed by the Company. As a condition to any redemption prior to December 31, 2014, the Company must first convert the interest rate on the Securities from the Yen Rate to the Dollar Fixed Rate and pay any applicable Conversion Payment with respect to such conversion in accordance with Section 315.

SECTION 1102 Notice of Redemption.

Notice of redemption shall be given by first class mail, postage prepaid, mailed by the Company to the Trustee not less than 45 days nor more than 60 days prior to the proposed Redemption Date (unless a shorter period of time is agreed upon) and to each Holder and the Trustee will give a corresponding notice to the holders of the Debentures, at his address appearing in the Security Register. Any such notice of redemption is irrevocable and will be given as described below. If the redemption price in respect of any Security is improperly withheld or refused and is not paid by the Company or any Guarantor, interest on the Securities will continue to be payable until the Redemption Price is paid in full.

All notices of redemption shall state:

(1) the Redemption Date,

(2) the Redemption Price and amount of accrued interest, if any,

(3) that on the Redemption Date the Redemption Price and any accrued interest will become due and payable upon each Security to be redeemed and that interest thereon will cease to accrue on and after said date, and

(4) the place or places where such Securities are to be surrendered for payment of the Redemption Price and any accrued interest.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company, and such notice, when given to the Holders, shall be irrevocable.

SECTION 1103 Deposit of Redemption Price.

Prior to any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 1003) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

SECTION 1104 Securities Payable on Redemption Date.

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price herein specified, and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Company at the Redemption Price, together with accrued interest to the Redemption Date;

provided, however, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 306.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the Redemption Date at the rate borne by the Security.

ARTICLE TWELVE

Guarantee of the Securities

SECTION 1201 Guarantee.

Subject to the provisions of this Article Twelve, Article Eight and Article Nine, each Guarantor hereby jointly and severally irrevocably and unconditionally guarantees, on an unsecured basis, to each Holder of a Security authenticated and delivered by the Trustee and to the Trustee and its Successors, irrespective of the validity and enforceability of this Note Indenture, the Securities or the obligations of the Company or any other Guarantors to the Holders or the Trustee hereunder or thereunder, that: (a) the principal of and interest on the Securities (including any Additional Amounts) will be duly and punctually paid in full when due, whether at Maturity, by acceleration, call for redemption, purchase or otherwise, and all obligations of the Company or the Guarantors to the Holders or the Trustee hereunder or thereunder (including amounts due the Trustee under Section 607 hereof) or under the Securities (including fees, expenses or other disbursements) will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Securities or any of such other obligations, the same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at maturity, by acceleration, call for redemption, purchase or otherwise (all such obligations guaranteed by the Guarantors, the "Guaranteed Obligations"). The guarantees of the Guarantors under this Article Twelve are herein referred to as the "Guarantee". Failing payment when due of any amount so guaranteed, or failing performance of any other obligation of the Company to the Holders, for whatever reason, each Guarantor will be obligated to pay, or to perform or cause the performance of, the same immediately. An Event of Default under this Note Indenture or the Securities shall constitute an event of default under this Guarantee, and shall entitle the Holders of Securities or the Trustee to accelerate the obligations of the Guarantors hereunder in the same manner and to the same extent as the obligations of the Company.

The Guarantors agree to pay any and all fees and expenses (including reasonable attorney's fees and expenses) incurred by the Trustee or the Holders in enforcing any rights under this Article Twelve with respect to the Guarantors.

Without limiting the generality of the foregoing, this Guarantee guarantees, to the extent provided herein, the payment of all amounts that constitute part of the Guaranteed Obligations and would be owed by the Company under this Note Indenture or the Securities but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving the Company.

No stockholder, officer, director, employee or incorporator, past, present or future, of any Guarantor, as such, shall have any personal liability under this Guarantee by reason of his, her or its status as such stockholder, officer, director, employee or incorporator.

The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under this Guarantee.

SECTION 1202 Execution and Delivery of Guarantee.

The Guarantee to be endorsed on the Securities shall include the terms of the Guarantees set forth in this Article Twelve and any other terms that may be set forth in the form established pursuant to Section 205. The Guarantors hereby agree to execute the Guarantee in the form established pursuant to Section 205, to be endorsed on each Security authenticated and delivered by the Trustee.

The Guarantee shall be executed on behalf of each Guarantor by any one of the individuals who may sign an Officers' Certificate on its behalf. The signature of any such Person on the Guarantee may be manual or facsimile.

A Guarantee bearing the manual or facsimile signature of an individual who was at any time the proper officer of a Guarantor shall bind such Guarantor, notwithstanding that such individual has ceased to hold such office prior to the authentication and delivery of the Security on which such Guarantee is endorsed or did not hold such office at the date of such Guarantee.

The delivery of any Security by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee endorsed thereon on behalf of the respective Guarantor. The Guarantors hereby agree that their respective Guarantee set forth in Section 1201 shall remain in full force and effect notwithstanding any failure to endorse a Guarantee on any Security.

SECTION 1203 Obligations of the Guarantors Unconditional.

Nothing contained in this Article Twelve or elsewhere in this Note Indenture or in any Security is intended to or shall impair, as between the Guarantors and the Holders and the Trustee, the obligation of each Guarantor, which is absolute and unconditional, to pay to the Holders and the Trustee the principal of and interest (including Additional Amounts) on the Securities (and to the Trustee amounts due under Section 607) as and when the same shall become due and payable in accordance with the provisions of this Guarantee, nor shall anything herein or therein prevent the Trustee or any Holder from exercising all remedies otherwise permitted by applicable law upon Default under this Note Indenture. Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not affect the liability of any Guarantor hereunder:

(a) the lack of validity, regularity or enforceability of this Note Indenture or the Securities with respect to the Company or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from this Note Indenture;

(d) any furnishing or acceptance of any security or any guarantee or other liability of any Subsidiary or any other party, or any release of any security or any guarantee or other liability of any Subsidiary or any other party, for the Guaranteed Obligations, or the failure of any security or any guarantee or other liability of any Subsidiary or any other party or the failure of any Person to perfect any interest in any collateral;

(e) any failure, omission or delay on the part of the Company, to conform or comply with any term of the Note Indenture or the Securities or any other instrument or agreement referred to in paragraph (a) above, including, without limitation, failure to give notice to the Guarantors or the Trustee of the occurrence of an Event of Default;

The Guarantee shall continue to be effective or be reinstated, as the case may be, if at any time any payment or performance with respect to any of the Guaranteed Obligations is rescinded or must otherwise be returned by the Trustee, any Holder or any other Person upon the insolvency, bankruptcy or reorganization of the Company or otherwise, all as though such payment or performance had not been made or occurred. In the event that any payment, or any part thereof, is rescinded or must otherwise be returned, the Guaranteed Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded or returned. The obligations of the Guarantors under the Guarantee shall not be subject to reduction, termination or other impairment by any set-off, recoupment, counterclaim or defense or for any other reason.

SECTION 1204 Waivers.

Each Guarantor hereby irrevocably waives, to the extent permitted by applicable law:

(a) promptness, demand for payment, diligence, presentment, notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and the Guarantee;

(b) any requirement that the Trustee, any Holder or any other Person protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right, sue or take any action against the Company or any other Person, or obtain any relief pursuant to this Note Indenture or pursue any other available remedy prior to making a claim against any Guarantor hereunder;

Each Guarantor hereby irrevocably waives any claim or other right that it may now or hereafter acquire against the Company that arises from the existence, payment, performance or enforcement of such Guarantor's obligations under this Guarantee and this Note Indenture, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution, indemnification, and any right to participate in any claim or remedy of the Trustee or any Holder of Securities against the Company, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, including, without limitation, the right to take or receive from the Company, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or Security on account of such claim or other rights. If any amount shall be paid to any Guarantor in violation of the preceding sentence and the Securities shall not have been paid in full, such amount shall have been deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the Holders of the Securities, and shall forthwith be paid to the Trustee for the benefit of such Holders to be credited and applied upon the Securities, whether matured or unmatured, in accordance with the terms of this Note Indenture. Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations until payment in full of all Guaranteed Obligations. Each Guarantor further agrees that, as between itself, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Guaranteed Obligations may be accelerated as provided in Article Five hereof for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations, and (y) in the event of any declaration of acceleration of the Guaranteed Obligations as provided in Article Five hereof, the Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purpose of this Guarantee.

SECTION 1206 No Waiver; Cumulative Remedies.

No failure on the part of the Trustee or any Holder to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law. The Trustee and the Holders shall have all of the rights and remedies granted in this Note Indenture and available at law or in equity, and these same rights and remedies may be pursued separately, successively or concurrently against the Company or the Guarantors.

SECTION 1304 Quorum; Action.

In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting may be adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be further adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such adjourned meeting (subject to repeated applications of this sentence). Notice of the reconvening of any adjourned meeting shall be given as provided in Section 1302(a), except that such notice need be given only once not less than five days prior to the date on which the meeting is scheduled to be reconvened. The chairman of the meeting shall have no right to vote, except as a Holder of a Security or proxy.

(d) Any meeting of Holders of Securities duly called pursuant to Section 1302 at which a quorum is present may be adjourned from time to time by Persons entitled to vote a majority in principal amount of the Outstanding Securities represented at the meeting; and the meeting may be held as so adjourned without further notice.

The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record, at least in duplicate, of the proceedings of each meeting of Holders of Securities shall be prepared by the secretary of the

meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was given as provided in Section 1302 and, if applicable, Section 1304. Each copy shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one such copy shall be delivered to the Company and another to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

(iv) the counterparty obligated to pay an amount in Japanese Yen equal to the semi-annual coupon on the Dual-Currency Notes, applied to the Yen Equivalent Principal Amount of the Dual-Currency Notes, on each payment date for the Dual-Currency Notes;

(v) the parties' payment obligations under such derivative transaction ceasing as of the payment date for the Debentures immediately prior to the date on which the Conditions to Anticipated Swap Termination are deemed satisfied; and

(vi) upon early termination for any reason other than the satisfaction of the Conditions to Anticipated Swap Termination, the termination payment due to the Calculation Agent or the counterparty, as applicable, calculated based on the total gains and losses and costs incurred upon termination, including any loss of bargain, costs of funding, or, without duplication, any loss or cost or gain incurred as a result of obtaining or reestablishing any hedge or related trading position.

"*Conversion Credit*" means the amount the Calculation Agent determines to be the amount of investment proceeds in U.S. Dollars that would be available on each Conversion Credit Application Date were the Conversion Credit Reference Amount invested at the direction of the Calculation Agent (and on a date determined by the Calculation Agent but not more than 15 business days after the Conversion Date) in Permitted Investments, which Permitted Investments were designed to yield (without provision for credit losses) an equal amount of investment proceeds in U.S. Dollars on each such Conversion Credit Application Date.

"*Conversion Credit Application Date*" means (a) each interest payment date for the Debentures occurring prior to December 31, 2014, and more than 15 business days after the Conversion Date, and (b) December 31, 2014, so long as the Conversion Date occurs at least 15 business days prior to that date. If the Conversion Date occurs after the 15th business day prior to December 31, 2014, no Conversion Credits shall apply.

"*Conversion Credit Reference Amount*" means the amount, if any, determined by the Calculation Agent to be equal to the total amount that would be payable by the party obligated to pay U.S. Dollars under the Benchmark Swap (as defined below) upon its early termination on the applicable Note Conversion Date.

(iii) the occurrence of, agreement to or announcement of any of the events described in (a)(i) to (v) above in circumstances where such event does not directly or indirectly result from a deterioration in the creditworthiness or financial condition of the Reference Entity.

For purposes of (a) and (b) above, the term Obligation shall be deemed to include Underlying Obligations for which the Reference Entity is acting as provider of any Qualifying Guarantee. " Subordinated" will be construed accordingly. For purposes of determining whether Subordination exists or whether an obligation is Subordinated with respect to another obligation to which it is being compared, the existence of preferred creditors arising by operation of law or of collateral, credit support or other credit enhancement arrangements shall not be taken into account, except that, notwithstanding the foregoing, priorities arising by operation of law shall be taken into account.

"Substitute Reference Obligation" means one or more obligations of a Reference Entity (either directly or as provider of a Qualifying Guarantee) that will replace the Reference Obligation of such Reference Entity, identified by the Calculation Agent in accordance with the following procedures:

(a) In the event that (i) a Reference Obligation is redeemed in whole or (ii) in the opinion of the Calculation Agent (A) the aggregate amounts due under any Reference Obligation have been materially reduced by redemption or otherwise (other than due to any scheduled redemption, amortization or prepayments), (B) any Reference Obligation is an Underlying Obligation with a Qualifying Guarantee of a Reference Entity and, other than due to the existence or occurrence of a CEMEX Credit Event, the Qualifying Guarantee is no longer a valid and binding obligation of such Reference Entity enforceable in accordance with its terms, or (C) for any other reason, other than due to the existence or occurrence of a CEMEX Credit Event, any Reference Obligation is no longer an obligation of a Reference Entity, the Calculation Agent shall (after consultation with the parties) identify one or more Obligations to replace such Reference Obligation.

(1) a statement that each individual signing such certificate or opinion has read such covenant or condition and the definitions herein relating thereto;

(2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(3) a statement that, in the opinion of each such individual, he has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether such covenant or condition has been complied with; and

(4) a statement as to whether, in the opinion of each such individual, such condition or covenant has been complied with.

SECTION 103 Form of Documents Delivered to Trustee.

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an officer of the Company or any Guarantor may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate or opinion of counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Company or of the relevant Guarantor, as the case may be, stating that the information with respect to such factual matters is in the possession of the Company or such Guarantor, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Note Indenture, they may, but need not, be consolidated and form one instrument.

SECTION 104 Acts of Holders; Record Dates.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Note Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to a Responsible Officer of the Trustee and, where it is hereby expressly required, to the Company or the Guarantors. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Note Indenture and (subject to Section 601) conclusive in favor of the Trustee and the Company, if made in the manner provided in this Section.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where

such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of his authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(c) The ownership of Securities shall be proved by the Security Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, regardless of whether notation of such action is made upon such Security.

(e) The Company may set any day as a record date for the purpose of determining the Holders of Outstanding Securities entitled to give, make or take any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Note Indenture to be given, made or taken by Holders of Securities, provided that the Company may not set a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in the next paragraph. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities on such record date, and no other Holders, shall be entitled to take the relevant action, regardless of whether such Holders remain Holders after such record date; provided that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Outstanding Securities on such record date. Nothing in this paragraph shall be construed to prevent the Company from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be cancelled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Securities on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder of Securities in the manner set forth in Section 106.

(f) The Trustee may set any day as a record date for the purpose of determining the Holders of Outstanding Securities entitled to join in the giving or making of (i) any Notice of Default, (ii) any declaration of acceleration referred to in Section 502, (iii) any request to institute proceedings referred to in Section 507(2) or (iv) any direction referred to in Section 512. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, regardless whether such Holders remain Holders after such record date; provided that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Outstanding Securities on such record date. Nothing in this paragraph shall be construed to prevent the Trustee from setting a new record date for any action (whereupon the record date previously set shall automatically and without any action by any Person be cancelled and of no effect), nor shall anything in this paragraph be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Securities on the date such action is taken. Promptly after any record date is set pursuant to this

paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company in writing and to each Holder of Securities in the manner set forth in Section 106.

(g) With respect to any record date set pursuant to this Section, the party hereto that sets such record date may designate any day as the "Expiration Date" and from time to time may change the Expiration Date to any earlier or later day, provided that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder of Securities in the manner set forth in Section 106, on or prior to the existing Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section, the party hereto that set such record date shall be deemed to have initially designated the 180th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this paragraph. Notwithstanding the foregoing, no Expiration Date shall be later than the 180th day after the applicable record date.

Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Security may do so with regard to all or any part of the principal amount of such Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount.

SECTION 105 Notices, Etc., to Trustee, Company and Guarantors.

Any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other document provided or permitted by this Note Indenture to be made upon, given or furnished to, or filed with,

(1) the Trustee by any Holder or by the Company or any Guarantor shall be in the English language and shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to or with the Trustee at its Corporate Trust Office, or

(2) the Company or any Guarantor by the Trustee or by any Holder shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing and mailed, first class postage prepaid, to it addressed to it at the address of the Company's principal office specified in the first paragraph of this instrument, Attention: Finance Director, with a copy to CEMEX at Av. Ricardo Margáin Zozaya #325, Colonia Valle del Campestre, Garza García, Nuevo León, México 66265, Attention: General Counsel, or at any other address previously furnished in writing to the Trustee by the Company.

SECTION 106 Notice to Holders; Waiver.

Where this Note Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first class postage prepaid, to each Holder affected by such event, at his address as it appears in the Security Register. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Note Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

SECTION 107 Effect of Headings and Table of Contents.

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

SECTION 108 Successors and Assigns.

All covenants and agreements in this Note Indenture by the Company or any Guarantor shall bind its successors and assigns, regardless of whether so expressed.

SECTION 109 Separability Clause.

In case any provision in this Note Indenture or in the Securities or the Guarantee shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 110 Benefits of Note Indenture.

Nothing in this Note Indenture or in the Securities or the Guarantee, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder and the Holders of Securities, any benefit or any legal or equitable right, remedy or claim under this Note Indenture.

SECTION 111 Governing Law.

THIS NOTE INDENTURE, THE GUARANTEE AND THE SECURITIES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

SECTION 112 Legal Holidays.

In any case where any Interest Payment Date, Redemption Date, Conversion Date or Stated Maturity of any Security shall not be a Business Day, then (notwithstanding any other provision of this Note Indenture or of the Securities) payment of interest or principal (and premium, if any) need not be made on such date, but may be made on the preceding Business Day with the same force and effect as if made on the Interest Payment Date, Redemption Date, Conversion Date or at the Stated Maturity, as the case may be.

SECTION 113 Consent to Service; Jurisdiction.

The Company, each Guarantor and the Trustee agree that any legal suit, action or proceeding arising out of or relating to this Note Indenture, the Securities or the Guarantee, may be

instituted in any federal or state court in the Borough of Manhattan, The City of New York, waives any objection which it may now or hereafter have to the laying of the venue of any such legal suit, action or proceeding, waives any immunity from jurisdiction or to service of process in respect of any such suit, action or proceeding, and irrevocably submits to the jurisdiction of any such court in any such suit, action or proceeding. Each of the Company, each Guarantor and the Trustee further submits to the jurisdiction of the courts of its own corporate domicile in any legal suit, action or proceeding initiated against each of them arising out of or relating to this Note Indenture, and each of the Company and the Guarantors further submits to the jurisdiction of the courts of its own corporate domicile in any legal suit, action or proceeding initiated against each of them arising out of or relating to the Securities or the Guarantee. Each of the parties hereto also irrevocably waives any right it may have to the jurisdiction of any court other than the courts mentioned above pursuant to applicable law. Each of the Company and the Guarantors hereby designates and appoints CEMEX NY Corporation, 590 Madison Ave., 41st Floor, New York, New York 10022, Attention: General Counsel, as its authorized agent upon which process may be served in any legal suit, action or proceeding arising out of or relating to this Note Indenture, the Securities or the Guarantee which may be instituted in any federal or state court in the Borough of Manhattan, The City of New York, New York, and agrees that service of process upon such agent, and written notice of said service to the Company or a Guarantor by the Person serving the same, shall be deemed in every respect effective service of process upon the Company (if such notice is given to the Company) or upon such Guarantor (if such notice is given to a Guarantor) in any such suit, action or proceeding and further designates its domicile, the domicile of CEMEX NY Corporation specified above and any domicile CEMEX NY Corporation may have in the future as its domicile to receive any notice hereunder (including service of process). If for any reason CEMEX NY Corporation (or any successor agent for this purpose) shall cease to have a domicile in New York or to act as agent for service of process as provided above, each of the Company and the Guarantors will promptly appoint a successor agent domiciled in New York for this purpose reasonably acceptable to Trustee and shall grant thereto notarial powers-of-attorney for lawsuits and collections. Each of the Company and the Guarantors agrees to take any and all actions as may be necessary to maintain such designation and appointment of such agent in full force and effect. Notwithstanding the foregoing, if CEMEX NY Corporation ceases to be a New York Corporation the parties shall immediately appoint CT Corporation System, Inc. as a replacement thereof.

SECTION 114 Language of Notices, Etc.

Any request, demand, authorization, direction, notice, consent or waiver required or permitted under this Note Indenture shall be in the English language, except that any published notice may be in an official language of the country of publication.

SECTION 203 Form of Reverse of Security.

This Security is one of a duly authorized issue of Securities of the Company designated as its Callable Perpetual Dual-Currency Notes (herein called the "Securities"), issued and to be issued under a Note Indenture, dated as of May 9, 2007 (herein called the "Note Indenture", which term shall have the meaning assigned to it in such instrument), among the Company, the Guarantors named therein and The Bank of New York, as Trustee (herein called the "Trustee", which term includes any successor trustee under the Note Indenture), to which Note Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Guarantors, the Trustee and the Holders and of the terms upon which the Securities are, and are to be, authenticated and delivered.

As provided in Article Twelve of the Note Indenture, the Guarantors have, for the benefit of the Holders, jointly and severally irrevocably and unconditionally guaranteed the due and punctual payment of all amounts payable by the Company under the Note Indenture and the Securities as and when the same shall become due and payable. Reference is hereby made to Article Twelve of the Note Indenture for a statement of the respective rights, limitations of rights, duties and amounts thereunder of the Guarantors and the Trustee.

All payments of principal and interest in respect of the Securities, the Note Indenture and the Guarantee by or for the account of the Company or any Guarantor shall be made without withholding or deduction for any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Mexico, the Netherlands, the British Virgin Islands or in the event the Company or any Guarantor appoints additional paying agents, by the jurisdictions of such additional paying agents (each a "Note Taxing Jurisdiction"), or any political subdivision thereof or any authority therein or thereof ("Applicable Taxes"), except to the extent that such Applicable Taxes are required by a Note Taxing Jurisdiction or any such political subdivision or authority to be withheld or deducted. In the event of any withholding or deduction for any Applicable Taxes, the Company and the Guarantors shall pay such additional amounts ("Additional Amounts") as will result in receipt by the Holders of Securities on the respective due dates of such amounts as would have been received by them had no such withholding or deduction (including for any Applicable Taxes payable in respect of Additional Amounts) been required, except that no such Additional Amounts shall be payable with respect to any payment on a Security:

(i) to the extent that such taxes or duties are imposed or levied by reason of such Holder (or the beneficial owner) having some connection with the Note Taxing Jurisdiction other than the mere holding (or beneficial ownership) of such Securities;

(ii) to the extent that such taxes or duties are imposed on, or measured by, net income of the Holder (or beneficial owner);

(iii) in respect of which the Holder (or beneficial owner) fails to comply with any certification, identification or other reporting requirement concerning its nationality, residence, identity or connection with the Note Taxing Jurisdiction if (1) compliance is required by applicable law, regulation, administrative practice or treaty as a precondition to exemption from all or a part of the taxes, (2) the Holder (or beneficial

owner) is able to comply with those requirements without undue hardship and (3) the Company has given all Holders at least 30 days' prior notice that they will be required to comply with such requirements;

(iv) in respect of which the Holder (or beneficial owner) fails to surrender (where surrender is required) its Securities for payment within 30 days after the Company has made available a payment of principal or interest, provided that the Company will pay Additional Amounts to which a Holder would have been entitled had the Securities been surrendered on any day (including the last day) within such 30-day period;

(v) to the extent that such taxes or duties are imposed by reason of an estate, inheritance, gift, value added, use or sales tax or any similar taxes, assessments or other governmental charges;

(vi) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive; or

(vii) by or on behalf of a Holder who would have been able to avoid such withholding or deduction by presenting the relevant Securities to another paying agent in a member state of the European Union.

The Company shall provide the Trustee, as soon as practicable, with documentation (which may consist of certified copies of such documentation) satisfactory to the Trustee evidencing the payment of Applicable Taxes in respect of which the Company has paid any Additional Amounts. Copies of such documentation shall be made available to the Holders of the Securities or the Paying Agent, as applicable, upon request therefor.

The Company shall pay all stamp and other duties, if any, which may be imposed by Mexico, the United States of America, the Netherlands or any other applicable jurisdiction or any authority therein or thereof, with respect to the Note Indenture, the Guarantee, the Conversion Payment Undertaking or the issuance of this Security.

At all times when CEMEX is required to file any financial statements or reports with the Commission, CEMEX shall use its best efforts to file all required statements or reports in a timely manner in accordance with the rules and regulations of the Commission.

If an Event of Default shall occur and be continuing, the principal of this Security or of all the Securities may be declared due and payable to the extent, in the manner and with the effect provided in the Note Indenture.

The Note Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the Guarantors and the rights of the Holders of the Securities under the Note Indenture at any time by the Company, the Guarantors and the Trustee with the consent of the Trustee, Swap Counterparty, the holders of not less than the majority in principal amount (by aggregate liquidation preference) of the Debentures then Outstanding (as defined in the Debenture Indenture) and the Holders of not less

than a majority in principal amount of the Outstanding Securities. The Note Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding, on behalf of the Holders of all the Securities, to waive compliance by the Company with certain provisions of the Note Indenture and certain past defaults under the Note Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, regardless of whether notation of such consent or waiver is made upon this Security.

As provided in and subject to the Note Indenture, at any time when there is more than one Holder of Securities, the Holder of this Security shall not have any right to institute any proceeding with respect to the Note Indenture, or for the appointment of a receiver or trustee, or for any other remedy thereunder, unless such Holder has previously given written notice to the Trustee of a continuing Event of Default, the Holders of not less than 25% in principal amount of the Outstanding Securities have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee reasonable indemnity, and the Trustee has not received from the Holders of a majority in principal amount of the Outstanding Securities a direction inconsistent with such request, and has failed to institute any such proceeding, for 60 days after its receipt of such notice, request and indemnity. The foregoing does not apply to any suit instituted by the Holder of this Security for the enforcement of any payment of the principal hereof or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Note Indenture and no provision of this Security or of the Note Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Note Indenture and subject to certain limitations and satisfaction of certain requirements therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in the Borough of Manhattan, The City of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities are issuable only in registered form without coupons in denominations of €50,000 and integral multiples of €1,000 in excess thereof. As provided in the Note Indenture and subject to certain limitations and satisfaction of certain requirements therein set forth, Securities are exchangeable for a like aggregate principal amount of Securities of the same or a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Guarantors, the Trustee and any agent of the Company, any Guarantor or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, regardless of whether this Security be overdue, and neither the Company, the Guarantors, the Trustee nor any such agent shall be affected by notice to the contrary.

Interest on this Security shall be computed as follows:

Yen Floating Rate Interest— Unless the interest rate has been previously converted to the Euro Fixed Rate, the Securities will accrue interest in Japanese Yen beginning on the issue date to but not including June 30, 2017, at an annual percentage rate equal to the 12-month Yen LIBO Rate multiplied by 3.1037 (the "Yen Rate"), reset annually, as applied to a Yen principal amount of Japanese Yen 119,084,900,000 (the "Yen Equivalent Principal Amount"). Interest will be payable annually in arrears on June 30 of each year (or, if not a Business Day, on the preceding Business Day), each also a "LIBO Rate Reset Date", beginning on June 30, 2007.

The amount of interest payable for any annual interest period will be computed by multiplying the Yen Rate for that annual interest period by a fraction, the numerator of which will be the actual number of days elapsed during that annual interest period (determined by including the first day of the interest period and excluding the last day), and the denominator of which will be 360, and by multiplying the result by the Yen Equivalent Principal Amount corresponding to the aggregate outstanding Euro principal amount of the Securities. The Yen Equivalent Principal Amount will not change over time as a result of fluctuations in the Yen Rate or the Euro Floating Rate. For the initial interest period ending on June 30, 2007, the Yen Rate will be 0.64455%.

Euro Fixed Rate Interest— If the interest rate on the Securities has been converted to the Euro Fixed Rate, the Securities will accrue interest in Euros, from the annual Interest Payment Date on or immediately prior to the Conversion Date (or the issue date if there is no annual Interest Payment Date prior to the Conversion Date) to but not including June 30, 2017, at the annual rate of 6.277% (the "Euro Fixed Rate"), as applied to the aggregate outstanding Euro principal amount of the Securities. Interest will be payable annually in arrears on June 30 of each year (or, if not a Business Day, on the preceding Business Day). The interest due at the Euro Fixed Rate on an Interest Payment Date may be reduced by the application of Conversion Credits, if applicable, on such Interest Payment Date.

The amount of interest payable for any annual interest accrual period at the Euro Fixed Rate will be computed on the basis of a 365-day or 366-day year for the actual number of days in the relevant period.

Euro Floating Rate Interest— The Securities will accrue interest in Euros, beginning on June 30, 2017, to the date the principal amount of the Securities is repaid in full, at an annual percentage rate equal to the 3-month Euribo Rate plus 4.79% (the "Euro Floating Rate"), as applied to the aggregate outstanding Euro principal amount of the Securities. Interest will be reset quarterly, as applied to the aggregate outstanding Euro principal amount of the Securities and payable quarterly in arrears on March 31, June 30, September 30 and December 31 of each year (or if not a Business Day, on the preceding Business Day), each also a "LIBO Rate Reset Date", beginning on September 30, 2017.

The amount of interest payable at the Euro Floating Rate for any quarterly interest period will be computed by multiplying the Euro Floating Rate for that quarterly interest period by a fraction, the numerator of which will be the actual number of days elapsed during that quarterly interest period (determined by including the first day of the interest period and excluding the last day), and the denominator of which will be 360, and by multiplying the result by the aggregate principal amount of the Securities then Outstanding.

Determining the Floating Rates

The "12-month Yen LIBO Rate" means the rate determined in accordance with the following provisions:

(1) On the LIBOR Interest Determination Date, the Calculation Agent or its affiliate will determine the 12-month Yen LIBO Rate, which will be the rate for deposits in Japanese Yen having a twelve-month maturity which appears on the Reuters Page LIBOR01 as of 11:00 a.m., London time, on the LIBOR Interest Determination Date.

(2) If no rate appears on Reuters Page LIBOR01 on the LIBOR Interest Determination Date, the rate will be determined on the basis of the rates at which deposits in Japanese Yen are offered by the reference banks at approximately 11:00 a.m., London time, on that LIBOR Interest Determination Date to prime banks in the London Inter-Bank Market for the period of twelve months commencing on the applicable LIBO Rate Reset Date and in a principal amount that is representative for a single transaction in Yen in that market at that time. The Calculation Agent will request the principal London office of each of the reference banks to provide a quotation for its rate. If at least two such quotations are provided, then the 12-month Yen LIBO Rate for that LIBOR Interest Determination Date will be the arithmetic mean of the quotations (rounded, if necessary, to the nearest one-hundredth (0.01) of a percent). If fewer than two quotations are provided as requested, the rate for that LIBOR Interest Determination Date will be the arithmetic mean (rounded, if necessary, to the nearest one-hundredth (0.01) of a percent) of the rates quoted by major banks in Tokyo, selected by the Calculation Agent, at approximately 11:00 a.m., Tokyo time on that LIBOR Interest Determination Date for loans in Japanese Yen to leading European banks having a twelve-month maturity commencing on the applicable LIBO Rate Reset Date and in a principal amount that is representative for a single transaction in Yen in that market at that time.

The "3-month Euribo Rate" means the rate determined in accordance with the following provisions:

(1) On the LIBOR Interest Determination Date, the LIBO Calculation Agent or its affiliate will determine the 3-month Euribo Rate, which will be the rate for deposits in Euros having a three-month maturity which appears on the Reuters Page LIBOR01 as of 11:00 a.m., London time, on the LIBOR Interest Determination Date.

(2) If no rate appears on Reuters Page LIBOR01 on the LIBOR Interest Determination Date, the rate will be determined on the basis of the rates at which deposits in Euros are offered by the reference banks at approximately 11:00 a.m., London time, on that LIBOR Interest Determination Date to prime banks in the London Inter-Bank Market for the period of three months commencing on the applicable LIBO Rate Reset Date and in a principal amount that is representative for a single transaction in Euros in that market at that time. The LIBO Calculation Agent will request the principal London office of each of the reference banks to provide a quotation for its rate. If at least two such quotations are provided, then the 3-month Euribo Rate for that LIBOR Interest Determination Date will be the arithmetic mean of the quotations (rounded, if necessary, to the nearest one-hundredth (0.01) of a percent). If fewer than two quotations are provided as requested, the rate for that LIBOR Interest Determination Date will be the arithmetic

mean (rounded, if necessary, to the nearest one-hundredth (0.01) of a percent) of the rates quoted by major banks in New York City, selected by the LIBO Calculation Agent, at approximately 11:00 a.m., New York time on the applicable LIBO Rate Reset Date for loans in Euros to leading European banks having a three-month maturity commencing on that LIBOR Interest Determination Date and in a principal amount that is representative for a single transaction in Euros in that market at that time.

"Reuters Page LIBOR01" means the display designated as "Page LIBOR01" on Reuters Money 3000 Service or any successor service (or such other page as may replace Page LIBOR01 on that service) or such other service displaying the London Inter-Bank offered rates of major banks, as may replace Reuters Money 3000 Service.

"LIBOR Interest Determination Date" means the second LIBOR Business Day preceding each LIBO Rate Reset Date.

"LIBOR Business Day" means (a) for the 12-month Yen LIBO Rate any Business Day on which dealings in deposits in Japanese Yen are transacted in the London Inter-Bank market and (b) for the 3-month Euribo Rate any Business Day on which dealings in deposits in Euros are transacted in the London Inter-Bank market.

"LIBO Calculation Agent" means The Bank of New York, or its successor, acting as calculation agent.

Interest upon CEMEX Change of Control

Upon a CEMEX Change of Control Event, from the date on which the CEMEX Change of Control Event occurs, the Securities will bear, in addition to the interest otherwise applicable to the Securities, additional interest in Euros at a rate of 5.00% per year, as applied to the aggregate outstanding Euro principal amount of the Securities. The amount of additional interest payable for any annual interest accrual period will be computed on the basis of a 365-day or 366-day year for the actual number of days in the relevant period if it occurs during a Fixed Rate Period or on the basis of a 360-day year consisting of twelve 30 days months for the actual number of days in the relevant period if it occurs during a Floating Rate Period.

Optional Deferral of Interest

The Company may defer, at its sole discretion, on one or more occasions, payment for all (but not part) of the scheduled interest payment otherwise due and payable on any Interest Payment Date that falls on or after the earlier of (a) the Conversion Date and (b) September 30, 2017. The Company will give the Holder and the Debenture Trustee notice of any interest deferral not more than 30 nor less than 10 Business Days prior to the applicable Interest Payment Date. If the Interest Payment Date for which interest deferral is proposed is also the Conversion Date, no election to defer interest due on that date shall be effective unless the Company shall have converted the interest rate on the Securities and paid in full any Conversion Payment due in connection with the conversion.

Any deferred amounts on the Securities not paid on an Interest Payment Date will accumulate but will bear no interest.

The Company may at any time pay in whole or in part any deferred interest by providing at least five Business Days written notice to the Holder and the Debenture Trustee.

The Company may not defer application of any available Conversion Credits, which shall be applied on each Interest Payment Date to reduce the amount of interest paid or deferred, as applicable, on the Securities.

The Company may not elect to defer any scheduled interest on the Securities due on any Interest Payment Date at any time when CEMEX or any of its Subsidiaries has:

(i) declared or paid any dividend, or made any distributions on common stock of CEMEX at or since the most recent annual general meeting of the shareholders of CEMEX;

(ii) paid any interest or other distributions on any Qualifying Equity Security during the 180-day period immediately preceding the Interest Payment Date for which interest deferral is proposed; or

(iii) repurchased, redeemed or otherwise reacquired any Qualifying Equity Security during the 180-day period immediately preceding the Interest Payment Date for which interest deferral is proposed, other than repurchases, redemptions or reacquisitions (a) the sole consideration for which was the payment of common stock of CEMEX (or rights to acquire common stock of CEMEX), or (b) in connection with the satisfaction of obligations under any existing or future benefit plan for directors, officers or employees.

At any time the Company elects to defer payment of any interest amount on the Securities and for so long as any amount of deferred interest remains unpaid none of CEMEX and its Subsidiaries will:

(i) declare or pay any dividends, make any distributions or pay any interest on any Qualifying Equity Security; or

(ii) repurchase, redeem or otherwise reacquire any Qualifying Equity Security, other than repurchases, redemptions or reacquisitions (a) the sole consideration for which was the payment of common stock of CEMEX (or rights to acquire common stock of CEMEX), or (b) in connection with the satisfaction of obligations under any existing or future benefit plan for directors, officers or employees.

At any time on or prior to June 30, 2017, upon the first Interest Payment Date for which the Company has elected to defer interest, the Company must, as a condition to interest deferral, convert the interest rate on the Securities from the Yen Rate to the Euro Fixed Rate as of that Interest Payment Date (which, in the case of such conversion, shall be the "Conversion Date") by written notice to the Holder, the Debenture Trustee, the Trustee and the Swap Counterparty not less than 10 Business Days prior to the Interest Payment Date. No conversion shall be effective on any Interest Payment Date (and such Interest Payment Date shall not constitute the Conversion Date) unless C10-EUR Capital (SPV) Limited shall have received from the Company the applicable Conversion Payments with respect to such conversion.

The interest rate on the Securities will automatically convert from the Yen Rate to the Euro Fixed Rate, if on any date (which, in the case of such conversion, shall be the "Conversion Date") on or prior to June 30, 2017:

(i) the Conditions to Anticipated Swap Termination have been deemed satisfied as of such date;

(ii) C10-EUR Capital (SPV) Limited delivers to the Company written notice that an Event of Default with respect to the payment of any installment of interest or any specified event of bankruptcy, liquidation, insolvency or similar proceeding with respect to the Company or any of the Guarantors has occurred;

(iii) the Securities are declared or become immediately due and payable as a result of an Event of Default; or

(iv) any amendment or modification on any term or condition under the Securities, which requires the consent of the holders of the Debentures pursuant to the Debenture Indenture, is made without the written consent of the Swap Counterparty.

Upon conversion, the Company may owe a Conversion Payment under the Conversion Payment Undertaking or may be entitled to Conversion Credits with respect to future interest payments on the Securities, provided that no Conversion Payment shall be due and no Conversion Credits shall apply if the Conditions to Anticipated Swap Termination have been satisfied as of the Conversion Date.

All terms used in this Security which are defined in the Note Indenture shall have the meanings assigned to them in the Note Indenture.

THE NOTE INDENTURE, THE GUARANTEE AND THIS SECURITY SHALL BE GOVERNED BY AND BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

SECTION 205 Form of Guarantee.

GUARANTEE

For value received, each of the undersigned (collectively, the "Guarantors") hereby jointly and severally unconditionally guarantees, on an unsecured basis, to the Holder of the Security upon which this Guarantee is endorsed, and to the Trustee on behalf of such Holder, the

due and punctual payment of the principal of (and premium, if any) and interest (including Additional Amounts) on such Security when and as the same shall become due and payable, whether by acceleration, call for redemption, purchase or otherwise, according to the terms thereof and of the Note Indenture referred to therein. In case of the failure of the Company punctually to make any such payment, the Guarantors hereby agree to cause such payment to be made punctually when and as the same shall become due and payable, whether by acceleration, call for redemption, purchase or otherwise, and as if such payment were made by the Company.

The Guarantors hereby agree that their respective obligations hereunder shall be absolute and unconditional, irrespective of the validity, regularity or enforceability of such Security or the Note Indenture, any failure, omission, delay by or inability of the Trustee or the Holder to enforce the same, any amendment or modification of or deletion from or addition or supplement to or other change in this Guarantee, the Note Indenture, such Security or any other applicable instrument, any waiver of the payment, performance or observance of any of the obligations or agreements contained in this Guarantee, the Note Indenture or such Security, any release or discharge, by operation of law, of any Guarantor from the performance or observance of any obligation or agreement contained in this Guarantee, the Note Indenture or such Security or any other circumstances which might otherwise constitute a legal or equitable discharge or defense of a guarantor. The Guarantors hereby waive the benefits of promptness, demand for payment, diligence, presentment, notice of acceptance, any requirement that the Trustee or any of the Holders exhaust any right or take any action against the Company or any other Person, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest or notice with respect to such Security or the Indebtedness evidenced thereby and all demands whatsoever, and covenant that this Guarantee will remain in full force and effect until the satisfaction of the Guaranteed Obligations. The Guarantors hereby agree that, in the event of a default in payment of principal (or premium, if any) or interest (including Additional Amounts) on such Security, whether at their maturity, by acceleration, call for redemption, purchase or otherwise, legal proceedings may be instituted by the Trustee on behalf of, or by, the Holder of such Security, subject to the terms and conditions set forth in the Note Indenture, directly against the Guarantors to enforce this Guarantee without first proceeding against the Company. The Guarantors agree that if, after the occurrence and during the continuance of an Event of Default, the Trustee or any of the Holders are prevented by applicable law from exercising their respective rights to accelerate the maturity of the Securities, to collect interest on the Securities, or to enforce or exercise any other right or remedy with respect to the Securities, the Guarantors agree to pay to the Trustee for the account of the Holders, upon demand therefor, the amount that would otherwise have been due and payable had such rights and remedies been permitted to be exercised by the Trustee or any of the Holders.

No reference herein to the Note Indenture and no provision of this Guarantee or of the Note Indenture shall alter or impair this Guarantee of the Guarantors, which is absolute and unconditional, of the due and punctual payment of the principal (and premium, if any) and interest (including Additional Amounts) on the Security upon which this Guarantee is endorsed.

The Guarantors shall be subrogated to all rights of the Holder of such Security against the Company in respect of any amounts paid by the Guarantors on account of such Security pursuant to the provisions of this Guarantee or the Note Indenture; provided, however, that the Guarantors shall not be entitled to enforce or to receive any payments arising out of, or based upon, such right of subrogation until the principal of (and premium, if any) and interest on such Security and all other Securities issued under the Note Indenture shall have been paid in full.

This Guarantee shall continue to be effective or be reinstated, as the case may be, if at any time any payment or performance with respect to any of the Guaranteed Obligations is rescinded or must otherwise be returned by the Trustee, any Holder or any other Person upon the insolvency, bankruptcy or reorganization of the Company or otherwise, all as though such payment or performance had not been made or occurred. In the event that any payment, or any part thereof, is rescinded or must otherwise be returned, the Guaranteed Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded or returned. The obligations of the Guarantors under the Guarantee shall not be subject to reduction, termination or other impairment by any set-off, recoupment, counterclaim or defense or for any other reason.

All terms used in this Guarantee that are defined in the Note Indenture referred to in the Security upon which this Guarantee is endorsed shall have the meanings assigned to them in such Note Indenture.

This Guarantee shall not be valid or obligatory for any purpose until the certificate of authentication on the Security upon which this Guarantee is endorsed shall have been executed by the Trustee under the Note Indenture by manual signature.

Reference is made to Article Twelve of the Note Indenture for further provisions with respect to this Guarantee.

This Guarantee shall be governed by and construed in accordance with the laws of the State of New York.

IN WITNESS WHEREOF, each of the Guarantors has caused this Guarantee to be signed by a duly authorized officer.

ARTICLE THREE The Securities

SECTION 301 Title and Terms.

The Securities shall be known and designated as the "Callable Perpetual Dual-Currency Notes" of the Company. The Dual-Currency Notes will be perpetual securities with no maturity date, and they shall bear interest at the Yen Floating Rate, Euro Fixed Rate or Euro Floating Rate, as applicable, from the issue date or from the most recent Interest Payment Date to which interest has been paid or duly provided for, as the case may be, payable annually on or prior to June 30 of each year, beginning on June 30, 2007 during the Yen Floating Rate, as applicable, on or prior to June 30 on each year during the Euro Fixed Rate, as applicable, and quarterly on or prior to March 31, June 30, September 30 and December 31 of each year during the Euro Floating Rate, as applicable, beginning on September 30, 2017, until the principal thereof is paid or made available for payment (to the extent that payment of such interest shall be legally enforceable), from the date such amount is due until it is paid or made available for payment, and such interest on any overdue amount shall be payable on demand. Notwithstanding the foregoing, the Company shall make all payments to the Trustee within the dates and time periods set forth in the Master Collateral Agreement.

The principal on the Securities shall be payable in immediately available funds in Euros or in such coin or currency of the European Union's member states as at the time of payment is legal tender for payment of public and private debts. Payment of interest on the Security will be made in immediately available funds in Euros or in such coin or currency of the European Union or Japan, as applicable, as at the time of payment is legal tender payment of public and private debt. Subject to any written agreement between the Company and the applicable Holder, each such payment of principal and interest will be made at the office or agency of the Company in the Borough of Manhattan, The City of New York maintained for such purpose or, at the option of the Holder and subject to any fiscal or other laws and regulations, at any other office or agency maintained by the Company outside of Mexico for such purpose; provided, however, that upon application by the Holder to the Trustee not later than the 10th day immediately preceding the relevant Regular Record Date, such Holder may receive payment by wire transfer to an Euros account (such transfers to be made only to Holders of an aggregate principal amount in excess of €3,500,000) maintained by the payee with a bank in The City of New York, New York; and provided, further, that, subject to the preceding proviso, payment of interest may, at the option of the Company, be made by check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register. Unless such designation is revoked, any such designation made by such Holder with respect to such Security will remain in effect with respect to any future payments with respect to such Security payable to such Holder. The Company will pay any administrative costs imposed by banks in connection with making such payments.

The Securities shall be redeemable as provided in Article Eleven.

The Securities shall be irrevocably and unconditionally guaranteed as provided in Article Twelve.

SECTION 302 Denominations.

The Securities shall be issuable only in registered form without coupons and only in denominations of €50,000 and integral multiples of €1,000 in excess thereof.

SECTION 303 Execution, Authentication, Delivery and Dating .

The Securities shall be executed on behalf of the Company by any one of the individuals who may sign an Officers' Certificate on its behalf. The signature of any such Person on the Securities may be manual or facsimile.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

At any time and from time to time after the execution and delivery of this Note Indenture, the Company may deliver Securities executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities; and the Trustee in accordance with such Company Order shall authenticate and deliver such Securities as in this Note Indenture provided and not otherwise.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Note Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

SECTION 304 Temporary Securities.

Pending the preparation of definitive Securities, the Company may execute, and upon Company Order the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities are issued, the Company will cause definitive Securities to be prepared without unreasonable delay. After the preparation of definitive Securities, the temporary Securities shall be exchangeable for definitive Securities upon surrender of the temporary Securities at any office or agency of the Company designated pursuant to Section 1002, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of authorized denominations. Until so exchanged the temporary Securities shall in all respects be entitled to the same benefits under this Note Indenture as definitive Securities.

SECTION 305 Registration, Registration of Transfer and Exchange.

(a) The Company shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency designated pursuant to Section 1002 being herein sometimes collectively referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Securities and of transfers of Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as herein provided. Upon surrender for registration of transfer of any Security at an office or agency of the Company designated pursuant to Section 1002 for such purpose, and subject to the other provisions of this Section 305, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of any authorized denominations and of a like aggregate principal amount.

At the option of the Holder, and subject to the other provisions of this Section 305, Securities may be exchanged for other Securities of any authorized denominations and of a like aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, and subject to the other provisions of this Section 305, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and subject to the other provisions of this Section 305, entitled to the same benefits under this Note Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 304 or 905 not involving any transfer.

(b) Notwithstanding any other provisions of this Note Indenture or the Securities, a Global Security may not be transferred, in whole or in part, to any Person other than the Holders or a nominee thereof, and no such transfer to any such other Person may be registered.

(c) Each Global Security issued hereunder shall, upon issuance, bear the legends required by Section 202 to be applied to such a Security and such required legends shall not be removed from such Security.

SECTION 306 Mutilated, Destroyed, Lost and Stolen Securities.

If any mutilated Security is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of like tenor and principal amount and bearing a number not contemporaneously outstanding at the office or agency maintained by the Company for such purpose in the Borough of Manhattan, The City of New York, which will initially be the office of the Trustee.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company,

regardless of whether the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Note Indenture equally and proportionately with any and all other Securities duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 307 Payment of Interest; Interest Rights Preserved .

Interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest.

Any interest on any Security which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in Clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities (or their respective Predecessor Securities) are registered at the close of business on a special record date (herein called a "Special Record Date) for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this Clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each Holder at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following Clause (2).

(2) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this Clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Note Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

SECTION 308 Persons Deemed Owners.

Prior to due presentment of a Security for registration of transfer, the Company, the Guarantors, the Trustee and any agent of the Company, any Guarantor or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of (and premium, if any) and (subject to Section 307) interest on such Security and for all other purposes whatsoever, regardless of whether such Security be overdue, and neither the Company, the Guarantors, the Trustee nor any agent of the Company, any Guarantor or the Trustee shall be affected by notice to the contrary.

SECTION 309 Cancellation.

All Securities surrendered for payment, redemption, registration of transfer or exchange shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by it. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Securities so delivered shall be promptly cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Note Indenture. All cancelled Securities held by the Trustee shall be disposed of as directed by a Company Order or otherwise in accordance with the customary procedures of the Trustee.

SECTION 310 Computation of Interest.

Interest on the Securities shall be computed as follows:

Yen Floating Rate Interest— Unless the interest rate has been previously converted to the Euro Fixed Rate, the Securities will accrue interest in Japanese Yen beginning on the issue date to but not including June 30, 2017, at an annual percentage rate equal to the 12-month Yen LIBO Rate multiplied by 3.1037 (the "Yen Rate"), reset annually, as applied to a Yen principal amount of Japanese Yen 119,084,900,000 (the "Yen Equivalent Principal Amount"). Interest will be payable annually in arrears on June 30 of each year (or, if not a Business Day, on the preceding Business Day), each also a "LIBO Rate Reset Date", beginning on June 30, 2007.

The amount of interest payable for any annual interest period will be computed by multiplying the Yen Rate for that annual interest period by a fraction, the numerator of which will be the actual number of days elapsed during that annual interest period (determined by including the first day of the interest period and excluding the last day), and the denominator of which will be 360, and by multiplying the result by the Yen Equivalent Principal Amount corresponding to the aggregate outstanding Euro principal amount of the Securities. The Yen Equivalent Principal Amount will not change over time as a result of fluctuations in the Yen Rate or the Euro Floating Rate. For the initial interest period ending on June 30, 2007, the Yen Rate will be 0.64455%.

Euro Fixed Rate Interest— If the interest rate on the Securities has been converted to the Euro Fixed Rate, the Securities will accrue interest in Euros, from the annual Interest Payment Date on or immediately prior to the Conversion Date (or the issue date if there is no annual Interest Payment Date prior to the Conversion Date) to but not including June 30, 2017, at the annual rate of 6.277% (the "Euro Fixed Rate"), as applied to the aggregate outstanding Euro principal amount of the Securities. Interest will be payable annually in arrears on June 30 of each year (or, if not a Business Day, on the preceding Business Day). The interest due at the Euro Fixed Rate on an Interest Payment Date may be reduced by the application of Conversion Credits, if applicable, on such Interest Payment Date.

The amount of interest payable for any annual interest accrual period at the Euro Fixed Rate will be computed on the basis of a 365-day or 366-day year for the actual number of days in the relevant period.

Euro Floating Rate Interest— The Securities will accrue interest in Euros, beginning on June 30, 2017, to the date the principal amount of the Securities is repaid in full, at an annual percentage rate equal to the 3-month Euribo Rate plus 4.79% (the "Euro Floating Rate"), as applied to the aggregate outstanding Euro principal amount of the Securities. Interest will be reset quarterly, as applied to the aggregate outstanding Euro principal amount of the Securities and payable quarterly in arrears on March 31, June 30, September 30 and December 31 of each year (or if not a Business Day, on the preceding Business Day), each also a "LIBO Rate Reset Date", beginning on September 30, 2017.

The amount of interest payable at the Euro Floating Rate for any quarterly interest period will be computed by multiplying the Euro Floating Rate for that quarterly interest period by a fraction, the numerator of which will be the actual number of days elapsed during that quarterly interest period (determined by including the first day of the interest period and excluding the last day), and the denominator of which will be 360, and by multiplying the result by the aggregate principal amount of the Securities then Outstanding.

Determining the Floating Rates

The "12-month Yen LIBO Rate" means the rate determined in accordance with the provisions defined in Section 203.

The "3-month Euribo Rate" means the rate determined in accordance with the provisions defined in Section 203.

Interest upon CEMEX Change of Control

Upon a CEMEX Change of Control Event, from the date on which the CEMEX Change of Control Event occurs, the Securities will bear, in addition to the interest otherwise applicable to the Securities, additional interest in Euros at a rate of 5.00% per year, as applied to the aggregate outstanding Euro principal amount of the Securities. The amount of additional interest payable for any annual interest accrual period will be computed on the basis of a 365-day or 366-day year for the actual number of days in the relevant period if it occurs during a Fixed Rate Period or on the basis of a 360-day year consisting of twelve 30 days months for the actual number of days in the relevant period if it occurs during a Floating Rate Period.

SECTION 311 Interest Deferral.

The Company may defer, at its sole discretion, on one or more occasions, payment for all (but not part) of the scheduled interest payment otherwise due and payable on any Interest Payment Date that falls on or after the earlier of (a) the Conversion Date and (b) September 30, 2017. The Company will give the Holder and the Debenture Trustee notice of any interest deferral not more than 30 nor less than 10 Business Days prior to the applicable Interest Payment Date. If the Interest Payment Date for which interest deferral is proposed is also the Conversion Date, no election to defer interest due on that date shall be effective unless the Company shall have converted the interest rate on the Securities and paid in full any Conversion Payment due in connection with the conversion.

Any deferred amounts on the Securities not paid on an Interest Payment Date will accumulate but will bear no interest.

The Company may at any time pay in whole or in part any deferred interest by providing at least five Business Days prior written notice to the Holder and the Debenture Trustee.

The Company may not defer application of any available Conversion Credits, which shall be applied on each Interest Payment Date to reduce the amount of interest paid or deferred, as applicable, on the Securities.

SECTION 312 Limitation on Interest Deferral.

The Company may not elect to defer any scheduled interest on the Securities due on any Interest Payment Date at any time when CEMEX or any of its Subsidiaries has:

(i) declared or paid any dividend, or made any distributions on common stock of CEMEX at or since the most recent annual general meeting of the shareholders of CEMEX;

(ii) paid any interest or other distributions on any Qualifying Equity Security during the 180-day period immediately preceding the Interest Payment Date for which interest deferral is proposed; or

(iii) repurchased, redeemed or otherwise reacquired any Qualifying Equity Security during the 180-day period immediately preceding the Interest Payment Date for which interest deferral is proposed, other than repurchases, redemptions or reacquisitions (a) the sole consideration for which was the payment of common stock of CEMEX (or rights to acquire common stock of CEMEX), or (b) in connection with the satisfaction of obligations under any existing or future benefit plan for directors, officers or employees.

At any time the Company elects to defer payment of any interest amount on the Securities and for so long as any amount of deferred interest remains unpaid none of CEMEX and its Subsidiaries will:

(i) declare or pay any dividends, make any distributions or pay any interest on any Qualifying Equity Security; or

(ii) repurchase, redeem or otherwise reacquire any Qualifying Equity Security, other than repurchases, redemptions or reacquisitions (i) the sole consideration for which was the payment of common stock of CEMEX (or rights to acquire common stock of CEMEX), or (ii) in connection with the satisfaction of obligations under any existing or future benefit plan for directors, officers or employees.

SECTION 313 Conversion Upon Deferral.

At any time on or prior to June 30, 2017, upon the first Interest Payment Date for which the Company has elected to defer interest, the Company must, as a condition to interest deferral, convert the interest rate on the Securities from the Yen Rate to the Euro Fixed Rate as of that Interest Payment Date (which shall be the "Conversion Date" for purposes of any conversion pursuant to this Section 313) by written notice to the Holder, the Debenture Trustee, the Trustee and the Swap Counterparty not less than 10 Business Days prior to the payment date. No conversion shall be effective on any Interest Payment Date (and such Interest Payment Date shall not constitute the Conversion Date) unless C10-EUR Capital (SPV) Limited shall have received from the Company on or prior to such Interest Payment Date any applicable Conversion Payments with respect to such conversion.

SECTION 314 Conversion Upon Redemption.

If the company elects to redeem the Securities in accordance with Article Eleven on or prior to June 30, 2017, the Company must, as a condition to redemption, convert the interest rate on the Securities from the Yen Rate to the Euro Fixed Rate as of that Redemption Date (which shall be the "Conversion Date" for purposes of any conversion pursuant to this Section 314) by written notice to the Holder, the Debenture Trustee, the Trustee and the Swap Counterparty not less than 10 Business Days prior to the Interest Payment Date. Neither C10-EUR Capital (SPV) Limited nor the Debenture Trustee shall apply any proceeds of redemption of the Securities to pay any redemption price due with respect to the Debentures unless C10-EUR Capital (SPV) Limited shall have received from the Company on or prior to such Interest Payment Date any applicable Conversion Payment with respect to such conversion.

SECTION 315 Mandatory Conversion.

The interest rate on the Securities will automatically convert from the Yen Rate to the Euro Fixed Rate, if on any date (which shall be the "Conversion Date" for purposes of any conversion pursuant to this Section 315) on or prior to June 30, 2017:

(i) the Conditions to Anticipated Swap Termination have been deemed satisfied as of such date;

(ii) C10-EUR Capital (SPV) Limited delivers to the Company written notice that an Event of Default with respect to the payment of any installment of interest or any Event of Default under clause (5) or (6) of Section 501 has occurred;

(iii) the Securities are declared or become immediately due and payable as a result of an Event of Default; or

(iv) any amendment or modification on any term or condition under the Securities, which requires the consent of the holders of the Debentures pursuant to the Debenture Indenture, is made without the written consent of the Swap Counterparty.

Upon conversion, the Company may owe a Conversion Payment under the Conversion Payment Undertaking or may be entitled to Conversion Credits with respect to future interest payments on the Securities, provided that no Conversion Payment shall be due and no Conversion Credits shall apply if the Conditions to Anticipated Swap Termination have been satisfied as of the Conversion Date.

SECTION 316 No Sinking Fund.

The Securities will not be entitled to the benefit of a sinking fund.

ARTICLE FOUR

Satisfaction and Discharge

SECTION 401 Satisfaction and Discharge of Note Indenture.

This Note Indenture shall cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for), and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Note Indenture, when

(1) either

(A) all Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 305 and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 1003) have been delivered to the Trustee for cancellation; or

(B) all such Securities not theretofore delivered to the Trustee for cancellation

(i) have become due and payable, or

(ii) will become due and payable at their Stated Maturity within one year, or

(iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company,

and the Company or a Guarantor, in the case of (i), (ii) or (iii) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose an amount sufficient to pay and discharge the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for principal and interest to the date of such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be;

(2) the Company or a Guarantor has paid or caused to be paid all other sums payable hereunder by the Company and the Guarantors; and

(3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Note Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Note Indenture, the obligations of the Company to the Trustee under Section 607, the obligations of the Trustee to any Authenticating Agent under Section 612 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of Clause (1) of this Section, the obligations of the Trustee under Section 402 and the last paragraph of Section 1003 shall survive.

SECTION 402 Application of Trust Money.

Subject to the provisions of the last paragraph of Section 1003, all money deposited with the Trustee pursuant to Section 401 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Note Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal and interest for whose payment such money has been deposited with the Trustee.

ARTICLE FIVE

Remedies

SECTION 501 Events of Default.

"Event of Default", wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) a failure to pay principal when due upon redemption or failure to pay interest, other than deferred interest, or other amounts due upon any Securities or under the Note Indenture within five Business Days after receipt of notice for any interest payment or such other amount due on or prior to the Conversion Date, and within 30 days of the date due for any interest payment due after the earlier of the Conversion Date and June 30, 2017;

(2) a failure to pay any amount due under the Conversion Payment Undertaking within 30 days of the due date;

(3) the Company or any of the Guarantors defaults in the performance or observance of any of its obligations with respect Sections 801 and 1005;

(4) the Company or any of the Guarantors defaults in the performance or observance of any of its covenants or other obligations (other than the obligation of CEMEX under Section 1006) and continuance of such default or breach for a period of 30 days after there has been given, by registered or certified mail, to the Company by the Trustee or by the Holders of at least 25% in principal amount of the Outstanding Securities a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder;

(5) the entry by a competent court of (A) a decree or order for relief in respect of the Company or any Guarantor in an involuntary case or proceeding under any applicable bankruptcy, insolvency, *concurso mercantil*, reorganization or other similar law of Mexico, the United States of America, the Netherlands or other applicable jurisdiction or any political subdivision thereof or other applicable bankruptcy, insolvency, *concurso mercantil*, reorganization or other similar law, or (B) a decree or order adjudging the Company or any such Guarantor bankrupt, insolvent or in *concurso mercantil*, or approving as properly filed a petition seeking reorganization, arrangement, adjustment, *concurso mercantil*, or composition of or in respect of, the Company or any such Guarantor under any applicable law of Mexico, or the United States of America, the Netherlands or other applicable jurisdiction or any political subdivision thereof or other applicable law, or appointing a custodian, receiver, *síndico*, liquidator, conciliator, assignee, trustee, sequestrator or other similar official of the Company or any such Guarantor or of any substantial part of the property of the Company or any such Guarantor, or ordering the winding up or liquidation of the affairs of the Company or any such Guarantor and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 60 consecutive days, other than, in any such case, any decree or order issued pursuant to proceedings that have been commenced prior to the date of this Note Indenture;

(6) the commencement by the Company or any Guarantor of a voluntary case or proceeding under any applicable bankruptcy, insolvency, *concurso mercantil*, reorganization or other similar law of Mexico, the United States of America, the Netherlands or other applicable jurisdiction or any political subdivision thereof or other applicable bankruptcy, insolvency, *concurso mercantil*, reorganization or other similar law or of any other case or proceeding to be adjudicated bankrupt, insolvent or in *concurso mercantil*, or the consent by the Company or any such Guarantor to the entry of a decree or order for relief in respect of the Company or any Guarantor in an involuntary case or proceeding under any applicable bankruptcy, insolvency, *concurso mercantil*, reorganization or other similar law of Mexico, the United States of America, the Netherlands or other applicable jurisdiction or any political subdivision thereof or other applicable bankruptcy, insolvency, *concurso mercantil*, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against the Company or any Guarantor, or the filing by the Company or any such Guarantor of a petition or answer or consent seeking reorganization, *concurso mercantil*, or relief under

any applicable law of Mexico, the United States of America, the Netherlands or other applicable jurisdiction or any political subdivision thereof or other applicable law, or the consent by the Company or any such Guarantor to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, *síndico*, liquidator, conciliator, assignee, trustee, sequestrator or similar official of the Company or any Guarantor or of any substantial part of the property of the Company or any Guarantor, or the making by the Company or any Guarantor of an assignment for the benefit of creditors, or the admission by the Company or any such Guarantor in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Company or any such Guarantor in furtherance of any such action; or

(7) any of the Securities, the Note Indenture, the Conversion Payment Undertaking or any Guarantee ceases to be, or is claimed by the Company or any Guarantor not to be, in full force and effect.

SECTION 502 Acceleration of Maturity; Rescission and Annulment .

If an Event of Default (other than an Event of Default specified in Section 501(5) or 501 (6)) occurs and is continuing, then and in every such case the Trustee shall, at the written request of the Holders of not less than 25% in principal amount of the Outstanding Securities, by notice in writing to the Company, declare the principal of all the Securities to be due and payable immediately, and upon any such declaration such principal and any accrued interest and any unpaid Additional Amounts thereon shall become immediately due and payable. Regardless of whether any action is taken by Holders pursuant to the preceding sentence if an Event of Default specified in Section 501(5) or (6) occurs and is continuing, the principal and any accrued interest, together with any Additional Amounts thereon, on all of the Securities then Outstanding shall *ipso facto* become due and payable immediately without any declaration or other Act on the part of the Trustee or any Holder.

At any time after such a declaration of acceleration has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article, provided the Holders of at least 25% in principal amount of the Outstanding Securities, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(1) the Company or any Guarantor has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue interest and any Additional Amounts thereon on all of the Securities,

(B) the principal of any Securities which have become due otherwise than by such declaration of acceleration and interest and any Additional Amounts thereon at the rate borne by the Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate borne by the Securities, and

(D) all sums paid or advanced by the Trustee hereunder and all amounts owing the Trustee under Section 607;

and

(2) all Events of Default, other than the non payment of the principal of Securities which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 513.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

SECTION 503 Collection of Indebtedness and Suits for Enforcement by Trustee .

The Company covenants that if default is made in the payment of the principal of any Security at the Maturity thereof or any interest on any Security when such interest becomes due and payable and such default continues for a period of five Business Days after receipt of notice for any interest payment or such other amount due on or prior to the Conversion Date, and within 30 days of the date due for any interest payment or such other amount due after the earlier of the Conversion Date and June 30, 2017, the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal and interest, and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal and on any overdue interest, at the rate borne by the Securities, together with any Additional Amounts thereon, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and all amounts due the Trustee under Section 607.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company, any Guarantor or any other obligor upon the Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company, any Guarantor or any other obligor upon the Securities, wherever situated.

If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Note Indenture or the Guarantee or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 504 Trustee May File Proofs of Claim.

In case of any judicial proceeding relating to the Company, any Guarantor or any other obligor upon the Securities, its property or its creditors, the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized

under the Trust Indenture Act (were such Act to apply with respect to this Note Indenture) in order to have claims of the Holders and the Trustee allowed in any such proceeding. In particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 607.

No provision of this Note Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding; provided, however, that the Trustee may, on behalf of the Holders, vote for the election of a trustee in bankruptcy or similar official and be a member of a creditors' or other similar committee.

SECTION 505 Trustee May Enforce Claims Without Possession of Securities.

All rights of action and claims under this Note Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 506 Application of Money Collected.

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 607; and

SECOND: To the payment of the amounts then due and unpaid for principal of and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal and interest, respectively.

SECTION 507 Limitation on Suits.

At any time when there is more than one Holder of Securities, no Holder of any Security shall have any right to institute any proceeding, judicial or otherwise, with respect to this Note Indenture or the Guarantee, or for the appointment of a receiver or trustee, or for any other remedy hereunder or under the Guarantee, unless

(1) such Holder has previously given written notice to the Trustee of a continuing Event of Default;

(2) the Holders of not less than 25% in principal amount of the Outstanding Securities shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60 day period by the Holders of a majority in principal amount of the Outstanding Securities;

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Note Indenture to affect, disturb or prejudice the rights of any other Holders, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Note Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders.

SECTION 508 Unconditional Right of Holders to Receive Principal and Interest .

Notwithstanding any other provision in this Note Indenture, the Holder of any Security (subject to Section 311) shall have the right, which is absolute and unconditional, to receive payment of the principal of and (subject to Section 307) interest on such Security, as applicable, on any relevant Stated Maturity expressed in such Security (or, in the case of redemption, on the Redemption Date), and to institute suit for the enforcement of any such payment, including under the Guarantee, and such rights shall not be impaired without the consent of such Holder.

SECTION 509 Restoration of Rights and Remedies .

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Note Indenture or the Guarantee and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Guarantors, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 510 Rights and Remedies Cumulative .

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 306, no right or remedy herein or in the Guarantee conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the

extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 511 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 5 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 512 Control by Holders.

The Holders of a majority in principal amount of the Outstanding Securities shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, provided that

(1) such direction shall not be in conflict with any rule of law or with this Note Indenture,

(2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and

(3) the Trustee need not follow any such direction if doing so would in its reasonable discretion either involve it in personal liability or be unduly prejudicial to Holders not joining in such direction;

provided further, that the Trustee shall have no obligation to make any determination with respect to any such conflict, personal liability or undue prejudice.

SECTION 513 Waiver of Past Defaults.

The Holders of not less than a majority in principal amount of the Outstanding Securities (or such lesser percentage of the aggregate principal amount of the Outstanding Securities as may act at a meeting of the Holders pursuant to Section 1304) may on behalf of the Holders of all the Securities waive any past default hereunder and its consequences, except a default

(1) in the payment of the principal of or interest on any Security, or

(2) in respect of a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the Holder of each Outstanding Security affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Note Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 514 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Note Indenture or the Guarantee, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, a court may require any party litigant in such suit to file an undertaking to pay the costs of such suit, and may assess costs against any such party litigant; provided, that this Section 514 shall not be deemed to authorize any court to require such an undertaking or to make such an assessment in any suit instituted by the Company or any Guarantor, to any suit instituted by the Trustee, to any suit instituted by any Holder or group of Holders holding in the aggregate more than 10% in principal amount of the Outstanding Securities, or to any suit instituted by any Holder of any Security for the enforcement of the payment of the principal of or interest on any Security on or after the Stated Maturity expressed in such Security (or, in the case of redemption, on or after the Redemption Date).

SECTION 515 Waiver of Usury, Stay or Extension Laws.

Each of the Company and the Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any usury, stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Note Indenture; and each of the Company and the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SIX

The Trustee

SECTION 601 Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Note Indenture, and no implied covenants or obligations shall be read into this Note Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Note Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether they conform to the requirements of this Note Indenture.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Note Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Note Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(1) this paragraph (c) shall not be construed to limit the effect of paragraph (a) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Note Indenture; and

(4) no provision of this Note Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) Regardless of whether therein expressly so provided, every provision of this Note Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 602 Notice of Defaults.

Within 90 days after the occurrence of any default hereunder of which the Trustee has adequate actual notice, the Trustee shall give to all Holders, in the manner provided for in Section 106, notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived; provided, however, that in the case of any default of the character specified in Section 501(2) and 501(4), no such notice to Holders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term “default” means any event which is, or after notice or lapse of time or both would become, an Event of Default.

SECTION 603 Certain Rights of Trustee.

Subject to the provisions of Section 601:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Note Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate;

(d) the Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Note Indenture at the request or direction of any of the Holders pursuant to this Note Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney; and

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

SECTION 604 Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company or the Guarantors, as the case may be, and the Trustee or any Authenticating Agent assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Note Indenture, the Guarantee or of the Securities. The Trustee or any Authenticating Agent shall not be accountable for the use or application by the Company of Securities or the proceeds thereof.

SECTION 605 May Hold Securities.

The Trustee, any Authenticating Agent, any Paying Agent, any Security Registrar or any other agent of the Company or any Guarantor, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Section 601, may otherwise deal with the Company or any Guarantor with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Security Registrar or such other agent.

SECTION 606 Money Held in Trust.

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Company or any Guarantor, as the case may be.

SECTION 607 Compensation and Reimbursement.

The Company and each Guarantor agrees

(1) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Note Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except to the extent any such expense, disbursement or advance may be attributable to its negligence or bad faith; and

(3) to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense arising out of or in connection with the acceptance or administration of this trust or the performance of its duties hereunder, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or bad faith.

The obligations of the Company under this Section 607 shall constitute additional indebtedness hereunder as to which the Trustee shall have a claim senior to the Securities (which are hereby subordinated thereto) to all property and funds collected by the Trustee as such (except funds held in trust for the benefit of particular Securities) and shall survive satisfaction and discharge of this Note Indenture. "Trustee" for purposes of this Section 607 shall include each Trustee, predecessor trustee, Authenticating Agent, Paying Agent, Security Registrar or other agent of the Trustee, Company or Guarantor appointed hereunder, but the negligence or bad faith of any such Person shall not affect the rights of any other such Person under this Section 607. The Guarantors agree that upon the occurrence of the conditions to the effectiveness of the Guarantee described therein, the Guarantors shall be jointly and severally liable for the obligations of the Company pursuant to this Section 607.

SECTION 608 Corporate Trustee Required; Eligibility.

There shall at all times be one (and only one) Trustee hereunder, which shall be a corporation organized, in good standing and doing business under the laws of the United States of America, any State thereof or the District of Columbia, shall be authorized under such laws to

exercise corporate trust powers, shall have a combined capital and surplus of at least $50,000,000, shall be subject to supervision or examination by federal or state authority, and shall have a place of business in the Borough of Manhattan, The City of New York. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section 608, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article. Neither the Company, nor any Guarantor nor any other obligor upon the Securities nor any Affiliate of any of the foregoing shall serve as Trustee.

SECTION 609 Resignation and Removal; Appointment of Successor .

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee under Section 610.

(b) The Trustee may resign at any time by giving written notice thereof to the Company and the Guarantors. If an instrument of acceptance by a successor Trustee required by Section 610 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed at any time by Act of the Holders of a majority in principal amount of the Outstanding Securities, delivered to the Trustee and to the Company.

(d) If at any time:

(1) the Trustee shall cease to be eligible under Section 608 and shall fail to resign after written request therefor by the Company or by any such Holder, or

(2) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Company by a Board Resolution may remove the Trustee, or (ii) subject to Section 514, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Company, by a Board Resolution, shall promptly appoint a successor Trustee. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities delivered to the Company, the Guarantors and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in the manner hereinafter provided, become the successor Trustee

and supersede the successor Trustee appointed by the Company. If no successor Trustee shall have been so appointed by the Company or the Holders and accepted appointment in the manner hereinafter provided, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Company shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to all Holders in the manner provided in Section 106. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

SECTION 610 Acceptance of Appointment by Successor.

Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Company, the Guarantors and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Company and the Guarantors shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 611 Merger, Conversion, Consolidation or Succession to Business.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

SECTION 612 Appointment of Authenticating Agent.

The Trustee may appoint an Authenticating Agent or Agents which shall be authorized to act on behalf of the Trustee to authenticate Securities issued upon original issue and upon exchange, registration of transfer or pursuant to Section 305, and Securities so authenticated shall be entitled to the benefits of this Note Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Note Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate

of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than $50,000,000 and subject to supervision or examination by federal or State authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Company and shall mail written notice of such appointment by first class mail, postage prepaid, to all Holders as their names and addresses appear in the Security Register. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section.

The Trustee agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section, and the Trustee shall be entitled to be reimbursed for such payments, subject to the provisions of Section 607.

If an appointment is made pursuant to this Section, the Securities may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

The Company will duly and punctually pay the principal of and interest (together with any Additional Amounts payable thereon) on the Securities in accordance with the terms of the Securities and this Note Indenture. The Guarantors jointly and severally covenant that they will, as and when any amounts are due hereunder or under any Security, duly and punctually pay such amounts as provided in the Guarantee.

SECTION 1002 Maintenance of Office or Agency.

The Company will maintain in the Borough of Manhattan, The City of New York, an office or agency where Securities may be presented or surrendered for payment, where Securities may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company or any Guarantor in respect of the Securities, this Note Indenture or the Guarantee may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and each of the Company and the Guarantors hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

SECTION 1003 Money for Security Payments to Be Held in Trust.

If the Company shall at any time act as its own Paying Agent, it will, on or before each due date of the principal of or interest (together with any Additional Amounts payable thereon) on any of the Securities, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal or interest (together with any Additional Amounts payable thereon) so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents, it will, prior to each due date of the principal of or interest (together with any Additional Amounts payable thereon) on any Securities, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held in trust for the benefit of Persons entitled to such principal or interest (together with any Additional Amounts payable thereon), and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company will cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 1003, that such Paying Agent will

(1) hold all sums held by it for the payment of the principal of or interest on Securities in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;

(2) give the Trustee notice of any default by the Company (or any other obligor upon the Securities including, without limitation, any Guarantor) in the making of any payment in respect of the Securities; and

(3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Note Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of or interest (together with any Additional Amounts payable thereon) on any Security and remaining unclaimed for two years after such principal or interest (together with any Additional Amounts payable thereon) has become due and payable shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be

published once, in newspapers published in the English language, customarily published on each Business Day and of general circulation in the Borough of Manhattan, The City of New York, that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company.

SECTION 1004 Statement by Officers as to Default.

In the event that any officer of the Company or CEMEX becomes aware of or obtains knowledge of the occurrence of any Event of Default or Default, if any such Event of Default or Default is then continuing, CEMEX will deliver to a Responsible Officer of the Trustee an Officers' Certificate of CEMEX, one of the signatories of which shall be the Corporate Planning and Finance Director, Finance Director, Chief Financial Officer or Comptroller of CEMEX, setting forth the details thereof and the action that the Company or CEMEX is taking or proposes to take with respect thereto and shall make such Officers' Certificate available for inspection by Holders and holders of beneficial interests in the Securities.

SECTION 1005 Corporate Existence.

The Company and each Guarantor will at all times preserve and keep in full force and effect its corporate existence and rights and franchises deemed material to its business, except as otherwise specifically permitted by Section 801 and except that the corporate existence of any Subsidiary of CEMEX may be terminated, and any right or franchise may be disposed of, if such termination or disposition is, in the good faith judgment of CEMEX, in the best interests of CEMEX and is not disadvantageous to the Holders or the holders of beneficial interests in Securities.

SECTION 1006 Available Information.

(a) At all times when CEMEX is required to file any financial statements or reports with the Commission, CEMEX shall use its best efforts to file all required statements or reports in a timely manner in accordance with the rules and regulations of the Commission.

(b) In addition to the information required to be provided under Section 1006(a), CEMEX will deliver to the Trustee, promptly upon the mailing thereof to the shareholders of CEMEX, copies of all financial statements, reports and proxy statements so mailed.

SECTION 1007 Payment of Additional Amounts.

(a) All payments of principal and interest in respect of the Securities, the Note Indenture and the Guarantee by or for the account of the Company or any Guarantor shall be made without withholding or deduction for any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Mexico, the Netherlands, the British Virgin Islands or in the event the Company or any Guarantor appoints additional paying agents, by the jurisdictions of such additional paying agents (each a "Note Taxing Jurisdiction"), or any political subdivision thereof or any authority therein or thereof ("Applicable Taxes"), except to the extent that such Applicable Taxes are required by a Note Taxing Jurisdiction or any such political subdivision or authority to be withheld or deducted. In the event of any withholding or deduction for any Applicable Taxes, the Company and the

Guarantors shall pay such additional amounts ("Additional Amounts") as will result in receipt by the Holders of Securities on the respective due dates of such amounts as would have been received by them had no such withholding or deduction (including for any Applicable Taxes payable in respect of Additional Amounts) been required, except that no such Additional Amounts shall be payable with respect to any payment on a Security:

(i) to the extent that such taxes or duties are imposed or levied by reason of such holder (or the beneficial owner) having some connection with the Note Taxing Jurisdiction other than the mere holding (or beneficial ownership) of such Securities;

(ii) to the extent that such taxes or duties are imposed on, or measured by, net income of the holder (or beneficial owner);

(iii) in respect of which the holder (or beneficial owner) fails to comply with any certification, identification or other reporting requirement concerning its nationality, residence, identity or connection with the Note Taxing Jurisdiction if (1) compliance is required by applicable law, regulation, administrative practice or treaty as a precondition to exemption from all or a part of the taxes, (2) the holder (or beneficial owner) is able to comply with those requirements without undue hardship and (3) the Company has given all holders at least 30 days' prior notice that they will be required to comply with such requirements;

(iv) in respect of which the holder (or beneficial owner) fails to surrender (where surrender is required) its Securities for payment within 30 days after the Company has made available a payment of principal or interest, provided that the Company will pay Additional Amounts to which a holder would have been entitled had the Securities been surrendered on any day (including the last day) within such 30-day period;

(v) to the extent that such taxes or duties are imposed by reason of an estate, inheritance, gift, value added, use or sales tax or any similar taxes, assessments or other governmental charges;

(vi) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive; or

(vii) by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Securities to another paying agent in a member state of the European Union.

The Company shall provide the Trustee, as soon as practicable, with documentation (which may consist of certified copies of such documentation) satisfactory to the Trustee evidencing the payment of Applicable Taxes in respect of which the Company has paid any Additional Amounts. Copies of such documentation shall be made available to the Holders of the Securities or the Paying Agent, as applicable, upon request therefor.

In respect of the Securities issued hereunder, at least five Business Days prior to the first date of payment of interest on the Securities and at least five Business Days prior to each date, if any, of payment of principal or interest thereafter if there has been any change with respect to the matters set forth in the below mentioned Officers' Certificate, the Company shall furnish the Trustee and each Paying Agent with an Officers' Certificate instructing the Trustee and such Paying Agent as to whether such payment of principal of or any interest on such Securities shall be made without deduction or withholding for or on account of any tax, duty, assessment or other governmental charge. If any such deduction or withholding shall be required by Mexico or under the federal laws of the United States, then such certificate shall specify, by country, the amount, if any, required to be deducted or withheld on such payment to Holders of such Securities, and the Company shall pay or cause to be paid to the Trustee or such Paying Agent Additional Amounts, if any, required by this Section 1007. The Company agrees to indemnify the Trustee and each Paying Agent for, and to hold them harmless against, any loss, liability or expense reasonably incurred without negligence or bad faith on their part arising out of or in connection with actions taken or omitted by them in reliance on any Officers' Certificate furnished pursuant to this Section 1007.

(b) The Company and the Guarantors shall pay all stamp and other duties, if any, which may be imposed by Mexico, the United States of America, the Netherlands or any other applicable jurisdiction or any other governmental entity or political subdivision therein or thereof, or any taxing authority of or in any of the foregoing, with respect to the Note Indenture, the Guarantee or the issuance of the Securities.

(c) The Company shall provide each Paying Agent and any withholding agent under relevant tax regulations with copies of each certificate received by the Company from a Holder of a Security pursuant to the text of such Security. Each such Paying Agent and withholding agent shall retain each such certificate received by it for as long as any Security is Outstanding and in no event for less than four years after its receipt, and for such additional period thereafter, as set forth in an Officers' Certificate, as such certificate may become material in the administration of applicable tax laws.

(d) All references in this Note Indenture, the Securities and the Guarantee to principal or interest in respect of any Security shall be deemed to mean and include all Additional Amounts, if any, payable in respect of such principal or interest, unless the context otherwise requires, and express mention of the payment of Additional Amounts in any provision hereof or thereof shall not be construed as excluding reference to Additional Amounts in those provisions hereof and thereof where such express mention is not made. All references in this Note Indenture, the Securities and the Guarantee to principal in respect of any Security shall be deemed to mean and include any Redemption Price payable in respect of such Security pursuant to any redemption hereunder (and all such references to the Stated Maturity of the principal in respect of any Security shall be deemed to mean and include the Redemption Date with respect to any such Redemption Price), and all such references to principal, interest or Additional Amounts shall be deemed to mean and include any amount payable in respect thereof pursuant to Section 1010, and express mention of the payment of any Redemption Price, or any such other amount, in those provisions hereof and thereof shall not be construed as excluding reference to the Redemption Price or any such other amount in those provisions hereof and thereof where such express reference is not made.

SECTION 1008 Limitation on Liens.

So long as any Securities remain Outstanding, CEMEX shall not, and shall not permit any of its Subsidiaries to, create, incur, assume or permit to exist any Lien on or with respect to any property or asset of CEMEX or any Subsidiary, whether now owned or held or hereafter acquired, other than the following Liens ("Permitted Liens"):

(i) Liens for taxes, assessments and other governmental charges the payment of which is being contested in good faith by appropriate proceedings promptly initiated and diligently conducted and for which such reserves or other appropriate provision, if any, as shall be required by Mexican FRS shall have been made;

(ii) statutory Liens of landlords and Liens of carriers, warehousemen, mechanics and materialmen incurred in the ordinary course of business for sums not yet due or the payment of which is being contested in good faith by appropriate proceedings promptly initiated and diligently conducted and for which such reserves or other appropriate provision, if any, as shall be required by Mexican FRS shall have been made;

(iii) Liens incurred or deposits made in the ordinary course of business in connection with workers' compensation, unemployment insurance and other types of social security;

(iv) any attachment or judgment Lien, unless the judgment it secures shall not, within 60 days after the entry thereof, have been discharged or execution thereof stayed pending appeal, or shall not have been discharged within 60 days after the expiration of any such stay;

(v) Liens existing on the date of original issuance of the Securities;

(vi) any Lien on property acquired by CEMEX after the date of original issuance of the Securities that was existing on the date of acquisition of such property; provided that such Lien was not incurred in anticipation of such acquisition, and any Lien created to secure all or any part of the purchase price, or to secure Debt incurred or assumed to pay all or any part of the purchase price, of property acquired by CEMEX or any of its Subsidiaries after the date of original issuance of the Securities; provided, further, that (A) any such Lien permitted pursuant to this clause (vi) shall be confined solely to the item or items of property so acquired (including, in the case of any Acquisition of a corporation through the acquisition of 51% or more of the voting stock of such corporation, the stock and assets of any Acquired Subsidiary or Acquiring Subsidiary) and, if required by the terms of the instrument originally creating such Lien, other property which is an improvement to, or is acquired for specific use with, such acquired property; and (B) if applicable, any such Lien shall be created within nine months after, in the case of property, its acquisition, or, in the case of improvements, their completion;

(vii) any Liens renewing, extending or refunding any Lien permitted by paragraph (vi) above, provided that the principal amount of Debt secured by such Lien immediately prior thereto is not increased or the maturity thereof reduced and such Lien is not extended to the other property;

(viii) any Liens created on shares of capital stock of CEMEX or any of its Subsidiaries solely as a result of the deposit or transfer of such shares into a trust or a special purpose corporation (including any entity with legal personality) of which such shares constitute the sole assets; provided that any shares of Subsidiary stock held in such trust, corporation or entity could be sold by CEMEX under this Note Indenture; and provided, further, that such Liens may not secure Debt of CEMEX or any Subsidiary (unless permitted under another clause of this Section 1008);

(ix) any Liens on securities securing repurchase obligations in respect of such securities;

(x) any Liens in respect of any Qualified Receivables Transaction; or

(xi) in addition to the Liens permitted by the foregoing clauses (i) through (x), Liens securing Debt of CEMEX and its Subsidiaries that in the aggregate secure obligations in an amount not in excess of 5% of Adjusted Consolidated Net Tangible Assets;

unless, in each case, CEMEX has made or caused to be made effective provision whereby the Securities and the Conversion Payment Undertaking are secured equally and ratably with, or prior to, the Debt secured by such Liens (other than Permitted Liens) for so long as such Debt is so secured.

SECTION 1009 Listing.

CEMEX will use its best efforts to cause the Debentures to be duly authorized for listing on the Irish Stock Exchange or another recognized securities exchange and shall from time to time take such other actions as shall be necessary or advisable to maintain the listing of the Debentures thereon.

SECTION 1010 Indemnification of Judgment Currency.

The Company and each Guarantor shall, to the fullest extent permitted by law, indemnify the Trustee and any Holder of a Security against any loss incurred by the Trustee or such Holder, as the case may be, as a result of any judgment or order being given or made for any amount due under this Note Indenture or such Security and being expressed and paid in a currency (the "Judgment Currency") other than Euros, and as a result of any variation between (i) the rate of exchange at which the Euro amount is converted into the Judgment Currency for the purpose of such judgment or order and (ii) the spot rate of exchange in The City of New York at which the Trustee or such Holder, as the case may be, on the date of payment of such judgment or order is able to purchase Euros with the amount of the Judgment Currency actually received by the Trustee or such Holder. If the amount of Euros so purchased exceeds the amount originally to be paid to such Holder, such Holder agrees to pay to or for the account of the Company (with respect to payments made by the Company) and the Guarantors (with respect to payments made by the Guarantors) such excess; provided, that such Holder shall not have any obligation to pay any such excess as long as a default by the Company or the Guarantors, as applicable in its obligations hereunder has occurred and is continuing, in which case such excess may be applied by such Holder to such obligations. The foregoing indemnity shall constitute a separate and independent obligation of the Company and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "spot rate of exchange" shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, Euros.

SECTION 1011 Payment of Certain Issuer Expenses.

The Company and the Guarantors have agreed under this Note Indenture that they will pay to C10-EUR Capital (SPV) Limited from time to time, at least two Business Days in advance of any required payment, such amounts as may be necessary for C10-EUR Capital (SPV) Limited to pay the commissions, fees and expenses of the Initial Purchasers of the Debentures, the fees and expenses of the Debenture Trustee, and any other fees, expenses, indemnification, reimbursement, contribution and other similar obligations, and all other amounts (other than payments under the Debentures and settlement and termination payments under the Extinguishable Coupon Swap) owed by C10-EUR Capital (SPV) Limited to the Initial Purchasers, the Debenture Trustee, the officers and directors of C10-EUR Capital (SPV) Limited, the Swap Counterparty, HSBC Bank USA, N.A. or any other person.

SECTION 1012 Ownership.

Except as otherwise specified or contemplated in this Note Indenture, CEMEX shall take any and all actions necessary to insure that the Company at all times remains, directly or indirectly, a wholly-owned subsidiary of CEMEX.

SECTION 1013 Restrictive Activities.

The Company has agreed, so long as any Securities (or any amount thereunder) is outstanding, not to do any of the following:

(i) engage at any time in any business activity unrelated to the issuance of the Securities, the entering into the Conversion Payment Undertaking, entering into similar capital raising activities and entering into financial arrangements with CEMEX and its Subsidiaries, or

(ii) file for, or consent to the filing of, any bankruptcy, liquidation insolvency or similar proceeding.

SECTION 1014 Waiver of Immunities.

To the extent that the Company or any of the Guarantors may in any jurisdiction claim for itself or its assets immunity from a suit, execution, attachment, whether in aid or execution, before judgment or otherwise, or other legal process in connection with this Note Indenture and the Securities and to the extent that in any jurisdiction there may be immunity attributed to the Company, the Company's assets, the Guarantors or the Guarantors' assets whether or not claimed, the Company and the Guarantors have irrevocably agreed for the benefit of the Holder not to claim, and irrevocably waive, the immunity to the full extent permitted by law.

ARTICLE ELEVEN

Redemption of Securities

SECTION 1101 Right of Redemption.

(a) The Securities may not be redeemed at the election of the Company except in accordance with the provisions of this Article.

(b) The Securities will be redeemable, at the option of the Company, on June 30, 2017, and on each interest payment date thereafter (or, if not a Business Day, on the preceding Business Day), in whole or in part, at par together with all accrued and unpaid interest, including deferred interest, provided that the Company as a condition to redemption, convert the interest rate on the Securities from the Yen Rate to the Euro Fixed Rate as of the Interest Payment Date by written notice to the Holders, the Debenture Trustee, the Trustee and the Swap Counterparty no less than 10 Business Days prior to the Interest Payment Date; in the case of partial redemption the outstanding principal amount of the Securities immediately after such redemption shall not be less than €200,000,000; provided further that no redemption shall be effective on any payment date (and such payment date shall not constitute the Conversion Date) unless C10-EUR Capital (SPV) Limited shall have received from the Company on or prior to such payment date any applicable Conversion Payments with respect to such conversion.

(c) The Securities will be redeemable, at the option of the Company, within 90 days of the occurrence of a CEMEX Change of Control Event, in whole but not in part, at a Redemption Price equal to the greater of (i) par and (ii) the sum of the present values of the remaining scheduled payments on the Securities calculated (1) assuming a final maturity of June 30, 2017, (2) without giving effect to any increase in interest rates as a result of the CEMEX Change of Control Event, and (3) discounted to the redemption date at a rate equal to the interpolated EUR swap rate to June 30, 2017 based on Bloomberg's IYC1 I53 screen, at or around 8:00 a.m., London time on the second Business Day immediately prior to the date on which the redemption notice is delivered, plus a margin equal to 1.79% per annum, plus in each of cases (i) and (ii) above accrued and unpaid interest to the Redemption Date.

The Securities will not otherwise be redeemed by the Company. As a condition to any redemption prior to June 30, 2017, the Company must first convert the interest rate on the Securities from the Yen Rate to the Euro Fixed Rate and pay any applicable Conversion Payment with respect to such conversion in accordance with Section 315.

SECTION 1102 Notice of Redemption.

Notice of redemption shall be given by first class mail, postage prepaid, mailed by the Company to the Trustee not less than 45 days nor more than 60 days prior to the proposed Redemption Date (unless a shorter period of time is agreed upon) and to each Holder and the Trustee will give a corresponding notice to the holders of the Debentures, at his address appearing in the Security Register. Any such notice of redemption is irrevocable and will be given as described below. If the redemption price in respect of any Security is improperly withheld or refused and is not paid by the Company or any Guarantor, interest on the Securities will continue to be payable until the Redemption Price is paid in full.

All notices of redemption shall state:

(1) the Redemption Date,

(2) the Redemption Price and amount of accrued interest, if any,

(3) that on the Redemption Date the Redemption Price and any accrued interest will become due and payable upon each Security to be redeemed and that interest thereon will cease to accrue on and after said date, and

(4) the place or places where such Securities are to be surrendered for payment of the Redemption Price and any accrued interest.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company, and such notice, when given to the Holders, shall be irrevocable.

SECTION 1103 Deposit of Redemption Price.

Prior to any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 1003) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

SECTION 1104 Securities Payable on Redemption Date.

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price herein specified, and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Company at the Redemption Price, together with accrued interest to the Redemption Date; provided, however, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 306.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the Redemption Date at the rate borne by the Security.

ARTICLE TWELVE

Guarantee of the Securities

SECTION 1201 Guarantee.

Subject to the provisions of this Article Twelve, Article Eight and Article Nine, each Guarantor hereby jointly and severally irrevocably and unconditionally guarantees, on an unsecured basis, to each Holder of a Security authenticated and delivered by the Trustee and to the Trustee and its Successors, irrespective of the validity and enforceability of this Note Indenture, the Securities or the obligations of the Company or any other Guarantors to the Holders or the Trustee hereunder or thereunder, that: (a) the principal of and interest on the Securities (including any Additional Amounts) will be duly and punctually paid in full when due, whether at Maturity, by acceleration, call for redemption, purchase or otherwise, and all obligations of the Company or the Guarantors to the Holders or the Trustee hereunder or thereunder (including amounts due the Trustee under Section 607 hereof) or under the Securities (including fees, expenses or other disbursements) will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Securities or any of such other obligations, the same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at maturity, by acceleration, call for redemption, purchase or otherwise (all such obligations guaranteed by the Guarantors, the "Guaranteed Obligations"). The guarantees of the Guarantors under this Article Twelve are herein referred to as the "Guarantee". Failing payment when due of any amount so guaranteed, or failing performance of any other obligation of the Company to the Holders, for whatever reason, each Guarantor will be obligated to pay, or to perform or cause the performance of, the same immediately. An Event of Default under this Note Indenture or the Securities shall constitute an event of default under this Guarantee, and shall entitle the Holders of Securities or the Trustee to accelerate the obligations of the Guarantors hereunder in the same manner and to the same extent as the obligations of the Company.

The Guarantors agree to pay any and all fees and expenses (including reasonable attorney's fees and expenses) incurred by the Trustee or the Holders in enforcing any rights under this Article Twelve with respect to the Guarantors.

Without limiting the generality of the foregoing, this Guarantee guarantees, to the extent provided herein, the payment of all amounts that constitute part of the Guaranteed Obligations and would be owed by the Company under this Note Indenture or the Securities but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving the Company.

No stockholder, officer, director, employee or incorporator, past, present or future, of any Guarantor, as such, shall have any personal liability under this Guarantee by reason of his, her or its status as such stockholder, officer, director, employee or incorporator.

The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under this Guarantee.

SECTION 1202 Execution and Delivery of Guarantee.

The Guarantee to be endorsed on the Securities shall include the terms of the Guarantees set forth in this Article Twelve and any other terms that may be set forth in the form established pursuant to Section 205. The Guarantors hereby agree to execute the Guarantee in the form established pursuant to Section 205, to be endorsed on each Security authenticated and delivered by the Trustee.

The Guarantee shall be executed on behalf of each Guarantor by any one of the individuals who may sign an Officers' Certificate on its behalf. The signature of any such Person on the Guarantee may be manual or facsimile.

A Guarantee bearing the manual or facsimile signature of an individual who was at any time the proper officer of a Guarantor shall bind such Guarantor, notwithstanding that such individual has ceased to hold such office prior to the authentication and delivery of the Security on which such Guarantee is endorsed or did not hold such office at the date of such Guarantee.

The delivery of any Security by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee endorsed thereon on behalf of the respective Guarantor. The Guarantors hereby agree that their respective Guarantee set forth in Section 1201 shall remain in full force and effect notwithstanding any failure to endorse a Guarantee on any Security.

SECTION 1203 Obligations of the Guarantors Unconditional.

Nothing contained in this Article Twelve or elsewhere in this Note Indenture or in any Security is intended to or shall impair, as between the Guarantors and the Holders and the Trustee, the obligation of each Guarantor, which is absolute and unconditional, to pay to the Holders and the Trustee the principal of and interest (including Additional Amounts) on the Securities (and to the Trustee amounts due under Section 607) as and when the same shall become due and payable in accordance with the provisions of this Guarantee, nor shall anything herein or therein prevent the Trustee or any Holder from exercising all remedies otherwise permitted by applicable law upon Default under this Note Indenture. Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not affect the liability of any Guarantor hereunder:

(a) the lack of validity, regularity or enforceability of this Note Indenture or the Securities with respect to the Company or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from this Note Indenture;

(c) any amendment or modification of or deletion from or addition or supplement to or other change in the Guarantee, the Note Indenture or the Securities or any other instrument or agreement applicable to any of the parties to the Guarantee, the Note Indenture or the Securities;

(d) any furnishing or acceptance of any security or any guarantee or other liability of any Subsidiary or any other party, or any release of any security or any guarantee or other liability of any Subsidiary or any other party, for the Guaranteed Obligations, or the failure of any security or any guarantee or other liability of any Subsidiary or any other party or the failure of any Person to perfect any interest in any collateral;

(e) any failure, omission or delay on the part of the Company, to conform or comply with any term of the Note Indenture or the Securities or any other instrument or agreement referred to in paragraph (a) above, including, without limitation, failure to give notice to the Guarantors or the Trustee of the occurrence of an Event of Default;

(f) any waiver of the payment, performance or observance of any of the obligations, conditions, covenants or agreements contained in the Guarantee, the Note Indenture or the Securities, or any other waiver, consent, extension, indulgence, compromise, settlement, release or other action or inaction under or in respect of the Guarantee, the Note Indenture or the Securities or any other instrument or agreement referred to in paragraph (a) above or any obligation or liability of the Company, or any exercise or non-exercise of any right, remedy, power or privilege under or in respect of any such instrument or agreement or any such obligation or liability;

(g) any failure, omission or delay on the part of the Trustee or any Holder of Securities to enforce, assert, exercise or continue exercising any right, power or remedy conferred on it in the Guarantee or the Note Indenture, or any such failure, omission or delay on the part of the Trustee or any Holder of Securities in connection with the Guarantee, the Note Indenture or the Securities, or any other action on the part of the Trustee or any Holder of Securities;

(h) the assignment of any right, title or interest of the Trustee or any Holder in this Note Indenture or the Securities to any other Person;

(i) any voluntary or involuntary bankruptcy, insolvency, *concurso mercantil*, reorganization, arrangement, readjustment, assignment for the benefit of creditors, receivership, liquidation or similar proceedings with respect to the Company, any Guarantor or any other Person or any of their respective properties or creditors, or any action taken by any trustee, receiver or similar officer or by any court in any such proceeding;

(j) any limitation on the liability or obligations of the Company or any other Person under the Guarantee, the Note Indenture or the Securities, or any partial discharge, cancellation or unenforceability of the Guarantee, the Note Indenture or the Securities or any other agreement or instrument referred to in paragraph (c) above or any term hereof, to the extent not mutually agreed upon by the parties hereto;

(k) any merger or consolidation of the Company or any Guarantor into or with any other corporation or any sale, lease or transfer of any of the assets of the Company or any Guarantor to any other Person;

(l) any change in the ownership of any shares of capital stock of the Guarantors, or any change in the corporate relationship between the Company and the Guarantors, or any termination of such relationship, or any change in the corporate existence, structure, or ownership of the Company;

(m) any release or discharge, by operation of law, of any Guarantor from the performance or observance of any obligation, covenant or agreement contained in the Guarantee, the Note Indenture or the Securities;

(n) any action, failure, omission or delay on the part of the Trustee or any Holder of Securities that may impede any Guarantor from acquiring or subrogating such Holder's or Trustee's rights or benefits; or

(o) any other occurrence, circumstance, happening or event whatsoever, whether similar or dissimilar to the foregoing, whether foreseen or unforeseen, and any other circumstance that might otherwise constitute a legal defense or discharge of the liabilities of a Guarantor or that might otherwise limit recourse against the Guarantors; it being the intent of each Guarantor that its obligations hereunder shall not be discharged except by payment of all amounts owing pursuant to this Note Indenture or the Securities.

The Guarantee shall continue to be effective or be reinstated, as the case may be, if at any time any payment or performance with respect to any of the Guaranteed Obligations is rescinded or must otherwise be returned by the Trustee, any Holder or any other Person upon the insolvency, bankruptcy or reorganization of the Company or otherwise, all as though such payment or performance had not been made or occurred. In the event that any payment, or any part thereof, is rescinded or must otherwise be returned, the Guaranteed Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded or returned. The obligations of the Guarantors under the Guarantee shall not be subject to reduction, termination or other impairment by any set-off, recoupment, counterclaim or defense or for any other reason.

SECTION 1204 Waivers.

Each Guarantor hereby irrevocably waives, to the extent permitted by applicable law:

(a) promptness, demand for payment, diligence, presentment, notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and the Guarantee;

(b) any requirement that the Trustee, any Holder or any other Person protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right, sue or take any action against the Company or any other Person, or obtain any relief pursuant to this Note Indenture or pursue any other available remedy prior to making a claim against any Guarantor hereunder;

(c) all right to trial by jury in any action, proceeding or counterclaim arising out of or relating to this Note Indenture or the Securities;

(d) filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest or notice with respect to such Security or the Indebtedness evidenced thereby and all demands whatsoever;

(e) any defense arising by reason of any claim or defense based upon an election of remedies by the Trustee or any Holder that in any manner impairs, reduces, releases or otherwise adversely affects its subrogation, contribution or reimbursement rights or other rights to proceed against the Company or any other Person;

(f) any right to which it may be entitled to have the assets of the Company first be used as payment of the Company's or the Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Guarantor hereunder; or

(g) any duty on the part of the Trustee or any Holder to disclose to such Guarantor any matter, fact or thing relating to the business, operation or condition of the Company and its assets now known or hereafter known by the Trustee or such Holder.

SECTION 1205 Waiver of Subrogation and Contribution.

Each Guarantor hereby irrevocably waives any claim or other right that it may now or hereafter acquire against the Company that arises from the existence, payment, performance or enforcement of such Guarantor's obligations under this Guarantee and this Note Indenture, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution, indemnification, and any right to participate in any claim or remedy of the Trustee or any Holder of Securities against the Company, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, including, without limitation, the right to take or receive from the Company, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or Security on account of such claim or other rights. If any amount shall be paid to any Guarantor in violation of the preceding sentence and the Securities shall not have been paid in full, such amount shall have been deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the Holders of the Securities, and shall forthwith be paid to the Trustee for the benefit of such Holders to be credited and applied upon the Securities, whether matured or unmatured, in accordance with the terms of this Note Indenture. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Note Indenture and that the waiver set forth in this Section 1205 is knowingly made in contemplation of such benefits.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations until payment in full of all Guaranteed Obligations. Each Guarantor further agrees that, as between itself, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Guaranteed Obligations may be accelerated as provided in Article Five hereof for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations, and (y) in the event of any declaration of acceleration of the Guaranteed Obligations as provided in Article Five hereof, the Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purpose of this Guarantee.

SECTION 1206 No Waiver; Cumulative Remedies.

No failure on the part of the Trustee or any Holder to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law. The Trustee and the Holders shall have all of the rights and remedies granted in this Note Indenture and available at law or in equity, and these same rights and remedies may be pursued separately, successively or concurrently against the Company or the Guarantors.

SECTION 1207 Continuing Guarantee.

The Guarantee is a continuing guarantee and, except as otherwise provided herein, shall (a) remain in full force and effect until the satisfaction of the Guaranteed Obligations, (b) be binding upon each Guarantor and (c) inure to the benefit of and be enforceable by the Trustee, the Holders and their successors, transferees and assigns.

ARTICLE THIRTEEN

Meetings of Holders of Securities

SECTION 1301 Purposes for Which Meetings May Be Called.

A meeting of Holders of Securities may be called at any time and from time to time pursuant to this Article to make, give or take any request, demand, authorization, direction, notice, consent, election, waiver or other action provided by this Note Indenture to be made, given or taken by Holders of Securities.

SECTION 1302 Call, Notice and Place of Meetings.

(a) The Company and the Trustee may at any time call a meeting of Holders of Securities for any purpose specified in Section 1301, to be held at such time and at such place in the Borough of Manhattan, the City of New York, New York as the Company or the Trustee, as the case may be, shall determine. Notice of every meeting of Holders of Securities, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given, in the manner provided in Section 106, not less than 30 nor more than 180 days prior to the date fixed for the meeting.

(b) In case at any time the Company, pursuant to an Officers' Certificate, or the Holders of at least 10% in principal amount of the Outstanding Securities shall have requested the Trustee to call a meeting of the Holders of Securities for any purpose specified in Section 1301, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have made the first publication of the notice of such meeting within 30 days after receipt of such request or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Company or the Holders of Securities in the amount above specified, as the case may be, may determine the time and the place in the Borough of Manhattan, the City of New York, New York for such meeting and may call such meeting for such purposes by giving notice thereof as provided in subsection (a) of this Section 1302.

SECTION 1303 Persons Entitled to Vote at Meetings.

To be entitled to vote at any meeting of Holders of Securities, a Person shall be (1) a Holder of one or more Outstanding Securities, or (2) a Person appointed by an instrument in writing as proxy for a Holder or Holders of one or more Outstanding Securities by such Holder or Holders. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel, and representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

SECTION 1304 Quorum; Action.

The Persons entitled to vote a majority in principal amount of the Outstanding Securities shall constitute a quorum. In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting may be adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be further adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such adjourned meeting (subject to repeated applications of this sentence). Notice of the reconvening of any adjourned meeting shall be given as provided in Section 1302(a), except that such notice need be given only once not less than five days prior to the date on which the meeting is scheduled to be reconvened. conduct of the meeting as it shall deem appropriate. Except as otherwise permitted or required by any such regulations, the holding of Securities shall be proved in the manner specified in Section 104 and the appointment of any proxy shall be proved in the manner specified in Section 104 or by having the signature of the person executing the proxy witnessed or guaranteed by any trust company, bank or banker authorized by Section 104 to certify to the holding of Securities. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Section 104 or other proof.

(b) The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Holders of Securities as provided in Section 1302(b), in which case the Company or the Holders of Securities calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. (c) At any meeting each Holder of a Security or proxy shall be entitled to one vote for each €1,000 principal amount of Securities held or represented by him; provided, however, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote, except as a Holder of a Security or proxy.

(d) Any meeting of Holders of Securities duly called pursuant to Section 1302 at which a quorum is present may be adjourned from time to time by Persons entitled to vote a majority in principal amount of the Outstanding Securities represented at the meeting; and the meeting may be held as so adjourned without further notice.

SECTION 1306 Counting Votes and Recording Action of Meetings.

The vote upon any resolution submitted to any meeting of Holders of Securities shall be by written ballots on which shall be subscribed the signatures of the Holders of Securities or of their representatives by proxy and the principal amounts and serial numbers of the Outstanding Securities held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record, at least in duplicate, of the proceedings of each meeting of Holders of Securities shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was given as provided in Section 1302 and, if applicable, Section 1304. Each copy shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one such copy shall be delivered to the Company and another to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. (ii) the occurrence of, agreement to or announcement of any of the events described in (a)(i) to (v) above due to an administrative adjustment, accounting adjustment or tax adjustment or other technical adjustment occurring in the ordinary course of business; and

(iii) the occurrence of, agreement to or announcement of any of the events described in (a)(i) to (v) above in circumstances where such event does not directly or indirectly result from a deterioration in the creditworthiness or financial condition of the Reference Entity.

For purposes of (a) and (b) above, the term Obligation shall be deemed to include Underlying Obligations for which the Reference Entity is acting as provider of any Qualifying Guarantee. In the case of a Qualifying Guarantee and an Underlying Obligation, references to the Reference Entity in (a) above shall be deemed to refer to the Underlying Obligor and the reference to the Reference Entity in (b) above shall continue to refer to the Reference Entity.

"Sovereign" means any state, political subdivision or government, or any agency, instrumentality, ministry, department or other authority (including, without limiting the foregoing, the central bank) thereof.

"Sovereign Agency" means any agency, instrumentality, ministry, department or other authority (including, without limiting the foregoing, the central bank) of the Reference Entity.

"Subordination" means, with respect to an obligation (the "Subordinated Obligation") and another obligation of the Reference Entity to which such obligation is being compared (the "Senior Obligation"), a contractual, trust or similar arrangement providing that (a) upon the liquidation, dissolution, reorganization or winding up of the Reference Entity, claims of the

holders of the Senior Obligation will be satisfied prior to the claims of the holders of the Subordinated Obligation or (b) the holders of the Subordinated Obligation will not be entitled to receive or retain payments in respect of their claims against the Reference Entity at any time that the Reference Entity is in payment arrears or is otherwise in default under the Senior Obligation. " Subordinated" will be construed accordingly. For purposes of determining whether Subordination exists or whether an obligation is Subordinated with respect to another obligation to which it is being compared, the existence of preferred creditors arising by operation of law or of collateral, credit support or other credit enhancement arrangements shall not be taken into account, except that, notwithstanding the foregoing, priorities arising by operation of law shall be taken into account.

"Substitute Reference Obligation" means one or more obligations of a Reference Entity (either directly or as provider of a Qualifying Guarantee) that will replace the Reference Obligation of such Reference Entity, identified by the Calculation Agent in accordance with the following procedures:

(a) In the event that (i) a Reference Obligation is redeemed in whole or (ii) in the opinion of the Calculation Agent (A) the aggregate amounts due under any Reference Obligation have been materially reduced by redemption or otherwise (other than due to any scheduled redemption, amortization or prepayments), (B) any Reference Obligation is an Underlying Obligation with a Qualifying Guarantee of a Reference Entity and, other than due to the existence or occurrence of a CEMEX Credit Event, the Qualifying Guarantee is no longer a valid and binding obligation of such Reference Entity enforceable in accordance with its terms, or (C) for any other reason, other than due to the existence or occurrence of a CEMEX Credit Event, any Reference Obligation is no longer an obligation of a Reference Entity, the Calculation Agent shall (after consultation with the parties) identify one or more Obligations to replace such Reference Obligation.

(b) Any Substitute Reference Obligation shall be an Obligation that (1) ranks pari passu (or, if no such Obligation exists, then, at the Calculation Agent's option, an Obligation that ranks senior) in priority of payment with such Reference Obligation (with the ranking in priority of payment of such Reference Obligation being determined as of the later of (A) the Effective Date and (B) the date on which such Reference Obligation was issued or incurred and not reflecting any change to such ranking in priority of payment after such later date), (2) preserves the economic equivalent, as closely as practicable as determined by the Calculation Agent in consultation with the parties, of the delivery and payment obligations of the parties pursuant to this Transaction and (3) is an obligation of a Reference Entity (either directly or as provider of a Qualifying Guarantee). The Substitute Reference Obligation identified by the Calculation Agent shall, without further action, replace such Reference Obligation.

(c) For purposes of identification of a Reference Obligation, any change in the Reference Obligation's ISIN number or other similar identifier will not, in and of itself, convert such Reference Obligation into a different Obligation.

"Supranational Organization" means any entity or organization established by treaty or other arrangement between two or more Sovereigns or the Sovereign Agencies of two or more Sovereigns and includes, without limiting the foregoing, the International Monetary Fund, European Central Bank, International Bank for Reconstruction and Development and European Bank for Reconstruction and Development.

"Voting Shares" means those shares or other interests that have the power to elect the board of directors or similar governing body of an entity.

(ii) payments of interest, fees and expenses in respect of the Facilities being paid on their due date in accordance with the terms of the Facilities (as amended by this Agreement),

and further provided that any Participating Creditor shall be entitled to take any action available to it to recover any amount due to it under the Finance Documents and unpaid other than the taking of any action described in Clause 26.16 (*Acceleration*) except as contemplated in that Clause.

11. REPAYMENT

11.1 Repayment of Exposures and reduction of Facility Limits

(a) The Borrowers shall repay the aggregate Exposures of the Participating Creditors under their respective Facilities in instalments by repaying on each Repayment Date an amount which reduces the Base Currency Amount of the outstanding aggregate Exposures under each such Facility by an amount (each such amount, and the amount to be repaid under paragraph (b) below, a " **Repayment Instalment**") such that the amount of all Repayment Instalments up to (and including) that Repayment Date (as a percentage of the aggregate Exposures as at the Reference Date under all Facilities) is equal to the "Cumulative Repayment Amount %" set out opposite that Repayment Date below (and on each Repayment Date the Facility Limit for each Facility will be reduced by the aggregate amount of the Exposures of the Participating Creditors under that Facility that are required to be repaid on that date under this Clause 11.1):

Repayment Date:	Cumulative Repayment Amount %:
15 December 2009	3.18%

(d) Each repayment and cancellation under this Clause 11.1 (*Repayment of Exposures and reduction of Facility Limits*) will reduce the Base Currency Amounts of the Exposures of the Participating Creditors across all Facilities as at the date of the repayment and cancellation rateably.

11.2 Repayment of Loans under Revolving Facilities

Each Borrower which has drawn a Loan under a Revolving Facility shall satisfy its obligations in respect thereof on the last day of its Interest Period by way of a Rollover

Loan (except to the extent that repayment or prepayment of such Loan is contemplated in Clause 11.1 (*Repayment of Exposures and reduction of Facility Limits*), Clause 12 (*Illegality, voluntary prepayment and cancellation*), Clause 13 (*Mandatory prepayment*) or Clause 26.16 (*Acceleration*)).

11.3 **Effect of cancellation and prepayment on scheduled repayments and reductions**

If any of the Exposures of Participating Creditors under the Facilities are prepaid in accordance with Clause 12.2 (*Voluntary prepayment of Exposures*), or Clause 13.1 (*Disposal, Permitted Fundraising and Permitted Securitisation Proceeds and Excess Cashflow*) then such prepayment will be deemed to have been applied in reduction of the amount of the Repayment Instalment for the Repayment Dates falling after that prepayment in the following order:

(a) **first**, in reduction of the Repayment Instalments falling due on or before 31 December 2011, in the order of those Repayment Instalments; and

Any part of any Core Bank Facility that was not utilised as at close of business on the Reference Date shall be cancelled with effect from the Effective Date and the commitment of each Participating Creditor under such Core Bank Facility shall be reduced rateably.

12. ILLEGALITY, VOLUNTARY PREPAYMENT AND CANCELLATION

12.1 **Illegality**

(a) Any Existing Illegality Clause in an Existing Finance Document will continue in full force and effect in accordance with its terms.

(b) If, at any time, it is or will become unlawful in any applicable jurisdiction for a Participating Creditor to perform any of its obligations as contemplated by the Finance Documents, or to fund, issue or maintain its participation in any Loan:

(i) that Participating Creditor, shall promptly notify the Administrative Agent and the relevant Creditor's Representative upon becoming aware of that event;

(ii) subject to Clause 17.10 (*Replacement of Participating Creditor*), upon the Administrative Agent notifying the Parent and the relevant Creditor's Representative, the commitment of that Participating Creditor under the relevant Facilities will be immediately cancelled (and the Facility Limit applicable to those Facilities will be reduced accordingly); and

(iii) subject to Clause 17.10 (*Replacement of Participating Creditor*), each Borrower shall repay that Participating Creditor's participation in Loans made to that Borrower on the last day of the Interest Period for each such Loan occurring after the Administrative Agent has notified the Parent and the relevant Creditor's Representative or, if earlier, the date specified by the Participating Creditor in the notice delivered to the Administrative Agent and the relevant Creditor's Representative (being no earlier than the last day of any applicable grace period permitted by law).

(c) For the avoidance of doubt, this Clause 12.1 (*Illegality*) shall not apply to a USPP Note and any reference in this Agreement to this Clause 12.1 (*Illegality*) in respect of a USPP Note shall have no effect.

12.2 **Voluntary prepayment of Exposures**

Subject to Clause 12.3 (*Proportionate cancellation and prepayment*), a Borrower may, if it or the Parent gives the Administrative Agent not less than 5 Business Days' (or such shorter period as the Majority Participating Creditors and the Administrative Agent may agree) prior notice, prepay the whole or any part of the Exposures of Participating Creditors under the Facilities in accordance with the terms of the relevant Existing Finance Documents **provided that** in relation to any prepayment of an Exposure under a Revolving Facility, the Facility Limit applicable to that Facility is simultaneously reduced in an equal amount.

12.3 **Proportionate cancellation and prepayment**

Any prepayment under Clause 12.2 (*Voluntary prepayment of Exposures*) must reduce the Base Currency Amounts of the Exposures of the Participating Creditors across all Facilities as at the date of the prepayment rateably (and will reduce the Repayment Instalments in the order set out in Clause 11.3 (*Effect of cancellation and prepayment on scheduled repayments and reductions*)).

(i) any reasonable expenses which are incurred by the relevant member(s) of the Group with respect to that Permitted Securitisation owing to persons who are not members of the Group; and

(ii) any Tax incurred and required to be paid by the relevant member(s) of the Group with respect to that Permitted Securitisation (as reasonably determined by the relevant member(s) of the Group on the basis of rates existing at the time and taking account of any available credit, deduction or allowance).

(b) The Parent shall ensure that the Exposures of Participating Creditors under the Facilities are prepaid in the following amounts at the times and in the order of application contemplated by Clause 13.2 (*Application of mandatory prepayments*):

(i) the amount of Disposal Proceeds **provided that** (A) the obligation to prepay such amounts shall only apply on each occasion that the aggregate amount of any Disposal Proceeds received (whether from a single Disposal or a series of Disposals) is equal to or greater than $50,000,000; and (B) if there is no Permitted Liquidity Facility in place and the cash in hand of the Parent on a consolidated basis as at the most recent Quarter Date preceding the date of the Disposal in respect of which financial statements of the Parent have been (or are required to have been) delivered under paragraphs (a) or (f) of Clause 22.1 (*Financial Statements*) is less than $350,000,000 (the amount of such shortfall being the " **Shortfall**") then the amount required to be prepaid under this paragraph (b)(i) in relation to the relevant Disposal will be reduced by the amount of the Shortfall;

(i) unless otherwise agreed to in writing by the relevant Borrower and the relevant Participating Creditors that a prepayment is not required to be made, upon completion of the Disposal, the Exposures of the relevant Participating Creditors under the relevant Facilities in respect of which that Borrower is the borrower or issuer (or the Holding Company is a holding company of that Borrower) (and for this purpose CEMEX España will be regarded as an issuer

of the USPP Notes as well as CEMEX España Finance LLC) shall be prepaid in full using the Disposal Proceeds and, for the avoidance of doubt, such prepayment shall first be applied in respect of the Exposures of the relevant Participating Creditors under the relevant Facilities and, subject to paragraph (ii) below, not be required to be applied to reduce the Base Currency Amount of the Exposures of the Participating Creditors across all the Facilities as at the date of prepayment rateably (but will reduce the Repayment Instalments in the order set out in Clause 11.3 (*Effect of cancellation and prepayment on scheduled repayments and reductions*));

(ii) any Disposal Proceeds arising from the Disposal that are not required to be applied under paragraph (i) above shall be applied in accordance with paragraph (b) of Clause 13.1 (*Disposal, Permitted Fundraising and Permitted Securitisation Proceeds and Excess Cashflow*).

(b) Exposures of Participating Creditors under the Facilities shall be prepaid at the following times:

14.2 **Interest and other amounts**

Any prepayment under this Agreement (whether voluntary, mandatory, by acceleration or otherwise) shall be made together with accrued interest on the amount prepaid and, subject to (and including) any Break Costs, without premium or penalty.

14.3 **Prepayment in accordance with Agreement**

No Borrower shall repay or prepay all or any part of the Exposures of Participating Creditors under the Facilities or cancel or reduce any Facility Limit except at the times and in the manner expressly provided for in this Agreement.

14.4 **No reinstatement of Facility Limit**

No cancellation of commitments and reduction in a Facility Limit under (or required by) this Agreement may be subsequently reinstated.

14.5 **Administrative Agent's receipt of Notices**

If the Administrative Agent receives a notice under Clause 12 (*Illegality, voluntary prepayment and cancellation*), it shall promptly forward a copy of that notice or election to either the Parent or the affected Participating Creditor, as appropriate.

SECTION 5
INTEREST AND FEES

15. **INTEREST**

15.1 **Calculation and payment of interest**

(a) Under each Syndicated Bank Facility and Bilateral Bank Facility:

(i) the rate of interest on each Loan for each Interest Period is the percentage rate per annum determined in accordance with the Existing Finance Documents under which that Loan has been made save that the applicable margin will be the Margin, and such interest is payable to the relevant Creditor's Representative at the times and in the manner specified in those Existing Finance Documents; and

(ii) any facility fee or utilisation fee provided for in the Existing Finance Documents for such facility will be deleted and will cease to accrue after the Effective Date, **provided that** any such fees that have accrued on or prior to the Effective Date will continue to be due and payable in accordance with the provisions of the relevant Existing Finance Documents.

(b) Under each Promissory Note, the rate of interest on the Exposures under that Promissory Note is the percentage rate per annum determined in accordance with that Promissory Note, and such interest is payable to the relevant Participating Creditors at the times, and in the manner, specified in that Promissory Note.

(c) Under the USPP Note Agreement, the rate of interest shall be the rate set forth therein (**provided that** this rate will be subject to any adjustments to the Margin from time to time under paragraphs (a) to (c) of the definition of Margin and Clause 25 (*Covenant Reset Date*)) and shall be payable on the 15th day of the last month of each Financial Quarter or (at any time after the date falling three Months after the date of this Agreement) such shorter period as is applicable to the Loans under paragraph (c) or of Clause 15.3 (*Harmonisation of Interest Periods*), and shall be payable all in the manner and on the timing as more particularly set forth in the USPP Note Agreement.

15.2 **Default interest**

(a) If an Obligor fails to pay any amount payable by it under a Finance Document on its due date, interest shall accrue on the overdue amount from the due date up to the date of actual payment (both before and after judgment) at a rate which, subject to paragraph (b) below, is 2.00 per cent. higher than the rate which would have been payable if the overdue amount had, during the period of non-payment, constituted a Loan or other amount outstanding in the currency of the overdue amount under the relevant Facility for successive Interest Periods, each of a duration selected by the Administrative Agent (acting reasonably). Any interest accruing under this Clause 15.2 (*Default interest*) shall be immediately payable by the Obligor on demand by the Administrative Agent.

(b) If any overdue amount consists of all or part of a Loan or other amount outstanding which became due on a day which was not the last day of an Interest Period relating to that Loan or other amount outstanding:

(i) the first Interest Period for that overdue amount shall have a duration equal to the unexpired portion of the current Interest Period relating to that Loan or other amount outstanding; and

(ii) the rate of interest applying to the overdue amount during that first Interest Period shall be 2.00 per cent. higher than the rate which would have applied if the overdue amount had not become due.

(c) Default interest (if unpaid) arising on an overdue amount will be compounded with the overdue amount at the end of each Interest Period applicable to that overdue amount but will remain immediately due and payable.

(d) To the extent that default interest accrues in respect of any unpaid amount under the Existing Finance Documents, default interest will only accrue under this Clause 15.2 (*Default interest*) in respect of such unpaid amount for an Interest Period to the extent (if any) by which the amount of default interest that would have accrued in respect of such amount under this Clause 15.2 (*Default interest*) but for this paragraph (d) exceeds the amount of default interest accrued in respect of such unpaid sum during that Interest Period under the Existing Finance Documents.

15.3 **Harmonisation of Interest Periods**

(a) The Parent shall procure that as soon as reasonably practicable after the date of this Agreement the Interest Periods in respect of the Exposures of the Participating Creditors under the Facilities are harmonised such that, subject to paragraph (c) below, each Interest Period begins and ends on or about the 15th day of the last Month of a Financial Quarter and has a duration of three Months (provided that if the current Interest Period of a Loan ends within less than 5 days before 15 September 2009, the Parent may select an Interest Period for the relevant Loan that ends on 15 December 2009).

(b) Each Participating Creditor consents (and hereby notifies the relevant Creditor's Representative of its consent) to the selection by the relevant Obligor (during the first three Months after the Effective Date (or, if the Interest Period applicable to any Loan as at the Effective Date extends beyond 15 September 2009, six Months) of an Interest Period ending on or about the 15 th day of the last Month of the next Financial Quarter if reasonably required to effect the harmonisation contemplated in paragraph (a).

(c) The Parent may, by giving written notice to the Administrative Agent (for distribution by the Administrative Agent to the Creditor's Representatives) at

least four Business Days prior to the last day of the then current Interest Period, select Interest Periods of 1 Month for all (but not some) of the Loans. If a selection is made by the Parent under this paragraph (c) then, for each Month ending on or before the next Quarter Date, the Interest Period applicable to all Loans will be 1 Month (and the relevant Borrower will be deemed to have submitted a selection notice, rollover notice or, as the case may be, utilisation request to that effect in respect of (and in accordance with the terms of) each Facility).

15.4 **Retrospective margin uplift**

The Parent shall pay (or procure to be paid) to the Creditor's Representative under each Facility, on the last day of the first Interest Period to end after the Effective Date in relation to a Facility, for the account of:

(a) each Participating Creditor (other than a USPP Noteholder) with an Exposure under a Facility, additional margin in an amount equal to the difference between:

(i) the aggregate of the facility fee and utilisation fee (in each case, if applicable) and margin component of interest that accrued under that Facility for the account of the Participating Creditors from (and including) 1 August 2009 to (but excluding) the Effective Date; and

(ii) the margin component of interest that would have accrued under that Facility in accordance with Clause 15.1 (*Calculation and payment of interest*) had the Effective Date occurred on 31 July 2009; and

(b) each USPP Noteholder, additional margin in an amount equal to the difference between:

(i) the aggregate of the fees and interest that accrued under that USPP Note for the account of the USPP Noteholder from (and including) 1 August 2009 to (but excluding) the Effective Date; and

(ii) the interest that would have accrued under that USPP Note in accordance with Clause 15.1 (*Calculation and payment of interest*) had the Effective Date occurred on 31 July 2009.

16. **FEES**

16.1 **Upfront fee**

The Parent shall pay (or procure to be paid) to the Creditor's Representative under each Facility and the Creditor's Representative shall distribute to the respective Participating Creditor under each Facility, an upfront fee in the amount and at the times agreed in a Fee Letter (and the Administrative Agent shall be authorised to execute on behalf of each Participating Creditor such Fee Letter in substantially the form circulated to the Participating Creditors prior the date of this Agreement).

16.2 **Non-issuance fee**

If, between the date of this Agreement and 30 June 2010, the Parent has not issued common equity securities to persons who are not members of the Group for net cash proceeds of at least $1,000,000,000 (or its equivalent in any other currency) then on 1 July 2010 the Parent shall pay (or procure to be paid) to the Creditor's Representative under each Facility, for the account of each Participating Creditor with an Exposure under a Facility, a fee in an amount equal to 0.75 per cent. of the amount of that Participating Creditor's Exposure under that Facility as at the Reference Date (payable in the currency of the relevant Exposure) as specified in Part II of Schedule 1 (*The Original Participating Creditors*).

16.3 **Administrative Agency fee**

The Parent shall pay to the Administrative Agent (for its own account) an agency fee in the amount and at the times agreed in a Fee Letter.

16.4 **Security Agent fee**

The Parent shall pay to the Security Agent (for its own account) the Security Agent fee in the amount and at the times agreed in a Fee Letter.

16.5 **Other existing fees**

The Borrowers shall pay all fees payable under the Existing Finance Documents in accordance with their terms (except as such terms are expressly modified by the New Finance Documents).

SECTION 6
ADDITIONAL PAYMENT OBLIGATIONS

17. TAX GROSS-UP, INCREASED COSTS AND INDEMNITIES

17.1 Tax gross-up

(a) Any tax gross up provisions (and any related mitigation provisions) in the Existing Finance Documents will continue in full force and effect in accordance with their terms.

(b) In addition, in relation to any payments to be made under the New Finance Documents in respect of a Facility, any tax gross-up provisions in the Existing Finance Documents for that Facility will apply to such payments as if the Obligors had been "Obligors", "Borrowers" and/or "Guarantors" (as applicable) and the New Finance Documents had been "Finance Documents" and/or the "Agreement" (as applicable) and the "Agent" had been the "Administrative Agent" for the purposes of those Existing Finance Documents.

(c) In relation to any Facility in respect of which the relevant Existing Finance Documents do not contain a tax gross up provision:

(i) each Obligor shall make all payments to be made by it under the Finance Documents in relation to that Facility without any Tax Deduction, unless a Tax Deduction is required by law.

(ii) the Parent shall, promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) under the Finance Documents in relation to that Facility, notify the Administrative Agent accordingly. Similarly, a Participating Creditor shall notify the Administrative Agent on becoming so aware in respect of a payment payable to that Participating Creditor. If the Administrative Agent receives such notification from a Participating Creditor it shall notify the Parent and that Obligor.

(iii) if a Tax Deduction is required by law to be made by an Obligor under the Finance Documents in relation to that Facility, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required and will provide to the Administrative Agent, upon request, evidence of the payment of the applicable Taxes.

17.2 Increased costs

(a) Any increased costs provisions (and any related mitigation provisions) in the Existing Finance Documents will continue in full force and effect in accordance with their terms.

(b) In addition, in relation to any payments to be made or actions to be taken under the New Finance Documents in respect of a Facility (other than a USPP Note), any increased cost provisions in the Existing Finance Documents for that Facility will apply to such payments or actions as if the Obligors (other than a Security Provider that is not also a Borrower or a Guarantor) had been "Obligors", "Borrowers" and/or "Guarantors" (as applicable) and the New Finance Documents had been "Finance Documents" or the "Agreement" (as applicable), the Administrative Agent had been the "Agent" and the term "Business Day" had the meaning ascribed to it in this Agreement, in each case for the purposes of those Existing Finance Documents.

(c) In relation to any Facility (other than a USPP Note) in respect of which the relevant Existing Finance Documents do not contain an increased costs provision, subject to paragraph (g) below, the Parent shall, within three Business Days of a demand by the Administrative Agent, pay for the account of a Finance Party the amount of any Increased Costs incurred by that Finance Party or any of its Affiliates in relation to that Facility as a result of (i) the introduction of or any change in (or in the interpretation, administration or application of) any law or regulation or (ii) compliance with any law or regulation made after the date of this Agreement.

(d) In this Agreement "**Increased Costs**" means:

(i) a reduction in the rate of return from a Facility or on a Finance Party's (or its Affiliate's) overall capital;

(ii) an additional or increased cost; or

(iii) a reduction of any amount due and payable under any Finance Document,

which is incurred or suffered by a Finance Party or any of its Affiliates to the extent that it is attributable to that Finance Party having entered into its obligations under the Facility (other than a USPP Note) or funding or performing its obligations under any Finance Document (other than the USPP Note Agreement).

(e) A Finance Party intending to make a claim pursuant to paragraph (c) above shall notify the Administrative Agent of the event giving rise to the claim, following which the Administrative Agent shall promptly notify the Parent.

(f) Each Finance Party shall, as soon as practicable after a demand by the Administrative Agent, provide a certificate confirming the amount of its Increased Costs.

(g) Paragraph (c) above does not apply to the extent any Increased Cost is:

(i) attributable to a Tax Deduction required by law to be made by an Obligor;

(ii) compensated for by any tax indemnity in the Existing Finance Documents; or

(iii) attributable to the wilful breach by the relevant Finance Party or its Affiliates of any law or regulation.

(h) For the avoidance of doubt, this Clause 17.2 (*Increased costs*) shall not apply to a USPP Note and any reference in this Agreement to this Clause 17.2 (*Increased costs*) in respect of a USPP Note shall have no effect.

17.3 **Other existing indemnities**

(a) Any indemnities in the Existing Finance Documents will continue in full force and effect in accordance with their terms.

(b) In addition, in relation to any payments to be made or actions to be taken under the New Finance Documents in respect of a Facility, any indemnities in the Existing Finance Documents for that Facility will apply to such payments or actions as if the Obligors (other than a Security Provider that is not also a Borrower or Guarantor) had been "Obligors", "Borrowers" and/or "Guarantors" (as applicable) and the New Finance Documents had been "Finance Documents" for the purposes of those Existing Finance Documents.

17.4 **Currency Indemnity**

Without limiting any provision in an Existing Finance Document that provides for such an indemnity, to the extent permitted under applicable law, if any sum due from an Obligor under the Finance Documents (a "**Sum**"), or any order, judgment or award given or made in relation to a Sum, has to be converted from the currency (the "**First Currency**") in which that Sum is payable into another currency (the "**Second Currency**") for the purpose of:

(a) making or filing a claim or proof against that Obligor; or

(b) obtaining or enforcing an order, judgment or award in relation to any litigation or arbitration proceedings,

that Obligor shall as an independent obligation, within three Business Days of demand, indemnify each Secured Party to whom that Sum is due against any cost, loss or liability arising out of or as a result of the conversion including any discrepancy between (i) the rate of exchange used to convert that Sum from the First Currency into the Second Currency and (ii) the rate or rates of exchange available to that person at the time of its receipt of that Sum.

Each Obligor waives any right it may have in any jurisdiction to pay any amount under the Finance Documents in a currency or currency unit other than that in which it is expressed to be payable.

17.5 **Tax indemnity**

(a) Any tax indemnity provisions (and any related mitigation provisions) in the Existing Finance Documents will continue in full force and effect in accordance with their terms.

(b) The Parent shall (within three Business Days of demand by the Administrative Agent) pay (or procure to be paid) to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.

(c) Paragraph (a) above shall not apply:

(i) with respect to any Tax assessed on a Finance Party:

(A) under the law of the jurisdiction in which that Finance Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Finance Party is treated as resident for tax purposes; or

(B) (other than in the case of a USPP Noteholder) under the law of the jurisdiction in which that Finance Party's Facility Office is located in respect of amounts received or receivable in that jurisdiction,

if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Finance Party; or

(ii) to the extent a loss, liability or cost is compensated for by an increased payment under Clause 17.1 (*Tax gross-up*).

(d) A Protected Party making, or intending to make a claim under paragraph (a) above shall promptly notify the Administrative Agent of the event which will give, or has given, rise to the claim, following which the Administrative Agent shall notify the Parent.

(e) A Protected Party shall, on receiving a payment from an Obligor under this Clause 17.5, notify the Administrative Agent.

17.6 **Other indemnities**

(a) Without limiting any provision in an Existing Finance Document that provides for such an indemnity, the Parent shall (or shall procure that an Obligor (other than a Security Provider that is not also a Borrower or Guarantor) will), within three Business Days of demand, indemnify each Secured Party against any cost, loss or liability incurred by it as a result of:

(i) the occurrence of any Event of Default;

(ii) a failure by an Obligor to pay any amount due under a Finance Document on its due date, including without limitation, any cost, loss or liability arising as a result of Clause 31 (*Sharing among the Finance Parties*);

(iii) funding, or making arrangements to fund, its participation in a Loan requested by a Borrower in a Utilisation Request but not made by reason of the operation of any one or more of the provisions of the Finance Documents (other than by reason of default or negligence by that Finance Party alone); or

(iv) a Loan (or part thereof) not being prepaid in accordance with a notice of prepayment given by a Borrower or the Parent.

(b) The Parent will indemnify and hold harmless each Finance Party and its Affiliates and each of their and their Affiliates respective directors, officers, employees, agents, advisors and representatives (each being an " **Indemnified Person**") from and against any and all claims, damages, losses, liabilities, costs, legal expenses and other expenses (all together " **Losses**") which have been incurred by or awarded against any Indemnified Person, in each case arising out of or in connection with any claim, investigation, litigation or proceeding (or the preparation of any defence with respect thereto) commenced or threatened by any person in relation to any of the Finance Documents (or in connection with the execution and/or notarisation of any Finance Document) except to the extent such Losses or claims result from such Indemnified Person's negligence or misconduct or a breach of any term of any Finance Document by that Indemnified Person. Any third party referred to in this paragraph (b) may rely on this Clause 17.6.

17.7 **Mitigation**

(a) Each Finance Party shall, in consultation with the Parent, take all reasonable steps to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to, or cancelled pursuant to, any of Clause 12.1 (*Illegality*) or Clauses 17.1 (*Tax gross-up*) to 17.6 (*Other indemnities*) including (but not limited to) transferring its rights and obligations under the Finance Documents to another Affiliate or Facility Office.

(b) Paragraph (a) above does not in any way limit the obligations of any Obligor under the Finance Documents.

17.8 **Break Costs**

Without limiting any provision in an Existing Finance Document that provides for the payment of break costs:

(a) each Borrower shall, within three Business Days of demand by a Finance Party, pay to that Finance Party its Break Costs attributable to all or any part of a Loan or Unpaid Sum being paid by that Borrower on a day other than the last day of an Interest Period for that Loan or Unpaid Sum;

(b) each Participating Creditor shall, as soon as reasonably practicable after a demand by the Administrative Agent, provide a certificate confirming the amount of its Break Costs for any Interest Period in which they accrue; and

(c) for the avoidance of doubt, this Clause 17.8 (*Break Costs*) shall not apply to a USPP Note and any reference in this Agreement to this Clause 17.8 (*Break Costs*) in respect of a USPP Note shall have no effect.

17.9 **Indemnity to the Administrative Agent and Creditor's Representative**

The Parent shall promptly indemnify the Administrative Agent and any Creditor's Representative (and any of their Affiliates that acts as their agent, sub-agent or delegate in connection with a Finance Document), against any cost, loss or liability reasonably incurred by the Administrative Agent or such Creditor's Representative (or any of their Affiliates that acts as its agent, sub-agent or delegate in connection with a Finance Document) (each acting reasonably) as a result of:

(a) investigating any event which it reasonably believes is a Default; or

(b) acting or relying on any notice, request or instruction which it reasonably believes to be genuine, correct and appropriately authorised.

Any third party referred to in this Clause 17.9 can rely on this Clause 17.9.

17.10 **Replacement of Participating Creditor**

(a) If at any time an Obligor (other than a Security Provider that is not also a Borrower or a Guarantor) becomes obliged to repay any amount in accordance with Clause 12.1 (*Illegality*) or to pay additional amounts pursuant to Clause 17.2 (*Increased costs*) or Clause 17.1 (*Tax gross-up*) to any Participating Creditor in excess of amounts payable to the other Participating Creditors generally then the Parent may, on 10 Business Days' prior written notice to the Administrative Agent and such Participating Creditor, replace (or procure the replacement of) such Participating Creditor by requiring such Participating Creditor to (and such Participating Creditor shall) transfer pursuant to Clause 27 (*Changes to the Participating Creditors*) all (and not part only) of its rights and obligations under the Finance Documents to a Participating Creditor or other person (a "**Replacement Participating Creditor**") selected by the Parent, and which is acceptable to the Administrative Agent (acting reasonably) and which confirms its willingness to assume and does assume all the obligations of the transferring Participating Creditor (including the assumption of the transferring Participating Creditor's participations on the same basis as the transferring Participating Creditor) for a purchase price in cash payable at the time of transfer equal to the outstanding principal amount of such Lender's participation in the outstanding Utilisations and all accrued interest and/or fees, Break Costs and other amounts payable in relation thereto under the Finance Documents.

(b) The replacement of a Participating Creditor pursuant to this Clause shall be subject to the following conditions:

(i) neither the Administrative Agent nor the Participating Creditor shall have any obligation to the Parent to find a Replacement Participating Creditor; and

(ii) in no event shall the Participating Creditor replaced under this Clause 17.10 be required to pay or surrender to such Replacement Participating Creditor any of the fees received by such Participating Creditor pursuant to the Finance Documents.

17.11 **Value added tax**

(a) All consideration expressed to be payable under a Finance Document by any Party to a Finance Party shall be deemed to be exclusive of any VAT. If VAT is chargeable on any supply made by any Finance Party to any party in connection with a Finance Document, that Party shall pay to the Finance Party (in addition to and at the same time as paying the consideration) an amount equal to the amount of the VAT and such Finance Party shall promptly provide an appropriate VAT invoice to such Party.

(b) Where a Finance Document requires any Party to reimburse a Finance Party for any costs or expenses, that Party shall also at the same time pay and indemnify that Finance Party against all VAT incurred by the Finance Party in respect of the costs or expenses to the extent that the Finance party reasonably determines that it is not entitled to credit or repayment of the VAT.

17.12 **No double-recovery**

No Finance Party may recover more than once under the Finance Documents for any cost, loss or liability in respect of which it has a claim under this Clause 17.

18. **STAMP TAXES**

The Parent shall pay and, within five Business Days of demand, indemnify each Secured Party against any cost, loss or liability that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document (**provided that** no Finance Party may recover more than once under the Finance Documents for the same portion of any cost, loss or liability).

19. **COSTS AND EXPENSES**

19.1 **Transaction expenses**

The Parent shall promptly on demand pay (or procure to be paid) the Administrative Agent and the Security Agent the amount of all costs and expenses (including legal fees) reasonably incurred by any of them (and, in the case of the Security Agent, by any Receiver or Delegate) in connection with the negotiation, preparation, printing, execution and perfection of:

(a) this Agreement and any other documents referred to in this Agreement and the Transaction Security; and

(b) any other Finance Documents executed after the date of this Agreement.

19.2 **Amendment costs**

If an Obligor requests an amendment, waiver or consent, the Parent shall, within three Business Days of demand, reimburse (or procure to be reimbursed) each of the Administrative Agent and the Security Agent for the amount of all costs and expenses (including legal fees) reasonably incurred by the Administrative Agent and the Security Agent (and, in the case of the Security Agent, by any Receiver or Delegate) in responding to, evaluating, negotiating or complying with that request or requirement.

19.3 **Security Agent's ongoing costs**

(a) In the event of (i) a Default or (ii) the Security Agent considering it necessary or expedient or (iii) the Security Agent being requested by an Obligor or the Majority Participating Creditors to undertake duties which the Security Agent and the Parent agree to be of an exceptional nature and/or outside the scope of the normal duties of the Security Agent under the Finance Documents, the Parent shall pay to the Security Agent any additional remuneration that may be agreed between them.

(b) If the Security Agent and the Parent fail to agree upon the nature of the duties or upon any additional remuneration, that dispute shall be determined by an investment bank (acting as an expert and not as an arbitrator) selected by the Security Agent and approved by the Parent or, failing approval, nominated (on the application of the Security Agent) by the President for the time being of the Law Society of England and Wales (the costs of the nomination and of the investment bank being payable by the Parent) and the determination of any investment bank shall be final and binding upon the parties to this Agreement.

19.4 **Enforcement and preservation costs**

The Parent shall, within three Business Days of demand, pay (or procure to be paid) to each Secured Party the amount of all costs and expenses (including legal fees) incurred by it in connection with the enforcement of or the preservation of any rights under any Finance Document and the Transaction Security and any proceedings instituted by or against the Security Agent as a consequence of taking or holding the Transaction Security or enforcing these rights.

19.5 **Preservation of existing costs and expenses provisions**

The obligations in this Clause 19 are in addition to any other provisions relating to costs and expenses in the Existing Finance Documents (**provided that** no Finance Party may recover more than once under the Finance Documents for the same portion of any cost or expense).

SECTION 7
GUARANTEE

20. GUARANTEE AND INDEMNITY

20.1 Guarantee and indemnity

Each Guarantor (other than CEMEX, Inc. and (unless it has granted a guarantee pursuant to Clause 24.32 (*Conditions subsequent*)) CEMEX Australia Holdings) irrevocably and unconditionally jointly and severally:

(a) guarantees to each Finance Party punctual performance by each other Obligor of that Obligor's obligations under the Finance Documents;

(b) undertakes with each Finance Party that whenever an Obligor does not pay any amount when due under or in connection with any Finance Document, it shall immediately on demand pay that amount as if it were the principal obligor; and

(c) indemnifies each Finance Party immediately on demand against any cost, loss or liability suffered by that Finance Party if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal or is otherwise discharged by the operation of Clause 7.2 (*Distressed Disposals*) of the Intercreditor Agreement. The amount of the cost, loss or liability shall be equal to the amount which that Finance Party would otherwise have been entitled to recover.

20.2 Continuing Guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by each Obligor under the Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

20.3 Reinstatement

If any payment by any Obligor or any discharge given by a Finance Party (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is avoided or reduced as a result of insolvency or any similar event:

(a) the liability of each Obligor (other than a Security Provider that is not also a Borrower or a Guarantor) shall continue as if the payment, discharge, avoidance or reduction had not occurred; and

(b) each Finance Party shall be entitled to recover the value or amount of that security or payment from each Obligor (other than a Security Provider that is not also a Borrower or a Guarantor), as if the payment, discharge, avoidance or reduction had not occurred.

20.4 Waiver of defences

The obligations of each Guarantor (other than CEMEX, Inc. and (unless it has granted a guarantee pursuant to Clause 24.32 (*Conditions subsequent*)) CEMEX Australia Holdings) under this Clause 20 will not be affected by an act, omission, matter or thing which, but for this Clause 20, would reduce, release or prejudice any of its obligations under this Clause 20 (without limitation and whether or not known to it or any Finance Party) including:

(a) any time, waiver or consent granted to, or composition with, any other Obligor or other person;

(b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any other Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any other Obligor or any other person;

(e) any amendment (however fundamental) or replacement of a Finance Document or any other document or security;

(f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security;

(g) any insolvency or similar proceedings;

(h) the existence of any claim, set-off or other right which any of the Guarantors may have at any time against any Obligor, the Administrative Agent, any Participating Creditor or any other person, whether in connection with this transaction or with any unrelated transaction;

(i) any provision of applicable law or regulation purporting to prohibit the payment by any Obligor of any amount payable by any Obligor under any Finance Document or the payment, observance, fulfilment or performance of any other obligations to the Participating Creditors, the Administrative Agent now or in future existing under or in connection with the Finance Documents, whether direct or indirect, absolute or contingent, due or to become due;

(j) any change in the name, purposes, business, capital stock (including the ownership thereof) or constitution of any Obligor;

(k) any other act or omission to act or delay of any kind by any Obligor, the Administrative Agent, the Participating Creditors or any other person or any other circumstance whatsoever which might otherwise constitute a legal or equitable discharge of or defense to any Guarantor's obligations hereunder.

To the extent permitted by applicable law and notwithstanding any contrary principles under the laws of any other jurisdiction, each of the Guarantors (other than CEMEX, Inc. and (unless it has granted a guarantee pursuant to Clause 24.32 (*Condition*

Subsequent)) CEMEX Australia Holdings) hereby waives any and all defences to which it may be entitled, whether at common law, in equity or by statute which limits the liability of, or exonerates, guarantors or which may conflict with the terms of this Clause 20 including failure of consideration, breach of warranty, statute of frauds, merger or consolidation of any Obligor, statute of limitations, accord and satisfaction and usury. Without limiting the generality of the foregoing, each of the Guarantors (other than CEMEX, Inc. and (unless it has granted a guarantee pursuant to Clause 24.32 (*Conditions subsequent*)) CEMEX Australia Holdings) consents that, without notice to such Guarantor and without the necessity for additional endorsement or consent by such Guarantor, and without impairing or affecting in any way the liability of such Guarantor hereunder, the Administrative Agent and the Participating Creditors may at any time and from time to time, upon or without any terms or conditions and in whole or in part, (a) change the manner, place or terms of payment of, and/or change or extend the time or payment of, renew or alter, any of the Guarantors' obligations under the Finance Documents, any security therefor, or any liability incurred directly or indirectly in respect thereof, and this Clause 20 shall apply to the such obligations as so changed, extended, renewed or altered; (b) exercise or refrain from exercising any rights against any Obligor or others (including the Guarantors) or otherwise act or refrain from acting; (c) settle or compromise any such obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any such liability (whether due or not) of any Obligor to creditors of any Obligor other than the Administrative Agent and the Participating Creditors and Guarantors; (d) apply any sums by whomsoever paid or howsoever realised, other than payments of the Guarantors of such obligations, to any liability or liabilities of any Obligor under the Finance Documents or any instruments or agreements referred to herein or therein, to the Administrative Agent and the Participating Creditors regardless of which of such liability or liabilities of any Obligor under the Finance Documents or any instruments or agreements referred to herein or therein remain unpaid; (e) consent to or waive any breach of, or any act, omission or default under such obligations or any of the instruments or agreements referred to in this Agreement and the other Finance Documents, or otherwise amend, modify or supplement such obligations or any of such instruments or agreements, including the Finance Documents; and/or (f) request or accept other support of such obligations or take and hold any security for the payment of such obligations, or allow the release, impairment, surrender, exchange, substitution, compromise, settlement, rescission or subordination thereof. Each Guarantor incorporated in Mexico expressly waives, irrevocably and unconditionally:

(a) any right to require any Finance Party first proceed against, initiate any actions before a court or any other judge or authority, or enforce any other rights or security or claim payment from any Obligor or any other person, before claiming any amounts due from such Guarantor incorporated in Mexico hereunder;

(b) any right to which it may be entitled to have the assets of any Borrower, any other Obligor or any other person first be used, applied or depleted as payment of the Obligor's obligations hereunder, prior to any amount being claimed from or paid by any Guarantor incorporated in Mexico hereunder;

(c) any right to which it may be entitled to have claims against it, or assets to be used or applied as payment, divided among different Guarantors;

(d) the benefits of *orden*, *excusión*, *división*, *quita* and *espera* and any right specified in Articles 2814, 2815, 2817, 2818, 2819, 2820, 2821, 2822, 2823, 2826, 2829, 2837, 2840, 2845, 2846, 2847 and any other related or applicable Articles that are not explicitly set forth herein because of the Guarantor's knowledge thereof, the *Código Civil Federal* of Mexico and the *Código Civil* of each State of the Mexican Republic and the Federal District of Mexico.

20.5 **Immediate recourse**

Each Guarantor (other than CEMEX, Inc. and (unless it has granted a guarantee pursuant to Clause 24.32 (*Conditions subsequent*)) CEMEX Australia Holdings) waives any right it may have of first requiring any Finance Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from a Guarantor under this Clause 20. This waiver applies irrespective of any law or regulation or any provision of a Finance Document to the contrary.

Each Guarantor also waives any right to be sued jointly with other Guarantors and to share liability resulting from any claim against it.

20.6 **Appropriations**

Until all amounts which may be or become payable by any Obligor under or in connection with the Finance Documents have been irrevocably paid in full, each Finance Party (or any trustee or agent on its behalf) may:

(a) refrain from applying or enforcing any other monies, security or rights held or received by that Finance Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Guarantor shall be entitled to the benefit of the same; and

(b) hold in an interest-bearing suspense account any monies received from a Guarantor or on account of such Guarantor's liability under this Clause 20,

provided that the operation of this Clause 20.6 shall not be deemed to create any Security.

20.7 **Deferral of Guarantors' rights**

Until all amounts which may be or become payable by any Obligor under or in connection with the Finance Documents have been irrevocably paid in full and unless the Administrative Agent otherwise directs, no Guarantor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents:

(a) to be indemnified by any other Obligor;

(b) to claim any contribution from any other guarantor of any other Obligor's obligations under the Finance Documents; and/or

(c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Finance Party.

20.8 **Additional security**

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Finance Party.

20.9 **General limitation on guaranty**

In any action or proceeding involving any applicable corporate law, or any applicable bankruptcy, insolvency, reorganisation, *concurso mercantil, quiebra* or other law affecting the rights of creditors generally, if the obligations of any Guarantor (other than CEMEX, Inc. and (unless it has granted a guarantee to Clause 24.32 (*Conditions subsequent*)) CEMEX Australia Holdings) under this Clause 20 would otherwise be held or determined to be void, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under this Clause 20, then, notwithstanding any other provision hereof to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Participating Creditor, the Administrative Agent or any other person to the greatest extent permitted under applicable law, be automatically limited and reduced to the highest amount that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

20.10 **Bankruptcy and Related Matters**

(a) So long as any of the obligations under the Finance Documents are outstanding, each of the Guarantors shall not (unless required to do so by law or regulation), without the prior written consent of the Majority Participating Creditors, commence or join with any other person in commencing any bankruptcy, liquidation, reorganisation, *concurso mercantil, quiebra* or insolvency proceedings of, or against, any Obligor.

(b) If acceleration of the time for payment of any amount payable by Parent under the Finance Documents is stayed upon the insolvency, bankruptcy, reorganisation, *concurso mercantil*, *quiebra* or any similar event of any Obligor or otherwise, all such amounts otherwise subject to acceleration under the terms of this Agreement shall nonetheless be payable by the Guarantors hereunder forthwith on demand by the Administrative Agent made at the request of the Participating Creditors.

(c) The obligations of each of the Guarantors under this Clause 20 shall not be reduced, limited, impaired, discharged, deferred suspended or terminated by any proceeding or action, voluntary or involuntary, involving the bankruptcy, insolvency, *concurso mercantil, quiebra*, receivership, reorganisation, marshalling of assets, assignment for the benefit of creditors, readjustment, liquidation or arrangement of any Obligor or similar proceedings or actions or by any defense which any Obligor may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding or action. Without limiting the generality of the foregoing, the Guarantors' liability shall extend to all amounts and obligations under the Finance Documents and would be owed by any Obligor but for the fact that they are unenforceable or not allowable due to the existence of any such proceeding or action.

(d) Each of the Guarantors (other than CEMEX, Inc. or (unless it has granted a guarantee pursuant to Clause 24.32 (*Conditions subsequent*)) CEMEX Australia Holdings) acknowledges and agrees that any interest on any portion of the obligations under the Finance Documents which accrues after the commencement of any proceeding or action referred to above in paragraph (c) of this Clause 20.10 (or, if interest on any portion of such obligations ceases to accrue by operation of law by reason of the commencement of said proceeding or action, such interest as would have accrued on such portion of such obligations if said proceedings or actions had not been commenced) shall be included in such obligations, it being the intention of the Guarantors, the Administrative Agent, and the Participating Creditors that such obligations which are to be guaranteed by the Guarantors (other than CEMEX, Inc. or (unless it has granted a guarantee pursuant to Clause 24.32 (*Conditions subsequent*)) CEMEX Australia Holdings) pursuant to this Clause 20 shall be determined without regard to any rule of law or order which may relieve any Obligor of any portion of such obligations. The Guarantors will take no action to prevent any trustee in bankruptcy, receiver, debtor in possession, assignee for the benefit of creditors or similar person from paying the Administrative Agent, or allowing the claim of the Administrative Agent, for the benefit of the Administrative Agent, and the Participating Creditors, in respect of any such interest accruing after the date of which such proceeding is commenced, except to the extent any such interest shall already have been paid by the Guarantors.

(e) Notwithstanding anything to the contrary contained herein, if all or any portion of the obligations under the Finance Documents are paid by or on behalf of any Obligor, the obligations of the Guarantors hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, in the event that all or any part of such payment(s) are rescinded or recovered, directly or indirectly, from the Administrative Agent and/or the Participating Creditors as a preference, preferential transfer, fraudulent transfer or otherwise, and any such payments which are so rescinded or recovered shall constitute obligations under the Finance Documents for all purpose under this Clause 20, to the extent permitted by applicable law.

20.11 **Dutch guarantee limitation**

Notwithstanding any other provision of this Clause 20 (*Guarantee and indemnity*) the guarantee, indemnity and other obligations of any Dutch Obligor expressed to be assumed in this Clause 20 (*Guarantee and indemnity*) shall be deemed not to be assumed by such Dutch Obligor to the extent that the same would constitute unlawful financial assistance within the meaning of Article 2:207c or 2:98c Dutch Civil Code or any other applicable financial assistance rules under any rules under any relevant jurisdiction (the " **Prohibition**") and the provisions of this Agreement and the other Finance Documents shall be construed accordingly. For the avoidance of doubt, it is expressly acknowledged that the relevant Dutch Obligors will continue to guarantee all such obligations which, if included, do not constitute a violation of the Prohibition.

20.12 **Spanish Guarantee limitation**

Notwithstanding any other provision of this Clause 20 (*Guarantee and indemnity*) the guarantee, indemnity and other obligations of any Obligor incorporated in Spain expressed to be assumed in this Clause 20 (*Guarantee and indemnity*) shall be deemed not to be assumed by such Obligor incorporated in Spain to the extent that the same would constitute the provision of financial assistance within the meaning of either Article 81 of the 1989 Spanish Corporations Act (*Ley de Sociedades Anónimas*) or Article 40.5 of the 1995 Spanish Limited Liability Companies Act (*Ley de Sociedadas de Responsabilidad Limitada*).

20.13 **Swiss guarantee limitation**

The obligations and liabilities of an Obligor incorporated in Switzerland (the " **Swiss Obligor**") under this Agreement in relation to the obligations, undertakings, indemnities or liabilities of an Obligor other than that Swiss Obligor or any of its fully owned and controlled subsidiaries (the "**Restricted Obligations**") shall be limited to the amount of that Swiss Obligor's Free Reserves Available for Distribution at the time payment is requested, **provided that** such limitation is a requirement under applicable law (including any case law) at that point in time and that such limitation shall not free the Swiss Obligor from its obligations in excess thereof, but merely postpone the performance date until such time as performance is permitted notwithstanding such limitation.

For the purpose of this Clause, "**Free Reserves Available for Distribution**" means an amount equal to the maximal amount in which the relevant Swiss Obligor can make a dividend payment to its shareholder(s) (being the balance sheet profit and any freely disposable reserves available for this purpose, in each case in accordance with applicable Swiss law).

As soon as possible after having been requested to discharge a Restricted Obligation, the Swiss Obligor shall, if it cannot discharge the full amount of the Restricted Obligations, provide the Security Agent with an interim statutory balance sheet audited by the statutory auditors of the Swiss Obligor setting out the Free Reserves Available

for Distribution and, immediately thereafter, pay the amount corresponding to the Free Reserves Available for Distribution to the Security Agent (save to the extent provided below).

In respect of the Restricted Obligations, the Swiss Obligor shall:

(a) if and to the extent required by applicable law in force at the relevant time:

(i) subject to any applicable double taxation treaties, deduct Swiss withholding tax at the rate of 35 per cent. (or such other rate as is in force at that time) from any payment made by it;

(ii) pay any such deduction to the Swiss Federal Tax Administration; and

(iii) notify and provide evidence to the Security Agent that the Swiss withholding tax has been paid to the Swiss Federal Tax Administration;

(b) to the extent such deduction is made, not be required to make a gross-up, indemnify or otherwise hold harmless the Finance Parties for the deduction of the Swiss withholding tax notwithstanding anything to the contrary contained in the Finance Documents, unless grossing up is permitted under the laws of Switzerland then in force and **provided that** this should not in any way limit any obligations of any non-Swiss Obligors under the Finance Documents to indemnify the Finance Parties in respect of the deduction of the Swiss withholding tax, including, without limitation, in accordance with Clause 17 of this Agreement (*Tax Gross-Up, Increased Costs and Indemnities*). The Swiss Obligor shall use all reasonable efforts to procure that any person which is entitled to a full or partial refund of any Swiss withholding tax paid pursuant to paragraph (a) above will, as soon as possible after the deduction of the Swiss withholding tax: (y) request a refund of the Swiss withholding tax under any applicable law (including double taxation treaties) and (z) pay to the Security Agent upon receipt any amount so refunded.

The Swiss Obligor will take, and cause to be taken, all and any other action, including, without limitation, the passing of any shareholders' resolutions to approve any payment or other performance under the Finance Documents and the receipt of any confirmations from the Swiss Obligor's auditors, whether following a request to discharge a Restricted Obligation or which may be required as a matter of mandatory Swiss law in force at the time it is required to make a payment or perform other obligations under the Finance Documents in order to allow a prompt payment or performance of other obligations under the Finance Documents.

If the enforcement of the Restricted Obligations would be limited due to the effects referred to in this Clause 20.13 and if any asset of the Swiss Obligor has a book value that is less than its market value (an " **Undervalued Asset**"), the Swiss Obligor shall, to the extent permitted by applicable law and its Accounting Standards (i) write up the book value of such Undervalued Asset

such that its balance sheet reflects a book value that is equal to the market value of such Undervalued Asset, and (ii) make reasonable efforts to realise the Undervalued Asset for a sum which is at least equal to the market value of such asset. Without prejudice to the rights of the Security Agent under the Finance Documents, the Swiss Obligor will only be required to realise an Undervalued Asset if such asset is not necessary for the Swiss Obligor's business (*nicht betriebsnotwendig*).

(until such time as it accedes as an Additional Security Provider). There are no agreements in force which provide for the issue or allotment of, or grant any person the right to call for the issue or allotment of, any share or loan capital of any Obligor or Material Subsidiary (including any option or right of pre-emption or conversion) other than pre-emptive rights (i) arising under applicable law in favour of shareholders generally; and (ii) arising under any obligation in respect of any Executive Compensation Plan.

(b) Any Obligor or any Material Subsidiary fails to comply with or pay any sum due from it under any judgment or any order made or given by any court of competent jurisdiction (in each case in an amount exceeding $5,000,000) save unless payment of any such sum is suspended pending an appeal.

26.13 **Unlawfulness**

(a) It is or becomes unlawful for an Obligor or any other member of the Group that is a party to the Intercreditor Agreement to perform any of its obligations under the Finance Documents where non-performance is reasonably likely to cause a Material Adverse Effect.

(b) Any Transaction Security created or expressed to be created or evidenced by the Transaction Security Documents ceases to be effective except in accordance with the terms of the Finance Documents.

(c) Any obligation or obligations of any Obligor under any Finance Documents or any other member of the Group under the Intercreditor Agreement are not (subject to the Legal Reservations) or cease to be legal, valid, binding or enforceable and the cessation individually or cumulatively materially and adversely affects the interests of the Participating Creditors under the Finance Documents.

(d) Any Finance Document ceases to be in full force and effect or is alleged by an Obligor to be ineffective except in accordance with the terms of the Finance Documents.

26.14 **Repudiation**

An Obligor repudiates a Finance Document or any of the Transaction Security or evidences an intention to repudiate a Finance Document or any of the Transaction Security.

26.15 **Failure to perform payment obligations**

Any material adverse change arises in the financial condition of the Group taken as a whole which the Majority Participating Creditors reasonably determine would result in the failure by the Obligors (taken as a whole) to perform their payment obligations under any of the Finance Documents.

26.16 **Acceleration**

On and at any time after the occurrence of an Event of Default which is continuing and in respect of which the Majority Participating Creditors have authorised the taking of such action, each Participating Creditor may, in relation to any Facility to which it is a party, subject to the provisions of the relevant Existing Finance Documents by notice to the Parent:

(a) cancel any commitments and reduce any Facility Limit under that Facility whereupon they shall immediately be cancelled and reduced; and/or

(b) declare that all or part of the Participating Creditors' Exposures under that Facility, together with accrued interest, and all other amounts accrued under the Finance Documents relating to that Facility be immediately due and payable, at which time they shall become immediately due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived; and/or

(c) declare that all or part of the Participating Creditors' Exposures under that Facility be payable on demand, whereupon they shall immediately become payable on demand by the relevant Creditor's Representative without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived; and/or

(d) make demand on any Guarantor under this Agreement or the Existing Finance Documents relating to that Facility in respect of amounts due and payable under or in connection with that Facility without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived; and/or

(e) subject to the Intercreditor Agreement (including the requirements of Clause 6.2 (*Enforcement Instructions*) thereof), exercise or direct the Security Agent to exercise any or all of its rights, remedies, powers or discretions under the Finance Documents,

provided that in the case of an Event of Default under Clauses 26.6 (*Insolvency*) or Clause 26.7 (*Insolvency proceedings*) with respect to an Obligor, all commitments shall be cancelled automatically and immediately each Facility Limit will be reduced to zero automatically and immediately and all Exposures of the Participating Creditors under the Facilities (together with accrued interest and all other amounts accrued under the Finance Documents) shall become due and payable automatically and immediately without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived.

SECTION 9
CHANGES TO PARTIES

27. CHANGES TO THE PARTICIPATING CREDITORS

27.1 Assignments and transfers by the Participating Creditors

A Participating Creditor (the "**Existing Participating Creditor**") may:

(a) assign any of its rights and benefits in respect of any of its Exposures under the Facilities; or

(b) transfer by novation any of its rights, benefits and obligations in respect of any of its Exposures under the Facilities,

to another person (the "**New Participating Creditor**") if: (i) that transfer or assignment is in accordance with the terms of the relevant Existing Finance Documents (in each case as amended by the New Finance Documents); and (ii) the New Participating Creditor is not a member of the Group or an Affiliate of a member of the Group; and (iii) the New Participating Creditor is already a Participating Creditor or has executed and delivered a Participating Creditor Accession Undertaking to the Administrative Agent with a copy to the relevant Creditor's Representative (as well as any equivalent accession document howsoever described under the relevant Facility to the relevant Creditor's Representative); and (iv) the Existing Participating Creditor and New Participating Creditor have given prior written notice of the transfer or assignment (including details of the Exposures to be transferred or assigned) to the Administrative Agent (**provided that** the giving of such notice shall not be a condition to the effectiveness of any transfer or assignment but, for the avoidance of doubt, until the Administrative Agent and Security Agent have received such notice, they will be entitled to act on the basis that no such transfer or assignment has occurred and shall not incur or owe any liability to any Party for so acting); and (v) (at any time at which no Default is continuing) such transfer or assignment would not give rise to a requirement for any relevant Obligor to gross up for withholding tax at a rate higher than the then prevailing rate under the Syndicated Bank Facilities (as limited in accordance with the relevant provisions of any such Syndicated Bank Facility which provides for a limit on withholding tax) which provisions shall continue in full force and effect.

27.2 Conditions of assignment or transfer

Upon an assignment or transfer becoming effective in accordance with Clause 27.1 (*Assignments and transfers by the Participating Creditors*):

(a) any Participating Creditor ceasing entirely to be a creditor in respect of any of the Facilities shall be discharged from further obligations towards the other Parties under the New Finance Documents and their respective rights against one another shall be cancelled; and

(b) the New Participating Creditor shall assume the same obligations, and become entitled to the same rights, as if it had been an original party to this Agreement.

27.3 **Assignment by way of security**

In addition to the other assignment rights provided in this Clause 27, each Participating Creditor may assign, as collateral or otherwise, any of its rights under the New Finance Documents (including rights to payments of principal or interest on their Exposures under the Facilities) to any trustee for the benefit of the holders of such Participating Creditor's securities **provided that** no such assignment shall release the assigning Participating Creditor from any of its obligations under the New Finance Documents.

27.4 **Assignment or transfer fee**

The New Participating Creditor shall, on the date upon which an assignment or transfer takes effect, pay to the Administrative Agent (for its own account) a fee of US$1,500.

27.5 **Limitation of responsibility of Existing Participating Creditors**

(a) Unless expressly agreed to the contrary, an Existing Participating Creditor makes no representation or warranty and assumes no responsibility to a New Participating Creditor for:

(i) the legality, validity, effectiveness, adequacy or enforceability of the Finance Documents, the Transaction Security or any other documents;

(ii) the financial condition of any Obligor;

(iii) the performance and observance by any Obligor of its obligations under the Finance Documents or any other documents; or

(iv) the accuracy of any statements (whether written or oral) made in or in connection with any Finance Document or any other document,

and any representations or warranties implied by law or regulation are excluded.

(b) Each New Participating Creditor confirms to the Existing Participating Creditor, and the other Finance Parties and Secured Parties that it:

(i) has made (and shall continue to make) its own independent investigation and assessment of the financial condition and affairs of each Obligor and its related entities in connection with its participation in the Finance Documents and has not relied exclusively on any information provided to it by the Existing Participating Creditor in connection with any Finance Document or the Transaction Security; and

(ii) will continue to make its own independent appraisal of the creditworthiness of each Obligor and its related entities whilst any amount is or may be outstanding under the Finance Documents.

(c) Nothing in any New Finance Document obliges an Existing Participating Creditor to:

(i) accept a re-transfer from a New Participating Creditor of any of the rights and obligations assigned or transferred under this Clause 27; or

(ii) support any losses directly or indirectly incurred by the New Participating Creditor by reason of the non-performance by any Obligor of its obligations under the Finance Documents or otherwise.

27.6 **Copy of Participating Creditor Accession Undertaking to Parent**

The Administrative Agent shall, as soon as reasonably practicable after it has received a Participating Creditor Accession Undertaking, send to the Parent a copy of that Participating Creditor Accession Undertaking.

27.7 **Disclosure of information**

Any Participating Creditor may disclose to any of its Affiliates and any other person:

(a) to (or through) whom that Participating Creditor assigns or transfers (or may potentially assign or transfer) all or any of its rights and obligations under the Finance Documents;

(b) with (or through) whom that Participating Creditor enters into (or may potentially enter into) any sub-participation in relation to, or any other transaction under which payments are to be made by reference to, the Finance Documents;

(c) to whom, and to the extent that, information is required to be disclosed by any applicable law or regulation or audit requirement (internal or otherwise),

any information about any Obligor, the Group and the Finance Documents as that Participating Creditor shall consider appropriate **provided that** (in the case of paragraphs (a) and (b) above) the person to whom the information is to be given has entered into a Confidentiality Undertaking.

27.8 **Security over Participating Creditors' rights**

In addition to the other rights provided to Participating Creditors under this Clause 27, each Participating Creditor may without consulting with or obtaining consent from any Obligor, at any time charge, assign or otherwise create Security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Participating Creditor including, without limitation:

(a) any charge, assignment or other Security to secure obligations to a federal reserve or central bank; and

(b) in the case of any Participating Creditor which is a fund, any charge, assignment or other Security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Participating Creditor as security for those obligations or securities,

except that no such charge, assignment or other Security shall:

(i) release a Participating Creditor from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or Security for the Participating Creditor as a party to any of the Finance Documents; or

(ii) require any payments to be made by an Obligor or grant to any person any more extensive rights than those required to be made or granted to the relevant Participating Creditor under the Finance Documents.

28. CHANGES TO THE OBLIGORS

28.1 Assignment and Transfers by Obligors

No Obligor or any other member of the Group may assign any of its rights or transfer any of its rights or obligations under the New Finance Documents.

28.2 Resignation of a Borrower

(a) In this Clause 28.2, Clause 28.4 (*Resignation of a Guarantor*) and Clause 28.8 (*Resignation and release of Security on disposal*), "**Third Party Disposal**" means the disposal of all of the issued share capital of an Obligor to a person which is not a member of the Group where that disposal is permitted under Clause 24.18 (*Disposals*) or made with the approval of the Majority Participating Creditors (and the Parent has confirmed this is the case).

(b) If a Borrower is the subject of a Third Party Disposal, the Parent may request that such Borrower (other than the Parent) ceases to be a Borrower by delivering to the Administrative Agent a Resignation Letter.

(c) The Administrative Agent shall accept a Resignation Letter and notify the Parent and the other Finance Parties of its acceptance if:

(i) the Parent has confirmed that no Default is continuing or would result from the acceptance of the Resignation Letter;

(ii) either:

(A) the Borrower has repaid all Exposures in respect of which it is the Borrower or issuer as provided in paragraph (c) of Clause 13.1 (*Disposal, Permitted Fundraising and Permitted Securitisation Proceeds and Excess Cashflow*) (and paid all other amounts relating to such Exposures) and is under no actual or contingent obligations as a Borrower under any Finance Documents; or

(B) the Participating Creditor(s) under any Facility in respect of which the Obligor the subject of the Third Party Disposal is the Borrower and the Borrower have agreed in writing that such Facility will remain in place (without recourse to any member of the Group) following completion of the Third Party Disposal and notified the Administrative Agent of the same in the relevant Resignation Letter;

(iii) where the Borrower is also a Guarantor (unless its resignation has been accepted in accordance with Clause 28.4 (*Resignation of a Guarantor*)), its obligations in its capacity as Guarantor continue to be legal, valid, binding and enforceable and in full force and effect (subject to the Legal Reservations) and the amount guaranteed by it as a Guarantor is not decreased (and the Parent has confirmed this is the case); and

(iv) the Parent has confirmed that it shall, if so required, ensure that any relevant Disposal Proceeds will be applied in accordance with Clause 13 (*Mandatory prepayment*).

(d) If the Participating Creditor(s) under any Facility in respect of which the Obligor the subject of the Third Party Disposal is the Borrower and the Borrower have agreed that such Facility will remain in place (without recourse to any member of the Group) following completion of the Third Party Disposal then upon completion of the Third Party Disposal:

(i) the Borrower will cease to be a "**Borrower**" or "**Guarantor**" for the purposes of the Finance Documents (other than the Existing Finance Documents relating to the relevant Facility);

(ii) the relevant Facility will cease to be a "**Facility**" for the purposes of the Finance Documents (other than the Existing Finance Documents relating to the relevant Facility); and

(iii) the Participating Creditor(s) in respect of that Facility will cease to be " **Participating Creditors**" in respect of that Facility under the Finance Documents (other than the Existing Finance Documents relating to the relevant Facility).

(e) Upon notification by the Administrative Agent to the Parent of its acceptance of the resignation of a Borrower, that company shall cease to be a Borrower and shall have no further rights or obligations under the New Finance Documents as a Borrower except that the resignation shall not take effect (and the Borrower will continue to have rights and obligations under the Finance Documents) until the later of (i) the date on which the Third Party Disposal takes effect; and (ii) the date on which the Borrower ceases to be a borrower and /or guarantor under the Existing Finance Documents.

(f) The Administrative Agent may, at the cost and expense of the Parent, require a legal opinion from counsel to the Administrative Agent confirming the matters set out in paragraph (c)(iii) above and the Administrative Agent shall be under no obligation to accept a Resignation Letter until it has obtained such opinion in form and substance reasonably satisfactory to it.

28.3 **Additional Guarantors and Additional Security Providers**

(a) Subject to compliance with the provisions of paragraphs (b) and (c) of Clause 22.7 (*"Know your client" checks*), the Parent may request that any of its wholly owned Subsidiaries become an Additional Guarantor or an Additional Security Provider by:

(i) the Parent delivering to the Administrative Agent a duly-completed and executed Accession Letter; and

(ii) the Parent delivers (or procures that the Additional Guarantor or Additional Security Provider (as the case may be) delivers) all of the documents and other evidence referred to in Part II (*Conditions Precedent required to be delivered by an Additional Guarantor or an Additional Security Provider*) of Schedule 2 in relation to that Additional Guarantor or Additional Security Provider to the Administrative Agent.

(b) The Administrative Agent shall notify the Obligors and the Participating Creditors promptly upon being satisfied that it has received all the documents and other evidence listed in Part II (*Conditions Precedent required to be delivered by an Additional Guarantor or an Additional Security Provider*) of Schedule 2.

28.4 **Resignation of a Guarantor**

(a) The Parent may request that a Guarantor (other than the Parent) ceases to be a Guarantor by delivering to the Administrative Agent a Resignation Letter if:

(i) that Guarantor is being disposed of by way of a Third Party Disposal (as defined in Clause 28.2 (*Resignation of a Borrower*)) and the Parent has confirmed this is the case; or

(ii) all the Participating Creditors have consented to the resignation of that Guarantor.

(b) The Administrative Agent shall accept a Resignation Letter and notify the Parent and the Participating Creditors of its acceptance if:

(i) the Parent has confirmed that no Default is continuing or would result from the acceptance of the Resignation Letter;

(ii) no payment is due from the Guarantor under Clause 20 (*Guarantee and indemnity*);

(iii) where the Guarantor is also a Borrower, it is under no actual or contingent obligations as a Borrower and has resigned and ceased to be a Borrower under Clause 28.2 (*Resignation of a Borrower*); and

(iv) the Parent has confirmed that it shall ensure, if so required, that the Disposal Proceeds will be applied in accordance with Clause 13 (*Mandatory prepayments*).

(c) The resignation of that Guarantor shall not be effective until the later of (i) date of the relevant Third Party Disposal and (ii) the date on which the Guarantor ceases to be a borrower and /or guarantor under the Existing Finance Documents, at which time that company shall cease to be a Guarantor and shall have no further rights or obligations under the Finance Documents as a Guarantor.

28.5 **Release of CEMEX Australia Holdings**

The Participating Creditors agree that CEMEX Australia Holdings shall be automatically released as a Guarantor (and shall have no further rights, liabilities or obligations under the Finance Documents as an Obligor) if:

(a) pursuant to the terms of a share purchase agreement dated on or about 15 June 2009 under which CEMEX España agreed to transfer all the issued share capital it holds in CEMEX Australia Holdings to Vennor Investments Pty Ltd (the "**SPA**"), all of the conditions precedent referred to in the SPA, other than the release of CEMEX Australia Holdings as a Guarantor under this Agreement, have been satisfied or waived and the transactions under the SPA shall promptly after the release of CEMEX Australia Holdings complete in accordance with the terms of the SPA on or before 31 December 2009 (or, if the purchaser under the SPA and CEMEX España have agreed to extend the termination date of the SPA to 31 January 2010, 31 January 2010); and

(b) the Parent has confirmed that it shall procure, if so required, that the Disposal Proceeds from the sale of all the issued share capital in CEMEX Australia Holdings will be applied in accordance with Clause 13 (*Mandatory prepayments*); and

(c) the Parent has delivered to the Administrative Agent a Resignation Letter (Australia).

28.6 **Resignation of a Security Provider**

(a) The Parent may request that a Security Provider ceases to be a Security Provider by delivering to the Administrative Agent a Resignation Letter if:

(i) the Transaction Security granted by that Security Provider is being released under and in accordance with the Intercreditor Agreement and the Parent has confirmed that this is the case; or

(ii) all the Participating Creditors have consented to the resignation of that Security Provider.

(b) The Administrative Agent shall accept a Resignation Letter and notify the Parent and the Participating Creditors of its acceptance if:

(i) the Parent has confirmed that no Default is continuing or would result from the acceptance of the Resignation Letter;

(ii) the Parent has confirmed that the Transaction Security granted by that Security Provider has not become enforceable in accordance with its terms.

(c) The resignation of that Security Provider shall not be effective until the date on which the Transaction Security granted by the Security Provider has been released under and in accordance with the Intercreditor Agreement, at which time that company shall cease to be a Security Provider and shall have no further rights or obligations under the Finance Documents as a Security Provider.

28.7 **Repetition of Representations**

Delivery of an Accession Letter constitutes confirmation by the relevant Affiliate that the Repeating Representations are true and correct in relation to it as at the date of delivery as if made by reference to the facts and circumstances then existing.

28.8 **Resignation and release of Security on disposal**

If a Borrower or Guarantor is or is proposed to be the subject of a Third Party Disposal then:

(a) where that Obligor created Transaction Security over any of its assets or business in favour of the Security Agent, or Transaction Security in favour of the Security Agent was created over the shares (or equivalent) of that Obligor, the Security Agent may, at the cost and request of the Parent, release those assets, business or shares (or equivalent) and issue certificates of non-crystallisation;

(b) the resignation of that Obligor and related release of Transaction Security referred to in paragraph (a) above shall not become effective until the date of that disposal; and

SECTION 10
THE FINANCE PARTIES

29.1 Appointment of the Administrative Agent

(a) Each of the Participating Creditors appoints the Administrative Agent to act as its agent under and in connection with the New Finance Documents.

(b) Each of the Participating Creditors, authorises the Administrative Agent to exercise the rights, powers, authorities and discretions specifically given to the Administrative Agent under or in connection with the New Finance Documents (including the appointment of any sub-agents or local agents to assist in the supervision or enforcement of any of the Finance Documents) together with any other incidental rights, powers, authorities and discretions.

Without limiting paragraphs (a) to (c) of Clause 29.8 (*Majority Participating Creditors' instructions*), in connection with the exercise of its powers, authorities or discretions (including, but not limited to, those in relation to any proposed modifications, waiver or authorisation of any breach or proposed breach of any of the provisions of this Agreement), the Administrative Agent shall have regard to the general interests of the Participating Creditors (taken as a whole) and shall not have regard to any interest arising from circumstances particular to individual Participating Creditors.

29.3 Duties of the Administrative Agent

(c) If the Administrative Agent receives notice from a Party referring to this Agreement, describing a Default and stating that the circumstance described is a Default, it shall promptly notify the other Finance Parties.

(d) If the Administrative Agent is aware of the non-payment of any principal, interest or fee payable to a Finance Party (other than the Administrative Agent or the Security Agent) under this Agreement it shall promptly notify the other Finance Parties.

(e) The Administrative Agent's duties under the New Finance Documents are solely mechanical and administrative in nature.

29.4 **Role of the Co-ordinating Committee Banks**

Except as specifically provided in the Finance Documents, the Co-ordinating Committee Banks do not have any obligations or liabilities of any kind to any other Party under or in connection with any Finance Document.

29.5 **No fiduciary duties**

(a) Nothing in this Agreement constitutes the Administrative Agent, any Creditor's Representative, and/or any Co-ordinating Committee Bank as a trustee or fiduciary of any other person.

(b) Neither the Administrative Agent, any Creditor's Representative under a Syndicated Bank Facility, the Security Agent nor the Co-ordinating Committee Banks shall be bound to account to any Participating Creditor for any sum or the profit element of any sum received by it for its own account.

29.6 **Business with the Group**

The Administrative Agent, any Creditor's Representative, the Security Agent and the Co-ordinating Committee Banks may accept deposits from, lend money to and generally engage in any kind of banking or other business with any member of the Group.

29.7 **Rights and discretions**

(a) The Administrative Agent and each Creditor's Representative under a Syndicated Bank Facility may rely on:

(i) any representation, notice or document (including, for the avoidance of doubt, any representation, notice or document communicating the consent of the Majority Participating Creditors pursuant to Clause 38.1 (*Required consents*)) believed by it to be genuine, correct and appropriately authorised; and

(ii) any statement made by a director, authorised signatory or employee of any person regarding any matters which may reasonably be assumed to be within his knowledge or within his power to verify.

(b) The Administrative Agent may assume (unless it has received notice to the contrary in its capacity as agent for the Participating Creditors) and each Creditor's Representative under a Syndicated Bank Facility may assume that:

(i) no Default has occurred (unless it has actual knowledge of a Default arising under Clause 26.1 (*Non-payment*));

(ii) any right, power, authority or discretion vested in any Party or the Majority Participating Creditors has not been exercised; and

(iii) any notice or request made by the Parent (other than a Utilisation Request) is made on behalf of and with the consent and knowledge of all the Obligors.

(c) The Administrative Agent and each Creditor's Representative under a Syndicated Bank Facility may engage, pay for and rely on the advice or services of any lawyers, accountants, surveyors or other experts.

(d) The Administrative Agent may act in relation to the Finance Documents through its personnel and agents and through any necessary subagent, local agent or Affiliate and for that purpose, may enter into any agreement or cause any agreement to be entered into, by any such subagent, local agent or Affiliate, including the execution, delivery, performance or enforcement of any Transaction Security Document.

(e) The Administrative Agent may disclose to any other Party any information it reasonably believes it has received as agent under this Agreement.

(f) Notwithstanding any other provision of any Finance Document or any Syndicated Bank Facility, as applicable, to the contrary, neither the Administrative Agent, any Creditor's Representative under a Syndicated Bank Facility nor the Co-ordinating Committee Banks are obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law and regulation or a breach of a fiduciary duty or duty of confidentiality.

(g) Any Creditor's Representative under a Syndicated Bank Facility may disclose to any other Party any information it reasonably believes it has received as agent under a Syndicated Bank Facility.

29.8 **Majority Participating Creditors' instructions**

(a) Unless a contrary indication appears in a New Finance Document, the Administrative Agent shall (i) exercise any right, power, authority or discretion vested in it as Administrative Agent in accordance with any instructions given to it by the Majority Participating Creditors (or, if so instructed by the Majority Participating Creditors, refrain from exercising any right, power, authority or discretion vested in it as Administrative Agent) and (ii) not be liable for any act (or omission) if it acts (or refrains from taking any action) in accordance with an instruction of the Majority Participating Creditors.

(b) Unless a contrary indication appears in a New Finance Document, any instructions given by the Majority Participating Creditors will be binding on all the Finance Parties other than the Security Agent.

(c) The Administrative Agent and any Creditor's Representative under a Syndicated Bank Facility may refrain from acting in accordance with the instructions of the Majority Participating Creditors (or, if appropriate, the Participating Creditors) until it has received such security as it may require for any cost, loss or liability (together with any associated VAT) which it may incur in complying with the instructions.

(d) In the absence of instructions from the Majority Participating Creditors, (or, if appropriate, the Participating Creditors) the Administrative Agent may act (or refrain from taking action) as it considers to be in the best interest of the Participating Creditors (taken as a whole).

(e) The Administrative Agent is not authorised to act on behalf of a Participating Creditor (without first obtaining that Participating Creditor's consent) in any legal or arbitration proceedings relating to any New Finance Document. This paragraph (e) shall not apply to any legal or arbitration proceeding relating to the perfection, preservation or protection of rights under the Transaction Security Documents or enforcement of the Transaction Security or Transaction Security Documents.

(f) No Creditor's Representative under a Syndicated Bank Facility shall be liable for any act (or omission) if it acts (or refrains from taking any action) in accordance with an instruction of the Majority Participating Creditors or the required lenders under a Finance Document.

29.9 **Responsibility for documentation**

Neither the Administrative Agent, any Creditor's Representative under a Syndicated Bank Facility nor any Co-ordinating Committee Bank is:

(a) responsible for the adequacy, accuracy and/or completeness of any information (whether oral or written) supplied by the Administrative Agent, an Obligor or any other person given in or in connection with any Finance Document or the Transaction Security; or

(b) responsible for the legality, validity, effectiveness, adequacy or enforceability of any Finance Document or the Transaction Security or any other agreement, arrangement or document entered into, made or executed in anticipation of or in connection with any Finance Document.

29.10 **Exclusion of liability**

(a) Without limiting paragraph (b) below, neither the Administrative Agent nor any Co-ordinating Committee Bank will be liable for any action taken by it under or in connection with any New Finance Document or the Transaction Security (or the negotiation or implementation of such documents) unless directly caused by its gross negligence or wilful misconduct or wilful breach of any New Finance Document (and, for the avoidance of doubt, the Administrative Agent will not be liable in any circumstances for any consequential loss).

(b) No Party (other than the Administrative Agent) may take any proceedings against any officer, employee or agent of the Administrative Agent or any Creditor's Representative under a Syndicated Bank Facility in respect of any claim it might have against the Administrative Agent or any Creditor's Representative under a Syndicated Bank Facility or in respect of any act or omission of any kind by that officer, employee or agent in relation to any

New Finance Document and any officer, employee or agent of the Administrative Agent or any Creditor's Representative under a Syndicated Bank Facility may rely on this Clause 29 subject to Clause 1.5 (*Third Party Rights*) and the provisions of the Third Parties Act.

(c) The Administrative Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Administrative Agent if the Administrative Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Administrative Agent for that purpose.

(d) Nothing in this Agreement shall oblige the Administrative Agent, any Creditor's Representative under a Syndicated Bank Facility or any Co-ordinating Committee Bank to carry out any checks pursuant to any laws or regulations relating to money laundering in relation to any person on behalf of any Participating Creditor and each Participating Creditor confirms to the Administrative Agent, each Creditor's Representative under a Syndicated Bank Facility and each Co-ordinating Committee Bank that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Administrative Agent, any Creditor's Representative under a Syndicated Bank Facility or any Co-ordinating Committee Bank.

(e) No Creditor's Representative under a Syndicated Bank Facility will be liable for any action taken by it under or in connection with any Syndicated Bank Facility, unless directly caused by its gross negligence or wilful misconduct or wilful breach of such Syndicated Bank Facility.

(f) The Administrative Agent will have no liability for the acts of its agents, sub-agents or delegates (including Affiliates acting in such capacities) except to the extent that the acts or omissions of such agent or sub-agent (to the extent that it is an Affiliate of the Administrative Agent) constituted gross negligence, wilful misconduct.

29.11 **Participating Creditors' indemnity to the Administrative Agent**

Each Participating Creditor shall (in proportion to its share of the aggregate Base Currency Amount of the Exposures of all of the Participating Creditors under the Facilities or, if the aggregate Base Currency Amount of the Exposures of all of the Participating Creditors under the Facilities are then zero, to its share of the aggregate Base Currency Amount of the Exposures of all of the Participating Creditors under the Facilities immediately prior to their reduction to zero) indemnify the Administrative Agent and its Affiliates (to the extent that they act as agents, sub-agents or delegates in relation to the Finance Documents), within three Business Days of demand, against any cost, loss or liability incurred by the Administrative Agent and its Affiliates (to the extent that they act as agents, sub-agents or delegates in relation to the Finance

Documents) (otherwise than by reason of the Administrative Agent's or relevant Affiliate's gross negligence or wilful misconduct) in acting as (or, as the case may be, assisting) Administrative Agent under the New Finance Documents (unless the Administrative Agent or Affiliate has been reimbursed by an Obligor pursuant to a New Finance Document).

Any third party referred to in this Clause 29.11 may rely on this Clause 29.11.

29.12 **Resignation of the Administrative Agent**

(a) The Administrative Agent may resign and appoint one of its Affiliates acting through an office in the European Union as successor by giving notice to the other Finance Parties and the Parent.

(b) Alternatively the Administrative Agent may resign by giving notice to the other Finance Parties and the Parent, in which case the Majority Participating Creditors (after consultation with the Parent) may appoint a successor Administrative Agent.

(c) If the Majority Participating Creditors have not appointed a successor Administrative Agent in accordance with paragraph (b) above within 30 days after notice of resignation was given, the Administrative Agent (after consultation with the Parent) may appoint a successor Administrative Agent (acting through an office in the European Union).

(d) The retiring Administrative Agent shall, at its own cost, make available to the successor Administrative Agent such documents and records and provide such assistance as the successor Administrative Agent may reasonably request for the purposes of performing its functions as Administrative Agent under the New Finance Documents.

(e) The Administrative Agent's resignation notice shall only take effect upon the appointment of a successor.

(f) Upon the appointment of a successor, the retiring Administrative Agent shall be discharged from any further obligation in respect of the New Finance Documents but shall remain entitled to the benefit of this Clause 29.12. Its successor and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.

29.14 **Relationship with the Participating Creditors**

(b) Each Participating Creditor shall supply the Administrative Agent with any information that the Security Agent may reasonably specify (through the Administrative Agent) as being necessary or desirable to enable the Security Agent to perform its functions as Security Agent. Each Participating Creditor shall deal with the Security Agent exclusively through the Administrative Agent and shall not deal directly with the Security Agent.

(c) The Administrative Agent may disclose to any Participating Creditor any information received by it in its capacity as Administrative Agent (including, without limitation, details of the identities and Exposures of the Participating Creditors).

29.15 **Credit appraisal by the Finance Parties**

Without affecting the responsibility of any Obligor for information supplied by it or on its behalf in connection with any Finance Document, each Finance Party confirms to the Administrative Agent and each Creditor's Representative under a Syndicated Bank Facility that it has been, and will continue to be, solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with any Finance Document including but not limited to:

(a) the financial condition, status and nature of each member of the Group;

(b) the legality, validity, effectiveness, adequacy or enforceability of any Finance Document and the Transaction Security and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Transaction Security;

29.17 **Deduction from amounts payable by the Administrative Agent**

If any Party owes an amount to the Administrative Agent under the New Finance Documents the Administrative Agent may, after giving notice to that Party, deduct an amount not exceeding that amount from any payment to that Party which the Administrative Agent would otherwise be obliged to make under the New Finance Documents and apply the amount deducted in or towards satisfaction of the amount owed. For the purposes of the New Finance Documents that Party shall be regarded as having received any amount so deducted.

29.18 **Role of FTI Consulting Canada, ULC**

Each Party (other than the USPP Noteholders) agrees and acknowledges that FTI Consulting Canada, ULC has provided the FTI Report and is otherwise acting on the terms of its engagement letter dated 6 April 2009 with, among others, the Parent and certain of the Co-ordinating Committee Banks and shall have no liability whatsoever save to the extent expressly contemplated in that engagement letter and the form of any accompanying reliance letter(s) (whether or not such reliance letter has been signed.

(a) interfere with the right of any Finance Party to arrange its affairs (tax or otherwise) in whatever manner it thinks fit;

(b) oblige any Finance Party to investigate or claim any credit, relief, remission or repayment available to it or the extent, order and manner of any claim; or

(c) oblige any Finance Party to disclose any information relating to its affairs (tax or otherwise) or any computations in respect of Tax.

31. SHARING AMONG THE FINANCE PARTIES

(a) the Recovering Finance Party shall, within three Business Days, notify details of the receipt or recovery, to the Administrative Agent;

(b) the Administrative Agent shall determine whether the receipt or recovery is in excess of the amount the Recovering Finance Party would have been paid had the receipt or recovery been received or made by the Administrative Agent and distributed in accordance with Clause 32 (*Payment mechanics*), without taking account of any Tax which would be imposed on the Administrative Agent in relation to the receipt, recovery or distribution; and

(c) the Recovering Finance Party shall, within three Business Days of demand by the Administrative Agent, pay to the Administrative Agent an amount (the "**Sharing Payment**") equal to such receipt or recovery less any amount which the Administrative Agent determines may be retained by the Recovering Finance Party as its share of any payment to be made, in accordance with Clause 32.5 (*Partial payments*).

31.2 Redistribution of payments

The Administrative Agent shall treat the Sharing Payment as if it had been paid by the relevant Obligor and distribute it between the Finance Parties (other than the Recovering Finance Party) in accordance with Clause 32.5 (*Partial payments*).

31.3 Recovering Finance Party's rights

(a) On a distribution by the Administrative Agent under Clause 31.2 (*Redistribution of payments*), the Recovering Finance Party will be subrogated to the rights of the Finance Parties which have shared in the redistribution.

(b) If and to the extent that the Recovering Finance Party is not able to rely on its rights under paragraph (a) above, the relevant Obligor shall be liable to the Recovering Finance Party for a debt equal to the Sharing Payment which is immediately due and payable.

31.4 Reversal of redistribution

If any part of the Sharing Payment received or recovered by a Recovering Finance Party becomes repayable and is repaid by that Recovering Finance Party, then:

(a) each Finance Party which has received a share of the relevant Sharing Payment pursuant to Clause 31.2 (*Redistribution of payments*) shall, upon request of the Administrative Agent, pay to the Administrative Agent for account of that Recovering Finance Party an amount equal to the appropriate

part of its share of the Sharing Payment (together with an amount as is necessary to reimburse that Recovering Finance Party for its proportion of any interest on the Sharing Payment which that Recovering Finance Party is required to pay); and

(b) that Recovering Finance Party's rights of subrogation in respect of any reimbursement shall be cancelled and the relevant Obligor will be liable to the reimbursing Finance Party for the amount so reimbursed.

31.5 **Exceptions**

(a) This Clause 31 shall not apply to the extent that the Recovering Finance Party would not, after making any payment pursuant to this Clause, have a valid and enforceable claim against the relevant Obligor.

(b) A Recovering Finance Party is not obliged to share with any other Finance Party any amount which the Recovering Finance Party has received or recovered as a result of taking legal or arbitration proceedings, if:

(ii) that other Finance Party had an opportunity to participate in those legal or arbitration proceedings but did not do so as soon as reasonably practicable having received notice and did not take separate legal or arbitration proceedings.

(c) This Clause 31 shall not impose any obligation on the Security Agent to pay a Sharing Payment to the Administrative Agent under Clause 31.1 (*Payments to Finance Parties*) or Clause 31.4 (*Reversal of redistribution*).

SECTION 11
ADMINISTRATION

32. PAYMENT MECHANICS

32.1 Payments to the Administrative Agent

(a) Subject to paragraph (b), on each date on which an Obligor or a Participating Creditor is required to make a payment under a Finance Document, that Obligor or Participating Creditor shall make the same available to the relevant Creditor's Representative, as the case may be (unless a contrary indication appears in a Finance Document (including the USPP Note Agreement)) for value on the due date at the time and in such funds specified by the Creditor's Representative (as applicable) as being customary at the time for settlement of transactions in the relevant currency in the place of payment.

(b) Payments by Obligors or Participating Creditors shall be made to such account in the principal financial centre of the country of that currency (or, in relation to euro, in a principal financial centre in a Participating Member State or London) with such bank as the Administrative Agent specifies.

32.2 Distributions by the Administrative Agent

Each payment received by the Administrative Agent under the Finance Documents for another Party shall, subject to Clause 32.3 (*Distributions to an Obligor*), Clause 32.4 (*Clawback*) and Clause 29.17 (*Deduction from amounts payable by the Administrative Agent*) be made available by the Administrative Agent as soon as practicable after receipt to the Party entitled to receive payment in accordance with this Agreement (in the case of a payment to a Participating Creditor under or in respect of a Facility, to its Creditor's Representative under that Facility and (other than in the case of a USPP Noteholder) for the account of its Facility Office), to such account as that Creditor's Representative may notify to the Administrative Agent by not less than five Business Days' notice with a bank in the principal financial centre of the country of that currency (or, in relation to euro, in a principal financial centre in a Participating Member State or London).

32.3 Distributions to an Obligor

The Administrative Agent may (with the consent of the Obligor or in accordance with Clause 33 (*Set-Off*)) apply any amount received by it for that Obligor in or towards payment (on the date and in the currency and funds of receipt) of any amount due from that Obligor under the Finance Documents or in or towards purchase of any amount of any currency to be so applied.

32.4 Clawback

(a) Where a sum is to be paid to the Administrative Agent under the Finance Documents for another Party, the Administrative Agent is not obliged to pay that sum to that other Party (or to enter into or perform any related exchange contract) until it has been able to establish to its satisfaction that it has actually received that sum.

(b) If the Administrative Agent pays an amount to another Party and it proves to be the case that the Administrative Agent had not actually received that amount, then the Party to whom that amount (or the proceeds of any related exchange contract) was paid by the Administrative Agent shall on demand refund the same to the Administrative Agent together with interest on that amount from the date of payment to the date of receipt by the Administrative Agent, calculated by the Administrative Agent to reflect its cost of funds.

32.5 **Partial payments**

Subject to the provisions of the Intercreditor Agreement:

(a) If the Administrative Agent receives a payment for application against amounts due in respect of any Finance Documents that is insufficient to discharge all the amounts then due and payable by an Obligor under those Finance Documents, the Administrative Agent shall apply that payment towards the obligations of that Obligor under those Finance Documents in the following order:

(i) first, in or towards payment pro rata of any unpaid fees, costs and expenses of the Administrative Agent and the Security Agent under those Finance Documents;

(ii) secondly, in or towards payment pro rata of any accrued interest, fee or commission due but unpaid under those Finance Documents;

(iii) thirdly, in or towards payment pro rata of any principal due but unpaid under those Finance Documents; and

(iv) fourthly, in or towards payment pro rata of any other sum due but unpaid under the Finance Documents.

(b) The Administrative Agent shall, if so directed by the Majority Participating Creditors, vary the order set out in paragraphs (a)(ii) to (iv) above (but not, for the avoidance of doubt, the *pro rata* allocation of payments falling within any such paragraph).

(c) Paragraphs (a) and (b) above will override any appropriation made by an Obligor.

32.6 **No set-off by Obligors**

All payments to be made by an Obligor under the Finance Documents shall be calculated and be made without (and free and clear of any deduction for) set-off or counterclaim.

32.7 **Business Days**

(a) Any payment which is due to be made on a day that is not a Business Day shall be made on the next Business Day in the same calendar month (if there is one) or the preceding Business Day (if there is not).

(b) During any extension of the due date for payment of any principal or an Unpaid Sum under this Agreement interest is payable on the principal or Unpaid Sum at the rate payable on the original due date.

32.8 **Currency of account**

(a) Subject to paragraphs (b) to (e) below, the Base Currency is the currency of account and payment for any sum due from an Obligor under any Finance Document.

(b) A repayment of an Exposure of any Participating Creditor under a Facility or Unpaid Sum or a part of an Exposure of any Participating Creditor under a Facility or Unpaid Sum shall be made in the currency in which that Exposure or Unpaid Sum is denominated on its due date.

(c) Each payment of interest shall be made in the currency in which the sum in respect of which the interest is payable was denominated when that interest accrued.

(d) Each payment in respect of costs, expenses or Taxes shall be made in the currency in which the costs, expenses or Taxes are incurred.

(e) Any amount expressed to be payable in a currency other than the Base Currency shall be paid in that other currency.

32.9 **Change of currency**

(ii) any translation from one currency or currency unit to another shall be at the official rate of exchange recognised by the central bank for the conversion of that currency or currency unit into the other rounded up or down by the Administrative Agent (acting reasonably).

(b) If a change in any currency of a country occurs, this Agreement will, to the extent the Administrative Agent (acting reasonably and after consultation with the Parent) specifies to be necessary be amended to comply with any generally accepted conventions and market practice in the Relevant Interbank Market and otherwise to reflect the change in currency.

32.10 **Payments discharge obligations under Existing Finance Documents**

32.11 **Determination and verification of payments**

(a) At least 4 Business Days prior to the date on which an Obligor makes a payment under a Finance Document, the Parent will provide (to the Administrative Agent for distribution to the Creditor's Representatives in respect of the Facility or Facilities to which the payment relates) a schedule setting out how the payment is to be applied as between each Facility.

(b) To the extent that the payment is a repayment or prepayment of principal in respect of one or more Facilities, the Parent will consult with the Administrative Agent in determining the application of the payment as between each Facility to enable the Administrative Agent to verify the amount and application of the payment before such payment is made.

(c) The Parent will advise the relevant Creditors' Representatives of the amount and currency of any principal payment to be made to such Creditor's Representative under the Finance Documents no later than 10:00 a.m. (London time) 3 Business Days prior to the date on which that payment is (or is required to be) made.

33. **SET-OFF**

A Finance Party may set off any matured obligation due from an Obligor under the Finance Documents (to the extent beneficially owned by that Finance Party) against any matured obligation owed by that Finance Party to that Obligor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Finance Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

SCHEDULE 8

PROCEEDINGS PENDING OR THREATENED

1. **Tariffs**

The following is a discussion of tariffs on imported cement in our major markets.

Mexico. Mexican tariffs on imported goods vary by product and have been as high as 100%. In recent years, import tariffs have been substantially reduced and currently range from none at all for raw materials to over 20% for finished products, with an average weighted tariff of approximately 3.7%. As a result of the North American Free Trade Agreement ("**NAFTA**") as of 1 January 1998, the tariff on cement imported into Mexico from the United States or Canada was eliminated. However, a tariff in the range of 7% ad valorem will continue to be imposed on cement produced in all other countries unless tariff reduction treaties are implemented or the Mexican government unilaterally reduces that tariff. While the reduction in tariffs could lead to increased competition from imports in our Mexican markets, we anticipate that the cost of transportation from most producers outside Mexico to central Mexico, the region of highest demand, will remain an effective barrier to entry.

United States. There are no tariffs on cement imported into the United States from any country, except Cuba and North Korea.

Europe. Member countries of the European Union are subject to the uniform European Union commercial policy. There is no tariff on cement imported into a country that is a member of the European Union from another member country or on cement exported from a European Union country to another member country. For cement imported into a member country from a non-member country, the tariff is currently 1.7% of the customs value. Any country with preferential treatment with the European Union is subject to the same tariffs as members of the European Union. Most Eastern European producers exporting cement into European Union countries currently pay no tariff.

2. **Environmental Matters**

We are subject to a broad range of environmental laws and regulations in each of the jurisdictions in which we operate. These laws and regulations impose increasingly stringent environmental protection standards regarding, among other things, air emissions, wastewater discharges, the use and handling of hazardous waste or materials, waste disposal practices and the remediation of environmental damage or contamination. These standards expose us to the risk of substantial environmental costs and liabilities, including liabilities associated with divested assets and past activities, even conducted by prior owners or operators and, in some jurisdictions, without regard to fault or the lawfulness of the original activity.

To prevent, control and remediate environmental problems and maintain compliance with regulatory requirements, we maintain an environmental policy designed to monitor and control environmental matters. Our environmental policy requires each subsidiary to respect local laws and meet our own internal standards to minimize the

use of non-renewable resources and the generation of hazardous and other wastes. We use processes that are designed to reduce the impact of our operations on the environment throughout all the production stages in all our operations worldwide. We believe that we are in substantial compliance with all material environmental laws applicable to us.

We regularly incur capital expenditures that have an environmental component or that are impacted by environmental regulations. However, we do not keep separate accounts for such mixed capital and environmental expenditures. Environmental expenditures that extend the life, increase the capacity, improve the safety or efficiency of assets or are incurred to mitigate or prevent future environmental contamination may be capitalized. Other environmental costs are expensed when incurred. For the years ended 31 December 2006 and 2007, our environmental capital expenditures and remediation expenses were not material. For the year ended 31 December 2008, our environmental capital expenditures and remediation expenses were of approximately US$62 million. However, our environmental expenditures may increase in the future.

United States. CEMEX, Inc. is subject to a wide range of U.S. Federal, state and local laws, regulations and ordinances dealing with the protection of human health and the environment. These laws are strictly enforced and can lead to significant monetary penalties for noncompliance. These laws regulate water discharges, noise, and air emissions, including dust, as well as the handling, use and disposal of hazardous and non-hazardous waste materials. These laws also create a shared liability by responsible parties for the cost of cleaning up or correcting releases to the environment of designated hazardous substances. We therefore may have to remove or mitigate the environmental effects of the disposal or release of these substances at CEMEX, Inc.'s various operating facilities or elsewhere. We believe that our current procedures and practices for handling and managing materials are generally consistent with the industry standards and legal and regulatory requirements, and that we take appropriate precautions to protect employees and others from harmful exposure to hazardous materials.

Several of CEMEX, Inc.'s previously owned and currently owned facilities have become the subject of various local, state or Federal environmental proceedings and inquiries in the past. While some of these matters have been settled, others are in their preliminary stages and may not be resolved for years. The information developed to date on these matters is not complete. CEMEX, Inc. does not believe it will be required to spend significantly more on these matters than the amounts already disclosed. However, it is impossible for CEMEX, Inc. to determine the ultimate cost that it might incur in connection with such environmental matters until all environmental studies and investigations, remediation work, negotiations with other parties that may be responsible, and litigation against other potential sources of recovery have been completed. With respect to known environmental contingencies, CEMEX, Inc. has recorded provisions for estimated probable liabilities, and we do not believe that the ultimate resolution of such matters will have a material adverse effect on our financial results.

As of 31 March 2009, CEMEX, Inc. and its subsidiaries had accrued liabilities specifically relating to environmental matters in the aggregate amount of approximately US$40.1 million. The environmental matters relate to (i) the disposal of various materials, in accordance with past industry practice, which might be categorized as hazardous substances or wastes, and (ii) the cleanup of sites used or operated by CEMEX, Inc., including discontinued operations, regarding the disposal of hazardous substances or wastes, either individually or jointly with other parties. Most of the proceedings are in the preliminary stage, and a final resolution might take several years. For purposes of recording the provision, CEMEX, Inc. considers that it is probable that a liability has been incurred and the amount of the liability is reasonably estimable, whether or not claims have been asserted, and without giving effect to any possible future recoveries. Based on information developed to date, CEMEX, Inc. does not believe it will be required to spend significant sums on these matters, in excess of the amounts previously recorded. The ultimate cost that might be incurred to resolve these environmental issues cannot be assured until all environmental studies, investigations, remediation work, and negotiations with or litigation against potential sources of recovery have been completed.

The following is a discussion of the environmental regulation and matters in our major markets:

Mexico. We were one of the first industrial groups in Mexico to sign an agreement with the *Secretaría del Medio Ambiente y Recursos Naturales*, or SEMARNAT, the Mexican government's environmental ministry, to carry out voluntary environmental audits in our 15 Mexican cement plants under a government-run program. In 2001, the Mexican environmental protection agency in charge of the voluntary environmental auditing program, the *Procuraduría Federal de Protección al Ambiente* ("**PROFEPA**"), which is part of SEMARNAT, completed auditing our 15 cement plants and awarded all our plants a *Certificado de Industria Limpia* ("**Clean Industry Certificate**") certifying that our plants are in full compliance with environmental laws. The Clean Industry Certificates are strictly renewed every two years. As of this date, all of our cement plants have Clean Industry Certificates or are in the process of renewing them. We expect renewal of all currently expired Clean Industry Certificates.

For over a decade, the technology for recycling used tires into an energy source has been employed in our Ensenada and Huichapan plants. Our Monterrey and Hermosillo plants started using tires as an energy source in September 2002 and November 2003, respectively. In 2004, our Yaqui, Tamuín, Guadalajara and Barrientos plants also started using tires as an energy source, and by the end of 2006, all our cement plants in Mexico were using tires as an alternative fuel. Municipal collection centers in Tijuana, Mexicali, Ensenada, Mexico City, Reynosa, Nuevo Laredo and Guadalajara currently enable us to recycle an estimated 10,000 tons of tires per year. Overall, approximately 5.41% of the total fuel used in our 15 operating cement plants in Mexico during 2008 was comprised of alternative substituted fuels.

Between 1999 and March 2009, our Mexican operations have invested approximately US$50.24 million in the acquisition of environmental protection equipment and the

implementation of the ISO 14001 environmental management standards of the International Organization for Standardization, or ISO. The audit to obtain the renewal of the ISO 14001 certification took place during April 2006. All our operating cement plants in Mexico and an aggregates plant in Monterrey have obtained the renewal of the ISO 14001 certification for environmental management systems.

United States. CEMEX Construction Materials Florida, LLC (formerly Rinker Materials of Florida, Inc.), a subsidiary of CEMEX, Inc., holds one federal quarry permit and is the beneficiary of one of ten other federal quarrying permits granted for the Lake Belt area in South Florida. The permit held by CEMEX Florida covers CEMEX Florida's SCL and FEC quarries. CEMEX Florida's Krome quarry is operated under one of the other federal quarry permits. The FEC quarry is the largest of CEMEX Florida's quarries measured by volume of aggregates mined and sold. CEMEX Florida's Miami cement mill is located at the SCL quarry and is supplied by that quarry. A ruling was issued on 22 March 2006 by a judge of the U.S. District Court for the Southern District of Florida in connection with litigation brought by environmental groups concerning the manner in which the permits were granted. Although not named as a defendant, CEMEX Florida has intervened in the proceedings to protect its interests. The judge ruled that there were deficiencies in the procedures and analysis undertaken by the relevant governmental agencies in connection with the issuance of the permits. The judge remanded the permits to the relevant governmental agencies for further review. As part of this review, on 1 May 2009 the Army Corps of Engineers issued a Final Supplemental Environmental Impact Statement and stated it would be accepting public comments until 8 June 2009. The judge also conducted further proceedings to determine the activities to be conducted during the remand period. In July 2007, the judge issued a ruling that halted certain quarrying operations at three non-CEMEX Florida quarries. The judge left in place CEMEX Florida's Lake Belt permits until the relevant government agencies complete their review. In a May 2008 ruling, the federal appellate court determined that the district court judge did not apply the proper standard of review to the permit issuance decision of the governmental agency, vacated the district court's prior order, and remanded the proceeding to the district court to apply the proper standard of review. In January 2009, the district court judge issued an order withdrawing the extraction permits of the three quarries. The order does not limit the processing of the materials previously excavated, which will be processed throughout the following months. We are appealing this ruling. We are continuing the ongoing process with the Army Corps of Engineers to obtain new permits that would allow mining for 10 to 15 years, depending on demand. This process is well under way, and, if and when issued, new permits would allow all mining activities to resume in the newly permitted areas. If the Lake Belt permits were ultimately permanently set aside or quarrying operations under them permanently restricted, CEMEX Florida would need to source aggregates, to the extent available, from other locations in Florida or import aggregates. This would likely affect profits from our Florida operations. Any adverse impacts on the Florida economy arising from the cessation or significant restriction of quarrying operations in the Lake Belt could also have a material adverse effect on our financial results.

Europe. In Great Britain, future expenditure on closed and current landfill sites has been assessed and quantified over the period in which the sites are considered to have the potential to cause environmental harm, generally consistent with the regulator view of up to 60 years from the date of closure. The assessed expenditure relates to the costs of monitoring the sites and the installation, repair and renewal of environmental infrastructure. The costs have been quantified on a net present value basis in the amount of approximately £125 million (approximately US$182 million), and an accounting provision for this amount was made at 31 December 2008.

In 2003, the European Union adopted a directive implementing the Kyoto Protocol on climate change and establishing a greenhouse gas emissions allowance trading scheme within the European Union. The directive requires Member States to impose binding caps on carbon dioxide emissions from installations involved in energy activities, the production and processing of ferrous metals, the mineral industry (including cement production) and the pulp, paper or board production business. Under this scheme, companies with operations in these sectors receive from the relevant Member States allowances that set limitations on the levels of greenhouse gas emissions from their installations. These allowances are tradable so as to enable companies that manage to reduce their emissions to sell their excess allowances to companies that are not reaching their emissions objectives. Companies can also use credits issued from the use of the flexibility mechanisms under the Kyoto protocol to fulfill their European obligations. These flexibility mechanisms provide that credits (equivalent to allowances) can be obtained by companies for projects that reduce greenhouse gas emissions in emerging markets. These projects are referred to as Clean Development Mechanism (the " **CDM**") or joint implementation projects, depending on the countries where they take place. Failure to meet the emissions caps is subject to heavy penalties.

Companies can also use, up to a certain level, credits issued under the flexible mechanisms of the Kyoto protocol to fulfill their European obligations. Credits for emission reduction projects obtained under these mechanisms are recognized, up to a certain level, under the European emission trading scheme as allowances. To obtain these emission reduction credits, companies must comply with very specific and restrictive requirements from the United Nations Convention on Climate Change.

As required by the directive, each of the Member States established a National Allocations Plan (" **NAP**") that defines the free allocation to each industrial facility for Phase II of the Emissions Trading Scheme (the " **ETS**") (2008-2012). Although the overall yearly volume of allowances in Phase II is significantly lower than that during Phase I of the ETS (2005 – 2007) we do not see any significant risk that CEMEX will be short of allowances in Phase II; this is the result of various factors, notably a reasonable allocation policy in some countries, our efforts to reduce emissions per unit of clinker, reduced demand for our products, and the use of certain risk-free financial instruments. We expect to be a net seller of allowances over Phase II, even under the assumption of the worst case in terms of allocation (see below). In addition, we are actively pursuing a strategy aimed at generating additional emission credits through the implementation of CDM projects. Despite having already sold a substantial amount of

allowances for Phase II, we believe the overall volume of transactions is justified by our most conservative emissions forecast, meaning that the risk of having to buy allowances in the market in the future is very low. As of 31 December 2007, the market value of carbon dioxide allowances for Phase I was €0.03 per ton. As of 31 March 2009, the market value of carbon dioxide allowances for Phase II was approximately €11.45 per ton. We are taking appropriate measures to minimize our exposure to this market while assuring the supply of our products to our customers.

The Spanish NAP has been approved by the Spanish Government, reflecting the conditions that were set forth by the European Commission. The allocations made to our installations allow us to foresee a reasonable availability of allowances; nevertheless, there remains the uncertainty regarding the allocations that, against the reserve for new entrants, we intend to request for the new cement plant in Andorra (Teruel), whose construction has been postponed.

In the case of the United Kingdom, Germany, Poland and Latvia, NAPs have been approved by the European Commission and allowances have been issued to our existing installations. There remains a small uncertainty in the amount of allocation to capacity expansions in Latvia and (to a lesser extent) Germany.

On 9 January 2009, we received a positive answer from United Kingdom authorities to a request we filed in late 2008 to retain the allocation of allowances for our Barrington plant after this facility was closed permanently in November 2008 and its production moved to our South Ferriby plant.

On 29 May 2007, the Polish government filed an appeal before the Court of First Instance in Luxembourg regarding the European Commission's rejection of the initial version of the Polish NAP. The court has denied Poland's request for a quick path verdict in the case, keeping the case in the regular proceeding path. The Polish government has thus started to prepare internal rules on division of allowances at the level already accepted by the European Commission. Seven major Polish cement producers, representing 98% of Polish cement production (including CEMEX Polska), have also filed seven separate appeals before the Court of First Instance regarding the European Commission's rejection. On 29 September 2008, the Court of First Instance issued an order rejecting CEMEX Polska's appeal without considering the merits of the case.

The Latvian NAP for Phase II has been approved by the European Commission and the Latvian government. On 30 October 2008, the Latvian Ministry of Environment adopted a decision on distribution of allowances. The number of allowances for our existing cement line has been assigned; however, allocation for our new cement plant, which would come out of the reserve for new entrants, is still uncertain.

Croatia is also in the process of implementing an emissions trading scheme that will be compatible to and linked with the one in force in the European Union. The planned starting date is 2010; the inclusion of our Croatian operations in the emissions trading scheme is not expected to significantly impact our overall position.

In December 2008, the European Commission, Council and Parliament reached an agreement on the new directive that will govern emissions trading after 2012. Although the new directive is much more detailed on the allocation process than the old one, in particular considering a European-wide benchmark to allocate free allowances among installations in the cement sector, there is still significant uncertainty concerning the amount of allowances that will be freely allocated to CEMEX. Therefore, it is premature to make statements about CEMEX's balance in Phase III of the emissions trading scheme (2013 – 2020).

The Club of Environmental Protection, a Latvian environmental protection organization (the " **Applicant**"), has initiated a Latvian court administrative proceeding against the decision made by the Latvian Environmental State Bureau (the " **Defendant**") in order to amend the environmental pollution permit (the "**Permit**") for the Broceni cement plant in Latvia, owned by CEMEX SIA (the " **Disputed Decision**"). CEMEX SIA was invited to participate in the court proceedings as a third party, whose rights and legal interest may be infringed by the relevant administrative act. On 5 June 2008, the court rendered its judgment, granting the Applicant's claim and revoking the Disputed Decision, declaring it illegal because Defendant failed to perform public inquiry in accordance with legal regulations. The judgment was appealed by both the Defendant and CEMEX SIA before the Court of Appeal, and on 20 May 2009, the Court of Appeal decided that the Defendant must supplement the Permit with the requirements applicable as of 1 January 2008 on the emission limits of hard particles for clinker melting-on stove. This amendment to the Permit will not adversely affect CEMEX SIA's operations in the existing plant, unless the competent authorities decide to lower the emission limit. The rest of the Applicant's claims were rejected by the court. The judgment may be appealed by the Applicant before the Senate of the Supreme Court no later than 19 June 2009. As of 30 June 2009, the Applicant has not appealed the judgment.

3. **Anti-Dumping/Anti-Trust**

U.S. Anti-Dumping Rulings — Mexico. Our exports of Mexican gray cement from Mexico to the United States were subject to an anti-dumping order that was imposed by the Commerce Department on 30 August 1990. Pursuant to this order, firms that imported gray Portland cement from our Mexican operations in the United States had to make cash deposits with the U.S. Customs Service to guarantee the eventual payment of anti-dumping duties. As a result, since that year and until 3 April 2006, we paid anti-dumping duties for cement and clinker exports to the United States at rates that fluctuated between 37.49% and 80.75% over the transaction amount. Beginning in August 2003, we paid anti-dumping duties at a fixed rate of approximately US$52.41 per ton, which decreased to US$32.85 per ton starting December 2004 and to US$26.28 per ton in January 2006. As described below, during the first quarter of 2006, the U.S. and Mexican governments entered into an agreement pursuant to which restrictions imposed by the United States on Mexican cement imports will be eased during a three-year transition period and completely eliminated following the transition period.

U.S./Mexico Anti-Dumping Settlement Agreement. On 19 January 2006, officials from the Mexican and the United States governments announced that they had reached an agreement in principle that would bring to an end the long-standing dispute over anti-dumping duties on Mexican cement exports to the United States. According to the agreement, restrictions imposed by the United States would be introduced gradually during a three-year transition period and completely eliminated in early 2009 if Mexican cement producers complied with its terms during the transition period, allowing cement from Mexico to enter the U.S. without duties or other limits on volumes. In 2006, Mexican cement imports into the U.S. were subject to volume limitations of three million tons per year. During the second and third years of the transition period, this amount could be increased or decreased in response to market conditions, subject to a maximum increase or decrease of 4.5%. For the second year of the transition period, the amount was increased by 2.7% while for the third year of the transition period, the amount was decreased by 3.1%. Quota allocations to companies importing Mexican cement into the United States were made on a regional basis. The anti-dumping duty during the three-year transition period was lowered to US$3.00 per ton, effective as of 3 April 2006, from the previous amount of US$26.28 per ton.

On 6 March 2006, the Office of the United States Trade Representative and the Commerce Department entered into an agreement with the Mexican *Secretaría de Economía*, providing for the settlement of all administrative reviews and all litigation pending before NAFTA and World Trade Organization panels challenging various anti-dumping determinations involving Mexican cement. As part of the settlement, the Commerce Department agreed to compromise its claims for duties with respect to imports of Mexican cement. The Commerce Department and the *Secretaría de Economía* will monitor the regional export limits through export and import licensing systems. The agreement **provided that** upon the effective date of the agreement, 3 April 2006, the Commerce Department would order the U.S. Customs Service to liquidate all entries covered by all the completed administrative reviews for the periods from 1 August 1995 through 31 July 2005, plus the unreviewed entries made between 1 August 2005 and 2 April 2006, and refund the cash deposits in excess of 10 cents per metric ton. As a result of this agreement, refunds from the U.S. government associated with the historic anti-dumping duties are shared among the various Mexican and American cement industry participants. We received approximately US$111 million in refunds under the agreement. We do not expect to receive further refunds.

As of 31 March 2009, there was no accrued liability for dumping duties. All liabilities accrued for past anti-dumping duties have been eliminated.

Anti-Dumping in Taiwan. Five Taiwanese cement producers — Asia Cement Corporation, Taiwan Cement Corporation, Lucky Cement Corporation, Hsing Ta Cement Corporation and China Rebar — filed an anti-dumping case involving imported gray Portland cement and clinker from the Philippines and Korea before the Tariff Commission under the Ministry of Finance (the "**MOF**") of Taiwan.

In July 2001, the MOF informed the petitioners and the respondent producers in exporting countries that a formal investigation had been initiated. Among the respondents in the petition were APO, Rizal and Solid, our indirect subsidiaries. In July 2002, the MOF notified the respondent producers that a dumping duty would be imposed on Portland cement and clinker imports from the Philippines and South Korea beginning on 19 July 2002. The duty rate imposed on imports from APO, Rizal and Solid was fixed at 42%.

In September 2002, APO, Rizal and Solid filed before the Taipei High Administrative Court an appeal in opposition to the anti-dumping duty imposed by the MOF. In August 2004, we received a copy of the decision of the Taipei Administrative High Court, which was adverse to our appeal. The decision has since become final. This anti-dumping duty is subject to review by the government after five years following its imposition. If following that review the government determines that the circumstances giving rise to the anti-dumping order have changed and that the elimination of the duty would not harm the domestic industry, the government may decide to revoke the anti-dumping duty. Based on a petition filed by Asian Cement Corporation, Taiwan Cement Corporation, Lucky Cement Corporation, and Hsing-Ta Cement Co. Ltd. in April 2007, the MOF decided to institute the investigation on whether to continue to impose the antidumping duty on Type I and Type II Portland Cement and clinker upon the expiration of the five-year period of the duty imposition and issued a public announcement on 2 May 2007, requesting interested parties to present their opinions. In response, APO and Solid submitted a written statement objecting to the continuance of the anti-dumping duty order. On 22 October 2007, the MOF notified interested parties that because of the need for further investigation, the investigation period was extended to 1 March 2008.

On 26 February 2008, the MOF announced that it would instruct the Ministry of Economic Affairs (the " **MOEA**") to continue its investigation to determine whether or not the domestic industry would be damaged if the government were to revoke the anti-dumping duty. On 10 April 2008, the International Trade Commission (the "**ITC**") of the MOEA made a determination that the revocation of the anti-dumping duty would not likely lead to continuation or recurrence of injury to the domestic industry. As required by the Implementation Regulation on the Imposition of Countervailing and Antidumping Duties, the MOEA notified the MOF of ITC's determination. We received a letter, dated May 5, 2008, from the MOF, stating that the anti-dumping duty imposed on gray portland cement and clinker imports from the Philippines and South Korea would be terminated starting 5 May 2008. Since May 2008, no more anti-dumping duties have been imposed.

Polish Antitrust Investigation. During the period from 31 May 2006 to 2 June 2006, officers of the Polish Competition and Consumer Protection Office, (the "**Protection Office**") assisted by police officers, conducted a search in the Warsaw office of CEMEX Polska, one of our indirect subsidiaries in Poland, and in offices of other cement producers in Poland. The search took place as a part of the exploratory investigation that the head of the Polish Competition and Consumer Protection Office

started on 26 April 2006. On 2 January 2007, CEMEX Polska received a notification from the Protection Office informing about the formal initiation of an antitrust proceeding against all cement producers in Poland, including CEMEX Polska and another of our indirect subsidiaries in Poland. In the notification it was assumed that there was an agreement between all cement producers in Poland regarding prices and other sales conditions of cement, an agreed division of the market with respect to the sale and production of cement, and the exchange of confidential information, all of which limited competition in the Polish market with respect to the production and sale of cement. On 22 January 2007, CEMEX Polska filed its response to the notification, denying that it committed the practices listed by the Protection Office in the notification. In its response, CEMEX Polska also included various formal comments and objections gathered during the proceeding, as well as facts supporting its position and intended to prove that its activities were in line with competition law. On 29 April 2009, the Protection Office notified CEMEX Polska of its decision to extend the antitrust proceeding until 20 June 2009, due to the complexity of the case. As 30 June 2009, we have no information regarding further developments on this legal assessment.

We believe, at this stage, there are no justified factual or legal grounds for fines to be imposed on CEMEX Polska.

Antitrust Investigation in the United Kingdom and Germany . Between 4 and 6 November 2008, officers of the European Commission, assisted by local officials, conducted an unannounced inspection at our offices in the United Kingdom and Germany. The European Commission alleges that we may have participated in anti-competitive agreements and/or concerted practices in breach of Article 81 of the EC Treaty and/or Article 53 of the European Economic Area (the "**EEA**") Agreement and abusive conduct in breach of Article 82 of the EC Treaty and/or Article 54 of the EEA Agreement. The allegations extend to several markets worldwide, including in particular the EEA. If those allegations are substantiated, significant penalties may be imposed on our subsidiaries operating in such markets. We fully cooperated and will continue to cooperate with the European Commission officials in connection with the inspection.

Antitrust Investigations in Mexico . In January and March 2009, we were notified of two findings of presumptive responsibility against CEMEX issued by the Mexican competition authority (*Comisión Federal de Competencia*), alleging certain violations of Mexican antitrust laws. We believe these findings have several procedural errors and are unfounded on the merits. We filed our responses to these findings on 27 February 2009 and 19 May 2009. For one of the cases we have obtained a favorable first instance ruling that if sustained on appeal will terminate the investigation. The proceedings for the second case have continued and it is currently in the evidence producing stage, we expect this procedure to continue for several months before resolution.

4. **Tax Matters**

Pursuant to amendments to the Mexican income tax law (*Ley del Impuesto sobre la Renta*), which became effective on 1 January 2005, Mexican companies with direct or indirect investments in entities incorporated in foreign countries whose income tax liability in those countries is less than 75% of the income tax that would be payable in Mexico will be required to pay taxes in Mexico on passive income, such as dividends, royalties, interest, capital gains and rental fees obtained by such foreign entities, except for income derived from entrepreneurial activities in such countries, which is not subject to tax under these amendments. We filed two motions in the Mexican federal courts challenging the constitutionality of the amendments. On 29 June 2006, we obtained a favorable ruling from the Mexican federal court stating that the amendments were unconstitutional. The Mexican tax authority appealed the ruling, and the proceeding reached the Mexican Supreme Court of Justice. On 9 September 2008, the Mexican Supreme Court ruled against our constitutional challenge of the controlled foreign corporation tax rules in effect in Mexico for tax years 2005 to 2007. Since the Supreme Court's decision does not pertain to an amount of taxes due or other tax obligations, we will self-assess any taxes due through the submission of amended tax returns. We have not yet determined the amount of tax or the periods affected, but the amount is likely to be material. If the Mexican tax authorities do not agree with our self-assessment of the taxes due for past periods, they may assess additional amounts of taxes past due, which may be material and may impact our cash flows.

The Mexican Congress approved several amendments to the Mexican Asset Tax Law (*Ley del Impuesto al Activo*) that came into effect on 1 January 2007. As a result of such amendments, all Mexican corporations, including us, were no longer allowed to deduct liabilities from calculation of the asset tax. We believe that the Asset Tax Law, as amended, is against the Mexican constitution. We have challenged the Asset Tax Law through appropriate judicial action (*juicio de amparo*).

The asset tax was imposed at a rate of 1.25% on the value of most of the assets of a Mexican corporation. The asset tax was "complementary" to the corporate income tax (*impuesto sobre la renta*) and, therefore, was payable only to the extent it exceeded payable income tax.

In 2008, the Asset Tax Law was abolished and a new federal tax applicable to all Mexican corporations was enacted, known as the *Impuesto Empresarial a Tasa Única* (Single Rate Corporate Tax, the "**IETU**") which is a form of alternative minimum tax.

Philippines. The Philippine Bureau of Internal Revenue (the "**BIR**") had assessed APO, Solid, IQAC, ALQC and CSPI, our operating indirect subsidiaries in the Philippines, for deficiency taxes covering taxable years 1998 to 2005 amounting to a total of approximately 1,994 million Philippine Pesos (approximately US$41.25 million as of 31 March 2009, based on an exchange rate of Philippine Pesos 48.33 to US$1.00, which was the Philippine Peso/Dollar exchange rate on 31 March 2009, as published by the Bangko Sentral ng Pilipinas, the Central Bank of the Republic of the Philippines).

The majority of the tax assessments pending with the Court of Tax Appeals (the "**CTA**") as of 31 March 2009 result primarily from the disallowance of APO's income tax holiday incentives (the "**ITH Case**") for taxable years 1999 to 2001 (approximately Philippine Pesos 1,200 million, or US$24.82 million, as of 31 March 2009, based on an exchange rate of Philippine Pesos 47.52 to US$1.00). However, on 12 February 2009, APO received a decision from the Court of Tax Appeals considering the deficiency income tax assessments for taxable years 1999 to 2001, mentioned above, as cancelled and set aside solely in view of APO's availment of the Tax Amnesty under RA 9480. The CTA considered the ITH Case as "closed and terminated." As of the end of March 2009 the BIR, did not file an appeal to the Supreme Court, thus rendering the subject decision of the CTA in the ITH Case as final and executory. APO is no longer liable for the income tax assessment and is not required to make further payments in this case.

As to the remaining tax cases pending with the CTA, the CTA has given an order in open court requiring counsel for APO and Solid to file a Motion to Cancel Assessment on the basis of APO's and Solid's availment of the benefits of a tax amnesty for taxable year 2005 and prior years. APO and Solid submitted all necessary documents and fully paid the amnesty tax according to law and its implementing rules and regulations. The availment of the amnesty resulted in immunity for our Philippine subsidiaries from their alleged tax liabilities and penalties (civil, criminal, or administrative) arising from their alleged failure to pay the tax for 2005 and prior years. This includes APO's alleged income tax liability for 1999, 2000 and 2001, which continues to be pending with the CTA. The amnesty program, however, does not cover withholding tax liabilities. With this development, we expect the dismissal of all tax assessment cases against APO and Solid which are pending with the CTA following the CTA resolution in the APO ITH Case.

5. **Other Legal Proceedings**

On 5 August 2005, a lawsuit was filed against a subsidiary of CEMEX Colombia, claiming that it was liable along with the other members of the *Asociación Colombiana de Productores de Concreto* (the "**ASOCRETO**") a union formed by all the ready-mix concrete producers in Colombia, for the premature distress of the roads built for the mass public transportation system of Bogotá using ready-mix concrete supplied by CEMEX Colombia and other ASOCRETO members. The plaintiffs allege that the base material supplied for the road construction failed to meet the quality standards offered by CEMEX Colombia and the other ASOCRETO members and/or that they provided insufficient or inaccurate information in connection with the product. The plaintiffs seek the repair of the roads in a manner which guarantees their service during the 20-year period for which they were originally designed, and estimate that the cost of such repair will be approximately US$45 million. The lawsuit was filed within the context of a criminal investigation of two ASOCRETO officers and other individuals, alleging that the ready-mix concrete producers were liable for damages if the ASOCRETO officers were criminally responsible. The court completed the evidentiary stage, and on 17 August 2006 dismissed the charges against the members of ASOCRETO. The

other defendants (one ex-director of the Distrital Institute of Development, the legal representative of the constructor and the legal representative of the contract auditor) were formally accused. The decision was appealed, and on 11 December 2006, the decision was reversed and the two ASOCRETO officers were formally accused as participants (determiners) in the execution of a state contract without fulfilling all legal requirements thereof. The first public hearing took place on 20 November 2007. In this hearing, the judge dismissed an annulment petition filed by the ASOCRETO officers. The petition was based on the fact that the officers were formally accused of a different crime from the one for which they were being investigated. This decision was appealed, but the decision was confirmed by the Superior Court of Bogotá. On 21 January 2008, CEMEX Colombia was subject to a judicial order, issued by the court, sequestering a quarry called El Tujuelo, as security for a possible future money judgment to be rendered against CEMEX Colombia in these proceedings. The court determined that in order to lift this attachment and prevent further attachments, CEMEX Colombia was required within a period of 10 days to deposit with the court in cash CoP$337,800 million (approximately US$132.7 million as of 31 March 2009, based on an exchange rate of CoP$2.544 to US$1.00, which was the Colombian Peso/Dollar exchange rate on 31 March 2009, as published by the *Banco de la República de Colombia*, the central bank of Colombia), instead of being allowed to post an insurance policy to secure such recovery. CEMEX Colombia asked for reconsideration, and the court allowed CEMEX to present an insurance policy. Nevertheless, CEMEX appealed this decision, in order to reduce the amount of the insurance policy, and also requested that the guarantee be covered by all defendants in the case. On 9 March 2009, the Superior Court of Bogotá reversed this decision, allowing CEMEX to offer a security in the amount of US$8 million. The measure does not affect the normal activity of the quarry. At this stage, we are not able to assess the likelihood of an adverse result or the potential damages which could be borne by CEMEX Colombia.

On 5 August 2005, Cartel Damages Claims, SA (the "**CDC**") filed a lawsuit in the District Court in Düsseldorf, Germany against CEMEX Deutschland AG and other German cement companies. CDC is seeking €102 million (approximately US$142.6 million) in respect of damage claims by 28 entities relating to alleged price and quota fixing by German cement companies between 1993 and 2002, which entities had assigned their claims to CDC. CDC is a Belgian company established by two lawyers in the aftermath of the German cement cartel investigation that took place from July 2002 to April 2003 by Germany's Federal Cartel Office, with the express purpose of purchasing potential damages claims from cement consumers and pursuing those claims against the alleged cartel participants. In January 2006, another entity assigned alleged claims to CDC, and the amount of damages being sought by CDC increased to €113.5 million plus interest (approximately US$158.6 million plus interest). On 21 February 2007, the District Court decided to allow this lawsuit to proceed without going into the merits of this case by issuing an interlocutory judgment. All defendants appealed, but the appeal was dismissed on 14 May 2008. The lawsuit will proceed at the level of the Court of First Instance. As of 31 March 2009, only one defendant had decided to file a complaint before the Federal High Court. In the meantime, CDC had

acquired new assigners and announced an increase in the claim to €131 million (approximately US$183.1 million). As of 31 March 2009, we had accrued liabilities regarding this matter for a total amount of approximately €20 million (approximately US$27.9 million).

After an extended consultation period, in April 2006, the cities of Kaštela and Solin in Croatia published their respective (physical) Master Plans defining the development zones within their respective municipalities, adversely impacting the mining concession granted to Dalmacijacement, our subsidiary in Croatia, by the Government of Croatia in September 2005. During the consultation period, Dalmacijacement submitted comments and suggestions to the Master Plans, but these were not taken into account or incorporated into the Master Plans by Kaštela and Solin. Most of these comments and suggestions were intended to protect and preserve the rights of Dalmacijacement´s mining concession. Immediately after publication of the Master Plans, Dalmacijacement filed a series of lawsuits and legal actions before the local and federal courts to protect its acquired rights under the mining concessions. Among the legal actions taken and filed by Dalmacijacement were as follows: (i) on 17 May 2006, a constitutional appeal before the Constitutional Court in Croatia, seeking a declaration by the court concerning Dalmacijacement's constitutional claim for decrease and obstruction of rights earned by investment, and seeking prohibition of implementation of the Master Plans; this appeal is currently under review by the Constitutional Court in Croatia, and we cannot predict when it will be resolved; (ii) on 17 May 2006, a possessory action against the cities of Kaštela and Solin seeking the enactment of interim measures prohibiting implementation of the Master Plans and including a request to implead the Republic of Croatia into the proceeding on our side; this possessory action has been definitively dismissed; and (iii) on 17 May 2006, an administrative proceeding before the State Lawyer, seeking a declaration from the Government of Croatia confirming that Dalmacijacement acquired rights under the mining concessions. Dalmacijacement received the State Lawyer's opinion which confirms the Dalmacijacement's acquired rights according to the previous decisions ("**old concession**"). The Administrative Court in Croatia has ruled in favor of Dalmacijacement, validating the legality of the mining concession granted to Dalmacijacement by the Government of Croatia, in September 2005. We are still waiting for an official declaration from the Constitutional Court regarding an open question that Dalmacijacement has formally made as to whether the cities of Solin and Kaštela, within the scope of their Master Plans, can unilaterally change the borders of exploited fields.

On 21 April 2007, the First Instance Court for the Commonwealth of Puerto Rico issued a summons against Hormigonera Mayagüezana Inc., seeking damages in the amount of US$39 million, after the death of two people in an accident in which a Hormigonera Mayagüezana Inc. concrete mixer truck was involved. This case was handled by the insurance company (AON) since the claim was covered by CEMEX insurance policy. The insurance company settled the case on June 2009 for approximately US$1.05 million, which was covered completely by the insurance policies and not CEMEX Puerto Rico. A final ruling adjudicating the controversy is still pending.

In November 2008, AMEC/Zachry, the general contractor for the Brooksville South expansion project in Florida, filed a lawsuit against CEMEX Construction Materials Florida, LLC, alleging delay damages, seeking an equitable adjustment to the contract and payment of change orders. In its claim, AMEC/Zachry is seeking US$60 million as compensation. CEMEX Construction Materials Florida, LLC filed a counterclaim against AMEC. In February 2009, AMEC/Zachry filed an amended complaint asserting a claim by AMEC E&C Services, Inc. against CEMEX Materials LLC as the guarantor of the Design/Build contract. CEMEX answered the suit, denying any breach of contract and asserting affirmative defenses and counterclaims against AMEC/Zachry for breach of contract. CEMEX has also brought certain third-party claims against AMEC, plc and FLSmidth. CEMEX has brought a claim against AMEC, plc for breach of contract, and has brought claims for breach of contract, negligent misrepresentation, and various indemnity claims against FLSmidth. In March 2009, FLSmidth filed a motion to dismiss CEMEX's third-party complaint. In May 2009, AMEC/Zachry filed a Motion to Leave to file a Second Amended Complaint requesting that the Court allow it to join FLSmidth as a co-defendant in the lawsuit and assert claims for negligence and negligent misrepresentation directly against FLSmidth. CEMEX also filed a Motion for Leave requesting that the Court allow it to file a First Amended Complaint asserting (to the extent AMEC/Zachry's motion is granted joining FLSmidth as a co-defendant) cross-claims against FLSmidth, including each claim previously asserted against FLSmidth, but also adding a claim for tortuous interference, or, if AMEC/Zachry's Motion for Leave is denied, allowing CEMEX to add its claim for tortuous interference against FLSmidth in its capacity as a third-party defendant. Both Motions for Leave are pending with the Court. At this preliminary stage of the proceeding, we are not able to assess the likelihood of an adverse result or the potential damages which could be borne by CEMEX Construction Materials Florida, LLC or CEMEX Materials LLC.

On 30 July 2008, the Panamanian Autoridad de Aeronáutica Civil denied a request by Cemento Bayano, S.A. to erect structures above the permitted imaginary line applicable to the surroundings of the Calzada Larga Airport. This imaginary line is set according to applicable legal regulations and reaches the construction area of the cement plant's second line. According to design plans, ten of the structures to be constructed for this new line pass the permitted height. Cemento Bayano has formally requested the abovementioned authority to reconsider its denial. On 14 October 2008, the Panamanian Autoridad de Aeronáutica Civil granted permission for constructing the tallest building of the second line, under the following conditions: (a) Cemento Bayano, S.A. shall assume any liability arising out of any incident or accident caused by the construction of such building; and (b) there will be no further permissions for additional structures. Cemento Bayano, S.A. filed an appeal with respect to the second condition and has submitted a request for permission in respect to the rest of the structures. On 13 March 2009, the Autoridad de Aeronáutica Civil issued a ruling stating that (a) should an accident occur in the perimeter of the Calzada Larga Airport,

an investigation shall be conducted in order to determine the cause and further responsibility; and (b) there will be no further permissions for additional structures of the same height as the tallest structure already granted. Therefore, additional permits may be obtained as long as the structures are lower than the tallest building, on a case-by-case analysis to be conducted by the authority. We are still waiting for a ruling in respect of the additional ten structures.

On 4 October 2007, all Egyptian cement producers (including CEMEX) were referred to the public prosecutor for an alleged agreement on price fixing. The country manager and the director of sales of CEMEX Egypt were both named as defendants. The case was referred to the Criminal Court on February 13, 2008. Hearings on this matter have taken place, during which witnesses were heard and defenses were presented. The final court hearing was held on August 25, 2008. At this hearing, the court announced its decision imposing the maximum penalty of 10 Million Egyptian Pounds (approximately US$1.8 million) on each entity accused. CEMEX Egypt is required to pay 20 Million Egyptian Pounds (approximately US$3.6 million), since two executives were accused. An appeal has been filed by all cement companies to challenge the judgment of the First Instance Court. The last appeal hearing was held on 31 December 2008. The Courts of Appeal decided to support the accusation and confirm the penalty. We decided not to proceed with a further appeal and pay the fine.

On 12 August 2007, the Australian Takeovers Panel published a declaration of unacceptable circumstances, namely, that CEMEX's 7 May 2007 announcement that it would allow Rinker shareholders to retain the final dividend of US$0.25 per Rinker share constituted a departure from CEMEX's announcement on 10 April 2007 that its offer of US$15.85 per share was its "best and final offer." On 27 September 2007, the Panel ordered CEMEX to pay compensation of US$0.25 per share to Rinker shareholders for the net number of Rinker shares they disposed of a beneficial interest during the period from 10 April 2007 to 7 May 2007. CEMEX believes that the market was fully informed by its announcements on 10 April 2007, and notes that the Takeovers Panel has made no finding that CEMEX breached any law. On 27 September 2007, the Review Panel made an order staying the operation of the orders until further notice pending CEMEX's application for judicial review of the Panel's decision. CEMEX applied to the Federal Court of Australia for such a judicial review. That application was dismissed on 23 October 2008. CEMEX appealed that decision to the Full Court of the Federal Court of Australia, which heard the appeal in May 2009 and a judgment has been rendered. CEMEX has deposited A$15 million (approximately US$12 million based on the accounting A$/Dollar exchange rate in effect on 29 May 2009 of A$1.2734 to US$1.00) in a special purpose account from which qualifying claims will be paid.

Expropriation of CEMEX Venezuela and ICSID Arbitration. On 18 August 2008, Venezuelan officials took physical control of the facilities of CEMEX Venezuela, following the issuance of several governmental decrees purporting to authorize the take over by Venezuela of all of CEMEX Venezuela's assets, shares and business. At around the same time, the Venezuelan government removed the board of CEMEX

Venezuela and replaced its senior management. Venezuela has paid no compensation to CEMEX Venezuela's shareholders for such action. On October 16, 2008, CEMEX Caracas Investments B.V. and CEMEX Caracas Investments II B.V. (collectively, "**CEMEX Caracas**"), which held a 75.7% interest in CEMEX Venezuela, filed a request for arbitration against Venezuela before the International Centre for Settlement of Investment Disputes ("**ICSID**") seeking relief for the expropriation of their interest in CEMEX Venezuela. In the ICSID proceedings against Venezuela, CEMEX Caracas is seeking: (a) a declaration that Venezuela is in breach of its obligations under a bilateral investment treaty between the Netherlands and Venezuela, the Venezuelan Foreign Investment Law and customary international law; (b) an order that Venezuela restore to CEMEX Caracas their interest in, and control over, CEMEX Venezuela; (c) in the alternative, an order that Venezuela pay CEMEX Caracas full compensation with respect to its breaches of the Treaty, the Venezuelan Foreign Investment Law and customary international law, in an amount to be determined in the arbitration, together with interest at a rate not less than LIBOR, compounded until the time of payment; and (d) an order that Venezuela pay all costs of and associated with the arbitration, including CEMEX Caracas's legal fees, experts' fees, administrative fees and the fees and expenses of the arbitral tribunal. The ICSID arbitral tribunal has already been constituted and the first hearing will take place in the following months. We are unable at this preliminary stage to estimate the likely range of potential recovery or to determine what position Venezuela will take in these proceedings, the nature of the award that may be issued by the Tribunal or the likely extent of collection of any possible monetary award issued to CEMEX Caracas.

Additionally, Venezuela claims that the vessels Marianela, Corregidora and Edalan (the "**Vessels**") are property of the former CEMEX Venezuela. The Vessels were properly transferred by CEMEX Venezuela to Sunbulk Shipping, N.V. prior to the nationalization; therefore we believe that Venezuela has no ownership rights over the Vessels. The Government of Venezuela has obtained an interim measure in a Venezuelan court ordering that no transfer or disposition of the Vessels should take place (this was obtained long after the transfer had been done) and they requested the Panamanian courts, which is the country where the Vessels are flagged, to execute this measure on one of the Vessels that was on its way to Panama. The Panamanian court arrested one of the Vessels however we were able to procure its and are contesting the order in Panama. Furthermore, we are requesting an interim measure to prevent Venezuela from taking any actions in respect of the Vessels, to preserve the subject matter which is the expropriation.

The Texas General Land Office is alleging that CEMEX failed to pay approximately US$550 million in royalties related to mining by CEMEX and its predecessors since the 1940s on lands that, when transferred originally by the State of Texas, contained reservation of mineral rights. CEMEX is analyzing this claim and intends to defend it vigorously.

On 31 July 2008, we agreed to sell our operations in Austria (consisting of 26 aggregates and 41 ready-mix concrete plants) and Hungary (consisting of 6 aggregates,

29 ready-mix concrete and 4 paving stone plants) to Strabag SE, one of Europe's leading construction and building materials groups, for €310 million (approximately US$433 million). On 11 February 2009, the Hungarian Competition Commission (HCC) approved the sale subject to the condition that the purchaser sell the ready-mix concrete plant operating in Salgótarján to a third party within the next year. On 28 April 2009, the Austrian Cartel Court (Kartellgericht) approved the sale subject to the implementation of certain remedies. Contrary to its duties under the Share Purchase Agreement, Strabag SE filed on 9 June 2009 an appeal against the decision of the Austrian Cartel Court. This appeal had the effect that the merger control proceeding was extended. On 8 June 2009 the Austrian Competition Authority also filed an appeal. On 1 July 2009, CEMEX received notice from Strabag SE of its withdrawal from the Share Purchase Agreement since merger control approval could not be obtained by 30 June 2009. On 8 July 2009, Strabag SE withdrew from its appeal against the decision of the Austrian Cartel Court. Since then CEMEX has provided Strabag SE written notice that it considers its withdrawal from the Share Purchase Agreement invalid due to Strabag SE's continued breach of the Share Purchase Agreement. CEMEX believes the Share Purchase Agreement still to be valid and is considering taking appropriate legal recourse.

In accordance with the Financing Agreement, the Parent and the Administrative Agent designate this Agreement as a New Finance Document.

2. Amendment

With effect from the date of this Agreement, the Financing Agreement shall be amended as set out in Schedule 1 (*Amendments to Financing Agreement*) to this Agreement.

4.3 No novation

The amendment of the Financing Agreement does not constitute a novation of the obligations of the parties thereto.

Schedule 1
Amendments to Financing Agreement

1. Amendment to the Debt definition

(I) The definition of "**Debt**" contained in Clause 23.1 of the Financing Agreement shall be deleted in its entirety and replaced with the following definition:

""**Debt**" of any person means, without duplication, (i) all obligations of such person for borrowed money, (ii) all obligations of such person evidenced by bonds, debentures, notes or other similar instruments, including the perpetual bonds, (iii) the aggregate net mark-to-market of Treasury Transactions (except to the extent such exposure is cash collateralised to the extent permitted under the Finance Documents) of such person but excluding Treasury Transactions relating to the rate or price of energy or any commodity, (iv) all obligations of such person to pay the deferred purchase price of property or services, except trade accounts payable arising in the ordinary course of Trading, (v) all obligations of such person as lessee under Capital Leases, (vi) all Debt of others secured by Security on any asset of such person, up to the value of such asset, (vii) all obligations of such Person with respect to product invoices incurred in connection with export financing, (viii) all obligations of such person under repurchase agreements for the stock issued by such person or another person, (ix) all obligations of such person in respect of Inventory Financing permitted under paragraph (e) of the definition of Permitted Financial Indebtedness and (x) all guarantees of such person in respect of any of the foregoing **provided, however,** that for the purposes of calculating the Consolidated Funded Debt element of the Consolidated Leverage Ratio, Relevant Convertible/Exchangeable Obligations shall be excluded from each of the foregoing sub-paragraphs (i) to (x) (inclusive). For the avoidance of doubt, all letters of credit, banker's acceptances or similar credit transactions, including reimbursement obligations in respect thereof are not Debt until they are required to be funded.".

(II) The following new definition shall be added in alphabetical order in Clause 23.1 of the Financing Agreement:

""**Relevant Convertible/Exchangeable Obligations**" means any Financial Indebtedness incurred by any person the terms of which provide that satisfaction of the principal amount owing under such Financial Indebtedness (whether on or prior to its maturity and whether as a result of bankruptcy, liquidation or other default by such person or otherwise) shall occur solely by delivery of shares or common equity securities in the Parent.".

(III) The following additional sub-clause shall be added to Clause 24.23 of the Financing Agreement:

"(c) For the avoidance of doubt, any delivery of shares or common equity securities in the Parent pursuant to the operation of the terms of any Relevant Convertible/Exchangeable Obligations shall not be restricted by this Clause 24.23.".

2. Retention Threshold Amendment

(I) Sub-paragraph (B) of Clause 13.1(b)(i) of the Financing Agreement shall be deleted in its entirety and consequently the words "(A)" in the first line of Clause 13.1(b)(i) of the Financing Agreement shall be deleted and the word "and" appearing prior to the letter "(B)" also be deleted.

(II) the "." at the end of paragraph (iv) of Clause 13.1(b) of the Financing Agreement be replaced with a "," and the following paragraph shall be added at the end of Clause 13.1(b) of the Financing Agreement, as a separate paragraph following sub-paragraph (iv):

"**provided that**, in the case of sub-clauses (i) or (ii) above, the amount required to be prepaid under this paragraph (b) in relation to the relevant Disposal or Permitted Fundraising (as the case may be) will be reduced by the amount of any Shortfall.".

(III) The following definitions shall be added to Clause 13.1(a) of the Financing Agreement in alphabetical order:

""**Cash Maintenance Threshold**" means $650,000,000 minus unutilised commitments (if any) under any Permitted Liquidity Facilities in place as at the last Business Day of the month ending immediately prior to the day on which the last instalment of any Disposal Proceeds or Permitted Fundraising Proceeds (as the case may be) are prepaid.";

""**Month End Cash in Hand**" means the cash in hand of the Parent on a consolidated basis as at the last Business Day of the month ending immediately prior to the day on which the last instalment of any Disposal Proceeds or Permitted Fundraising Proceeds (as the case may be) are prepaid, with such amount being set out in a notice signed by an Authorised Signatory of the Parent and delivered to the Administrative Agent at the same time as the making of any final instalment of a prepayment amount required under Clauses 13.1(b)(i) or (ii).."; and

""**Shortfall**" means the amount by which the Month End Cash in Hand is less than the Cash Maintenance Threshold.".

(IV) The following additional minor amendments shall be made to Clause 1.1 of the Financing Agreement as a consequence of the above amendments:

(A) In the last paragraph of paragraph (f) of the definition of "Permitted Financial Indebtedness" in the Financing Agreement, sub-paragraph (3) shall be deleted in its entirety and replaced with the following:

"(3) if proceeds of such issuance or incurrence are, to the extent required under this Agreement, being used to replace or refinance Financial Indebtedness which shares in the Transaction Security, such Financial Indebtedness shall be entitled to share in the Transaction Security in accordance with (and on the terms of) the Intercreditor Agreement; and".

(B) In paragraph (f) of the definition of "Permitted Guarantee" in the Financing Agreement, the words ", to the extent required under this Agreement," shall be inserted after the word "used" in the last line of paragraph (f).

(C) In paragraph (M) of Clause 24.5 of the Financing Agreement, the words "including, for the avoidance of doubt, any sharing in the Transaction Security referred to in paragraph (f) of the definition of Permitted Financial Indebtedness; shall be added after the words "the Transaction Security".

3. Permitted Financial Indebtedness Amendment

In the definition of "**Permitted Financial Indebtedness**" in Clause 1.1 of the Financing Agreement, sub-paragraph (1) of the last paragraph of paragraph (f) will be deleted in its entirety and replaced with the following:

"(1) the terms applicable to such issuance under paragraph (f)(i) (excluding pricing, but including, without limitation, as to prepayments, representations, covenants, events of default, guarantees and security) taken as a whole are no more restrictive or onerous than the terms applicable to the Facilities, and the terms applicable to such incurrence under paragraph (f)(ii) (excluding pricing, but including, without limitation, as to prepayments, representations, covenants, events of default, guarantees and security) are no more restrictive or onerous than the terms applicable to the Facilities;".

4. CEMEX Corp. Amendment

Paragraph (b) of Clause 26.6 of the Financing Agreement will be deleted in its entirety and replaced with the following wording:

"(b) The value of the assets of any of the Obligors or Material Subsidiaries is less than its liabilities (taking into account contingent and prospective liabilities other than any such liabilities arising under Clause 20 (*Guarantee and indemnity*)) other than, in the case of CEMEX Corp., liabilities (including contingent and prospective liabilities) owed by CEMEX Corp. on and at any time after the date of this Agreement to another member of the Group **provided that** such liabilities of CEMEX Corp. are subordinated to the claims of the Participating Creditors in the event of the bankruptcy, winding up or liquidation of CEMEX Corp. or an acceleration under Clause 26.16 (*Acceleration*) of the Financing Agreement.".

(d) Having received such directions referred to in sub-paragraph (c)(ii) above as to the method of enforcement and the identity of the Transaction Security to be enforced (and in the absence of further written instructions from the Instructing Group), the Security Agent may act as it sees fit (including, without limitation, the selection of any administrator of any Debtor or Security Provider to be appointed by the Security Agent) and in accordance with applicable law and pursuant to the specific terms of the relevant Transaction Security Documents.

(e) The Security Agent is entitled to conclusively rely on and comply with instructions given in accordance with this Clause 6.2 (*Enforcement instructions*).

(ii) in no case shall the Security Agent be (i) responsible or accountable in damages or otherwise to any other Secured Party, Debtor or Security Provider for any loss, damage or claim incurred by reason of any act or omission performed or omitted by the Security Agent in good faith in accordance with this Agreement and the Debt Documents in a manner within the scope of the authority conferred on it by this Agreement and the Debt Documents or by law (otherwise than as a result of its gross negligence or wilful misconduct), or (ii) personally liable for or on account of any of the statements, representations, warranties, covenants or obligations stated to be those of any other Secured Party, Debtor or Security Provider all such liability, if any, being expressly waived by the Secured Parties, Debtors and Security Providers and any person claiming by, through or under such Secured Party, Debtor or Security Provider,

and it is also acknowledged that the Security Agent shall have no responsibility for the actions of any Creditor.

10.2 **Finance Parallel Debt (Covenant to pay the Security Agent)**

(a) Notwithstanding any other provision of this Agreement, each Debtor hereby irrevocably and unconditionally undertakes to pay to the Security Agent, as creditor in its own right and not as representative of the other Finance Secured Parties, sums equal to and in the currency of each amount payable by such Debtor to each of the Finance Secured Parties under each of the Finance Secured Documents as and when that amount falls due for payment under the relevant Finance Secured Document or would have fallen due but for any discharge resulting from failure of another Finance Secured Party to take appropriate steps, in Insolvency Proceedings affecting that Debtor, to preserve its entitlement to be paid that amount (in respect of each Debtor, its "**Finance Parallel Debt**").

(b) The Security Agent shall have its own independent right to demand payment of the amounts payable by each Debtor under this Clause 10.2, irrespective of any discharge of such Debtor's obligation to pay those amounts to the other Finance Secured Parties resulting from failure by them to take appropriate steps, in Insolvency Proceedings affecting that Debtor, to preserve their entitlement to be paid those amounts.

(c) Any amount due and payable by a Debtor to the Security Agent under this Clause 10.2 shall be decreased to the extent that the other Finance Secured Parties have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Finance Secured Documents and any amount due and payable by a Debtor to the other Finance Secured Parties under those provisions shall be decreased to the extent that the Security Agent has received (and is able to retain) payment in full of the corresponding amount under this Clause 10.2.

(d) Each of the Parties to this Agreement accepts the provisions of this Clause 10.2.

10.3 **Notes Parallel Debt (Covenant to pay the Security Agent)**

(a) Notwithstanding any other provision of this Agreement, each Debtor hereby irrevocably and unconditionally undertakes to pay to the Security Agent, as creditor in its own right and not as representative of the Notes Secured Parties, sums equal to and in the currency of each amount payable by such Debtor to each of the Notes Secured Parties under each of the Notes Secured Documents as and when that amount falls due for payment under the relevant Notes Secured Document or would have fallen due but for any discharge resulting from failure of another Notes Secured Party to take appropriate steps, in Insolvency Proceedings affecting that Debtor, to preserve its entitlement to be paid that amount (in respect of each Debtor its "**Notes Parallel Debt**").

(b) The Security Agent shall have its own independent right to demand payment of the amounts payable by each Debtor under this Clause 10.3, irrespective of any discharge of such Debtor's obligation to pay those amounts to the Notes Secured Parties resulting from failure by them to take appropriate steps, in Insolvency Proceedings affecting that Debtor, to preserve their entitlement to be paid those amounts.

(c) Notwithstanding the foregoing, prior to an Enforcement Event, the Security Agent shall not demand payment of the amounts payable by each Debtor under this Clause 10.3 in connection with the realisation or enforcement of all or part of the Transaction Security.

(d) Each Notes Secured Party, by accepting the benefits of this Agreement, shall be deemed to accept the provisions of this Clause 10.3 and, where an amount is received by the Security Agent on its behalf under this Clause 10.3, to have waived its rights to seek payment of the corresponding amount under the other provisions of the Notes Secured Documents.

(e) The Security Agent shall notify the Notes Secured Parties (in the case of any Noteholder represented by a Noteholder Trustee, via that Noteholder Trustee, and in the case of any Noteholder not so represented, directly) that it has received amounts pursuant to this Clause 10.3 (the " **Notes Parallel Debt Recoveries**") which are due to the Notes Secured Parties, and shall apply such Notes Parallel Debt Recoveries (subject, in the case of any Noteholder not represented by a Noteholder Trustee, to paragraph (c) of Clause 9.7 (*Good Discharge*)) in accordance with Clause 9 (*Application of Proceeds*).

(f) Where, having given notice in accordance with paragraph (e) of this Clause 10.3, any amount of Notes Parallel Debt Recoveries has not been claimed by a Notes Secured Party, the Security Agent will hold such amounts on trust for the benefit of such Notes Secured Parties as set out in paragraph (b) of Clause 10.1 (*Trust*).

10.4 **Parallel debt recoveries**

Amounts received or recovered in connection with the realisation or enforcement of the Transaction Security pursuant to Clause 10.2 (*Finance Parallel Debt (Covenant to pay the Security Agent)*) and Clause 10.3 (*Notes Parallel Debt (Covenant to pay the Security Agent)*) shall be held *pari passu* by the Security Agent and shall be distributed to the Finance Secured Parties and Notes Secured Parties in accordance with Clause 9 (*Application of Proceeds*) (or, in the case of the Notes Secured Parties, held on trust as contemplated by paragraph (f) of Clause 10.3 (*Notes Parallel Debt (Covenant to pay the Security Agent)*) above).

10.5 **No independent power**

The Secured Parties shall not have any independent power to enforce, or have recourse to, any of the Transaction Security or to exercise any rights or powers arising under the Security Documents (other than in accordance with the terms of the Debt Documents) except through the Security Agent.

10.6 **Instructions to Security Agent and exercise of discretion**

(a) Subject to paragraphs (d) and (e) below, the Security Agent shall only act in accordance with any instructions given to it by the Instructing Group or, if so instructed by the Instructing Group, refrain from exercising any right, power, authority or discretion vested in it as Security Agent and shall be entitled, without further enquiry, to assume that (i) any instructions or directions received by it from the Instructing Group or, (to the extent that such Parties are entitled to give instructions or directions to the Security Agent under this Agreement) from the Administrative Agent, the Participating Creditors, the Refinancing Creditors or the Super Majority Instructing Group, are duly given in accordance with the terms of the relevant Finance Documents and (ii) unless it has received actual written notice of revocation, that those instructions or directions have not been revoked.

(b) The Security Agent shall be entitled to request instructions, or clarification of any direction, from the Instructing Group or, (to the extent that such Parties are entitled to give instructions or directions to the Security Agent under this Agreement) from the Administrative Agent, the Participating Creditors, the Refinancing Creditors or the Super Majority Instructing Group, and as to whether, and in what manner, it should exercise or refrain from exercising any rights, powers, authorities and discretions and the Security Agent may refrain from acting unless and until those instructions or clarification are received by it.

(c) Save as provided in Clause 6 (*Enforcement of Transaction Security*), any instructions given to the Security Agent by the Instructing Group shall override any conflicting instructions given by any other Parties.

(d) Paragraph (a) above shall not apply:

(i) where a contrary indication appears in this Agreement;

(ii) where this Agreement requires the Security Agent to act in a specified manner or to take a specified action;

(iii) in respect of any provision which protects the Security Agent's own position in its personal capacity as opposed to its role of Security Agent for the Secured Parties including, without limitation, the provisions set out in Clauses 10.8 (*Security Agent's discretions*) to Clause 10.25 (*Disapplication*);

(iv) in respect of the exercise of the Security Agent's discretion to exercise a right, power or authority under any of:

(A) Clause 7.1 (*Non-Distressed Disposals*);

(B) Clause 9.1 (*Order of application - Transaction Security Recoveries*);

(C) Clause 9.2 (*Order of application - Debt Claim Recoveries*);

(D) Clause 9.3 (*Prospective liabilities*);

(E) Clause 9.6 (*Permitted Deductions*);

(**provided that** the Security Agent may, if it so chooses, seek directions or instructions from, in respect of the discretions conferred on it under the clause referred to in paragraph (A) above, the Majority Participating Creditors (as defined in the Financing Agreement) via the Administrative Agent or, in respect of the discretions conferred on it under the clauses referred to in paragraphs (B) to (E) above, the Instructing Group).

(e) If giving effect to instructions given by an Instructing Group would (in the Security Agent's opinion (acting reasonably)) have an effect equivalent to an Intercreditor Amendment, the Security Agent shall not act in accordance with those instructions unless consent to it so acting is obtained from each Secured Party (other than the Security Agent) whose consent would have been required in respect of that Intercreditor Amendment.

(f) In exercising any discretion to exercise a right, power or authority under this Agreement where either:

(i) it has not received any instructions from an Instructing Group as to the exercise of that discretion; or

(ii) the exercise of that discretion is subject to paragraph (d)(iv) above,

the Security Agent shall do so having regard to the interests of all the Secured Parties as a group and not individually.

10.7 **Security Agent's actions**

Without prejudice to the provisions of Clause 6 (*Enforcement of Transaction Security*) and Clause 10.6 (*Instructions to Security Agent and exercise of discretion*), the Security Agent may (but shall not be obliged to), in the absence of any instructions to the contrary, take such action in the exercise of any of its powers and duties under the Debt Documents as it considers in its sole discretion to be appropriate.

10.8 **Security Agent's discretions**

The Security Agent may:

(a) assume, without enquiry (unless it has received actual written notice to the contrary from the Administrative Agent) that (i) no Default has occurred and no Debtor or Security Provider is in breach of or default under its obligations under any of the Finance Documents (except in relation to paragraph (c) of Clause 8.1 (*Release of Mexican Security Trust Agreement*) and paragraph (c) of Clause 8.2 (*Release of Transaction Security - other jurisdictions*), where the Security Agent shall be notified of the satisfaction of the condition set out in such paragraphs by the Administrative Agent in accordance with Clause 8.3 (*Notification by the Administrative Agent*)) and (ii) any right, power, authority or discretion vested by any Finance Document in any person has not been exercised;

(b) if it receives any instructions or directions under Clause 6 (*Enforcement of Transaction Security*) to take any action or to cause action to be taken in relation to the Transaction Security, assume, without enquiry, that all applicable conditions under the Finance Documents for taking that action have been satisfied;

(c) engage, pay for and rely on the advice or services of any legal advisers, accountants, tax advisers, financial advisers, surveyors or other experts (whether obtained by the Security Agent or by any other Secured Party and regardless of any limitation (by way of a monetary cap or otherwise) that may be imposed on such advice) and incur such advisers' reasonable cost and expenses whose advice or services may at any time seem necessary or expedient;

(d) rely upon any communication or document believed by it to be genuine and, as to any matters of fact which might reasonably be expected to be within the knowledge of a Secured Party, a Debtor or a Security Provider, upon a certificate signed by or on behalf of that person; and

(e) refrain from acting in accordance with the instructions of any Party (including, but not limited to, bringing any legal action or proceeding arising out of or in connection with the Finance Documents) until it has received any indemnification and/or security satisfactory to it (acting reasonably) (whether by way of payment in advance or otherwise) for all costs, expenses, losses and liabilities which it may incur reasonably in so acting.

10.9 **Security Agent's obligations**

The Security Agent shall promptly:

(a) copy to the Administrative Agent and each Refinancing Creditor Representative the contents of any notice or document received by it from any Debtor or Security Provider under any Debt Document and otherwise, directly or through any Delegate, give notice in respect of this Agreement or any Transaction Security Document, to any party it may deem appropriate;

(b) forward to a Secured Party, Debtor or Security Provider the original or a copy of any document which is delivered to the Security Agent for that Secured Party, Debtor or Security Provider by any other Party **provided that** such delivery by the Security Agent to the receiving party is expressly contemplated by the terms of this Agreement and **provided further that**, except where a Debt Document expressly provides otherwise, the Security Agent is not obliged to review or check the adequacy, accuracy or completeness of, or any mathematical calculations or other facts in, any document it forwards to another Secured Party or to a Debtor or Security Provider;

(c) inform the Administrative Agent and each Refinancing Creditor Representative of any event notified to the Security Agent under paragraph (b) of Clause 16.3 (*Notification of prescribed events*) and of any default by a Debtor or Security Provider in the due performance of or compliance with its obligations under any Debt Document of which the Security Agent has received written notice from any other Secured Party, Debtor or Security Provider;

(d) notify the Noteholder Trustees (and any Noteholder not represented by a Noteholder Trustee, directly) of any event that materially and adversely affects the Charged Property under any Transaction Security Document; and

(e) to the extent that a Party (other than the Security Agent) is required to calculate a Base Currency Amount, and upon a request by that Party, notify that Party of the Security Agent's Spot Rate of Exchange.

10.10 **Excluded obligations**

Notwithstanding anything to the contrary expressed or implied in the Debt Documents, the Security Agent shall not:

(a) be bound to enquire as to (i) whether or not any Default has occurred or (ii) the performance, default or any breach by a Debtor or Security Provider of its obligations under any of the Debt Documents;

(b) be bound to account to any other Secured Party, any Debtor or any Security Provider for any sum or the profit element of any sum received by it for its own account;

(c) be bound to disclose to any other person (including, but not limited to, any Secured Party) (i) any confidential information or (ii) any other information if disclosure would, or might in its reasonable opinion, constitute a breach of any law or be a breach of fiduciary duty;

(d) have or be deemed to have any relationship of trust or agency with, any Debtor or Security Provider;

(e) be liable for interest on any moneys received by it except as the Security Agent may agree in writing with the Party for whom it holds those moneys;

(f) be obliged to segregate money held on trust by the Security Agent from its other funds except to the extent required by law;

(g) be required to give any bond or surety or otherwise expend its own funds with respect to the performance of its duties or the exercise of its rights or powers under this Agreement or any of the other Debt Documents; or

(h) be under any obligation to take any action under this Agreement if it has sought, but not received, instructions from the Instructing Group, Administrative Agent, the other Agents, Super Majority Instructing Group, Noteholder Trustees (or Noteholder where such Noteholder is not represented by a Noteholder Trustee) or other Party from whom it seeks instructions,

and the permissive rights of the Security Agent to take the actions or exercise the rights and discretions permitted or conferred by this Agreement shall not be construed as an obligation or duty for it to take those actions or exercise those rights and discretions.

10.11 **Exclusion of liability**

None of the Security Agent, any Receiver nor any Delegate shall accept responsibility or be liable for:

(a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Security Agent or any other person in or in connection with any Debt Document or the transactions contemplated in the Debt Documents, or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Debt Document;

(b) the legality, validity, effectiveness, efficacy, adequacy or enforceability of any Debt Document, the Security Property or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Debt Document or the Security Property;

10.12 **No proceedings**

No Secured Party (other than the Security Agent, that Receiver or that Delegate), Debtor or Security Provider may take any proceedings against any officer, employee or agent of the Security Agent, a Receiver or a Delegate in respect of any claim it might have against the Security Agent, a Receiver or a Delegate or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Debt Document or any Security Property and any officer, employee or agent of the Security Agent, a Receiver or a Delegate may rely on this Clause subject to Clause 1.4 (*Third Party Rights*) and the provisions of the Third Parties Rights Act.

(a) the financial condition, status and nature of each Debtor or Security Provider;

(d) the adequacy, accuracy and/or completeness of any information provided by the Security Agent or by any other person under or in connection with any Debt Document, the transactions contemplated by any Debt Document or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Debt Document; and

(e) the right or title of any person in or to, or the value or sufficiency of any part of the Charged Property, the priority of any of the Transaction Security or the existence of any Security affecting the Charged Property,

(d) take, or to require any of the Security Provider to take, any steps to perfect its title to any of the Charged Property or to render the Transaction Security effective or to secure the creation of any ancillary Security under the laws of any jurisdiction; or

(e) require any further assurances in relation to any of the Security Documents.

10.15 **Insurance by Security Agent**

(a) The Security Agent shall not be under any obligation to insure any of the Charged Property, to require any other person to maintain any insurance or to verify any obligation to arrange or maintain insurance contained in the Debt Documents. The Security Agent shall not be responsible for any loss which may be suffered by any person as a result of the lack of or inadequacy of any such insurance.

(b) Where the Security Agent is named on any insurance policy as an insured party, it shall not be responsible for any loss which may be suffered by reason of, directly or indirectly, its failure to notify the insurers of any material fact relating to the risk assumed by such insurers or any other information of any kind, unless the Administrative Agent shall have requested it to do so in writing and the Security Agent shall have failed to do so within fourteen days after receipt of that request.

10.16 **Custodians and nominees**

10.18 **Refrain from illegality**

Notwithstanding anything to the contrary expressed or implied in the Debt Documents, the Security Agent may refrain from doing anything which in its opinion will or may be contrary to any relevant law, directive or regulation of any jurisdiction or otherwise expose it to personal liability, and the Security Agent may do anything which is, in its opinion, necessary to comply with any such law, directive or regulation.

10.19 **Business with the Debtors and Security Providers**

10.25 **Disapplication**

Section 1 of the Trustee Act 2000 shall not apply to the duties of the Security Agent in relation to the trusts constituted by this Agreement. 10.26 **Debtors and Security Providers: Power of Attorney**

(a) Each Debtor and each Security Provider by way of security for its obligations under this Agreement irrevocably appoints the Security Agent to be its attorney to do anything which that Debtor or, as the case may be, Security Provider, has authorised the Security Agent to do under this Agreement or is itself required to do under this Agreement but has failed to do (and the Security Agent may delegate that power on such terms as it sees fit), which authorisation permits the Security Agent to act as such Debtor or Security Provider's counterparty (*Selbsteintritt*).

(b) Each Debtor and Security Provider incorporated in Spain, and any Security Provider which has granted Transaction Security governed by Spanish law, shall, on the reasonable request of the Security Agent, promptly grant an irrevocable power of attorney (notarised and apostilled) to appoint the Security Agent in the manner described at paragraph (a) above.

10.27 **Consequential and Other Loss**

Notwithstanding anything to the contrary, the Security Agent shall under no circumstances be liable for any indirect or consequential losses (however described) to any Party or any liability or damages (including punitive damages) arising as a result of taking or refraining from taking any action in relation to any of the Debt Documents, even if advised of the possibility of such losses, liability or damages.

10.28 **Payments**

Nothing in this Agreement shall prevent (i) payment by the Parent or any Debtor of fees, costs and expenses of the Security Agent (including any amount payable to the Security Agent by way of indemnity, remuneration or reimbursement for expenses reasonably incurred, including legal and other professional advisory fees and all VAT thereon) payable to the Security Agent for its own account pursuant to this Agreement, any Debt Document or any fee letter between the Security Agent and the Parent, and the costs of any actual or attempted Enforcement Action which is permitted by this Agreement or any Debt Document (collectively, "**Security Agent Amounts**"); or (ii) the receipt and retention of such Security Agent Amounts by the Security Agent.

11. CHANGE OF SECURITY AGENT AND DELEGATION

11.1 Resignation of the Security Agent

(a) The Security Agent may, without ascribing a reason and without being responsible for any cost or liability arising therefrom, resign and appoint one of its Affiliates as successor by giving notice to the Parent, the Participating Creditors (via the Administrative Agent), the Refinancing Creditors (via the relevant Refinancing Creditor Representative and each Noteholder (via, for any Noteholder represented by a Noteholder Trustee, the relevant Noteholder Trustee).

(f) Upon the appointment of a successor, the Retiring Security Agent shall be discharged from any further obligation in respect of the Debt Documents (other than its obligations under paragraph (b) of Clause 10.20 (*Winding up of trust*) and under paragraph (d) above) but shall, in respect of any act or omission by it whilst it was the Security Agent, remain entitled to the benefit of Clauses 10 (*The Security Agent*), 15.1 (*Debtors' indemnity*) and 15.3 (*Creditors' indemnity*). (a) Each of the Security Agent, any Receiver and any Delegate may (to the extent reasonably practicable, and except where a Default has occurred and is continuing, in consultation with the Parent), at any time, delegate by power of attorney or otherwise (including by providing an instruction in writing) and through a *comisión mercantil* under applicable law to any person for any period, all or any of the rights, powers and discretions vested in it by any of the Debt Documents, including the execution, performance or enforcement of any Debt Document.

(b) That delegation may be made upon any terms and conditions (including the power to sub-delegate) and subject to any restrictions that the Security Agent, that Receiver or that Delegate (as the case may be) may, in its discretion and after due consideration, think fit in the interests of the Secured Parties and it shall not be bound to supervise, or be in any way responsible for any loss incurred by reason of any misconduct or default on the part of any such delegate or sub-delegate.

11.3 **Additional Security Agents**

4.10. Agent for Service of Process.

CT Corporation System shall have accepted its appointment by the Company and Guarantor as the agent for service of process for the Company and the Guarantor in the City of New York, State of New York, from the date of the Closing to and including February 14, 2014, and the Purchasers shall have received evidence of such acceptance.

5. THE FINANCING AGREEMENT; WAIVER.

To the extent any term or provision of this Agreement or the New Note Guarantee conflicts with any term or provision of the Financing Agreement, the terms and provisions of the Financing Agreement shall prevail. The Financing Agreement in effect on the date hereof is attached hereto as Exhibit 5.

(b) *Waiver by the Purchasers.* Each Purchaser hereby waives any default or Event of Default (as defined in each Old Note Purchase Agreement) of which such Purchaser has knowledge prior to the date of this Agreement that may exist on the date hereof under such Old Note Purchase Agreement to which such Purchaser was a party.

6. REPRESENTATIONS AND WARRANTIES OF CEMEX ESPAÑA AND THE COMPANY; REPRESENTATIONS OF THE PURCHASERS.

6.1. Representations and Warranties of Cemex España and the Company.

Cemex España and the Company represent and warrant to the Purchasers that:

(a) *Private Offering by the Company.* Neither the Company nor anyone acting on its behalf has offered the New Notes or any similar securities for sale to, or solicited any offer to buy any of the same from, or otherwise approached or negotiated in respect thereof with, any Person other than the Purchasers and not more than 40 other Institutional Investors (as defined in clause (c) of the definition of such term), each of which has been offered the New Notes at a private sale for investment. Neither the Company nor anyone acting on its behalf has taken, or will take, any action that would subject the issuance of the New Notes to the registration requirements of Section 5 of the Securities Act.

(b) *Foreign Assets Control Regulations, etc.* The issuance of the New Notes by the Company hereunder will not violate the Trading with the Enemy Act, as amended, or any of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) or any enabling legislation or executive order relating thereto. Without limiting the foregoing, neither Cemex España nor any Subsidiary (i) is or will become a blocked person described in the Anti-Terrorism Order or the Department of the Treasury Rule or (ii) knowingly engages or will engage in any dealings or transactions with any such person.

(c) *Foreign Corrupt Practices Act.* The issuance of the New Notes by the Company hereunder will not cause any Purchaser to be in violation of any provision of the U.S. Foreign Corrupt Practices Act of 1977 or other applicable national or local law regulating the payments of bribes to government officials or employees.

6.2. Representations of the Purchasers.

(a) *Purchase for Investment*. Each Purchaser represents that it is acquiring the New Notes for its own account or for one or more separate accounts maintained by it or for the account of one or more pension or trust funds and not with a view to the distribution thereof; provided that the disposition of such Purchaser's or such pension or trust funds' property shall at all times be within such Purchaser's or such pension or trust funds' control. Each Purchaser understands that the New Notes have not been registered under the Securities Act and may be resold only if registered pursuant to the provisions of the Securities Act or if an exemption from registration is available, except under circumstances where neither such registration nor such an exemption is required by law, and that the Company is not required to register the New Notes.

(b) *Accredited Investor.* Each Purchaser represents that it is an "accredited investor" within the meaning of Rule 501(a)(1), (2) or (3) under the Securities Act or an entity in which all of the equity owners are accredited investors within the meaning of Rule 501(a)(1), (2) or (3) under the Securities Act.

7. CONSULTATION WITH NOTEHOLDERS.

Each of Cemex España and the Company agrees that if it solicits, participates in or initiates discussion of a substantive nature with any Participating Creditor in its capacity as a Participating Creditor concerning any matter that, if pursued, in substantial likelihood would result in an amendment, variation, modification, waiver, override, replacement or supplement of any terms of the Financing Agreement or other New Finance Documents (as defined in the Financing Agreement), this Agreement, the New Note Guarantee or the New Notes and such amendment, variation, modification, waiver, override, replacement or supplement would require a consent by either Majority Participating Creditors, Supermajority Participating Creditors or all Participating Creditors (each as defined in the Financing Agreement), in each case directly affecting the Purchasers in a substantive manner, then it shall also promptly consult on such matter in good faith with the representative or representatives of the Purchasers that the Purchasers may designate from time to time.

8. MATURITY; PREPAYMENT OF THE NEW NOTES; INCREASE IN INTEREST RATE.

8.1. Stated Maturity.

The entire principal amount of the New Notes shall become due and payable on February 14, 2014.

8.2. Scheduled Amortization.

Repayment of the New Notes shall be made in accordance with Clause 11 (*Repayment*) and Clause 13 (*Mandatory Prepayment*) of the Financing Agreement.

8.3. Optional Prepayments.

Subject to and in accordance with Clause 12.2 (*Voluntary Prepayment and Exposures*) of the Financing Agreement, the Company may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of:

(a) the Series A Notes, in an amount not less than 5% of the aggregate principal amount of the Series A Notes then outstanding in the case of a partial prepayment, or

(b) the Series B Notes, in a minimum amount of ¥100,000,000 and otherwise in multiples of ¥10,000,000,

in each case at 100% of the principal amount so prepaid, together with interest accrued but unpaid thereon to the date of such prepayment. The Company will give each holder of New Notes written notice of each optional prepayment under this Section 8.3 in accordance with Clause 12.2 of the Financing Agreement.

8.4. Replacement of Affected Holder for Tax Reasons.

If the Company or Cemex España (assuming that Cemex España is required to make a payment) shall deliver to each holder (each, an "Affected Holder") to which an Additional Payment would be payable by the Company or Cemex España on the occasion of the next payment by the Company or Cemex España in respect of such New Notes (in the case of Cemex España, in an amount greater than 10% of the amount which Cemex España would have been obligated to pay exclusive of the requirements of Section 14.3) (the date of such next payment in respect of which such Additional Payment will be due is herein referred to as the "Affected Payment Date") written notice of a Responsible Officer (with respect to each incident in which a Related Tax is initially levied by a Taxing Jurisdiction that would result in the payment of an Additional Payment, a "Tax Prepayment Notice") setting forth in reasonable detail the nature of the Related Tax in respect of such Additional Payment and confirming that

(a) such Related Tax is required, under the laws of such Taxing Jurisdiction, to be withheld or deducted from the payment due to such Affected Holders on such Affected Payment Date and that such payment is the first payment in respect of which such particular Related Tax must be withheld (it being understood that the payment immediately following and reflecting a change in a pre-existing Related Tax shall be deemed the first payment with respect to such Related Tax), provided that if the enactment of the statute or regulation, the amendment of an existing statute or regulation or the adoption or amendment of a treaty giving rise to a Related Tax occurs less than 180 days prior to the due date of a payment in respect of the New Notes that is subject to such Related Tax, then, at the election of the Company, the first payment in respect of the New Notes, the due date of which is more than 180 days after such enactment, shall be deemed to be such first payment and

(b) as of the date of such opinion, such Related Tax would be required to be withheld from similar future payments to such Affected Holders,

then, in accordance with Clause 17.10 *(Replacement of Participating Creditor)* of the Financing Agreement, the Company may replace such Affected Holder.

8.5. Allocation of Partial Prepayments.

In the case of each partial prepayment of the New Notes pursuant to Section 8.3, the principal amount of the New Notes to be prepaid shall be allocated among all of the New Notes at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for prepayment.

8.6. Mandatory Prepayment upon Disposal of Cemex España or the Company

In the case of a Disposal (as defined in the Financing Agreement) of all of the shares in Cemex España or in the Company, each of Cemex España and the Company shall ensure that upon completion of the Disposal the New Notes are prepaid in full.

8.7. Maturity; Surrender, etc.

In the case of each prepayment of New Notes pursuant to this Section 8, the principal amount of each New Note to be prepaid shall mature and become due and payable on the date fixed for such prepayment, together with interest on such principal amount accrued to such date. From and after such date, unless the Company shall fail to pay such principal amount when so due and payable as aforesaid, interest on such principal amount shall cease to accrue. Any New Note paid or prepaid in full shall be surrendered to the Company and cancelled and shall not be reissued, and no New Note shall be issued in lieu of any prepaid principal amount of any New Note.

8.8. Purchase of New Notes.

Subject to Clause 14.3 and Clause 27.1(b)(ii) of the Financing Agreement, Cemex España and the Company will not, nor will Cemex España or the Company permit any Affiliate (to the extent that the Company or Cemex España controls such Affiliate), to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding New Notes except (a) upon the payment or prepayment of the New Notes in accordance with the terms of this Agreement and the New Notes or (b) pursuant to an offer to purchase made by any Obligor or an Affiliate pro rata to the holders of all New Notes at the time outstanding upon the same terms and conditions. Any such offer pursuant to the preceding clause (b) shall provide each holder with sufficient information to enable it to make an informed decision with respect to such offer, and shall remain open for at least 30 Business Days. If the Required Holders accept such offer, the Company shall promptly notify the remaining holders of such fact and the expiration date for the acceptance by holders of New Notes of such offer shall be extended by the number of days necessary to give each such remaining holder at least five Business Days from its receipt of such notice to accept such offer. The Company will promptly cancel all New Notes acquired by it or any Affiliate pursuant to any payment, prepayment or purchase of New Notes pursuant to any provision of this Agreement, and no New Notes may be issued in substitution or exchange for any such New Notes.

9. FEES.

The Parent shall pay to each Purchaser the fees described in Clause 16 (*Fees*) of the Financing Agreement, in the amounts specified therein and in accordance with the provisions thereof.

10. INTEREST.

10.1. Interest Rate.

Interest on the unpaid balance of each (a) Series A Note shall be at the rate of 8.91% per annum from the Effective Date and (b) Series B Note shall be at the rate of 6.625% per annum from the Effective Date. Such interest shall be computed on the basis of a 360-day year of twelve 30-day months.

10.2. Adjustments to Interest Rate.

Interest payable on the New Notes shall be adjusted in accordance with the terms and provisions of the Financing Agreement, including but not limited to Clause 15 (*Interest and Fees*) and Clause 25 (*Covenant Reset Date)* of the Financing Agreement and as provided in the definition of "Margin" in Clause 1 (*Interpretation*) of the Financing Agreement. Notwithstanding the foregoing, in no event shall the interest rate on the Series A Notes be less than 8.91% and the Series B Notes be less than 6.625%.

11. EVENTS OF DEFAULT.

An "Event of Default" shall exist if any Event of Default (as defined in the Financing Agreement) occurs under any of Clauses 26.1 (*Non-Payment*) to 26.15 (*Failure to Perform Payment Obligations*) of the Financing Agreement.

12. REMEDIES ON DEFAULT, ETC.

12.1. Acceleration.

If an Event of Default described in Section 11 has occurred and is continuing, any holders of the New Notes at the time outstanding may at any time at their option, by notice or notices to the Company, declare their New Notes then outstanding to be immediately due and payable, subject to the prior authorization of the Majority Participating Creditors (as defined in the Financing Agreement) of the taking of such action.

Upon any New Notes becoming due and payable under this Section 12.1, whether automatically or by declaration, such New Notes will forthwith mature and the entire unpaid principal amount of such New Notes, plus all accrued and unpaid interest thereon, shall be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived. The Company acknowledges, and the parties hereto agree, that each holder of a New Note has the right to maintain its investment in the New Notes free from repayment by the Company (except as herein specifically provided for).

12.2. Other Remedies.

If the Company defaults in the payment of any principal or any interest on any New Note when the same becomes due and payable, whether at maturity or at a date fixed for prepayment or by declaration or otherwise, any holder or holders of New Notes at the time outstanding affected by such default may at any time, at its or their option, take action available

to it to recover any amount due to it under the New Notes and this Agreement, other than the taking of the actions under Clause 26.16 (*Acceleration*) of the Financing Agreement except as contemplated by that clause. If any Default or Event of Default has occurred and is continuing, and irrespective of whether any New Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any New Note at the time outstanding may proceed, subject to the prior authorization of the Majority Participating Creditors of the taking of such action, to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any New Note, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

12.3. Rescission.

At any time after any New Notes have been declared due and payable pursuant to Section 12.1, the Required Holders by written notice to the Company may rescind and annul any such declaration and its consequences if (a) the Company has paid all overdue interest on the New Notes, all principal of any New Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and (to the extent permitted by applicable law) any overdue interest in respect of the New Notes, at the Default Rate, (b) all Events of Default and Defaults, other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 17 and (c) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the New Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

12.4. No Waivers or Election of Remedies, Expenses, etc.

No course of dealing and no delay on the part of any holder of any New Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement or by any New Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under Section 15, the Company will pay to the holder of each New Note on demand such further amount as shall be sufficient to cover all costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including, without limitation, reasonable attorneys' fees, expenses and disbursements.

13. REGISTRATION; EXCHANGE; SUBSTITUTION OF NEW NOTES.

13.1. Registration of New Notes.

The Company shall keep at its principal executive office a register for the registration and registration of transfers of New Notes. The name and address of each holder of one or more New Notes, each transfer thereof and the name and address of each transferee of one or more New Notes shall be registered in such register. Prior to due presentment for registration of transfer, the Person in whose name any New Note shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be

affected by any notice or knowledge to the contrary. The Company shall give to any holder of a New Note that is an Institutional Investor promptly upon request therefor a complete and correct copy of the names and addresses of all registered holders of New Notes.

13.2. Transfer and Exchange of New Notes.

Upon surrender of any New Note at the principal executive office of the Company for registration of transfer or exchange (and in the case of a surrender for registration of transfer, duly endorsed or accompanied by a written instrument of transfer duly executed by the registered holder of such New Note or his attorney duly authorized in writing and accompanied by the address for notices of each transferee of such New Note or part thereof), and the satisfaction of the requirements of Clause 27.1 (*Assignments and transfers by the Participating Creditors*) of the Financing Agreement, the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new New Notes (as requested by the holder thereof) of the same series in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered New Note. Each such new New Note shall be payable to such Person as such holder may request and shall be substantially in the form of the New Note of such series originally issued hereunder. Each such new New Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered New Note or dated the date of the surrendered New Note if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of New Notes. New Notes shall not be transferred in denominations of less than $500,000 with respect to any Series A Notes, or ¥100,000,000, with respect to any Series B Notes, provided that if necessary to enable the registration of transfer by a holder of its entire holding of New Notes, one New Note of such series may be in a denomination of less than $500,000 with respect to any Series A Notes, or ¥50,000,000, with respect to any Series B Notes. Any transferee, by its acceptance of a New Note registered in its name (or the name of its nominee), shall be deemed to have made the representations set forth in Section 6.2 and shall be deemed to be a Participating Creditor under the Financing Agreement.

13.3. Replacement of New Notes.

Upon receipt by the Company of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any New Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (provided that if the holder of such New Note is, or is a nominee for, an original Purchaser or another holder of a New Note with a minimum net worth of at least $50,000,000, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

the Company at its own expense shall execute and deliver, in lieu thereof, a new New Note of the same series, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated New Note or dated the date of such lost, stolen, destroyed or mutilated New Note if no interest shall have been paid thereon.

14. PAYMENTS ON NEW NOTES.

14.1. Place of Payment.

Subject to Section 14.2, payments of principal and interest becoming due and payable on the New Notes shall be made in New York, New York at Citibank, N.A, 111 Wall Street, 14th Floor, New York, New York 10043, Corporate Agency and Trust Department. The Company may at any time, by notice to each holder of a New Note, change the place of payment of the New Notes so long as such place of payment shall be either the principal office of the Company in the United States or the principal office of a bank or trust company in the United States.

14.2. Home Office Payment.

So long as any Purchaser or a nominee of such Purchaser shall be the holder of any New Note, and notwithstanding anything contained in Section 14.1 or in such New Note to the contrary, the Company will pay all sums becoming due on such New Note for principal and interest by the method and at the address specified for such purpose below such Purchaser's name on Schedule A, or by such other method or at such other address as such Purchaser shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such New Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any New Note, such Purchaser shall surrender such New Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 14.1. Prior to any sale or other disposition of any New Note held by any Purchaser or its nominee, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such New Note to the Company in exchange for a new New Note or New Notes pursuant to Section 13.2. The Company will afford the benefits of this Section 14.2 to any Institutional Investor that is the direct or indirect transferee of any New Note purchased by any Purchaser under this Agreement and that has made the same agreement relating to such New Note as such Purchaser has made in this Section 14.2.

14.3. Tax Indemnification.

(a) *Payments Free and Clear*. All payments to be made by the Company under this Agreement and the New Notes will be made free and clear of, and without withholding or deduction for or on account of, any present or future taxes, levies, imposts, duties, charges, assessments or fees of whatever nature, but excluding franchise taxes and taxes imposed on or measured by any holder's net income or receipts (such non-excluded items, "Related Taxes") imposed or levied by or on behalf of Spain, the United States or any jurisdiction from or through which any amount is paid by the Company pursuant to the terms of this Agreement or the New Notes (or any political subdivision or taxing authority of or in any such jurisdiction) (a "Taxing Jurisdiction"), unless the withholding or deduction of any such Related Tax is required by law.

(b) *Gross-Up, etc*. If any deduction or withholding for any present or future Related Tax of a Taxing Jurisdiction shall at any time be required in respect of any amount to be paid by the Company under this Agreement or the New Notes, the Company will promptly (i) pay over to the government or taxing authority of the Taxing Jurisdiction imposing such Related Tax the full amount required to be deducted or withheld by the Company (including the full amount required to be deducted or withheld from or otherwise paid by the Company in respect of any Additional Payment required to be made pursuant to clause (ii) of this Section 14.3(b)) and (ii) except as expressly provided below, pay to each holder entitled under this Agreement to receive the payment from which the amount referred to in the foregoing clause (i) has been so deducted or withheld such additional amount as is necessary in order that the amount received by such holder after any required deduction or withholding of Related Tax (including, without limitation, any required deduction, withholding or other payment of Related Tax on or with respect to such additional amount) shall equal the amount such holder would have received had no such deduction, withholding or other payment of Related Tax been paid (the "Additional Payment"), and if any holder pays any amount in respect of any Related Tax on any payment due from the Company hereunder or under the New Notes, or penalties or interest thereon, then the Company shall reimburse such holder for that payment upon demand, provided that no payment of any Additional Payment, or of any such reimbursement in respect of any such payment made by any such holder, shall be required to be made for or on account of:

(A) any Related Tax that would not have been imposed but for the existence of any present or former connection between such holder and the Taxing Jurisdiction or any territory or possession or area subject to the jurisdiction of the Taxing Jurisdiction, other than the mere holding of the relevant New Note, including, without limitation, such holder's being or having been a citizen or resident thereof, or being or having been present or engaged in a trade or business therein or having an establishment therein;

(B) any such holder that is not a resident of the United States of America or, with respect to any payment hereunder or under the New Notes owing to such holder, all or any part of which represents income that is not subject to United States tax as income of a resident of the United States of America to the extent that, had such holder been a resident of the United States of America or had the payment been so subject to United States tax, or had the payment been made to a location within the United States of America, the provisions of a statute, treaty or regulation of the Taxing Jurisdiction would have enabled an exemption to be claimed from the Related Tax in respect of which an Additional Payment would otherwise have been payable; or

(C) any combination of the items or conditions described in clause (A) or clause (B) of this Section 14.3(b); and

provided further that the Company shall not be obliged to pay any Additional Payment to any holder of a New Note in respect of Related Taxes to the extent such Related Taxes exceed the

Related Taxes that would have been payable but for the delay or failure by such holder (after receiving a written request from Cemex España or the Company to make such filing and including copies (together with instructions in English) of forms, certificates, documents, applications or other reasonably required evidence (collectively, "Forms") to be filed) in the filing with an appropriate Governmental Authority or otherwise of Forms required to be filed by such holder to avoid or reduce such Related Taxes and that in the case of any of the foregoing would not result in any confidential income tax return information being revealed, either directly or indirectly, to any Person and such delay or failure could have been lawfully avoided by such holder, provided that such holder shall be deemed to have satisfied the requirements of this proviso upon the good faith completion and submission of such Forms as may be specified in a written request of the Company no later than 45 days after receipt by such holder of such written request.

(c) *Official Receipt*. If the Company shall make any such Additional Payment, it will promptly furnish each holder receiving such Additional Payment under this Section 14.3 an official receipt issued by the relevant taxation or other authorities involved for all amounts deducted or withheld as aforesaid.

(d) *Other*. Each holder agrees to use its best efforts to comply (after a reasonable period to respond) with a written request of the Company delivered to such holder to provide information (other than any confidential or proprietary information) concerning the nationality, residence or identity of such holder, and to make such declaration or other similar claim or reporting requirement regarding such information (copies of the forms of which declaration, claim or reporting requirement shall have been provided to such holder by the Company), that is required by a statute, treaty or regulation of the Taxing Jurisdiction as a precondition to exemption from all or part of any Related Tax. The Company agrees to reimburse each holder for such holder's reasonable out-of-pocket expenses, if any, incurred in complying with any such request of such Person.

(e) *Tax Refund.* If the Company makes an Additional Payment under this Section 14.3 for the account of any Person and such Person is entitled to a refund of any portion of the tax (a "Tax Refund"), to which such payment is attributable, and such Tax Refund may be obtained by filing one or more Forms, then such Person shall after receiving a written request therefor from the Company (which request shall specify in reasonable detail the Forms to be filed), file such Forms. If such Person subsequently receives such a Tax Refund, and such Person is readily able to identify the Tax Refund as being attributable to the tax with respect to which an Additional Payment was made, then such Person shall reimburse the Company such amount as such Person shall determine acting in good faith to be the proportion of the Tax Refund, together with any interest received thereon, attributable to such Additional Payment as will leave such Person after the reimbursement (including such interest) in no better or worse position than it would have been if the Additional Payment had not been required. Nothing in this clause (e) shall obligate any holder to disclose any information regarding its tax affairs or computations to the Company.

(f) *Survival*. The obligations of the Company and the holders under this Section 14.3 shall survive the payment in full of the New Notes and the termination of this Agreement.

14.4. Currency of Payment—Series A Notes.

(a) *Payment in Dollars.* All payments under the Series A Notes shall be made in Dollars.

(b) *Certain Expenses.* If any expense required to be reimbursed pursuant to this Agreement or the New Notes is originally incurred in a currency other than Dollars, the Company shall nonetheless make reimbursement of that expense in Dollars, in an amount equal to the amount in Dollars that would have been required for the Person that incurred such expense to have purchased, in accordance with normal banking procedures, the sum paid in such other currency (after any premium and costs of exchange) on the day that expense was originally incurred.

(c) *Payments Not in Dollars.* To the fullest extent permitted by applicable law, the obligations of the Company in respect of any amount due under or in respect of this Agreement and the Series A Notes shall (notwithstanding any payment in any other currency, whether as a result of any judgment or order or the enforcement thereof, the realization of any security, the liquidation of any Obligor, any voluntary payment by any Obligor or otherwise) be discharged only to the extent of the amount in Dollars that each holder entitled to receive such payment may, in accordance with normal banking procedures, purchase with the sum paid in such other currency (after any premium and costs of exchange) on the Business Day immediately following the day on which such holder receives such payment. If the amount in Dollars that may be so purchased for any reason falls short of the amount originally due, the Company shall indemnify and save harmless such holder from and against all loss or damage arising out of or as a result of such deficiency. This indemnity shall constitute an obligation separate and independent from the other obligations contained in this Agreement and the Series A Notes, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by such holder from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due under this Agreement or the Series A Notes or under any judgment or order.

14.5. Currency of Payment—Series B Notes.

(a) *Payment in Japanese Yen*. All payments under the Series B Notes shall be made in Japanese yen.

(b) *Certain Expenses*. If any expense required to be reimbursed pursuant to this Agreement or the Series B Notes is originally incurred in a currency other than Dollars, the Company shall nonetheless make reimbursement of that expense in Dollars in an amount equal to the amount in Dollars that would have been required for the Person that incurred such expense to have purchased, in accordance with normal banking procedures, the sum paid in such other currency (after any premium and costs of exchange) on the day that expense was originally incurred.

(c) *Payments Not in Japanese Yen*. To the fullest extent permitted by applicable law, the obligations of the Company in respect of any amount due under or in respect of this Agreement (other than amounts due under Section 15.1) and the Series B Notes shall

(notwithstanding any payment in any other currency, whether as a result of any judgment or order or the enforcement thereof, the realization of any security, the liquidation of any Obligor, any voluntary payment by any Obligor or otherwise) be discharged only to the extent of the amount in Japanese yen that each holder entitled to receive such payment may, in accordance with normal banking procedures, purchase with the sum paid in such other currency (after any premium and costs of exchange) on the Business Day immediately following the day on which such holder receives such payment. If the amount in Japanese yen that may be so purchased for any reason falls short of the amount originally due, the Company shall indemnify and save harmless such holder from and against all loss or damage arising out of or as a result of such deficiency. This indemnity shall constitute an obligation separate and independent from the other obligations contained in this Agreement and the Series B Notes, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by such holder from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due under this Agreement or the Series B Notes or under any judgment or order.

15. EXPENSES, ETC.

15.1. Transaction Expenses.

Whether or not the transactions contemplated hereby are consummated, the Company and Cemex España will pay all reasonable costs and expenses (including reasonable attorneys' fees of one special U.S. counsel) incurred by the Purchasers in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement, the New Finance Documents (as defined in the Financing Agreement), the New Note Guarantee or the New Notes (whether or not such amendment, waiver or consent becomes effective), including, without limitation: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement, the New Finance Documents (as defined in the Financing Agreement), the New Note Guarantee or the New Notes or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement, the New Finance Documents (as defined in the Financing Agreement), the New Note Guarantee or the New Notes, or by reason of being a holder of any New Note; (b) the costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company, Cemex España or any Subsidiary, the Parent or any subsidiary of the Parent or in connection with any work-out or restructuring of the transactions contemplated hereby, by the New Note Guarantee and by the New Notes; and (c) the fees and costs incurred in connection with the initial filing of this Agreement and all related documents and financial information, and all subsequent annual and interim filings of documents and financial information related to this Agreement (provided the Company shall not be required to pay more than $2,500 per year in respect of subsequent annual and interim filings), with the SVO. The Company and Cemex España will pay, and will save each Purchaser and each other holder of a New Note harmless from, all claims in respect of the fees, costs or expenses, if any, of brokers and finders (other than those retained by any Purchaser). Amounts payable pursuant to this Section 15.1 shall be payable in Dollars.

15.2. Survival.

The obligations of the Company and Cemex España under this Section 15 will survive the payment or transfer of any New Note, the enforcement, amendment or waiver of any provision of this Agreement, the New Note Guarantee or the New Notes, the termination of this Agreement and the termination of the Financing Agreement.

16. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the related New Notes, the purchase or transfer by any Purchaser of any such New Note or portion thereof or interest therein and may be relied upon by any subsequent holder of any such New Note, regardless of any investigation made at any time by or on behalf of any Purchaser or any other holder of any such New Note. All statements contained in any certificate or other instrument delivered by or on behalf of the Company or Cemex España pursuant to this Agreement shall be deemed representations and warranties of the Company and Cemex España under this Agreement. Subject to the preceding sentence, this Agreement, the New Notes, the New Note Guarantee and the New Finance Documents (as defined in the Financing Agreement and to the extent applicable) embody the entire agreement and understanding between the Purchasers and the Company and Cemex España and supersede all prior agreements and understandings relating to the subject matter hereof.

17. AMENDMENT AND WAIVER.

17.1. Requirements. Subject to the provisions of Clause 38 (*Amendments and Waivers*) of the Financing Agreement, this Agreement, the New Note Guarantee and the New Notes may be amended, and the observance of any term hereof or of the New Notes may be waived (either retroactively or prospectively), with (and only with) the written consent of Cemex España, the Company and the Required Holders, except that (a) no amendment or waiver of any of the provisions of Section 1, 2, 3, 4, 5, 6, 10 or 21 hereof, or any defined term (as it is used in any such Section), will be effective as to any holder unless consented to by such holder in writing and (b) no such amendment or waiver may, without the written consent of the holder of each New Note at the time outstanding affected thereby, (i) subject to the provisions of Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of interest on, the New Notes, (ii) change the percentage of the principal amount of the New Notes the holders of which are required to consent to any such amendment or waiver or (iii) amend Section 8, 11, 12, 14.4, 14.5, 17 or 20.

17.2. Solicitation of Holders of New Notes.

(a) *Solicitation*. The Company will provide each holder of the New Notes (irrespective of the amount of New Notes then owned by it) with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof, of the New Note Guarantee or of the New Notes. The

Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 17 to each holder of outstanding New Notes promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of New Notes.

(b) *Payment*. The Company, Cemex España or any of its Affiliates will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security, to any holder as consideration for or as an inducement to the entering into by any holder of any waiver or amendment of any of the terms and provisions hereof or of the New Note Guarantee or of the New Finance Documents (as defined in the Financing Agreement and to the extent applicable) unless such remuneration is concurrently paid, or security is concurrently granted, on the same terms, ratably to each holder then outstanding even if such holder did not consent to such waiver or amendment.

17.3. Binding Effect, etc.

Any amendment or waiver consented to as provided in this Section 17 applies equally to all holders of New Notes and is binding upon them and upon each future holder of any New Note and upon Cemex España and the Company without regard to whether such New Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company, Cemex España or any of its Affiliates and the holder of any New Note nor any delay in exercising any rights hereunder, under the New Note Guarantee or under any New Note or under the New Finance Documents (as defined in the Financing Agreement and to the extent applicable) shall operate as a waiver of any rights of any holder of such New Note. As used herein, the term "this Agreement" and references thereto shall mean this Agreement as it may from time to time be amended or supplemented.

17.4. New Notes held by Company, etc.

Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of New Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement, the New Note Guarantee or the New Notes, or have directed the taking of any action provided herein, in the New Note Guarantee or in the New Notes to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of New Notes then outstanding, New Notes directly or indirectly owned by the Company, Cemex España or any of its Affiliates shall be deemed not to be outstanding.

19. REPRODUCTION OF DOCUMENTS.

This Agreement and all documents relating thereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any Purchaser at the Closing (except the New Notes themselves) and (c) financial statements, certificates and other information previously or hereafter furnished to any Purchaser, may be reproduced by such Purchaser by any photographic, photostatic, microfilm, microcard, miniature photographic or other similar process and such Purchaser may destroy any original document so reproduced. Each of Cemex España and the Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit Cemex España, the Company or any other holder from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

20. CONFIDENTIAL INFORMATION.

For the purposes of this Section 20, "Confidential Information" means information delivered to any Purchaser by or on behalf of Cemex España or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement that is proprietary in nature and that was clearly marked or labeled or otherwise adequately identified when received by such Purchaser as being confidential information of Cemex España or any Subsidiary; provided that such term does not include information that (a) was publicly known or otherwise known to such Purchaser prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Purchaser or any Person acting on the behalf of such Purchaser, (c) otherwise becomes known to such Purchaser other than through disclosure by Cemex España or any Subsidiary or (d) constitutes financial statements delivered to such Purchaser under Section 7.1 that are otherwise publicly available. Each Purchaser will maintain the confidentiality of such Confidential Information in accordance with procedures adopted by such Purchaser in good faith to protect confidential information of third parties delivered to such Purchaser; provided that such Purchaser may deliver or disclose Confidential Information to (i) such Purchaser's directors, trustees, officers, employees, agents, attorneys and affiliates (to the extent such disclosure reasonably relates to the administration of the investment represented by such Purchaser's New Notes), (ii) such Purchaser's financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 20, (iii) any other holder of any New Note, (iv) any Institutional Investor to which such Purchaser sells or offers to sell such New Note or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (v) any Person

from which such Purchaser offers to purchase any security of the Company or Cemex España (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (vi) any federal or state regulatory authority having jurisdiction over such Purchaser, (vii) the National Association of Insurance Commissioners or any similar organization, or any nationally recognized rating agency that requires access to information about such Purchaser's investment portfolio or (viii) any other Person to which such delivery or disclosure may be necessary or appropriate (w) to effect compliance with any law, rule, regulation or order applicable to such Purchaser, (x) in response to any subpoena or other legal process, (y) in connection with any litigation to which such Purchaser is a party or (z) if an Event of Default has occurred and is continuing, to the extent such Purchaser may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under such Purchaser's New Notes, the New Note Guarantee, the New Financing Documents (as defined in the Financing Agreement) and this Agreement. Each holder of a New Note, by its acceptance of a New Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 20 as though it were a party to this Agreement. On reasonable request by Cemex España in connection with the delivery to any holder of a New Note of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with Cemex España embodying the provisions of this Section 20.

21. SUBSTITUTION OF PURCHASER.

Each Purchaser shall have the right to substitute any one of such Purchaser's Affiliates as the acquirer of the New Notes that such Purchaser has agreed to acquire upon delivery of Old Notes to the Company hereunder, by written notice to the Company, which notice shall be signed by both such Purchaser and such Affiliate, shall contain such Affiliate's agreement to be bound by this Agreement and shall contain a confirmation by such Affiliate of the accuracy with respect to it of the representations set forth in Section 6.2. Upon receipt of such notice, wherever the word "Purchaser" is used in this Agreement (other than in this Section 21), such words shall be deemed to refer to such Affiliate in lieu of such Purchaser. In the event that such Affiliate is so substituted as a purchaser hereunder and such Affiliate thereafter transfers to such Purchaser all of the New Notes then held by such Affiliate, upon receipt by the Company of notice of such transfer, wherever the word "Purchaser" is used in this Agreement (other than in this Section 21), such words shall no longer be deemed to refer to such Affiliate, but shall refer to such Purchaser, and such Purchaser shall have all the rights of an original holder of the New Notes under this Agreement.

22. MISCELLANEOUS.

22.1. Successors and Assigns.

All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including, without limitation, any subsequent holder of a New Note) whether so expressed or not.

22.2. Payments Due on Non-Business Days.

Anything in this Agreement or the New Notes to the contrary notwithstanding, any payment of principal of or interest on any New Note that is due on a date other than a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day.

22.3. Severability.

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

22.4. Construction.

Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or that such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

22.5. Counterparts.

This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

22.6. Governing Law.

This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York excluding choice-of-law principles of the law of such State that would require the application of the laws of a jurisdiction other than such State.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned agrees as follows:

1. Definitions. Capitalized terms used but not defined herein have the respective meanings assigned to such terms in the Consolidated Note Purchase Agreement.

2. Guarantee. Effective as of the Effective Date (as defined in the Financing Agreement), the undersigned hereby, unconditionally and irrevocably, as primary obligor and not merely as surety, guarantees the full and prompt payment when due, whether by acceleration or otherwise, and at all times thereafter, of all obligations of the Issuer, howsoever created, arising or evidenced, whether direct or indirect, absolute or contingent, now or hereafter existing, or due or to become due, under the Consolidated Note Purchase Agreement, the New Notes or any other New Finance Document (as defined in the Financing Agreement), as the same may be amended, modified, extended or renewed from time to time, and the undersigned further agrees to pay all costs and expenses (including reasonable attorneys' fees and expenses) paid or incurred by the holders in enforcing this Guarantee or any other applicable Financing Document against the undersigned (all of the foregoing obligations, collectively, the "**Liabilities**"*)*; provided that the liability of the undersigned hereunder shall be limited to the maximum amount of the Liabilities which the undersigned may guarantee without rendering this Guarantee void or voidable under any applicable fraudulent conveyance or fraudulent transfer law.

This Guarantee shall in all respects be a continuing, irrevocable, absolute and unconditional guarantee of payment and performance and not only collectibility, and shall remain in full force and effect (notwithstanding, without limitation, the dissolution of the undersigned or any other circumstance) until all Liabilities have been paid in full.

3. Reinstatement. The undersigned further agrees that if at any time all or any part of any payment theretofore applied by any holder to any of the Liabilities is or must be rescinded or returned by such holder for any reason whatsoever (including, without limitation, the insolvency, bankruptcy or reorganization of the Issuer or the undersigned), such Liabilities shall, for purposes of this Guarantee, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by such holder, and this Guarantee shall continue to be effective or be reinstated, as the case may be, as to such Liabilities, all as though such application by such holder had not been made.

4. Representations and Warranties. The representations and warranties of Cemex España in the Financing Agreement shall be correct when made and at the time of effectiveness of this Guarantee (except for such representations and warranties made as of a specific earlier date).

5. Permitted Actions. Any holder may, from time to time, at its sole discretion and without notice to the undersigned, take any or all of the following actions: (a) retain or obtain a security interest in any property to secure any of the Liabilities or any obligation hereunder, (b) retain or obtain the primary or secondary obligation of any obligor or obligors, in addition to the undersigned, with respect to any of the Liabilities, (c) amend, modify or waive any provision of the Consolidated Note Purchase Agreement, its New Notes or any other New Finance Document (as defined in the Financing Agreement), (d) extend or renew any of the Liabilities for one or more periods (whether or not longer than the original period), alter or exchange any of the Liabilities, or release or compromise any obligation of the undersigned hereunder or any obligation of any nature of any other obligor with respect to any of the Liabilities, (e) release any security interest in, or surrender, release or permit any substitution or exchange for, all or any part of any property securing any of the Liabilities or any obligation hereunder, or extend or renew for one or more periods (whether or not longer than the original period) or release, compromise, alter or exchange any obligations of any nature of any obligor with respect to any such property and (f) resort to the undersigned for payment of any of the Liabilities when due, whether or not such holder shall have resorted to any property securing any of the Liabilities or any obligation hereunder or shall have proceeded against any other obligor primarily or secondarily obligated with respect to any of the Liabilities.

6. Subrogation. Notwithstanding any payment made by or for the account of the undersigned pursuant to this Guarantee, the undersigned shall not be subrogated to any right of any holder until such time as this Guarantee shall have been discontinued as to the undersigned and the holders shall have received payment of the full amount of all Liabilities.

7. Waivers. The undersigned hereby expressly waives (a) notice of the acceptance by any holder of this Guarantee, (b) notice of the existence or creation or non-payment of all or any of the Liabilities, (c) presentment, demand, notice of dishonor, protest, and all other notices whatsoever and (d) all diligence in collection or protection of or realization upon any Liabilities or any security for or guarantee of any Liabilities.

8. Assignments. Any holder may from time to time, without notice to the undersigned, assign any New Note in accordance with the Consolidated Note Purchase Agreement; and, notwithstanding any such assignment or any subsequent assignment thereof, such Liabilities shall be and remain Liabilities for purposes of this Guarantee, and each and every immediate and successive assignee of any of the Liabilities or of any interest therein shall, to the extent of the interest of such assignee in the Liabilities, be entitled to the benefits of this Guarantee to the same extent as if such assignee were an original holder.

9. Delay not Waiver, etc. No delay on the part of any holder in the exercise of any right or remedy shall operate as a waiver thereof, and no single or partial exercise by any holder of any right or remedy shall preclude other or further exercise thereof or the exercise of any other right or remedy; nor shall any modification or waiver of any provision of this Guarantee be

binding upon any holder except as expressly set forth in a writing duly signed and delivered on behalf of such holder. No action of any holder permitted hereunder shall in any way affect or impair the rights of any other holder or the obligations of the undersigned under this Guarantee. For purposes of this Guarantee, Liabilities shall include all obligations of the Issuer to any holder arising under or in connection with any Financing Document, notwithstanding any right or power of the Issuer or anyone else to assert any claim or defense as to the invalidity or unenforceability of any obligation, and no such claim or defense shall affect or impair the obligations of the undersigned hereunder.

10. Currency of Payments, etc.

(a) Payment in Dollars – Series A Notes

All payments under the Series A Notes by the undersigned pursuant to this Guarantee shall be made in Dollars to the holders for their ratable benefit by the method and at the address specified in the Consolidated Note Purchase Agreement.

To the fullest extent permitted by applicable law, the obligations of the undersigned in respect of any amount due under or in respect of this Guarantee with respect to the Series A Notes shall (notwithstanding any payment in any other currency, whether as a result of any judgment or order or the enforcement thereof or otherwise) be discharged only to the extent of the amount in Dollars that each holder entitled to receive such payment may, in accordance with normal banking procedures, purchase with the sum paid in such other currency (after any premium and costs of exchange) on the Business Day immediately following the day on which such holder receives such payment. If the amount in Dollars that may be so purchased for any reason falls short of the amount originally due, the undersigned shall indemnify and save harmless such holder from and against all loss or damage arising out of or as a result of such deficiency; if the amount in Dollars that may be so purchased exceeds the amount originally due, such holder shall remit to the undersigned for their ratable benefit such excess. This indemnity shall constitute an obligation separate and independent from the other obligations contained in this Guarantee, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by such holder from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due under this Guarantee or under any judgment or order.

(b) Payment in Japanese Yen – Series B Notes

All payments under the Series B Notes by the undersigned pursuant to this Guarantee shall be made in Japanese Yen to the holders for their ratable benefit by the method and at the address specified in the Consolidated Note Purchase Agreement.

To the fullest extent permitted by applicable law, the obligations of the undersigned in respect of any amount due under or in respect of this Guarantee with respect to the Series B Notes shall (notwithstanding any payment in any other currency, whether as a result of any judgment or order or the enforcement thereof or otherwise) be

discharged only to the extent of the amount in Japanese yen that each holder entitled to receive such payment may, in accordance with normal banking procedures, purchase with the sum paid in such other currency (after any premium and costs of exchange) on the Business Day immediately following the day on which such holder receives such payment. If the amount in Japanese yen that may be so purchased for any reason falls short of the amount originally due, the undersigned shall indemnify and save harmless such holder from and against all loss or damage arising out of or as a result of such deficiency; if the amount in Japanese yen that may be so purchased exceeds the amount originally due, such holder shall remit to the undersigned for their ratable benefit such excess. This indemnity shall constitute an obligation separate and independent from the other obligations contained in this Guarantee, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by such holder from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due under this Guarantee or under any judgment or order.

(c) If any expense required to be reimbursed pursuant to this Guarantee is originally incurred in a currency other than Dollars, the undersigned shall nonetheless make reimbursement of that expense in Dollars, in an amount equal to the amount in Dollars that would have been required for the Person that incurred such expense to have purchased, in accordance with normal banking procedures, the sum paid in such other currency (after any premium and costs of exchange) on the day that expense was originally incurred.

11. Successors and Assigns. This Guarantee shall be binding upon the undersigned and the successors and assigns of the undersigned; and to the extent that the Issuer or the undersigned is a partnership, corporation, limited liability company or other entity, all references herein to such entity shall be deemed to include any successor or successors, whether immediate or remote, to such entity. The term “undersigned” as used herein shall mean all parties executing this Guarantee and each of them, and all such parties shall be jointly and severally obligated hereunder.

12. Governing Law; Severability. This Guarantee shall be construed in accordance with and governed by the laws of the State of New York applicable to contracts made and to be performed entirely within such state. Wherever possible each provision of this Guarantee shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Guarantee shall be prohibited by or invalid under such law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Guarantee.

13. Counterparts; Additional Guarantors; Release; Amendments. This Guarantee may be executed in any number of counterparts and by the different parties hereto on separate counterparts, and each such counterpart shall be deemed to be an original but all such counterparts shall together constitute one and the same Guarantee. At any time after the date of this Guarantee, one or more additional Persons may become parties hereto by executing and delivering to the holders a counterpart of this Guarantee. Immediately upon such execution and delivery (and without any further action), each such additional Person will become a party to, and will be bound by all of the terms of, this Guarantee. This Guarantee may be amended pursuant to Section 17 of the Consolidated Note Purchase Agreement.

14. Notices. All notices and communications provided for hereunder shall be in writing and sent to the undersigned at its facsimile number or address, as applicable, specified on Schedule I (a) by telecopy if the sender on the same day sends a confirming copy of such notice by a recognized overnight delivery service (charges prepaid), (b) by registered or certified mail with return receipt requested (postage prepaid) or (c) by a recognized overnight delivery service (with charges prepaid).

15. Judgment Currency. The undersigned agrees that if, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder in Dollars into another currency, to the fullest extent permitted by law, the rate of exchange used shall be that at which in accordance with normal banking procedures a holder could purchase Dollars with such other currency on the Business Day preceding that on which final judgment is given.

16. Tax Indemnification. All payments by the undersigned hereunder shall be made free and clear of, and without any withholding or deduction for or on account of, any present or future Related Taxes imposed or levied by or on behalf of Spain, the United States or any jurisdiction from or through which any amount is paid by the undersigned pursuant to the terms of this Guarantee (or any political subdivision or taxing authority of or in any such jurisdiction) (a "**Taxing Jurisdiction**"), unless the withholding or deduction of any Related Tax is required by law. If any deduction or withholding for any present or future Related Tax of a Taxing Jurisdiction shall at any time be required in respect of any amount to be paid by the undersigned under this Guarantee, the undersigned will promptly (i) pay over to the government or taxing authority of the Taxing Jurisdiction imposing such Related Tax the full amount required to be deducted or withheld by the undersigned (including the full amount required to be deducted or withheld from or otherwise paid by the undersigned in respect of any Additional Payment required to be made pursuant to clause (ii) below) and (ii) except as expressly provided below, pay to each holder entitled to receive the payment from which the amount referred to in the foregoing clause (i) has been so deducted or withheld such additional amount as is necessary in order that the amount received by such holder after any required deduction or withholding of Related Tax (including, without limitation, any required deduction, withholding or other payment of Related Tax on or with respect to such additional amount) shall equal the amount such holder would have received hereunder had no such deduction, withholding or other payment of Related Tax been paid (the " **Additional Payment**"), and if any holder pays any amount in respect of any Related Tax on any payment due from the undersigned hereunder, or penalties or interest thereon, then the undersigned shall reimburse such holder for that payment upon demand, provided that no payment of any Additional Payment, or of any such reimbursement in respect of any such payment made by any such holder, shall be required to be made for or on account of:

(a) any Related Tax that would not have been imposed but for the existence of any present or former connection between such holder and the Taxing Jurisdiction or any territory or possession or area subject to the jurisdiction of the Taxing Jurisdiction, other than the mere holding of the relevant New Note, including, without limitation, such holder's being or having been a citizen or resident thereof, or being or having been present or engaged in a trade or business therein or having an establishment therein;

(b) any such holder that is not a resident of the United States of America or, with respect to any payment hereunder owing to such holder, all or any part of which represents income that is not subject to United States tax as income of a resident of the United States of America to the extent that, had such holder been a resident of the United States of America or had the payment been so subject to United States tax, or had the payment been made to a location within the United States of America, the provisions of a statute, treaty or regulation of the Taxing Jurisdiction would have enabled an exemption to be claimed from the Related Tax in respect of which an Additional Payment would otherwise have been payable; or

(c) any combination of the items or conditions described in clause (a) or clause (b) above; and

provided further that the undersigned shall not be obliged to pay any Additional Payment to any holder in respect of Related Taxes to the extent such Related Taxes exceed the Related Taxes that would have been payable but for the delay or failure by such holder (after receiving a written request from the undersigned to make such filing and including copies (together with instructions in English) of any forms, certificates, documents, applications or other reasonably required evidence (collectively, "**Forms**"), to be filed) in the filing with an appropriate Governmental Authority or otherwise of Forms required to be filed by such holder to avoid or reduce such Related Taxes and that in the case of any of the foregoing would not result in any confidential income tax return information being revealed, either directly or indirectly, to any Person and such delay or failure could have been lawfully avoided by such holder, provided that such holder shall be deemed to have satisfied the requirements of this proviso upon the good faith completion and submission of such Forms as may be specified in a written request of the undersigned no later than 45 days after receipt by such holder of such written request.

If the undersigned shall make any such Additional Payment, the undersigned will promptly furnish each holder receiving such Additional Payment an official receipt issued by the relevant taxation or other authorities involved for all amounts deducted or withheld as aforesaid.

By acceptance of the benefits hereof, each holder agrees to use its best efforts to comply (after a reasonable period to respond) with a written request of the undersigned delivered to such holder to provide information (other than any confidential or proprietary information) concerning the nationality, residence or identity of such holder, and to make such declaration or other similar claim or reporting requirement regarding such information (copies of the forms of which declaration, claim or reporting requirement shall have been provided to such holder by the undersigned), that is required by a statute, treaty or regulation of the Taxing Jurisdiction as a precondition to exemption from all or part of any Related Tax. The undersigned agrees to reimburse each holder for such holder's reasonable out-of-pocket expenses, if any, incurred in complying with any such request of such Person.

If the undersigned makes an Additional Payment under this Section 16 for the account of any Person and such Person is entitled to a refund of any portion of the tax (a "**Tax Refund**"), to

which such payment is attributable, and such Tax Refund may be obtained by filing one or more Forms, then such Person shall after receiving a written request therefore from the Issuer or the undersigned (which request shall specify in reasonable detail the Forms to be flied), file such Forms. If such Person subsequently receives such a Tax Refund, and such Person is readily able to identify the Tax Refund as being attributable to the tax with respect to which an Additional Payment was made, then such Person shall reimburse the undersigned such amount as such Person shall determine acting in good faith to be the proportion of the Tax Refund, together with any interest received thereon, attributable to such Additional Payment as will leave such Person after the reimbursement (including such interest) in no better or worse position than it would have been if the Additional Payment had not been required. Nothing in this paragraph shall obligate any holder to disclose any information regarding its tax affairs or computations to the undersigned.

Any reference made in this Deed to any Finance Secured Document and/or any Notes Secured Document or to any agreement or document (under whatever name), where applicable, shall be deemed to be a reference to such Finance Secured Document and/or Notes Secured Document or such other agreement or document as the same may have been, or at any time may be, extended, prolonged, amended, restated, supplemented, renewed or novated, as persons may accede thereto as a party or withdraw therefrom as a party in part or in whole or be released thereunder in part or in whole, and/or as facilities and/or amounts and/or financial services are or at any time may be granted, extended, prolonged, increased, reduced, cancelled, withdrawn, amended, restated, supplemented, renewed or novated thereunder including, without limitation:

For the avoidance of doubt, this Deed shall continue to secure those obligations which, if included in the definition of "Secured Obligations", shall not constitute a violation of the Prohibition.

1.5 **Limitation of the Swiss Pledgor under Swiss law**

The obligations and liabilities of the Swiss Pledgor under this Deed in relation to the obligations, undertakings, indemnities or liabilities of an Obligor other than that Swiss Pledgor or any of its fully owned and controlled subsidiaries (the " **Restricted Obligations**") shall be limited to the amount of the Swiss Pledgor's Free Reserves Available for Distribution at the time payment is requested, provided that such limitation is a requirement under applicable law (including any case law) at that point in time and that such limitation shall not free the Swiss Pledgor from its obligations in excess thereof, but merely postpone the performance date until such time as performance is permitted notwithstanding such limitation.

For the purpose of this clause, "**Free Reserves Available for Distribution**" means an amount equal to the maximal amount in which the Swiss Pledgor can make a dividend payment to its shareholder(s) (being the balance sheet profit and any freely disposable reserves available for this purpose, in each case in accordance with applicable Swiss law).

As soon as possible after having been requested to discharge a Restricted Obligation, the Swiss Pledgor shall, if it cannot discharge the full amount of the Restricted Obligations, provide the Pledgee with an interim statutory balance sheet audited by the statutory auditors of the Swiss Pledgor setting out the Free Reserves Available for Distribution and, immediately thereafter, pay the amount corresponding to the Free Reserves Available for Distribution to the Pledgee (save to the extend provided below).

In respect of the Restricted Obligations, the Swiss Pledgor shall:

(a) if and to the extent required by applicable law in force at the relevant time:

(i) subject to any applicable double taxation treaties, deduct Swiss withholding tax at the rate of thirty-five percent (35%) (or such other rate as is in force at that time) from any payment made by it;

(ii) pay any such deduction to the Swiss Federal Tax Administration; and

(iii) notify and provide evidence to the Pledgee that the Swiss withholding tax has been paid to the Swiss Federal Tax Administration;

(b) to the extent such deduction is made, not be required to make a gross-up, indemnify or otherwise hold harmless the Secured Parties for the deduction of the Swiss withholding tax notwithstanding anything to the contrary contained in the Debt Documents, unless grossing up is permitted under the laws of Switzerland then in force and provided that this should not in any way limit any obligations of any non-Swiss Pledgors under the Debt Documents to indemnify the Secured Parties in respect of the deduction of the Swiss withholding tax, including, without limitation, in accordance with Clause 17 of the Financing Agreement (*Tax Gross-Up, Increased Costs and Indemnities*). The Swiss Pledgor shall use all reasonable efforts to procure that any person which is entitled to a full or partial refund of any Swiss withholding tax paid pursuant to paragraph (a) above will, as soon as possible after the deduction of the Swiss withholding tax, (y) request a refund of the Swiss withholding tax under any applicable law (including double taxation treaties) and (z) pay to the Pledgee upon receipt any amount so refunded.

The Swiss Pledgor will take, and cause to be taken, all and any other action, including, without limitation, the passing of any shareholders' resolutions to approve any payment or other performance under the Debt Documents and the receipt of any confirmations from the Swiss Pledgor's auditors, whether following a request to discharge a Restricted Obligation, or which may be required as a matter of mandatory Swiss law in force at the time it is required to make a payment or perform other obligations under the Debt Documents in order to allow a prompt payment or performance of other obligations under the Debt Documents.

If the enforcement of the Restricted Obligations would be limited due to the effects referred to in this Clause 1.5 and if any asset of the Swiss Pledgor has a book value that is less than its market value (an " **Undervalued Asset**"), the Swiss Pledgor shall, to the extent permitted by applicable law and its Accounting Standards (i) write up the book value of such Undervalued Asset such that its balance sheet reflects a book value that is equal to the market value of such Undervalued Asset, and (ii) make reasonable efforts to realise the Undervalued Asset for a sum which is at least equal to the market value of such asset. Without prejudice to the

rights of the Pledgee under the Debt Documents, the Swiss Pledgor will only be required to realise an Undervalued Asset if such asset is not necessary for the Swiss Pledgor's business (*nicht betriebsnotwendig*).

1.6 **Separate agreements**

1.6.1 For the purpose of efficiency this Deed is entered into between the Pledgee of the one part and each of the individual entities defined as a "Pledgor" of the other part.

1.6.2 This Deed shall be interpreted so as to constitute a separate pledge agreement between each of the individual entities defined as a "Pledgor" of the one part and the Pledgee of the other part, and if any of the separate pledge agreements of any of such entities become(s) invalid or unenforceable, is terminated, rescinded, released, void, voidable, amended, restated, renewed, novated, supplemented or otherwise affected, the Secured Obligations of any of such entities are satisfied or any of the rights of pledge created hereby is or are ineffective, to the fullest extent permitted by law the foregoing shall not affect the validity or enforceability of the other agreement between the Pledgee of the one part and such other entity of the other part.

1.7 **Pledgee Provisions**

1.7.1 Subject to the mandatory provisions of Dutch law the Pledgee shall not, whether by virtue of this Deed or by exercising any of its rights thereunder, owe any duty of care to the Pledgors or the Company.

1.7.2 The permissive rights of the Pledgee to take action under this Deed shall not be construed as an obligation or duty for it to do so.

1.7.3 In acting as Pledgee, the Pledgee shall be treated as acting through its agency division which shall be treated as a separate entity from its other divisions and departments. Any information received or acquired by the Pledgee which is received or acquired by some other division or department or otherwise than in its capacity as Pledgee may be treated as confidential by the Pledgee and will not be treated as information possessed by the Pledgee in its capacity as such.

1.7.4 In acting or otherwise exercising its rights or performing its duties under any provision of this Deed, the Pledgee shall act in accordance with the provisions of the Intercreditor Agreement and parties to this Deed acknowledge and agree that in so acting the Pledgee shall have the rights, benefits, protections, indemnities and immunities set out in the Intercreditor Agreement and shall not incur any liability to the Pledgor or the Company, other than as expressly provided for in the Intercreditor Agreement.

2. UNDERTAKING TO PLEDGE AND PARALLEL DEBTS

Each Pledgor has agreed, or, as the case may be, hereby agrees with the Pledgee that it shall grant to the Pledgee a right of pledge over its Security Assets as security for the payment of the Secured Obligations.

Pursuant to the Parallel Debts the Pledgee has its own claim in respect of the payment obligations of the Debtors to the Finance Secured Parties and the Notes Secured Parties. In connection with the creation of the rights of pledge pursuant hereto each Pledgor and the Pledgee acknowledge that, with respect to this claim, the Pledgee acts in its own name and not as representative (*vertegenwoordiger*) of the Finance Secured Parties and the Notes Secured Parties or any of them and consequently the Pledgee is the sole pledgee under this Deed.

3. PLEDGE

3.1 Pledge of Security Assets

3.1.1 To secure the payment of the Secured Obligations, each Pledgor hereby grants to the Pledgee a right of pledge over its Present Shares and the Related Rights pertaining thereto (where applicable) and grants in advance (*bij voorbaat*) to the Pledgee a right of pledge over its Future Shares and the Related Rights pertaining thereto, which rights of pledge are hereby accepted by the Pledgee.

3.1.2 To the extent the pledge in advance referred to in paragraph 3.1.1 is not effective under Dutch law, each Pledgor will forthwith grant a supplemental right of pledge by executing, before a Dutch civil law notary, a deed of pledge substantially in the form of this Deed or such other form as the Pledgee may reasonably require in order to perfect the pledge over the relevant Future Shares and the Related Rights pertaining thereto.

3.1.3 If and to the extent that at the time of creation of this right of pledge, or at any time hereafter, a Principal Obligation owed to the Pledgee cannot be validly secured through the Parallel Debts, such Principal Obligation itself shall be a Secured Obligation.

3.2 Registration

Provided it complies with its obligations in this Agreement, the Security Agent is not required to have any regard to the interests of the Company.

In acting as Security Agent, the Security Agent shall be treated as acting through its agency division which shall be treated as a separate entity from its other divisions and departments. Any information received or acquired by the Security Agent which is received or acquired by some other division or department or otherwise than in its capacity as Security Agent may be treated as confidential by the Security Agent and will not be treated as information possessed by the Security Agent in its capacity as such.

12. Indemnification

The Security Agent and each Pledgee shall not be liable for any loss or damage suffered by any of the Pledgors save, in the case of a Pledgee (other than the Security Agent), in respect of such loss or damage which is suffered as a result of the wilful misconduct (*Absicht*) or gross negligence (*grobe Fahrlässigkeit*) of a Pledgee (other than the Security Agent). Notwithstanding anything to the contrary herein, any liability of each of the Pledgees towards each of the Pledgors under this Agreement shall not be joint and several (*nicht solidarisch*) but separate and independent.

13.5 Severability

Should any part or provision of this Agreement be held to be invalid or unenforceable by any competent arbitral tribunal, court, governmental or administrative authority having jurisdiction, the other provisions of this Agreement shall nonetheless remain valid. In this case, the Parties shall endeavor to negotiate a substitute provision that best reflects the economic intentions of the Parties without being unenforceable, and shall execute all agreements and documents required in this connection.

13.6 Remedies Cumulative

No failure or delay on the part of the Security Agent to exercise any power, right or remedy hereunder operates as a waiver thereof, nor shall any single or any partial exercise of any power, right or remedy preclude its further exercise or the exercise of any other power, right or remedy.

13.7 Continuing Security

This Agreement shall create a continuing security and no change or amendment whatsoever in any of the Secured Documents or any document or agreement relating thereto shall affect the validity of the Pledge or the obligations which are imposed on each of the Pledgors pursuant to it.

For the avoidance of doubt, this Deed shall continue to secure those obligations which, if included in the definition of "Secured Obligations", shall not constitute a violation of the Prohibition.

1.5 **Limitation of the Pledgor under Swiss law**

The obligations and liabilities of the Pledgor under this Deed in relation to the obligations, undertakings, indemnities or liabilities of an Obligor other than that Pledgor or any of its fully owned and controlled subsidiaries (the " **Restricted Obligations**") shall be limited to the amount of the Pledgor's Free Reserves

Available for Distribution at the time payment is requested, provided that such limitation is a requirement under applicable law (including any case law) at that point in time and that such limitation shall not free the Pledgor from its obligations in excess thereof, but merely postpone the performance date until such time as performance is permitted notwithstanding such limitation.

For the purpose of this clause, "**Free Reserves Available for Distribution**" means an amount equal to the maximal amount in which the relevant Pledgor can make a dividend payment to its shareholder(s) (being the balance sheet profit and any freely disposable reserves available for this purpose, in each case in accordance with applicable Swiss law).

As soon as possible after having been requested to discharge a Restricted Obligation, the Pledgor shall, if it cannot discharge the full amount of the Restricted Obligations, provide the Pledgee with an interim statutory balance sheet audited by the statutory auditors of the Pledgor setting out the Free Reserves Available for Distribution and, immediately thereafter, pay the amount corresponding to the Free Reserves Available for Distribution to the Pledgee (save to the extend provided below).

In respect of the Restricted Obligations, the Pledgor shall:

(a) if and to the extent required by applicable law in force at the relevant time:

  (i) subject to any applicable double taxation treaties, deduct Swiss withholding tax at the rate of thirty-five percent (35%) (or such other rate as is in force at that time) from any payment made by it;

(b) to the extent such deduction is made, not be required to make a gross-up, indemnify or otherwise hold harmless the Secured Parties for the deduction of the Swiss withholding tax notwithstanding anything to the contrary contained in the Debt Documents, unless grossing up is permitted under the laws of Switzerland then in force and provided that this should not in any way limit any obligations of any non-Swiss Pledgors under the Debt Documents to indemnify the Secured Parties in respect of the deduction of the Swiss withholding tax, including, without limitation, in accordance with Clause 17 of the Financing Agreement (*Tax Gross-Up, Increased Costs and Indemnities*). The Pledgor shall use all reasonable efforts to procure that any person which is entitled to a full or partial

refund of any Swiss withholding tax paid pursuant to paragraph (a) above will, as soon as possible after the deduction of the Swiss withholding tax, (y) request a refund of the Swiss withholding tax under any applicable law (including double taxation treaties) and (z) pay to the Pledgee upon receipt any amount so refunded.

The Pledgor will take, and cause to be taken, all and any other action, including, without limitation, the passing of any shareholders' resolutions to approve any payment or other performance under the Debt Documents and the receipt of any confirmations from the Pledgor's auditors, whether following a request to discharge a Restricted Obligation, or which may be required as a matter of mandatory Swiss law in force at the time it is required to make a payment or perform other obligations under the Debt Documents in order to allow a prompt payment or performance of other obligations under the Debt Documents.

If the enforcement of the Restricted Obligations would be limited due to the effects referred to in this Clause 1.5 and if any asset of the Pledgor has a book value that is less than its market value (an "**Undervalued Asset**"), the Pledgor shall, to the extent permitted by applicable law and its Accounting Standards (i) write up the book value of such Undervalued Asset such that its balance sheet reflects a book value that is equal to the market value of such Undervalued Asset, and (ii) make reasonable efforts to realise the Undervalued Asset for a sum which is at least equal to the market value of such asset. Without prejudice to the rights of the Pledgee under the Debt Documents, the Pledgor will only be required to realise an Undervalued Asset if such asset is not necessary for the Pledgor's business (*nicht betriebsnotwendig*).

1.6 **Pledgee Provisions**

1.6.1 Subject to the mandatory provisions of Dutch law the Pledgee shall not, whether by virtue of this Deed or by exercising any of its rights thereunder, owe any duty of care to the Pledgor or the Company.

1.6.2 The permissive rights of the Pledgee to take action under this Deed shall not be construed as an obligation or duty for it to do so.

1.6.3 In acting as Pledgee, the Pledgee shall be treated as acting through its agency division which shall be treated as a separate entity from its other divisions and departments. Any information received or acquired by the Pledgee which is received or acquired by some other division or department or otherwise than in its capacity as Pledgee may be treated as confidential by the Pledgee and will not be treated as information possessed by the Pledgee in its capacity as such.

1.6.4 In acting or otherwise exercising its rights or performing its duties under any provision of this Deed, the Pledgee shall act in accordance with the provisions of the Intercreditor Agreement and parties to this Deed acknowledge and agree that in so acting the Pledgee shall have the rights, benefits, protections, indemnities and immunities set out in the Intercreditor Agreement and shall not incur any liability to the Pledgor or the Company, other than as expressly provided for in the Intercreditor Agreement.

In connection with the creation of the rights of pledge pursuant hereto the Pledgor and the Pledgee acknowledge that, with respect to this claim, the Pledgee acts in its own name and not as representative (*vertegenwoordiger*) of the Finance Secured Parties and the Notes Secured Parties or any of them and consequently the Pledgee is the sole pledgee under this Deed.

3. PLEDGE

3.1 Pledge of Security Assets

3.1.1 To secure the payment of the Secured Obligations, the Pledgor grants in advance (*bij voorbaat*) to the Pledgee a right of pledge over its Future Shares and the Related Rights pertaining thereto, which rights of pledge are hereby accepted by the Pledgee.

3.1.3 If and to the extent that at the time of creation of this right of pledge, or at any time hereafter, a Principal Obligation owed to the Pledgee cannot be validly secured through the Parallel Debts, such Principal Obligation itself shall be a Secured Obligation.

3.2 **Registration**

The Pledgee shall be entitled to present this Deed and any other document in connection herewith for registration to any office, registrar or governmental body in any jurisdiction the Pledgee deems necessary or useful to protect its interests.

3.3 **Related Rights**

3.3.1 Subject to Sub-clause 3.3.2 below, only the Pledgee is entitled to receive and exercise the Related Rights pledged pursuant hereto or, as applicable, pursuant to the Existing Deed of Pledge II (as defined and referred to in Clause 3.5 (*Mergers*) of this Deed.

3.3.2 The Pledgee hereby authorises the Pledgor (as envisaged by Article 3:246 paragraph 4 of the Dutch Civil Code) to receive Dividends in accordance with the terms of the Financing Agreement. The authorisation shall automatically cease to exist upon the occurrence of an Enforcement Event.

3.4 **Voting Rights**

3.4.1 In accordance with Article 2:198 paragraph 3 of the Dutch Civil Code, in conjunction with the relevant provisions of the Articles of Association, the general meeting of shareholders of the Company, has approved on the seventh day of August two thousand nine by means of a written resolution adopted outside a meeting in accordance with Article 2:238 of the Dutch Civil Code and Article 21 of the Articles of Association, the granting of a right of pledge in respect of the Shares with the conditional transfer to the Pledgee of the Voting Rights and other rights and powers attached to the Shares. Mexican Competition Commission (*Comisión Federal de Competencia)* and the Mexican Foreign Investment Commission (*Comisión Nacional de Inversiones Extranjeras*);

(f) the entering into this Agreement and the performance of its obligations hereunder, do not contravene or result in any breach or violation of any applicable law, rule or regulation, of any agreement, of any nature, to which it may be a party or under which it may be bound, or its bylaws or other constitutive documents in effect;

(g) it agrees to act as trustee under this Agreement.

IV. The Beneficiary represents as of the date hereof that:

(a) it is a private limited company duly incorporated and existing under the laws of England and Wales, authorized to enter into this Agreement and to perform its obligations hereunder;

IN WITNESS WHEREOF, the parties hereto agree to the following:

CLAUSES

FIRST. Creation of the Trust; Subsequent Transfers. (a) Each of the Settlors hereby creates this irrevocable security trust with the Trustee, identified with number F/111388-5, by transferring to the Trustee ownership of the Transferred Shares, which shall be subject to the terms set forth in this Agreement

until the Termination Date (as defined below) or as otherwise provided herein, as security for the due, full and timely satisfaction of (i) any and all of the Obligations, (ii) any and all of the amounts payable by the Settlors pursuant to the terms of this Agreement, and (iii) any and all fees, costs and expenses incurred, paid or disbursed by the Beneficiary, the Secured Creditors or their respective agents, if any, upon exercise of their respective rights set forth herein ((i), (ii) and (iii), jointly, the "Secured Obligations"). The Trustee hereby acquires and receives the Transferred Shares and the execution of this Agreement constitutes evidence of receipt of such Transferred Shares by the Trustee.

(b) Each of the Settlors hereby agrees to transfer to the Trustee, and to cause any third party controlled by Cemex SAB, directly or indirectly, to transfer to the Trustee, within five (5) business days counted from the date of acquisition thereof, by any means, any additional shares issued by any Issuer that any of the Settlors or such controlled third party may acquire, by subscription and payment or otherwise (the " Additional Shares"), pursuant to the procedure specified in this Clause First. For purposes of this Agreement, the term "business days" shall mean any day which is not a Saturday or Sunday, on which banking institutions are authorized to open and carry out operations with the general public in Mexico, in conformity with the calendar issued and updated from time to time by the National Banking and Securities Commission (*Comisión Nacional Bancaria y de Valores*).

(c) The representations made by each of the Settlors in this Agreement, shall be deemed repeated by the relevant Settlor or a third party on each of the dates on which such Settlor or any third party transfers Additional Shares in trust pursuant to the terms of this Agreement, *mutatis mutandi*, in respect of such Additional Shares.

(d) The transfer of ownership by each Settlor to the Trustee of the Transferred Shares it owns, shall be undertaken as follows:

(1) each Settlor shall transfer in trust the Transferred Shares by means of (i) delivering to the Trustee any and all certificates evidencing the Transferred Shares, duly endorsed in property (*endoso en propiedad*) to the Trustee, and (ii) causing the relevant Issuer's secretary of the board of directors, to make a notation in the stock registry book of the relevant Issuer, specifying that the relevant Transferred Shares have been transferred to the Trustee pursuant to the terms of this Agreement, and delivering a certificate of the relevant secretary of the board of directors of the relevant Issuer to such effect, issued in favor of the Trustee and for the benefit of the Secured Parties; and

(2) each of the Settlors shall transfer to the Trustee, and agrees to cause any applicable third party to transfer to the Trustee, pursuant to this Agreement (and in particular, this Clause First), any Additional Shares any of them may acquire.

(e) The Trustee hereby acknowledges the due receipt of the Transferred Shares, as set forth in Clause First, (d)(1) above, having received the relevant certificates to its satisfaction, and agrees to hold the Transferred Shares in trust, pursuant to the terms hereof, as part of the, and jointly with other, Trust Assets (as hereinafter defined), for the benefit of the Beneficiary and the Secured Parties, to secure performance of the Secured Obligations and, upon the occurrence of the Termination Date, to the extent any Trust Assets shall remain on such Date, for the benefit of, and the reversion to, the corresponding Settlor pursuant to the terms and conditions hereof and following the instructions of such Settlor, and at such Settlor's own expense.

(f) With respect to any Transferred Shares or Additional Shares transferred to the Trustee pursuant to this Agreement, the Settlor or third party transferring the applicable Transferred Shares or Additional Shares, shall be liable for (i) any claims of property rights made by any third party (*saneamiento para el caso de evicción*), and (ii) any hidden defects (*vicios ocultos*).

(g) Without any responsibility, of any nature whatsoever, arising to the Trustee, the Beneficiary or any of the Secured Parties, each of the Settlors hereby states, in its capacity as second beneficiary pursuant to this Agreement, that (i) such Settlor reserves, upon the occurrence of the Termination Date, to the extent any Trust Assets shall remain on such Date, the right to reacquire the Transferred Shares and any Additional Shares, for purposes of applicable tax law, and (ii) the transfer and delivery of the Transferred Shares and any Additional Shares to the Trustee does not result in the payment of any income taxes arising from the transfer of the Transferred Shares and any Additional Shares set forth in this Agreement, in accordance with Article 14 of the Mexican Federal Fiscal Code (*Código Fiscal de la Federación)*, because the corresponding Settlor has the right to reacquire the Transferred Shares and any Additional Shares (to the extent remaining), upon the occurrence of the Termination Date. Each Settlor agrees, for the benefit of the Secured Parties and with the Trustee's knowledge, that the provisions of this paragraph do not contravene the irrevocability provision set forth in Clause Fourteenth of this Agreement.

(h) Within ten (10) business days counted from the date hereof, the Trustee, pursuant to the instructions of the Beneficiary (which are hereby given, without any separate instruction being required), if necessary with the assistance of Cemex SAB, agrees to notify the *representante común* of each tranche of Certificados Bursatiles, the trustee acting for the holders of the Perpetual Securities and the trustee acting for the holders of the Cemex SAB Bonds, of the creation of the trust set forth in this Agreement and the rights arising therefrom for holders of Certificados Bursatiles, Perpetual Securities and Cemex SAB Bonds.

SECOND. Parties to the Agreement. (a) The parties to this Agreement are the following:

Settlors and second beneficiaries:	Cemex SAB, Tolteca, Impra Cafe, Interamerican, Cemex Mexico and Cedice, and any other party that transfers Transferred Shares or Additional Shares in trust pursuant to the terms of this Agreement;

Beneficiary:	Wilmington Trust (London) Limited, on its own behalf and on behalf of the Participating Creditors and the Refinancing Creditors, for the benefit of the Participating Creditors and the Refinancing Creditors and, to the extent set forth herein, each of the other Secured Parties shall also be beneficiaries hereunder, provided that none of the Secured Parties different from the Beneficiary, acting for the Participating Creditors and, as specified in the Intercreditor Agreement, acting for the Refinancing Creditors, shall have the right to enforce any of its rights arising hereunder, but shall be entitled to receive its pro-rata portion of the proceeds from foreclosure, upon exercise of rights by the Beneficiary as set forth herein and pursuant to the terms of the Intercreditor Agreement.

(b) The Settlors shall be beneficiaries in second place and each of them shall be entitled, on the Termination Date, to all of a portion of the Trust Assets that shall remain on the Termination Date.

(c) The successors, assigns and/or the parties replacing the Trustee, any Settlor, the Beneficiary, the Participating Creditors, the Refinancing Creditors or any other of the Secured Parties, as the case may be, pursuant to the terms hereof and of the Financing Agreement, the Intercreditor Agreement, the Refinancing Indebtedness, the Certificados Bursatiles, the Perpetual Securities, the Cemex SAB Bonds and any Additional Indebtedness, shall be deemed as the "Trustee", a "Settlor", the "Beneficiary", the "Participating Creditors", the "Refinancing Creditors" and the "Secured Parties," respectively, for purposes of this Agreement.

(d) By entering into this Agreement, the Trustee (i) agrees to faithfully and loyally perform its obligations as trustee pursuant to the provisions set forth in this Agreement, and in accordance with applicable law, (ii) acknowledges and accepts title and ownership of the Transferred Shares and, if applicable, the Additional Shares, to satisfy the purposes of the trust created hereunder, and (iii) shall be deemed to have delivered to the Settlors an acknowledgement of receipt in respect to the Transferred Shares, that shall also serve as the inventory of the Trust Assets, pursuant to what is set forth in Rule 5.1 of Circular 1/2005, issued by the Mexican Central Bank (*Banco de México*), as modified from time to time (the "Circular 1/2005").

THIRD. Purposes of this Trust. The purposes of the trust created hereby and the Trustee's obligations are:

(a) that the Trustee receive in trust ownership and maintain as collateral the Trust Assets during the effectiveness of this Agreement, as provided hereunder and under the Financing Agreement and the Intercreditor Agreement, until the earlier to occur of (i) full and final discharge of the obligations of the Participating Creditors to the satisfaction of the Administrative Agent (acting reasonably) as set forth in the Financing Agreement, (ii) release of the Trust Assets, pursuant to the terms of the Intercreditor Agreement, on the Business Day following the date on which (1) the Base Currency Amount of the Exposures of the Participating Creditors under the Facilities has, since the Reference Date, been reduced by an aggregate amount equal to at least forty one point four percent (41.4%) of the aggregate Exposures of the Participating Creditors under the Facilities as at the Reference Date (as each capitalized term is defined in the Financing Agreement), (2) the Consolidated Leverage Ratio for any Reference Period in respect of which a Compliance Certificate has been (or is required to have been) delivered under the Financing Agreement (as each capitalized term is defined therein) was not greater than 3.50:1, and (3) no

(b) that the Trust Assets secure the Secured Obligations and, as set forth in this Agreement, that the Trustee, upon the occurrence of an Enforcement Event (as defined in the Intercreditor Agreement; hereinafter, an "Enforcement Event"), sell such Trust Assets, and the proceeds of such sale be applied to the payment of the Secured Obligations, as provided in this Agreement and the Intercreditor Agreement;

(c) that the Trustee re-convey the Trusts Assets that shall then remain under this Agreement to the Settlors as it may correspond, immediately after the Termination Date, by transferring the corresponding Transferred Shares or Additional Shares, as the case may be, according to the instructions and at the expense of the relevant Settlor, including by means of an endorsement in ownership and delivery of the necessary certificates;

(d) that the Trustee maintain the Trust Assets, exercise, or allow the exercise, of the rights pertaining thereto, as set forth in Clause Fifth, and act as a good *pater familias* (*buen padre de familia*) in respect of the Trust Assets; it being understood that, should the Trustee have any doubt regarding the exercise of such rights, it must request instructions from both the Settlors and the Beneficiary or from any of the Settlors or the Beneficiary, as may be applicable, as set forth in this Agreement (and, in particular, Clause Eighth) or, upon the occurrence of an Enforcement Event, solely from the Beneficiary (unless an emergency arises, in which case the Trustee shall act as a good *pater familias* (*buen padre de familia*) pursuant to its discretion, using its judgment and without any responsibility to the Trustee, except if the Trustee shall have acted with fraud, negligence or bad faith (*dolo, negligencia o mala fe*)).

(e) that, in the event the Trust Assets or a portion thereof be represented by cash, the Trustee invest such cash in Certificates of the Treasury of the Federation (*Certificados de la Tesorería de la Federación* or *Cetes*) (or if not available, any other instrument issued by the Mexican government), whether purchased in a primary offering or in the secondary market or, if so instructed by the Settlors and the Beneficiary, in any other instruments, as permitted under applicable law regulating the investment of trust assets (including Circular 1/2005), upon the occurrence of an Enforcement Event, in any instrument specified by the Beneficiary, and upon the occurrence of the Termination Date, in any instrument specified by the Settlors (to the extent any Trust Assets shall remain on such Date), it being understood that (i) the Trustee is authorized, for such purposes, to open

any necessary bank or investment accounts and undertake all action to enter into the necessary agreements, all as instructed by the Settlors and the Beneficiary, and (ii) if any dividends or other distributions shall be received by the Trustee pursuant to Clause Fifth (b) hereof, and the Settlors (as opposed to the Beneficiary) shall be entitled to receive such dividends or distributions as therein set forth, then the Trustee shall invest or deliver the applicable amounts received as distributions, solely as instructed by the Settlors;

(f) that the Trustee enter into the necessary agreements or instruments, and undertake any other action that may be deemed necessary, to create, maintain and manage the trust created pursuant to the terms of this Agreement and to manage the Trust Assets, as instructed by the Beneficiary or, when expressly agreed, the Settlors;

(g) that the Trustee perform its remaining obligations contemplated by this Agreement, duly and promptly;

(h) that the Trustee perform any and all action entrusted to it hereunder (including, without limitation, the execution of the necessary agreements or receiving or granting any power-of-attorney), pursuant to this Clause Third or any other Clause of this Agreement, implicitly arising from the terms hereof or resulting from applicable law.

FOURTH. Trust Assets. The Trust Assets shall be comprised of the following:

(a) the Transferred Shares transferred by each Settlor, as set forth in Clause First hereof;

(b) any Additional Shares or other assets, if applicable, transferred to the trust created hereunder by the Settlors or by any other third party controlled, directly or indirectly, by Cemex SAB;

FIFTH. Certain Rights and Obligations of the Settlors . The parties hereto hereby confirm that, so long no Enforcement Event has occurred, the Settlors are beneficially entitled to voting rights and to dividend rights, in accordance with the terms of paragraphs (a) and (b) below.

(a) Voting and Subscription Rights. (1) The parties agree that, so long as no Enforcement Event has occurred, each of the Settlors shall be entitled (i) to provide the Trustee with written instructions in respect of how to vote the Transferred Shares or the Additional Shares in terms of this Clause Fifth or (ii) to cause the Trustee to provide proxies permitting the voting of any such Transferred Shares or Additional Shares, except upon the occurrence of an Enforcement Event, in which case, each of the Settlors hereby agrees that the voting rights pertaining to the Transferred Shares and the Additional Shares, shall be exercised by the Trustee, as instructed by the Beneficiary.

(2) Should a Settlor exercise the option specified in paragraph (a)(1)(ii) above, for purposes of allowing the relevant Settlor to exercise the voting rights attributable to the Transferred Shares and the Additional Shares, the Trustee shall deliver to such Settlor, any certificates, proxies or documents that are reasonably requested in writing by such Settlor, and in the form and manner so requested, so long as (i) such certificates, proxies or documents have been requested in a timely manner with respect to shareholders' meetings and, in any case, at least three (3) business days in advance of the date on

which such meeting is scheduled to occur, (ii) no Enforcement Event has occurred, and (iii) all related expenses are covered by the relevant Settlor.

(3) In connection with the exercise of the voting rights corresponding to the Transferred Shares or the Additional Shares, as permitted under paragraph (a)(1)(ii) above, each of the Settlors hereby agrees that it may not exercise, and it shall cause any third party that is controlled, directly or indirectly, by Cemex SAB, not to exercise, such voting rights in any manner (i) that is contrary to the provisions of the Financing Agreement or the Intercreditor Agreement, or (ii) that is detrimental to, or otherwise affects, the rights of the Beneficiary or the Secured Parties set forth herein, in the Financing Agreement or in the Intercreditor Agreement.

(4) In the event that the Trustee, as holder of the Transferred Shares or the Additional Shares as set forth herein, shall be entitled to exercise preemptive rights attributable to the Transferred Shares and the Additional Shares, in connection with any new stock issued, or proposed to be issued, by the relevant Issuer, the Trustee shall exercise such rights, so long as (i) written instructions shall have been provided to the Trustee by the corresponding Settlor (who shall benefit from the relevant shares upon reversion hereunder), at least three (3) business days prior to the date on which the term to exercise the subscription rights shall expire, and (ii) the corresponding Settlor shall have provided the Trustee with the necessary immediately available funds, if funds are required for the exercise of the rights, at least two (2) business day before such date. The Trustee shall be released from any liability with respect to the corresponding Settlor, if written instructions or funds are not timely provided by such Settlor. The parties agree that any Additional Shares acquired by the Trustee under this paragraph (a)(3), shall be subject to the terms of this Agreement and shall be considered as Additional Shares for purposes hereof.

(b) Distributions. (1) The parties agree that, so long as no Enforcement Event has occurred, each of the Settlors shall be entitled to receive from the Trustee dividends or other distributions in cash, payable by the relevant Issuer with respect to the Transferred Shares and the Additional Shares, which shall be paid, upon effective receipt, by the Trustee to the relevant Settlor, by delivery of the applicable amount as it

may correspond; should an Enforcement Event occur, such cash distributions shall become part of the Trust Assets subject to the terms of this Agreement.

(2) All dividends or distributions made with respect to the Transferred Shares and the Additional Shares in kind (by means of Additional Shares or any other means) shall become part of the Trust Assets subject to the terms of this Agreement.

(c) Formalization. Each of the parties hereto hereby agrees that, no later than on the fifth business day following the date of execution hereof, each such party shall appear before a notary public or a commercial notary public (*corredor público*) selected by the Trustee, to formalize this Agreement.

SIXTH. Certain Obligations of the Settlors. Until the Termination Date, and except if expressly authorized in writing by the Beneficiary, each of the Settlors hereby agrees to:

(a) inform the Beneficiary and the Trustee immediately, of any development or event that has had or could reasonably be expected to have, a material adverse effect in respect of the Trust Assets, this Agreement or its obligations hereunder;

(b) execute and deliver all documents or instruments, and undertake any action, that may be necessary, based upon the reasonable judgment of the Trustee or the Beneficiary, to maintain in full force and effect the true transfer arising from this Agreement, or to permit the Trustee or the Beneficiary, as applicable, to exercise any of their respective rights pursuant to this Agreement;

(c) refrain from creating or permitting the creation of any liens or limitations of rights with respect to the Trust Assets; and

(d) immediately transfer in trust to the Trustee, any Additional Shares that it may own, from time to time, pursuant to the terms of this Agreement and, in particular, Clause First.

SEVENTH. Action Upon Occurrence of an Enforcement Event.

(a) Sale of Shares. If an Enforcement Event shall occur, the Beneficiary, if the requirements set forth in the Intercreditor Agreement shall have been satisfied, shall have the right to instruct the Trustee to start an extrajudicial foreclosure proceeding, to sell the Transferred Shares and any Additional Shares (and any other Trust Assets that may be sold),

in accordance with the following paragraphs, agreed upon by the Settlors and the Beneficiary, based upon Article 83 of the Law of Credit Institutions (*Ley de Instituciones de Crédito*) and Article 403 of the General Law of Negotiable Instruments and Credit Transactions (*Ley General de Títulos y Operaciones de Crédito*):

(1) if the Trustee receives a sale instruction from the Beneficiary (a copy of which shall be delivered to the representative of the Settlors appointed hereunder), in terms of the form of sale instruction attached hereto as **Exhibit L** (hereinafter, the "Sale Instruction"), by means of which the Beneficiary requests the Trustee to sell the Transferred Shares, any Additional Shares and other assets comprising the Trust Assets, to satisfy the Secured Obligations, because of the occurrence of an Enforcement Event, the Trustee shall proceed to sell such Trust Assets as provided below. The Sale Instruction shall include, as an attachment, a copy of this Agreement, certified by a notary public or a commercial notary public (*corredor público*), shall include the description supporting the occurrence of an Enforcement Event in accordance with the provisions of the Intercreditor Agreement, and shall include the amounts due and payable to the Secured Parties or a statement setting forth that the Settlors have not complied with their respective payment obligations hereunder;

(2) the Trustee shall give notice of the Sale Instruction to the representative of the Settlors, as instructed by the Beneficiary, to the address in Mexico indicated herein, by personal delivery, during business days and hours, through any of its officers or through a notary public or commercial notary public (*corredor público*), not later than three (3) Business Days after receipt of the Sale Instruction;

(3) the Settlors shall have ten (10) business days, counted from the date on which the notice from the Trustee specified in paragraph (a)(2) above shall have been received, to oppose the sale as set forth above;

(4) the Settlors may only oppose such sale if the Settlors deliver to the Trustee evidence of payment issued and duly executed by the Beneficiary, of the obligations of the Obligors under the Financing Agreement vis-à-vis the Participating Creditors or of the payment obligations of the Settlors hereunder; it being understood that the Trustee may request the Beneficiary to provide a written confirmation as to whether such obligations have been complied with;

(5) in the event that the Settlors fail to prove, pursuant to paragraph (a)(4) above, that the Settlors have complied with their obligations arising from the Financing Agreement or hereunder, as the case may be, the Trustee, upon written instructions given by the Beneficiary, shall immediately proceed to sell the Trust Assets as set forth in this Clause;

(6) the Beneficiary may, at any time, by notifying the Trustee in writing, instruct the Trustee to suspend, totally or partially, on the date and time on which such instructions are received by the Trustee, the extrajudicial foreclosure proceeding commenced in accordance with this Clause Seventh; provided that such notice shall cease to have effect, totally or partially, on the date and time on which the Trustee receives in writing from the Beneficiary, a new instruction by means of which the Beneficiary requests the Trustee to continue, totally or partially, with the extrajudicial foreclosure relating to the Trust Assets;

(7) the foreclosure shall be made by the Trustee, by means of an auction to be held in a location chosen by the Trustee. The Trustee with the aid of the Advisor (as such term is defined below), shall make a survey of potential bidders, and shall solicit potential bidders, whether arising from the survey or not, their participation in the auction. To the extent deemed necessary by the Beneficiary, the Advisor shall be in charge of preparing and distributing, or causing a third party to prepare and distribute, as instructed by the Beneficiary, at the Settlors' expense and as promptly as reasonably practicable, a confidential information memorandum (the " Information Memorandum"), to be delivered to such potential bidders that have expressed an interest in purchasing the Trust Assets. The Information Memorandum shall contain, among other things, a description of the business of the Issuers, and an analysis of the Issuers' financial condition and results of operations (including audited financial statements of each Issuer for the last three (3) fiscal years, if available). The Information Memorandum or any other necessary document shall advise potential bidders of the amount each such potential bidder shall post through a certificate of deposit or certified check issued in favor of the Trustee, to guarantee the seriousness of their potential proposal, should any such potential bidder seek to participate in the auction;

(8) each of the Settlors and the Issuers agree to produce and deliver to the Trustee, the Advisor and the Beneficiary, such information related to the Issuers (legal, financial or otherwise), reasonably requested by the Advisor or the Beneficiary, necessary or desirable to prepare the Information Memorandum or for the purposes of this Agreement and any other documentation related to the Issuers (legal, financial or otherwise) that the Advisor or the Beneficiary reasonably consider that a potential bidder may require to make an informed offer;

(9) after the Trustee has distributed the Information Memorandum to potential bidders, if necessary, or after the Trustee shall have delivered any information deemed necessary to potential bidders, the Trustee shall advise such bidders of the place, date and time selected for the auction (the "Auction Notice"), which date shall not exceed thirty (30) days counted from the date the Information Memorandum or other information was distributed to all prospective bidders, and such date in no event shall exceed forty five (45) days from the date the Information Memorandum or other information was distributed to the first prospective bidder;

(10) the participating bidders shall deliver their offers in writing and in a sealed envelope to the Trustee, no later than on the date and time established in the Auction Notice, together with a certificate of deposit issued by a banking institution or a certified check issued in favor of the Trustee in the amount determined by the Trustee (after consulting with the Beneficiary) to guarantee the seriousness of their proposal;

(11) the Trustee shall open the envelopes in the presence of the bidders, their representatives and a notary public or a commercial notary public (*corredor público*), on the date and time of the auction; the Trustee shall have ten (10) business days after such envelopes shall have been opened (or a longer period, if it was not possible to sell the Trust Assets within such period, as a result of any event, including failure to receive any necessary regulatory approvals), if so requested by the Beneficiary, to sell the Trust Assets to the bidder that submitted the highest offer;

(12) the winning bidder shall pay to the Trustee the offered price within the number of business days following the date of the auction indicated by the Trustee, after consulting with the Beneficiary;

(13) in the event that the bidder who made the highest bid fails to pay the price within the term specified, the deposit made or delivered certified check thereby shall inure to the benefit of the Beneficiary, who shall apply it to repay the amounts owed in respect of the Secured Obligations, as provided in this Clause;

(14) upon expiration of the term referred to in the preceding paragraph without the proposed purchase price being paid, the Trustee shall clearly notify the bidder who offered the second highest price (within the following twenty (20) business days); if such bidder maintains its initial offer, it shall be granted a period of time within which to pay the purchase price to the Trustee, if requested by the Beneficiary; if the second highest bidder does not maintain its offer, the Trustee may continue contacting all bidders in the order of higher to lower offers, following the procedure specified above, unless the Beneficiary shall object;

(15) if the sale may not be made to any of the bidders, the Trustee, with the consent of the Beneficiary, shall undertake a new auction following substantially the foregoing steps, until the sale of the Trust Assets is completed.

(b) Application of Sale Proceeds. The proceeds from any sale of the Trust Assets (including any Transferred Shares and Additional Shares), shall be delivered to the Trustee, who shall proceed as instructed by the Beneficiary pursuant to the Intercreditor Agreement, provided that the following order of application shall be followed:

(1) to the payment of any and all taxes due by any of the Settlors, as a result of the sale of the Trust Assets, if such taxes shall have not been paid by the corresponding Settlor;

(2) to the payment of expenses and fees incurred in connection with the sale of the Trust Assets, including, without limitation, any expenses or fees charged or incurred by the Trustee or the Beneficiary, if any such expenses or fees shall have not been paid by the Settlors;

(3) to the payment of the Trustee's fees, if such fees shall have not been paid by the Settlors;

(4) to the payment, on a pro-rata basis, of any and all outstanding Secured Obligations, for which purpose the amounts requested by the Beneficiary shall be delivered thereto, so that the Beneficiary may apply such amounts or cause such amounts to be applied, in the order specified in Clause 9.1 of the Intercreditor Agreement; and

(5) upon payment of the foregoing items, any remaining amounts shall be delivered pursuant to the instructions of the Settlors or, absent such instructions, as ordered by a court of competent jurisdiction.

(c) Conversion. As the Secured Obligations payable by the Settlors are mainly monetary obligations denominated in dollars of the United States of America, to the extent necessary to pay the applicable dollar-denominated Secured Obligations, the amounts received in pesos from the sale of the Trust Assets referred to in this Clause Seventh, shall be converted into dollars of the United States of America by the Trustee, to the extent necessary and as instructed by the Beneficiary, at the most favorable rate provided by Banco Nacional de México, S.A., Integrante del Grupo Financiero Banamex, or BBVA Bancomer, S.A., Institución de Banca Múltiple, Grupo Financiero BBVA Bancomer, or any successor thereof, and in case such rate is not provided to the Trustee by the aforementioned institutions, as it shall be obtained from an institution chosen by the Beneficiary, which amounts so converted shall be applied by the Trustee, up to the resulting converted amount, to the payment of the dollar-denominated Secured Obligations and other items (in such order) described above.

(d) Advisor. Upon agreement with the Beneficiary, the Trustee shall appoint a third party (the "Advisor"), which shall be a reputable credit institution or financial advisor institution, to organize and coordinate the bidding process contemplated herein and to prepare all relevant documentation, provided that (i) the Beneficiary may, at any time, remove or replace the Advisor (if appointed), with or without cause, and (ii) there shall not exist a labor relationship between the Trustee and the Beneficiary.

(e) Substitution of the Advisor. Should the Advisor, for any reason, not be able to perform its obligations under this Agreement, the parties hereto agree that the Trustee, after having so agreed with the Beneficiary and only in that case, shall appoint a new advisor, whom shall adhere to the terms of this Agreement, and whom shall be deemed as the "Advisor" starting from the date of the appointment; it being understood that (i) such appointment shall be made to a reputable institution capable of performing such duties, and (ii) the

Advisor shall not cease to perform its duties until a new advisor accepts its designation as such under the terms provided in this Agreement.

(f) Fees and expenses of the Advisor . The Settlors, on a joint and several basis, agree to pay the Advisor its reasonable fees.

As required under Article 403 of the General Law of Negotiable Instruments and Credit Transactions (*Ley General de Títulos y Operaciones de Crédito*), each of the Settlors expressly agrees the extrajudicial foreclosure proceeding set forth in this Clause Seventh, by signing below to so evidence:

EIGHTH. Obligations and Scope of Trustee's Liability; Protection of the Trust Assets. (a) The Trustee agrees to manage the Trust Assets, to comply with its obligations and to exercise its rights hereunder, pursuant to the terms hereof and according to applicable law, and using the highest standard of care contemplated under Mexican law, and agrees not to take any action and not to omit to take any action, that would result in the Trustee not complying with such obligations.

(b) The parties hereto hereby agree that the Trustee shall not be liable for any action or omission of the other parties to this Agreement or of any third party that may result in an impossibility to satisfy the purposes set forth in this Agreement.

(c) Any Secured Obligation (or other obligations applicable to the Trustee pursuant to the terms hereof) shall be satisfied up to the amount of the Trust Assets. Should the Trust Assets be insufficient to satisfy the Secured Obligations, the Trustee shall have no responsibility to make any contributions under this Agreement or to pay the Secured Obligations, but shall be obligated to notify each of the Beneficiary and the Settlors of the existence of any insufficiency.

(d) Each of the Settlors and the Issuers shall notify immediately, in writing, the Trustee and the Beneficiary, of any development or event that has had or could reasonably be expected to have a material adverse effect in respect of the Trust Assets, this Agreement or the respective obligations of the Settlors hereunder, so that the Trustee may defend the Trust Assets pursuant to paragraph (g) below.

(e) The Trustee shall inform each of the Settlors and the Beneficiary, of any threat to the Trust Assets or of any Enforcement Event it has knowledge of, it being understood that the Trustee shall not be required to investigate the existence thereof.

(f) The parties hereto hereby agree that any instructions or notices to be delivered to the Trustee hereunder, shall be in writing.

(g) The Trustee shall have the obligation to grant, to the persons or entities specified in writing by the Settlors and the Beneficiary, the necessary powers-of-attorney to defend the Trust Assets. In the event that the Settlors and the Beneficiary have not designated a person or entity to defend the Trust Assets pursuant to the foregoing terms, and it is likely that such lack of defense shall have a material adverse effect on the Trust Assets, the Trustee shall grant the requisite powers-of-attorney to the person or persons that the Trustee deems appropriate, using its discretion, and shall give the necessary instructions for the effective defense of the Trust Assets, until such time when the Settlors and the Beneficiary deliver the appropriate written instructions to the Trustee in connection with such defense, without the Trustee or the Beneficiary being liable, except in case of the Trustee, if actions of the Trustee arise from willful misconduct, bad faith or negligence (*dolo, negligencia o mala fe*). If (i) there shall be an Enforcement Event, or (ii) the Settlors and the Beneficiary do not reach an agreement as to the identity of the person or entity that shall defend the Trust Assets or in respect of the terms of the instructions to be given in connection therewith, the appointment of attorneys-in-fact shall be made solely by the Beneficiary, without the Beneficiary being liable. Neither the Trustee nor the Beneficiary shall be liable for the acts of the attorneys-in-fact, or for the payment of the relevant fees and expenses, which shall be paid by the Settlors, failing whom, with the Trust Assets. The Trustee shall in no case grant powers-of-attorney for acts of ownership, which shall always be exercised by the trust delegates (*delegados fiduciarios*) of the Trustee.

(h) Should an urgent action be necessary to protect and maintain the Trust Assets, the Trustee shall be obligated to take any immediate action required to maintain the Trust Assets. The Trustee shall not be liable for any action it takes for purposes of protecting the Trust Assets, provided that its actions comply with the terms set forth in this Agreement and applicable law.

(i) If the Trustee shall receive a judicial or other notice or claim with respect to this Agreement or the Trust Assets, it shall, no later than the day following the day it shall receive the notice (or the following business day), send a copy of such notice or claim to the Settlors and the Beneficiary.

h) To enter into trusts that manage sums of money contributed periodically by consumer groups organized as commercial associations, having as purpose the acquisition of certain assets or services that are regulated under the Federal Consumer Protection Law (*Ley Federal de Protección al Consumidor*).

Each of the Settlors agrees to provide to the Trustee and the Beneficiary, tax receipts, returns or any other evidence of payment, of the applicable taxes, duties, assessments and related obligations.

(b) If for any reason and at any time, the Trustee were notified by any tax or tax-like authorities, located in any jurisdiction, of any determination or interpretation setting forth that the activities contemplated herein or any other related elements, result in the trust created hereunder being deemed as a taxable entity and, therefore, the Trustee being obligated to withhold and pay, or solely to pay, any taxes in connection with the trust created hereunder or any action related hereto, the Trustee shall promptly provide written notice to the Settlors and the Beneficiary, so that the Settlors may take any and all necessary action, including the payment of any taxes, duties, assessments or related obligations.

Ladies and Gentlemen:

CEMEX, S.A.B. de C.V., a *sociedad anónima bursátil de capital variable* organized under the laws of Mexico (the "Company"), proposes to sell to the several underwriters listed in Schedule 1 hereto (the "Underwriters"), for whom you are acting as representatives (the "Representatives"), an aggregate of 975,000,000 Ordinary Participation Certificates of the Company (*certificados de participación ordinarios,* or "CPOs") (each CPO representing two Series A Shares (the "Series A Shares") and one Series B Share (the "Series B Shares"), each without par value, of the Company's common stock), directly or in the form of American Depositary Shares ("ADSs"), each ADS representing ten CPOs (collectively, the "Underwritten Shares"). In addition, the Company proposes to grant to the Underwriters an option to purchase up to an additional 146,250,000 CPOs, directly or in the form of ADSs (collectively, the "Option Shares"). The Underwritten Shares and the Option Shares are referred to herein as the "Shares."

The parties hereto agree that 446,250,000 of the Underwritten Shares are outstanding CPOs (the "Selling Subsidiary Shares") held and to be sold hereunder by certain wholly-owned subsidiaries of the Company listed on Schedule 2 hereto (the "Selling Subsidiaries").

The ADSs will be issued by the ADS Depositary (as defined below) pursuant to the Second Amended and Restated Deposit Agreement (the "ADS Deposit Agreement"), dated as of August 10, 1999, as amended by Amendment No. 1 thereto dated July 1, 2005, among the Company, Citibank, N.A., as depositary (the "ADS Depositary"), and holders and beneficial owners from time to time of ADSs evidenced by American Depositary Receipts ("ADRs") issued by the ADS Depositary thereunder.

The CPOs have been or will be issued by the CPO Trustee (as defined below) under the terms of the *Fideicomiso* No. 111033-9, dated September 6, 1999, as amended (the "CPO Trust Agreement"), entered into between the Company and Banco Nacional de México, S.A., integrante del Grupo Financiero Banamex, as trustee (the "CPO Trustee"), and other than the Selling Subsidiary Shares, pursuant to an *Acta de Emisión* dated September 7, 1999 in the case of the Selling Subsidiary Shares and a *Segunda Acta de Emisión* dated September September 7, 2009 in the case of the other Shares (together, the "CPO Deeds"), executed by the CPO Trustee with the acknowledgment and approval of the Mexican *Comisión Nacional Bancaria y de Valores* (the "CNBV") and after obtaining an independent appraisal from Nacional Financiera, S.N.C.

The Company and the Selling Subsidiaries are concurrently entering into a *Contrato de Colocación* (the "Mexican Underwriting Agreement"), dated the date hereof, providing for the sale by the Company to the Mexican underwriters identified therein (the "Mexican Underwriters") of an aggregate of 325,000,000 CPOs (the "Mexican Firm CPOs") and providing for the grant to the Mexican Underwriters, acting for this purpose through J.P. Morgan Casa de Bolsa, S.A. de C.V., J.P. Morgan Grupo Financiero, of an option to purchase from the Company up to 48,750,000 additional CPOs (the "Mexican Option CPOs"). In addition, each of the Mexican Underwriters is entering into one or several *contratos de sindicación*, dated the date hereof, with each of the Mexican *casas de bolsa* that are part of the Mexican underwriting syndicate. The Mexican Firm CPOs and the Mexican Option CPOs are referred to herein as the "Mexican CPOs." The Mexican CPOs will be offered and sold in Mexico (the "Mexican Offering") only pursuant to a Spanish-language prospectus (the "Mexican Prospectus"), which will be substantially similar, with respect to information disclosed, to the Prospectus (as defined below), with such differences as are appropriate to reflect Mexican law and market practices. The offering contemplated by this Agreement and the Mexican Offering are referred to herein as the "Global Offering."

The Underwriters and the Mexican Underwriters have entered into an Intersyndicate Agreement, dated the date hereof, which provides for, among other things, reallocation, responsibility for stabilization activities and offering restrictions.

The Company and the Selling Subsidiaries hereby confirm their agreement with the several Underwriters concerning the purchase and sale of the Shares, as follows:

1. Registration Statement. The Company has prepared and filed with the U.S. Securities and Exchange Commission (the "SEC") under the U.S. Securities Act of 1933, as amended, and the rules and regulations of the SEC thereunder (collectively, the "Securities Act") an "automatic shelf registration statement" (as defined pursuant to Rule 405 under the Securities Act) on Form F-3 (File No. 333-161787) relating to the Shares. Such registration statement, as amended at the time it became effective, including the information, if any, deemed pursuant to Rule 430A, 430B or 430C under the Securities Act to be part of the registration statement at the time of its effectiveness ("Rule 430 Information"), is referred to herein as the "Registration Statement"; the prospectus filed as part of the Registration Statement is referred to herein as "Base Prospectus"; the Base Prospectus, as supplemented by the preliminary prospectus supplement related to the Shares, as filed with the SEC pursuant to Rule 424(a) under the Securities Act, which omits Rule 430 Information, is referred to herein as the "Preliminary Prospectus"; and the Base Prospectus, as supplemented by the final prospectus supplement related to the Shares, as filed with the SEC pursuant to Rule 424(a) under the Securities Act, in the form first used (or made available upon request of purchasers pursuant to Rule 173 under the Securities Act) in connection with the confirmation of sales of the Shares, is referred to herein as the "Prospectus." Any reference in this Agreement to the Registration Statement, the Preliminary Prospectus or the Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 6 of Form F-3 under the

Securities Act, as of the effective date of the Registration Statement or the date of the Preliminary Prospectus or the Prospectus, as the case may be, and any reference to "amend," "amendment" or "supplement" with respect to the Registration Statement, the Preliminary Prospectus or the Prospectus shall be deemed to refer to and include any documents filed after such date under the U.S. Securities Exchange Act of 1934, as amended, and the rules and regulations of the SEC thereunder (collectively, the "Exchange Act") that are deemed to be incorporated by reference therein.

At or prior to the Applicable Time (as defined below), the Company had prepared the following information (collectively with the pricing information set forth on Annex A hereto, the "Pricing Disclosure Package"): the Preliminary Prospectus dated September 8, 2009 and each "free-writing prospectus" (as defined pursuant to Rule 405 under the Securities Act) listed on Annex A hereto.

"Applicable Time" means 5:30 P.M., New York City time, on September 22, 2009.

2. Purchase of the Shares by the Underwriters.

(a) The Company and the Selling Subsidiaries agree, severally and jointly, to sell the Underwritten Shares to the several Underwriters as provided in Schedule 2 hereto, and each Underwriter, on the basis of the representations, warranties and agreements set forth herein and subject to the conditions set forth herein, agrees, severally and not jointly, to purchase from the Company and the Selling Subsidiaries the respective number of Underwritten Shares set forth opposite such Underwriter's name in Schedule 1 hereto at a price per CPO of MXP 15.90 and per ADS of U.S.$ 11.93750.

In addition, the Company agrees to sell the Option Shares to the several Underwriters as provided in Schedule 2 hereto, and the Underwriters, on the basis of the representations, warranties and agreements set forth herein and subject to the conditions set forth herein, shall have the option to purchase, severally and not jointly, from the Company the Option Shares at the purchase price set forth in the preceding paragraph, less an amount per Option Share, as the case may be, equal to any dividends or distributions declared by the Company and payable on the Underwritten Shares but not payable on the Option Shares.

If any Option Shares are to be purchased, the number of Option Shares to be purchased by each Underwriter shall be the number of Option Shares which bears the same ratio to the aggregate number of Option Shares being purchased as the number of Underwritten Shares set forth opposite the name of such Underwriter in Schedule 1 hereto (or such number increased as set forth in Section 10 hereof) bears to the aggregate number of Underwritten Shares being purchased from the Company and the Selling Subsidiaries by the several Underwriters, subject, however, to such adjustments to eliminate any fractional Shares as the Representatives in their sole discretion shall make.

The Underwriters may exercise the option to purchase Option Shares for the sole purpose of covering sales of Shares in excess of the number of Underwritten Shares; it being understood that such option shall be exercised in a coordinated manner with, but may be exercised separately from, the option under the Mexican Underwriting Agreement to purchase Mexican Option CPOs. The Underwriters may exercise such option at any time in whole, or from time to time in part, on or before the thirtieth day following the date hereof, by written notice from the Representatives to the Company. Such notice shall set forth the aggregate number of Option Shares as to which the option is being exercised and the date and time when the Option Shares are to be delivered and paid for, which may be the same date and time as the Closing Date (as hereinafter defined) but shall not be earlier than the Closing Date or later than the tenth full business day (as hereinafter defined) after the date of such notice (unless such time and date are postponed in accordance with the provisions of Section 10 hereof). Any such notice shall be given at least two business days prior to the date and time of delivery specified therein.

(b) The Underwriters may elect to have ADSs, in lieu of CPOs, delivered and paid for under this Agreement. The Representatives on behalf of the Underwriters shall notify the Company, not less than two full business days prior to the Closing Date or the Additional Closing Date (as defined hereinafter), as the case may be, of the portion of Shares to be delivered in the form of ADSs. The Company and the Selling Subsidiaries shall deposit the CPOs underlying such Shares with the Mexican custodian for the ADS Depositary in accordance with the provisions of the ADS Deposit Agreement against the issuance of ADSs.

(c) The Company understands that the Underwriters intend to make a public offering of the Shares as soon after the effectiveness of this Agreement as in the judgment of the Representatives is advisable, and initially to offer the Shares outside of Mexico on the terms set forth in the Prospectus.
